
The \$100,000 Challenge

“Double our Donors”

A generous friend of Greenfield Community College has just offered the GCC Foundation an extraordinary opportunity to increase support to GCC.

We're being challenged to double the number of donors to GCC this year from 1200 to 2400. Donations from new donors to GCC will be matched 2:1! Funds raised by the GCC Foundation will be used where they are needed most at the college – for example, for the library, the President's Fund for Excellence, and scholarships, including the Community Access Scholarship Fund, established to reduce the barriers that keep people from reaching our doors and achieving their utmost potential.

Accept the Challenge Today.

Your donation is crucial, and *“collectively we can do what no person can do singly.”* (Leland Kaiser)

Here's how it works:

New Donors: Our generous donor will provide a 2 to 1 match for new donors (and that includes previous donors who did not give last year). That's huge! A \$100 gift from a new donor raises \$300 for GCC.

**Please make the most generous gift you can, today, with
a check to the GCC Foundation's 2009 Annual Fund Campaign.**

The challenge grant matches gifts made through June 30, 2009.
