ACADEMIC PROGRAMS: ASSOCIATE IN ARTS

Liberal Arts Option: Health Science (LAH)

Satisfies MassTransfer General Education Foundation ➀

The Liberal Arts option described below is one focused way to complete the Liberal Arts degree at GCC. By taking courses listed in this specific option, students complete courses that will help develop 100 and 200 course level knowledge and skills in a particular field. Students are advised to work closely with their GCC advisor to select the specific courses that will help meet their specific career or transfer goals. (Note: Students who complete this option will graduate with a diploma that reads "Associate in Arts in Liberal Arts".)

THE DEGREE
Associate in Arts in Liberal Arts

THE OPTION
Provides a foundation in the liberal arts with an emphasis on preparation for continued study in the health science field. The program includes an exploration of health careers, as well as basic science courses necessary for many health occupation programs.

YOUR NEXT STEP
Transfer to a Baccalaureate program related to health science, or a certificate or associate degree health occupation program such as clinical laboratory science or radiologic technology.
