Graduation, Traffic, Parking and other Info.

Traffic Flow

1) There will be limited vehicular traffic permitted beyond the campus rotary (the section of College Drive by the East Building) so as to maximize pedestrian safety.
2) A traffic officer at the rotary will direct incoming drivers to make an immediate left at the rotary. Access to the general parking will only be from this Access Road.
3) VIP parking for the High School will be directed to A-Lot where there will be a section near the Handicapped area reserved.
4) The band truck will be directed where to unload. Then behind the East Building in a designated spot. The truck will not be allowed on the fields.

Handicapped/Disabled Parking

1) The easternmost section of Lot A will be reserved for handicapped/disabled parking.
2) If you have a state-issued disabled plate/placard, please stay to the right as you approach the rotary and notify the traffic officer.
3) You will then be directed to drive through the rotary and enter Lot A from the section of College Drive by the East Building.
4) At the end of the ceremony, you will need to drive into Lot B and exit via the Access Road. Vehicles will not be permitted to exit Lot A onto the section of College Drive by the East Building.

Mobility Issues - Drop-Off/Pick-Up Areas

1) Dropping-Off
   a) If you have a passenger with a mobility issue, please stay to the right as you approach the rotary and notify the traffic officer.
   b) The officer will point you to a drop-off area within the rotary (along the curb by the field) to discharge passengers.
   c) If the mobility issue is so severe that walking from this drop-off area to the tent is too far, please tell the traffic officer this and s/he will make arrangements with a second officer to get you closer to the tent.
2) Parking
   a) After discharging passengers, and your vehicle DOES NOT HAVE a state-issued disabled plate/placard, proceed to general parking in Lots A-F via the Access Road.
   b) After discharging passengers, and your vehicle HAS a state-issued disabled plate/placard, proceed to handicapped/disabled parking in Lot A via the entrance off of College Drive.
3) Picking-Up
   a) When you arrive at the rotary from the Access Road, tell the traffic officer that you need to pick up someone with a mobility issue.
   b) The officer will let you into the rotary and you can proceed to the location where you originally dropped the person off.

Lost & Found

1) During the ceremony, lost and found items will held in the Bookstore Tent.
2) After the ceremony, please contact Public Safety at 413-775-1212.

Rest Rooms

1) Restrooms in the East Building will be available throughout the day. Please use the door closest to the solar panels and follow restroom signs posted within.
