

Liberal Arts Option:

Health Science (LAH)

(Designated MassTransfer Program — pending approval)

THE DEGREE: Associate of Arts in Liberal Arts

THE PROGRAM OPTION: provides a foundation in the liberal arts with an emphasis on preparation for continued study in the health science field. The program includes an exploration of health careers, as well as basic science courses necessary for many health occupation programs.

YOUR NEXT STEP: transfer to a certificate or associate degree health occupation program such as medical technology, clinical laboratory science, radiologic technology, public health, occupational therapy, physical therapy, or emergency management science, or a bachelor's degree program in health science.

Work closely with your advisor to select electives most appropriate for meeting your career objectives and transfer institution's requirements.

- ① HUD 127 will be taken in the first year as a LAH major.
- ② Behavioral science, science, math and elective courses will be chosen in consultation with your academic advisor and in consideration of the requirements for your career program or transfer institution.
- ③ See Liberal Arts/General Program (page 52) for specific requirements.
