

**Greenfield Community College**  
**Health Occupations**  
**Informational Meetings Spring 2010**  
 (Updated March 2010)

Attendance at an Informational Meeting is highly recommended but not required for admission to Health Occupations Programs. They are a great source of information about your chosen program and profession including class schedule information, faculty expectations, clinical and field experience insights, and career options, as well as a chance to meet your future Program Director or Coordinator.
