FITS / FAQ Online Resource

The FITS/FAQ page continues to be updated. Search for information. Contribute to the FAQ by posting a question at http://www.gcc.mass.edu/fits/

Faculty Only Forum

In the fall, faculty requested an online forum area when they could have a private dialogue about teaching and ways to use technology to support student learning. A password protected forum site has been created for this purpose. This site is for faculty only. When you first submit your user name and password, you will be submitting a request to access this space. The forum administrator will grant participation rights. This may take up to 24 hours. However, once you have been granted access, you may post your questions and begin a dialogue for others to participate in.

NEED HELP WITH YOUR TECHNOLOGY?

You may submit questions, request assistance or guidance through the online Faculty/Staff Help Desk Portal. When on campus go to http://helpdesk.gcc.mass.edu/portal/portal-login [bookmark this link] or send an email when off-campus HelpDesk@gcc.mass.edu
