

Membership information

Dedicated to our great River Valley, its history, geology, biology, art, cultures & residents—past present and future.

We urge everyone fascinated by our local history, concerned by the future direction of life in the Valley or entranced by the geology or biology of our river basin to join the Pioneer Valley Institute today! Here's our handy sign-up form.

In an effort to help those hit hard by rising fuel and energy costs, we are rolling back our individual membership to just \$5! However, PVI relies on the generosity of its public audience so, if you can, we hope you will continue to support us with the suggested rates listed below—and thanks!

Date: _____

Name: _____

Address: _____
