 GCC students considering transfer to a four-year college save considerable money and have many options available to them.

In response, the Business Department at GCC has initiated and plans to offer a new Liberal Arts option in Hospitality and Tourism Management. Students enroll in a foundational program that includes an introduction to hospitality, nutrition, marketing, economics and accounting, and provides transfer opportunities into the Hospitality Management concentration at the baccalaureate level at the University of Massachusetts. Whether you are interested in opening your own Bed and Breakfast, or managing a secret and
