Rev: 10/21/2013
Welcome

Dear Students,

Whether your goal is to transfer to earn a baccalaureate degree, graduate ready for a job in the local workforce or to take courses for personal development, we are pleased that you chose GCC. This college has a rich tradition of academic excellence. The learning process can be a challenging one. Our faculty will ask you to stretch old muscles and develop new ones. It will take courage, patience, and persistence on your part, but GCC also has a rich tradition of student success. The faculty and staff of this college are committed to the development of each and every student who attends.

We are proud of the learning environment that we create for all who access the college. As a relatively small college we have the opportunity to get to know our students. You are much more than a number at GCC. Our students are at the center of a rich, caring and diverse learning community. Ultimately, our goal is to equip you with the knowledge and skills necessary to reach your highest potential.

Learning is not something that you do as a student in preparation for life – learning is a way of life. On behalf of the faculty, staff and Board of Trustees, I want to welcome you to Greenfield Community College and those possibilities.

Sincerely,

Robert Pura, President

VISION:
Strengthening Our Community
Lives change for the better every day at Greenfield Community College. Families grow stronger and so too our community. Our vision is to strengthen our community one student at a time. We understand our role and responsibilities, as a college in the global community, to create a better world for all.

MISSION:
Teaching and Learning Together
Our mission is to teach, in a small, supportive and intimate learning environment, the knowledge and skills necessary for our students to reach their highest potential. Our doors are open to all who seek to learn. In striving to fulfill this mission we also seek to learn the knowledge and skills necessary to reach our highest potential as a college. At GCC, we are passionate about teaching and learning together!

PRINCIPLES OF EDUCATION
“We are all about learning.”—Bob Pura, President GCC

These principles articulate the implicit assumptions regarding teaching and learning held dear by members of Greenfield Community College and represent the ideals to which the GCC community aspires. They apply to all members of the GCC community—students, employees and trustees.

These principles intend to provide a foundation on which members of the community develop and teach courses, engage students, hire faculty and staff, design professional development activities and structure budgets. These principles should inform the daily, habitual life of all members of the College, having both immediate and lasting impact. As teaching and learning are at the heart of the College, these principles appropriately shall guide the College into the future.

The College maintains a learning environment that values the process of learning as much as the knowledge taught; an environment that encourages independent thinking and divergent activities; and an environment that elevates members of the community and inspires them to:

• Develop independent and interdependent, lifelong learning strategies
• Nurture their aspirations, confidence, curiosity, imagination, self-respect and responsibility to others
• Explore and adapt to new ideas in both work and leisure
• Understand social change and individual development and take responsibility for sustaining both
• Accept the constancy of change and cope with, adapt to and manage change effectively in all areas of one’s life
• Possess self-determination with a realistic assessment of one’s aptitudes and inclinations

Members of the GCC community have the opportunity to acquire the knowledge, skills and attitudes that empower them to clarify values, express ideas, solve problems, and embrace learning as a life-long process.

Diversity and Community
The College creates and fosters an environment for work and learning in which one may achieve a level of comfort with one’s individuality and culture, while accepting and respecting the individuality and cultures of others. The College encourages each member of its community to:

• Recognize how the foundation of one’s ideals and values emanate from one’s particular background and experience
• Participate in communities as both teacher and learner; connecting with others, sharing thoughts and creating knowledge while taking advantage of an open environment that values critical thinking and civil discourse
• Enhance one’s understanding of various forms of discrimination and oppression while embracing the principles of access to promote equitable opportunity for all in the teaching and learning experience
• Explore, understand, and respect the tenacity and validity of diverse values and heritage
• Appreciate the interconnectedness of global events and issues and one’s place in the web of life
• Develop an environment that encourages active learning and values the differing approaches of all community members

**Literacy and Communication**

The College promotes effective expression in many forms for making public meaning and personal significance. Symbolic interpretation and representation of ideas and emotions, using logical and aesthetic systems that cultivate various modes of self-expression, contribute to successful interpersonal and intrapersonal communication. The College policies and practices ensure that all its members continue to develop their capacities to:

• Enhance literacy in all areas—reading, listening, viewing, writing, speaking, creating, and movement
• Reason quantitatively, using numerical data to meet personal and vocational needs and to respond to a world increasingly dependent on the understanding of a broad range of quantitative concepts and processes
• Identify a need for information and know how and where to find it
• Use language to communicate effectively with other individuals and groups, including basic functional ability in a language other than one’s own
• Function constructively in both a leadership and participatory role within groups

**Knowledge and Thinking**

The College expects members of the community to think critically and to conduct disciplined inquiry, using both their minds and hearts in order to understand the complexity and simplicity of ideas and actions; to prioritize and make decisions; to identify and solve problems; to evaluate and judge; in short, to think independently. The College encourages each member to:

• Access, organize, interpret, evaluate, synthesize and apply information
• Reflect on and assess information and knowledge from differing perspectives
• Develop knowledge of one’s feelings, values and biases and how they relate to one’s thinking and behavior
• Integrate knowledge from multiple disciplines to make thoughtful and informed decisions
• Base decisions on factual and affective evidence rather than on unexamined opinions
• Determine the nature of a problem, analyze the problem and implement an appropriate solution, applying scholarly theories and methods where appropriate
• Evaluate, integrate and adapt to technological change

Adopted by the Greenfield Community College Assembly, May 17, 2004

**GENERAL EDUCATION ABILITIES**

The College expects students to develop foundations and skills for lifelong learning, including the following General Education Abilities:

1. Appreciate diverse cultural and individual perspectives
2. Solve problems collaboratively
3. Reason and act ethically
4. Demonstrate civic knowledge and engagement
5. Communicate in various modes and media
6. Use quantitative concepts and processes
7. Locate, evaluate and use various sources of information
8. Explore the natural and physical world
9. Think creatively and critically
10. Apply, integrate, and synthesize learning

Adopted unanimously by the Greenfield Community College Assembly on May 2, 2011.
General Information

STATEMENT OF INCLUSION
As an inclusive community, Greenfield Community College engages in intentional and ongoing reflection of diversity as we seek to create a culture that values, encourages, and embraces a wide range of individual and group differences.

STATEMENT OF NON-DISCRIMINATION
It is the policy of Greenfield Community College to prohibit unlawful discrimination on the basis of race, ancestry, color, gender, religion, ethnic or national origin, age, personal disability, veteran status, social class, or sexual orientation. The College operates under an affirmative action plan and encourages under-represented individuals to apply, both in terms of employment and to all rights, privileges, programs, and activities generally accorded or made available to its students. This policy is in compliance with all applicable federal, state and local statutes, ordinances and regulations. All inquiries concerning the above should be directed to the College’s Affirmative Action Office.

Greenfield Community College

GCC THEN AND NOW: OUR HISTORY
Greenfield Community College, in the Pioneer Valley of western Massachusetts, was founded in 1962 by visionary community members who knew a community college would offer opportunities for growth to the people of Franklin County and southern Vermont and New Hampshire.

In GCC’s first year, just over 100 students attended classes in an old elementary school, a former factory and a remodeled warehouse in the center of Greenfield. The College moved to its main campus in the “The Meadows” area of Greenfield in 1974. Expanding further, GCC opened the Downtown Center in 1995 to house the Greenfield Community College Foundation, Alumni Affairs, Community Education, and the nursing and health occupation programs. As growth continued, the East building was added to the main campus in 1999. It provides state-of-the-art dance class facilities, the fitness center, laboratories, classrooms and offices. In 2011, GCC revitalized and redesigned the core of the main building. From the ground-level entrance up through the fourth floor; the new Core incorporates universal design principles to meet the needs of all our students. Students will be able to move fluidly from the enlarged Cafeteria/Dining Commons and blended Enrollment Services on the first floor to Student Life and Cultural Center on the second, up to the expanded Library and enhanced Learning Center on the upper floors.

With an annual fall enrollment of over 2,300 students, GCC is the smallest of the 15 community colleges in the Massachusetts higher education system and is known for its caring and supportive faculty and staff and strong community support. GCC is fully accredited by the New England Association of Schools and Colleges. GCC works closely with bachelor degree granting colleges of the Massachusetts public higher education system, including the University of Massachusetts, and with private colleges and universities, to offer diverse transfer opportunities to GCC students.

The College’s career programs prepare students to enter the work force or update their skills, while credit-free workshops and seminars are offered for personal enrichment and job training. Day, evening and online classes are offered to accommodate a wide range of student schedules.
GCC IS FULLY ACCREDITED

Greenfield Community College is accredited by the Commission on Institutions of Higher Education (CIHE) of the New England Association of Schools and Colleges (NEASC), and its accreditation was most recently reaffirmed in March 2011. Greenfield Community College has demonstrated that it meets the CIHE’s eleven Standards for Accreditation and complies with its policies. GCC’s 2010 Institutional Self-Study is available with the President’s Welcome at the College’s website, www.gcc.mass.edu. GCC is a Title IV Federal Student Financial Aid eligible institution.

Greenfield Community College is also accredited or approved by specialized accrediting bodies. Specialized accreditation or approval encourages program improvement by applying specific accreditation requirements to measure characteristics of a program and by evaluating the overall quality of a program. GCC programs are accredited or approved by the following:

- **Associate’s Degree Program in Nursing**—accredited by the National League for Nursing Accreditation Commission; and approved by the Massachusetts Board of Registration in Nursing
- **Certificate Program in Outdoor Leadership**—accredited by the Association for Experiential Education
- **Certificate Program in Paramedic**—accredited by the Commonwealth of Massachusetts’ Office for Emergency Medical Services (OEMS)
- **Associate’s Degree Program in Criminal Justice**—Police Career Incentive Program (PCIPP) or Quinn Bill approved by the Massachusetts Board of Higher Education
- **Certificate Program in Practical Nursing**—approved by the Massachusetts Board of Registration for Nursing
- **Associate Degree Program in Early Childhood Education**—National Association for the Education of Young Children

GENERAL POLICY ON ADMISSION

Office of Admission
Greenfield Community College
One College Drive
Greenfield, MA 01301
(413) 775-1801

Greenfield Community College maintains a policy of open admission to all but a few of its degree and certificate programs. Students who have earned a high school diploma or its equivalent from an appropriately accredited institution are eligible to matriculate into a degree or certificate program. Students who have earned a General Education Diploma (GED) or completed an approved home-school plan are also eligible to matriculate. Matriculation means that a student is admitted to a particular degree or certificate program and is eligible to receive federal financial aid. Prospective students who do not have a high school diploma, GED or completed approved home school plan may take courses but are not eligible to matriculate.

Students may be eligible to take GCC courses while also completing their high school or home school education. These students maintain a non-matriculated student status and are not able to apply to a degree or certificate program or receive federal financial aid. Please refer to the General Policy on Early Entrants below.

All students who seek to register for a class must demonstrate their readiness for coursework by scoring satisfactorily on standardized placement tests in reading, sentence skills, and mathematics, or by having successfully completed appropriate coursework in English Composition and/or mathematics at another college (a math course must have been within the last five years). At the time of registering for classes students must provide a transcript, indicating the passing grade from the college that these requirements were taken, if placement testing is being waived.

The College reserves the right to limit or deny enrollment of any student in a course or program based on its case-by-case consideration of a variety of factors, including, but not limited to, the student’s maturity, life experience, placement test scores, prior education, course content, instructional methodology, and risks associated with a particular course or program.

Certain courses may not be suitable for all students. Specific courses or programs may require students and/or their parents or guardians to acknowledge this in writing, and may require additional approval by the appropriate faculty and/or Academic Dean.
Applying for Admission to the College
1. Submit an Application for Admission by visiting the College's website at www.gcc.mass.edu/admission or by calling the Office of Admission.
2. Students who have graduated from high school or completed a GED within the last 12 months prior to the start of the term in which they intend to enter GCC are required to submit an official copy of their high school transcript or an official copy of their GED score report to the Office of Admission before the semester begins in order to maintain a matriculated student status. Students who have completed a home school curriculum within the last 12 months prior to the start of the term in which they intend to enter GCC are required to submit evidence that an approved home school plan was completed. Please refer to the Home Schooling policy below for further details. Documentation of completion of secondary work awarded outside the United States must be translated and evaluated to U.S. standards through a credential evaluating agency. Agencies can be found online at www.naces.org.
3. Students who are under the age of 18 at the time an application is submitted must obtain a parent’s or legal guardian’s consent to apply and complete the Parent/Guardian Consent Form which can be found at www.gcc.mass.edu/admission or by calling the Office of Admission at (413) 775-1801 for a paper copy.

Readmission to the College
Students who have had a break in their attendance for one semester or longer are required to reapply to the College before registering for courses. The application for readmission can be found online at www.gcc.mass.edu/admission. If a student has attended another college or university prior to readmission and is seeking transfer credit, an official copy of the student's transcript should be sent to the Office of Admission for transfer credit evaluation.

General Policy on Early Entrants
Greenfield Community College defines early entrants as students who seek to enroll in credit-bearing courses at the college prior to their secondary schooling completion date. In order to be accepted as an early entrant student one must do the following:
• Submit a completed application for high school students on-line at www.gcc.mass.edu/admission
• Complete and submit all supplemental paperwork which can be found at www.gcc.mass.edu/admission.
• Demonstrate their readiness for coursework at GCC by scoring satisfactorily on standardized placement tests in reading, sentence skills, and mathematics.

If a student intends on participating in athletics while also taking courses at GCC completion of a Massachusetts Interscholastic Athletic form may be required before acceptance to the College.

* Early Entrants who wish to continue their college studies upon completion/graduation from their secondary institution must complete an application for admission as a new student.

The Educational Transition Program (ETP)
The Educational Transition Program (ETP) serves Greenfield and Turners Fall High School students seeking an alternative approach to completing high school and starting college. This collaborative program is designed for students who are 16 years of age or older, in their junior or senior year in high school, and are committed to getting their high school diploma while attending classes at the College. ETP students simultaneously earn high school and college credit and receive support services from program staff. Working with the student’s high school guidance counselor, GCC creates a program of study that takes advantage of the College’s course offerings while fulfilling the student’s high school graduation requirements. For more information, please contact the ETP Coordinator at (413) 775-1846.
General Information

Home Schooling Policy

All home schooled students, without a high school diploma or General Education Diploma (GED), may apply for admission to a degree or certificate program provided they have successfully completed an approved home school program in accordance with Massachusetts General Laws or the laws of their home state. Home schooled students may self-certify their completion of an approved home school program.

Home schooled students must submit, with the Application for Admission, evidence that the home school program was approved by the student’s school district’s superintendent or school committee. If the student is under the age of compulsory attendance (16 years old in Massachusetts) and has completed a home school program, the student’s school district’s superintendent or school committee must provide a letter stating the student is not considered truant and would not be required to attend further schooling or continue to be home schooled.

How to Apply for Admission to Health Occupation Programs

Greenfield Community College offers a variety of health occupations. Some programs require an additional admission process. In order to be considered for these programs, a student must apply and be accepted to the College prior to applying to the health occupation program of their choice. Detailed information about the additional requirements for eligibility to each health occupation program may be obtained from the college website or from the Office of Admission. Greenfield Community College also has collaborative agreements with Berkshire Community College, Holyoke Community College and Mount Wachusett Community College for enrollment in selected health occupation programs that are not currently available at GCC. Participating students are subject to program requirements at the collaborating institutions. For further information, contact the Office of Admission.

How to Apply for Admission to the Outdoor Leadership Program

The Outdoor Leadership program (OLP) at Greenfield Community College is a one year certificate program and requires an additional admission process. Students must first apply and be accepted to the College prior to applying to the OLP program. Upon acceptance students should continue the process for consideration of acceptance to the OLP program. Details about this process can be found at www.gcc.mass.edu/olp.

Additional Certifications

Some programs, such as Associate Degree Nursing, Practical Nursing Certificate Program, Outdoor Leadership Certificate, and Paramedic Certificate, require certification in areas such as EMT, CPR and Wilderness First Responder. Please refer to the application process materials for those individual requirements.

Additional Admission Requirements

Immunization and Health Requirements

Greenfield Community College, in compliance with the College Immunization Law, Chapter 76 Section 15C of the Commonwealth of Massachusetts, has adopted the following immunization policy: All full-time students (enrolled in 12 or more credits), and all full-time and part-time students on visas, must provide the Health Records Office with documentation of immunity to specified communicable diseases within 30 days of starting classes. Failure to comply with these requirements will jeopardize continued enrollment, receipt of grade reports, transcripts, etc. Medical and religious exemptions are allowed. All full and part-time health occupation students must provide the Health Records Office with documentation of a physical exam and immunity to specified communicable diseases. Health occupation students will not be permitted to attend classes without a completed health record. For a list of current immunization requirements, or assistance in meeting immunization requirements, contact the Health Records Office at (413) 775-1430.
**General Information**

**Criminal Offender Record Information Checks**

Students interested in participating in an academic program, and some courses, that involve working with children, the disabled, or the elderly, or includes a clinical affiliation with a private or public health care provider will be required to undergo a Criminal Offender Record Information (CORI) check prior to registering for courses. Programs that require CORI checks are Nursing (NUR and PNC), Paramedic (PMC), Education (LEO), Human Services (LHS and HSV), Medical Assisting (MAC) and Criminal Justice (CRJ and CJC). Depending on the contents of a student’s CORI report, participation in an academic program, or clinical affiliation related thereto, may be denied. CORI checks may be performed pursuant to Mass. General Laws, Chapter 6, Sections 167-178B, and consistent with guidelines of the Executive Office for Health and Human Services, and/or the Commonwealth’s Department of Public Health. For more information, please contact the Staff Assistant to Student & Academic Affairs at (413) 775-1816.

**Transferring from Other Schools and Colleges**

Students applying for admission to Greenfield Community College who have attended other post-secondary institutions must submit official transcripts from those institutions to the Office of Admission. Official transcripts are required if a student:

1. needs documentation of appropriate previous successful college course work for exemption from placement testing, or
2. intends to transfer credit toward a degree or certificate program at GCC, or
3. expects to enter one of GCC’s health occupation programs.

Transfer credit is generally given for those courses that are similar in content, level, and scope to courses offered at Greenfield Community College, and in which at least a C- grade has been earned. A student must earn a minimum of 15 semester hours at GCC to be eligible to receive the associate’s degree. Once transcripts have been received by GCC from another college, they are the property of GCC. Originals and copies cannot be given back to students.

Students are encouraged to review the courses that were and were not credited towards a particular degree requirement. If a student changes majors while at GCC, they should ask that their transcript be reviewed again as more transfer credits may be awarded towards the new degree.

* There are stricter standards for the Criminal Justice Programs.

**International Students**

Greenfield Community College welcomes international students and accepts students who either have already obtained the appropriate Visa to take college courses or who are eligible to obtain such a Visa. International students should submit their completed application to the Office of Admission at least six months prior to the time they plan to attend. All documents must be submitted in English. If the credentials must be translated, the original copy (or certified copy of the original) must be submitted with the translation. Transcripts must be officially certified and sent directly by the educational institution or certified by the appropriate embassy. Photocopies will not be accepted. Contact the admission staff as soon as possible to ensure that all necessary requirements have been met. Please refer to the International Student Information Packet on the Admission section of the website for specific admission requirements.

International students who wish to transfer credit to GCC from a previously attended college or university outside of the U.S. must provide a course-by-course evaluation from an approved credential evaluation service. The course-by-course evaluation must be sent directly from the credential service. Photocopies will not be accepted for the award of transfer credit.
The College does not have housing. Financial assistance (Financial Aid) through Greenfield Community College is not available under any federally-funded financial aid program for students with visas. Therefore, international students must have ample financial resources to meet their college expenses. The full cost of tuition and fees are payable upon registration each semester.

**Estimated Expenses for International Students per Academic Year***

</tbody>
</table>

* These costs reflect the tuition-and-fee schedule for the 2012-2013 school year, based on 15 credit hours per semester. All costs are subject to change and may vary for each student. International students are required to purchase the college-offered health insurance.

**English for Speakers of Other Languages**

Students who demonstrate proficiency in English through scores on placement assessments will not be required to take course work in English for Speakers of Other Languages (E SOL). Students with placement assessment scores that indicate need for further English language study will be enrolled in E SOL classes. Enrollment in some courses is limited to those with sufficient proficiency in English. GCC offers four levels of E SOL courses. Students interested in language support or E SOL tutoring may call (413) 775-1226 for more information.

**How to Get Credit Applied to a Program of Study**

Students declaring a program of study may qualify for transfer credits based on previous educational experiences, including courses completed at other accredited or recognized institutions of higher education. Students may transfer credit earned at other colleges and universities to GCC provided they earned a grade of C- or better. Grades will not transfer and are not used to calculate grade point average at GCC. Complete details about transfer policies may be obtained by contacting the transfer credit evaluator at (413) 775-1816.

Students may also receive college credit for:

- satisfactory performance on selected College Board Advanced Placement Examinations
- satisfactory performance on selected College Level Examination Program examinations
- demonstrated competence on GCC challenge examinations
- unique life and work experiences that lend themselves to evaluation*
- course work completed in the military through ACE recognized programs*
- high school articulation agreement

* Criminal Justice programs do not award life experience credits or credit for military or police training.

Students enrolled in a certificate or degree program who wish to earn credit by examination should request an application form and contact information from the Office of Enrollment Services. A fee of $40 per credit is charged. A receipt of payment and the application form should be left in the division office before the date of the exam. Study guides for some examinations may be on reserve in the library.
General Information

Courses that currently can be challenged for credit at GCC are:

- ACC 121, Principles of Financial Accounting I
- ACC 122, Principles of Financial Accounting II
- BIO 126, Biology I (for waiver of pre-requisite only; credit not given)
- CIS 140, Microcomputer Software Tools I
- CIS 146, Relational Database Design and Application
- CIS 150, Programming Principles and Concepts
- CIS 180, Network Workstation Administration
- CIS 280, Network Server Administration
- FRE 101, Elementary French I
- FRE 102, Elementary French II
- MUS 107, Music Theory I
- MUS 147, Aural Skills I
- SPA 101, Elementary Spanish I
- SPA 102, Elementary Spanish II

Students cannot challenge a course for credit if they have failed the course at GCC, and challenge exams may only be taken one time.

Currency Requirements for Courses or Program

A number of courses and programs at GCC require students to satisfy a currency requirement for some required or prerequisite courses. This requirement means students must have taken the course within a stated number of years prior to enrollment in the course or program for which its currency is required. A student who has taken such a course but who does not meet the currency requirement may qualify to take a currency examination (exams may only be taken one time). Biology, Chemistry, and Psychology courses for which a student may demonstrate currency at GCC are:

- BIO 194, Comprehensive Anatomy and Physiology I
- BIO 195, Human Anatomy and Physiology I
- BIO 196, Human Anatomy and Physiology II
- BIO 205, Microbiology
- CHE 105, Basic Principles of Chemistry
- NUR 101, Fundamentals of Nursing
- PSY 217, Human Growth and Development

To qualify for a currency examination for BIO 194, BIO 195, BIO 196, BIO 205, NUR 101 or PSY 217, a student must submit a college transcript showing completion of an equivalent course with a grade of C or better. Students applying for a Health Occupation Program should check the specific grade requirement for that program.

To qualify for a currency examination for CHE 105, a student must submit either a college or high school transcript showing successful completion of an equivalent course with a grade of C or better.

General Education Development (GED) Tests

The GED Testing Center provides people who have not graduated from high school with the opportunity to earn a High School Equivalency Diploma. Massachusetts residents who are at least 16 years of age and not currently enrolled in high school may take the GED Tests. Free GED preparation classes are available at local adult education centers and GED Tests are offered in Greenfield and Orange. For more information, contact the GED Office, (413) 775-1147.
STUDENT BILLING

Student billing (Bursar) Office

To obtain the most up-to-date information from the Student Billing (Bursar's) Office visit our website at: www.gcc.mass.edu/billing.

The Student Billing (Bursar's) Office is located in room C102 on the first floor of the main campus building. This office is responsible for posting payments to student accounts, processing all refunds due to students, billing, and collection assignment.

Contact Information

Regular Office Hours (Summer hours begin in June. Check our website to obtain our summer office hours schedule.)
Monday – Thursday 8:30 a.m. – 5:00 p.m.
Friday 8:30 a.m. – 4:00 p.m.
Address:
GCC Bursar's Office, Rm C102
1 College Drive
Greenfield, MA 01301
Main number: (413) 775-1301
Website: www.gcc.mass.edu/billing
Fax: (413) 775-1329
Email: teller@gcc.mass.edu

Tuition & fees

The estimated tuition and fee costs to attend GCC can be calculated using the downloadable tuition and fee schedule from our website at www.gcc.mass.edu/billing. Click on the “Tuition & fees” menu option, locate the schedule, and click to download. Tuition charges per credit vary depending on whether you are an in-state, out-of-state, or NEBHE student. The college service fees are separate from tuition and are charged at the same rate per credit regardless of whether you are an in-state, out-of-state, or NEBHE student. All evening charges are assessed at the same rate regardless of your residency category. In addition, the Health Records Administration Fee and Student Activity fee are only charged for day class schedules. See “Explanation of Charges” section for further explanation of individual charges.

Summary of charges:

(Subject to change after July 1, 2013. Check our website for the most up-to-date information.)

Other fees may apply.

* NEBHE day tuition is $39 per credit; this is special rate for qualifying New England residents. Out-of-state day tuition is $281 per credit. The college offers no reduction in tuition and fees for auditing a course. Credit-free courses are priced individually.

NOTE: Other waivable charges such as Health Insurance, books & supplies, and special program fees, are not included on the above summary of charges or the downloadable tuition and fee schedule.

Tuition and fees are subject to change with the Board of Trustees approval.
General Information

In-state residency & NEBHE

Tuition and fee rates are calculated based on your Massachusetts or New England residency status.

**In-State:**

An in-state resident is a U.S. citizen or a permanent resident who established a residence in Massachusetts and has maintained continuous residency in Massachusetts for at least the six months immediately prior to the date of enrollment. An individual must be able to prove Massachusetts residency for six continuous months and intent to remain in the state. To apply for in-state residency complete an In-State Tuition Eligibility Form available on our website. For further details, contact Enrollment Services at (413) 775-1801 or (413) 775-1807.

**NEBHE:**

Through the New England Board of Higher Education (NEBHE), Massachusetts participates in the Regional Student Program (RSP) which enables students from one New England state to attend public colleges or universities in another New England state at tuition rates below those normally charged to out-of-state students. Eligible New England students who reside outside of Massachusetts currently pay 150 percent of the tuition charged Massachusetts residents. To qualify, a student must be a resident of one of the five other New England states and be pursuing a degree or certificate program not offered at a two-year community college in their home state or offered at a Massachusetts community college closer to their home. For more information, contact the Enrollment Services Office at (413) 775-1801 or (413) 775-1807.

**Out-of-State:**

If you do not qualify for in-state residency or NEBHE, you will be charged at the out-of-state rate.

Explanation of charges

**Health Insurance Charge:** *(The Insurer and premium costs are subject to change after July 1)*

**Cost and Coverage Period:** Check our website at [www.gcc.mass.edu/billing](http://www.gcc.mass.edu/billing) for the most up-to-date premium information. This charge is only assessed during the fall and spring terms. In the fall semester, students are assessed a full year's premium cost. The policy coverage period for fall is September 1, to August 31. In the spring semester, students are assessed a premium for eight months of coverage. The spring policy coverage period is January 1, to August 31. Your insurance premium must be paid in full by a strict enrollment deadline each semester in order to obtain coverage under the plan.

**Description:** The student health insurance charge is mandatory for students who meet the criteria to be charged. The Massachusetts Mandatory Health Insurance Law mandates that each Massachusetts Community College require all students who are enrolled in a degree or certificate program for nine credits or more to participate in the student health insurance program.

**Waiving This Charge:** If you are already covered under a comparable healthcare plan that became effective by at least the first day of classes, and if you expect to be covered through at least August 31, you may be eligible to waive this charge.

For those eligible to waive this charge, an online waiver must be completed and submitted by a strict deadline. NO EXCEPTIONS. The deadline will be announced on our website and will be included on billing statements and supplemental materials sent with bills. After the deadline date, the online waiver will not be available and students will be required to pay this charge. To waive this charge on our website, place your cursor over the “Insurance Overview” menu option and click “Waiving the Insurance Charge”.

**Insurer:** Students will be insured by Harvard Pilgrim Healthcare (PPO) Insurance Plan. The servicer of the plan is Gallagher Koster. From our website you can: access Gallagher Koster’s waiver form, obtain one of their brochures that details policy coverage, or read a summary explanation regarding the mandatory student health insurance law and eligibility criteria. If you have questions related to the policy itself, contact Gallagher Koster at:

**Address:** Gallagher Koster, 500 Victory Road, Quincy, MA 02171, Phone: 877-307-8194. Or, send your questions by email to: gccstudent@gallagherkoster.com
Paying Your Premium with Financial Aid Awards or Student Loans: Financial aid funds will not pay the student insurance charge without your written authorization. Therefore, if you are a financial aid recipient and you expect your aid/loans to pay this charge, you must authorize it in writing by completing the appropriate section of the Acknowledgements and Certifications form provided by our Financial Aid Office. This form is also available on your “MyGCC” account.

Liability Insurance:
All health occupation students are required to carry College-approved professional liability insurance. Information about this charge can be obtained by the Health Occupations Department.

Registration Fee:
Cost: $20 per semester
Description: This mandatory fee is a non-refundable administrative fee charged for all day and evening credit courses. It is charged for processing your enrollment and registration.

Tuition:
Cost: In-state-$26 per credit, Out of state-$281 per credit, NEHBE-$39 per credit
(Subject to change after July 1. Check our website for the most up-to-date information.)
Description: This mandatory charge is assessed for all day and evening scheduled credit courses. The in-state day tuition portion of your bill is remitted to the state of Massachusetts. The remainder is used to help defray the costs associated with general operations of the college.

College Service Fee:
Cost: $170.50 per credit
(Subject to change after July 1, 2013. Check our website for the most up-to-date information.)
Description: This mandatory charge is assessed for all day and evening scheduled courses regardless of residency category and is used to help pay for a variety of academic services, equipment, supplies, and technology expenses.

Health Records Administration Fee:
Cost: $11 per semester
Description: This mandatory fee is assessed for all day scheduled credit courses in both the fall and spring semesters only and is used to help defray the costs associated with the administration of student health records as required by law. This fee cannot be waived.

Student Activity Fee:
Cost: $30 per semester
Description: This mandatory fee is assessed for all day scheduled credit courses in both the fall and spring semesters only and is used to support student activities including concerts, guest speakers, orientation, graduation, clubs, and special events.

Special Course or Programs Fees:
Cost: Vary
Description: Additional fees may be included on your bill for specific programs or courses such as: Nursing, OLP, Music, Art, EMT, or other. Some programs may also require liability insurance, equipment, supplies, or other expenses related to the cost of running the courses within that program.
General Information

Other Fees:

Cost: Vary

Description: Other fees are used to cover specific costs such as 4-month payment plan fee, late payment fee, returned check fee, or other.

Day vs. D/D Tuition & Fee Charges

From a student’s prospective, there is no difference between day and D/D charges. These day charges are categorized as such strictly for college accounting purposes. If your bill shows D/D charges, they are treated as regular day charges for billing purposes. However, D/D charges may not be eligible for certain types of tuition and/or fee waivers.

Estimated Expenses

The cost of attending GCC varies depending on a student’s individual circumstances. In general, total expenses for a full academic year based on 12 credits per semester include: tuition and fees, books and supplies, room and board, transportation, and personal expenses such as: clothing, laundry, and recreation.

Annual Board of Higher Education - Affordability Disclosure Statement

Students who attend Greenfield Community College and other public higher education institutions in Massachusetts receive a substantial subsidy of their cost of education through a state appropriation. The state appropriation lowers the cost of tuition and fees to students. Many needy students also receive financial aid awards to further reduce their costs.

The annual cost information below is an example of the net cost to a Massachusetts resident taking 30 credit hours per year at Greenfield Community College. Individual costs will vary depending on each student’s particular circumstances.

<table>
<thead>
<tr>
<th></th>
<th>$</th>
</tr>
</thead>
<tbody>
<tr>
<td>Full annual operating cost per student (estimate)</td>
<td>$12,713</td>
</tr>
<tr>
<td>- State annual operating subsidy (estimate)</td>
<td>$6,696</td>
</tr>
<tr>
<td>= Annual tuition and mandatory fees</td>
<td>$6,017</td>
</tr>
<tr>
<td>- Student annual financial aid (average)</td>
<td>$3,013</td>
</tr>
<tr>
<td>Net Student Cost</td>
<td>$3,004</td>
</tr>
</tbody>
</table>

In addition to the state subsidy and student financial aid, students may also be eligible for federal income tax credits (Hope or Lifetime Learning credit). Tax credits do not reduce the initial cost to attend college, but are instead a reimbursement of tuition paid. For more information about tax credit eligibility, refer to Internal Revenue Service instructions or ask your tax advisor.

Student annual financial aid includes all federal and state grants and tuition waivers that may be applied directly to the College’s tuition and fees. Tuition and mandatory fees reflect the cost of the courses; it does not include health insurance or other miscellaneous fees.
Your bill

Billing Questions & Contacts:
You can find answers to most of your billing questions in the FAQs section of our website. Or, contact the GCC Student Billing (Bursar’s) Office. Any of our staff members can assist you.

Phone: (413)775-1301
Fax: (413)775-1329,
E-mail: teller@gcc.mass.edu.

For information regarding your Financial Aid package call the Financial Aid Office at: (413)775-1109.

For information regarding the official process for adding or dropping a class or withdrawing altogether contact Enrollment Services at (413)775-1801/1807 or call the Advising Center at (413)775-1339. In addition, see our “Refund Policy for Credit Courses” section.

Bill Due Dates:
Payment for tuition and fees is due approximately three to four weeks before classes begin each fall and spring semester. Fall and spring due dates will be announced on our website and will be included on billing statements and supplemental materials sent with bills. For any registration activity occurring after the established fall and spring due dates, bills are due upon registration. Intersession charges and charges for semesters that are shorter than the standard fall and spring semesters are due immediately upon registration. Summer session bills are always due immediately upon registration.

Billing Worksheet:
A billing worksheet is typically sent with your fall and spring bills. An electronic version will soon be available through your “MyGCC” account. We hope to have the electronic version live by the fall 2013 due date.

You are required to submit a Billing Worksheet with your first payment if:
• All or a portion of your bill is being paid by: a third party, a tuition and/or fee waiver, financial aid, or scholarship.
• You are participating in our 4-month payment plan (fall and spring semesters only)
• You want to complete the Waiver of Confidentiality in order to authorize us to discuss all financial aspects (including account balance) of your tuition and fee account with someone other than yourself.

NOTE: When completing the Billing Worksheet, if you list any financial resources that will be paying all or a portion of your bill such as financial aid, third party payments, scholarships, waivers, or in-house grants, you must submit acceptable documentation as proof of that financial resource. In addition, you must sign the student certification statement at the bottom of the form.

Waiver of Confidentiality:
We cannot discuss a student account with anyone other than the student unless the student has completed a Waiver of Confidentiality form (see step 3 of our Billing Worksheet). The person inquiring or making payment must be listed on the waiver and a password created by the student must be provided before we can answer any questions or provide account information, including balances.
How to pay

Pay the amount due as shown on your billing statement or pay the amount due as determined by the calculation on your Billing Worksheet. Payment can be made by one of the following methods:

Pay Online:

Online payments can be made by the student or by an authorized payer set up by the student. We accept MasterCard, VISA, or Discover. You can also pay by electronic check. We strongly encourage that all payments be made online by the student or his/her designated authorized payer. To pay your bill online:

1. Log into your “MyGCC” account. To log in, enter your user ID which is typically your student ID number. When logging in for the first time, your password (PIN) is usually your date of birth (enter date format as MMDDYY).
2. Place your cursor over “My Account”
3. Click “Pay your bill” located under the “Billing” menu.
4. You will be transferred to the secured QuikPAY website to complete the transaction.
5. From the menu at the left of your screen, click “Make Payment”.
6. From the drop down menu, choose the semester for which you are paying. Please be sure to choose the correct semester.
7. Complete the remaining fields and continue through the process.

Setting Up an Authorized Payer:

If someone else pays your bill, you can grant them access to our secure online payment system, QuickPAY, by creating an “Authorized Payer” login and password for them.

To set up an “Authorized Payer” do the following:

1. Follow the instructions in items 1-4 of the “Pay Online” section above.
2. Select “Authorize Payers” from the menu to the left of the page.
3. Select “Add New” and complete the form.
4. The payer will receive an e-mail with a link to the QuickPAY website. You must provide your billing information to any “Authorized Payer” who will make payments on your behalf.

Pay by Mail:

Make checks payable to GCC. Include your student ID number on your check. Send payments to:

GCC Bursar’s Office, Rm C102
1. College Drive
Greenfield, MA 01301

Pay in Person:

Cash and hard copy checks will still be accepted in the Student Billing (Bursar’s) Office in room C102. However, we urge all students or authorized payers to pay online whenever possible. If paying by credit card, the cardholder must show a photo ID. We cannot accept payment if you are not the cardholder.

Pay by Phone:

We will accept MasterCard, VISA, or Discover card payments by phone in the Bursar’s Office. However, we urge students or authorized payers to pay online whenever possible. If paying by credit card, the cardholder must call in the payment at (413) 775-1301.
Pay in Installments:

A 4-month payment plan is available for fall and spring semesters only. Summer session payment plans may be available on a case by case basis for extenuating circumstances. A $35 fee per semester applies. To sign up, see the Billing Worksheet that is included with fall and spring semester bills. To request a payment plan for summer sessions, you must visit the Student Billing (Bursar’s) Office in person.

IMPORTANT NOTICE: If you are not paying your bill in full by the due date, you must sign up for the payment plan and make your first payment along with the fee by the due date. See “Payment Plan” section for additional details. In addition, if you have applied for financial aid and you have not been awarded by the due date, you must sign up for the payment plan and continue to make regular payments until your financial aid is awarded and you have enough aid to pay your balance.

Past due bills

Please pay your bill on time.

If you do not pay your bill in full or sign up for the payment plan by the due date, and you have no other financial resources available to pay your bill, past due accounts are subject to the following actions:

• GCC reserves the right to cancel your class schedule for non-payment.
• You will be denied additional services such as: future registration; release of your grades; or release of academic transcripts until your bill is paid in full.
• If you have not paid your bill in full by the due date and you failed to sign up for the payment plan, past due accounts of $100 or greater will be assessed a one-time $35 late fee per semester.
• Your account will be submitted to a collection agency and you will be responsible for additional collection charges of up to 21% of your unpaid balance.
• Your account will be reported to the Massachusetts Debt Intercept Program (balances of $25 or greater) where state and federal payments, including state tax refunds, will be intercepted and transferred to Greenfield Community College until your bill is paid in full. Debt Intercept Program: Overdue accounts are subject to Mass. Department of Revenue intercept of state and federal payments, including state tax refunds (MGL C.62D). Please contact the Bursar’s Office to dispute overdue charges or submit a written request for a hearing as allowed under MGL C.30A.
• A $10 late fee may be charged to payment plan accounts for each month a payment is more than 30 days past due.

Refund policy for credit courses

The College has different refund policies for day, evening, summer and intersession courses, as well as for credit-free workshops. In all cases, the date of your formal withdrawal will determine your eligibility for a reduction in charges. A full reduction in charges will be granted if a course or workshop is cancelled by the college.

Process for Withdrawal:

If you decide to withdraw from some of your credit classes, you must complete an official Drop/Add form with your advisor and the form must be signed and dated by him/her. The completed form must be delivered to the Enrollment Services Office in C103. Contact the Advising Center at (413) 775-1339 or Enrollment Services at (413) 775-1801 for additional guidance on how to drop a class.

If you are withdrawing from all of your credit classes, you must submit a Request for Withdrawal from All Classes form. The form needs to be signed by your advisor and delivered to the Enrollment Services Office in C103. Contact the Advising Center at (413)-775-1339 or Enrollment Services at (413) 775-1801 for additional guidance on how to withdraw completely. The withdrawal form must be submitted before the last day to drop/withdraw with a grade of “W” per the academic calendar. Any late submittals will be reviewed on a case by case basis by the Registrar and the Dean of Enrollment and granted only under exceptional circumstances. If not approved, a grade will be assigned by the instructor based on the work completed.
**General Information**

**Withdrawal Prior to Semester Start:**

If you withdraw from some or all of your credit classes prior to the start of the semester (not before the specific class begins), a full reduction in charges for both tuition and fees, less the $20 registration fee, will be granted. The registration fee is an administrative fee and is non-refundable. Therefore, this fee will remain on your account until it is paid.

**Withdrawal After Semester Starts:**

Refund deadlines vary for classes that do not meet for the entire term and for summer, intersession, and weekend class schedules. Please check with the Enrollment Services office at (413) 775-1801 or (413) 775-1807 to inquire about refund periods for those sessions.

Generally, for the purposes of obtaining a reduction in charges, if you withdraw from regularly scheduled credit class(es) during the refund period, you will receive a reduction in charges of both tuition and fees as follows:

<table>
<thead>
<tr>
<th>Semester</th>
<th>Refund Period (fall &amp; spring only)</th>
<th>Percent</th>
</tr>
</thead>
<tbody>
<tr>
<td>Fall and Spring</td>
<td>First week of semester</td>
<td>100% minus $20 registration fee</td>
</tr>
<tr>
<td>Fall and Spring</td>
<td>Second week of semester</td>
<td>75% minus $20 registration fee</td>
</tr>
</tbody>
</table>

The specific refund period dates for regularly scheduled credit classes are published on the academic calendar. We will also publish them on the Student Billing (Bursar’s) Office website and on the reverse of all billing statements.

The $20 registration fee is non-refundable and will remain on your account until paid.

**Even Exchange of Classes during Refund Periods:**

An even exchange of classes is only permitted through the last day of the 100 percent refund period. After that date, if you drop a class and add another class during the 75% refund period, you will pay full cost for the added class and receive only 75 percent refund for the dropped class.

If you are entitled to a refund of any payments after a reduction in charges, please allow 4 to 6 weeks for refund processing.

**IF YOU WITHDRAW FROM ALL OR SOME OF YOUR CLASSES AFTER THE REFUND PERIODS EXPIRE, YOU WILL NOT RECEIVE ANY REDUCTION IN CHARGES AND YOU WILL BE RESPONSIBLE FOR PAYING ALL CHARGES REMAINING ON YOUR ACCOUNT.**

**Withdrawal Due to Medical Issues:**

If you withdraw due to health issues during the refund period, our regular refund policy will apply. There is no refund for medical withdrawal after the refund period has expired. Withdrawal due to health issues is treated no differently than a normal withdrawal.

**Refund policy for credit-free workshops**

Credit-free workshops require official withdrawal prior to the end of the published period or one (1) week prior to the first workshop session. A full reduction in charges, less a $10 administrative charge, will be given for official withdrawals. Official withdrawal is made by completing a “Drop/Add” form and submitting it to the Registrar’s Office within the time frame required. Reduction in charges for credit-free workshops will not be issued under any other circumstances.
Payment plan

About the Payment Plan:

A 4-month payment plan is available for fall and spring semesters only. To sign up, complete step 3 of the Billing Worksheet that is included with fall and spring semester bills. Summer session payment plans may be available on a case by case basis for extenuating circumstances. To request a payment plan for summer sessions, you must visit the Student Billing (Bursar’s) Office in person. A $35 non-refundable fee will be charged for each semester you are participating in the plan.

If you are not paying your bill in full by the due date, you must sign up for the payment plan. In addition, you must sign up for the payment plan if a balance will exist after deducting any portion of your bill that is expected to be paid by other resources such as financial aid, tuition waiver, third parties (employers, government agencies, job training programs, etc.), private scholarships, in-house grant, or other.

Refer to our Billing Worksheet to calculate your payment plan amount. The payment plan due dates are firm. The due dates will be announced on our website and will be included in step 3 of the Billing Worksheet. If other financial resources will be paying your bill in full, you do not need to sign up for the payment plan. However, you must complete a Billing Worksheet to let us know how your bill will be paid.

When signing up for the payment plan, payments for due dates that have passed will be due at the time of sign up. In addition, if a due date is approaching, that payment must be paid by the due date. Late payments may be subject to a $10 late fee for each month a payment is more than 30 days past due.

Your payment plan bill will be sent to you by mail at least 10 days prior to each due date.

Payment Plan and Enrolling in the Student Health Insurance:

Of all charges shown on your GCC tuition and fee account, your insurance charge is the last charge to be paid regardless of the source of payment. Therefore, if you are participating in our 4-month payment plan, your insurance charge will not be paid in full until your entire account is paid in full with your final payment on the final due date of the semester. However, once your bill is paid in full, your insurance payment will be submitted during the first week of the next month following the date you paid in full. In extenuating circumstances, we can report your payment individually on a case by case basis in order to expedite your coverage once your premium is paid in full. Your coverage will be effective retroactive to the first date of the policy period for which you paid. NOTE: For each semester, an enrollment deadline to purchase insurance applies. That deadline will be posted on our website.

If you have questions regarding the payment plan, contact the Student Billing Office at: (413) 775-1301.

Financial aid payments

If You Have Been Awarded Financial Aid by the Due Date of Your Bill:

If you have been awarded financial aid by the due date of your bill, and your aid will pay all or a portion of your bill, you must complete a Billing Worksheet. Completing the Billing Worksheet will defer payment for only the portion of your bill that will be paid by financial aid funds until the Financial Aid Office disburses those funds to your account. By the due date, you must pay in full any portion of your bill not covered by financial aid funds. If you do not pay your balance in full, by the due date, you must sign up for the 4-month payment plan by completing that section of the Billing Worksheet. See payment plan section for more details. Before returning your completed worksheet, be sure to read the student certification statement at the bottom of the worksheet and sign and date where indicated. If you do not pay your balance in full and you do not sign up for the payment plan by the due date, you will be charged a late fee of $35 if your balance is $100 or greater.

If You Have Not Been Awarded Financial Aid by the Due Date of Your Bill:

If you have not been awarded financial aid by the due date of your bill, you must either pay your bill in full or sign up for the 4-month payment plan by completing the Billing Worksheet. When participating in the payment plan, your first payment will include one quarter of your bill plus the one-time per term payment plan fee. See payment plan section for...
more details. If you eventually receive financial aid funds in excess of your balance, it will be refunded to you during the next refund cycle. In addition, you will not be required to make additional payment plan payments as long as you remain eligible for the aid awarded to you. However, the $35 payment plan fee is non-refundable. If you do not pay your balance in full and you do not sign up for the payment plan by the due date, you will be charged a late fee of $35 if your balance is $100 or greater.

If Your Financial Aid is Reduced After You’ve Completed Your Billing Worksheet:

Remember, financial aid awards are tentative and based on your continued enrollment and other eligibility requirements. If you become ineligible for any award after you’ve included it when completing your billing worksheet and/or payment plan calculation, you should visit the Student Billing Office to revise your payment obligation. Whenever you decide to change your class schedule, especially when reducing the amount of credits you will be taking, always check with the Financial Aid Office to determine how it will affect your aid and your tuition and fee bill.

If you ever receive an overpayment of Financial Aid due to a determination of ineligibility, you will be responsible for any additional balance that results from a reduction in your financial aid. In addition, if you’ve already received a refund for excess aid that you subsequently became ineligible for, you will be required to repay that amount to the school.

Paying Your Health Insurance Charge with Financial Aid Funds:

Federal financial aid funds will not pay this charge without your written authorization. Therefore, if you need to purchase the insurance because you are not covered under a comparable insurance plan, and, if you expect your financial aid to pay this charge, you must authorize it in writing by completing the appropriate section of the “Acknowledgements and Certifications” form required by the Financial Aid Office.

It is possible to have a balance remaining on your account after you’ve received all of your excess financial aid funds in the form of a refund check. For example, if you’ve received your financial aid refund check but still have a balance on your account for insurance, this means you did not authorize your financial aid funds to be used to pay for insurance. Your authorization must be submitted to the Financial Aid office each semester for which you’ve been charged insurance.

If you’ve already received your financial aid refund check and you still have a balance for insurance, you must either waive the insurance charge (if eligible) or pay it from your own financial resources. The charge will remain on your account and will be treated like any other past due balance subject to further collection action until paid in full or waived. In addition, an obligation hold will be placed on your account which will prevent you from receiving any additional services from the school until you’ve dealt with the insurance charge. For additional information about the Student Health Insurance plan, or to complete the online insurance waiver, visit our website at: www.gcc.mass.edu/billing. Place your cursor over the “Insurance Overview” tab and choose your option. For more information on how to authorize financial aid to pay your insurance charge, contact the Financial Aid Office at (413) 775-1109.

Federal Financial Aid Refund Policy:

When students stop attending classes, officially drop classes, or withdraw from the College, they may have their financial aid payments adjusted to reflect the actual percentage of time that they have attended class(es) and/or other educational activity. This percentage will be calculated by the number of days the student has attended divided by the number of days in the semester. The College and student must return any unearned aid to the appropriate funding sources (i.e. Pell grant, SEOG grant, Stafford Loan etc.). The College will have only thirty (30) days to determine the correct amount of funds the student has earned and notify the student if a refund must be collected for any aid previously disbursed or if there is a balance owed to the College. Students must respond by contacting the Student Billing Office within 45 days from the date of the financial aid notification to arrange an acceptable repayment agreement. Therefore, students will need to work very closely with the Financial Aid office as they stop attending classes, officially drop classes, or withdraw from the College. For questions on how those actions will affect your Financial Aid package, contact the Financial Aid office at (413) 775-1109.
**Third-party payments**

If you expect your bill to be partially paid or paid in full by a private scholarship, a third party, or a government agency, you must still make payment arrangements with the Bursar’s Office.

By the due date of your bill you must do the following:

- You must pay any portion of your bill not covered by any other source. Or, you must sign up for our standard 4-month payment plan to pay the remaining balance in installments. See payment plan section.
- You must submit appropriate documentation showing proof of the party’s willingness to pay your bill on your behalf.
- You must complete a Billing Worksheet that will defer payment for the portion of your bill that you expect to be paid by another party.

Ultimately, the student is always responsible for making sure their bill is paid in full.

If payment in full has not been submitted to the Student Billing Office by the third party within 30 days from the date we bill them, students will be responsible for paying those outstanding charges and will be billed for them. If payment in full is not received by the student within 30 days from the date of the billing statement, regular past due collection procedures will apply as stated on the reverse of all bills. See “Past due bills” section.

**Tuition waivers**

For credit courses, the College requires that tuition waivers be submitted by the due date of the bill if you are eligible for one at that time. Proof of eligibility must be provided. Waivers will not be accepted if you fail to submit the proper waiver in a timely manner. Generally, fees cannot be waived with most types of waivers. However, senior citizen waivers, certain college employee waivers, and a limited number of other waivers, may also waive fees. In most cases, special program fees cannot be waived. Some waivers are subject to approval by the Registrar on a seating availability basis. All waivers for non-credit workshops are approved separately by our Community Education Department on a case by case basis.

For a complete listing of our most common types of waivers visit our website at: [www.gcc.mass.edu/billing](http://www.gcc.mass.edu/billing). Place your cursor over the “Your bill” menu option and click “Tuition Waivers”.

**Requesting an Exception to the College’s Refund Policy**

Students can request an exception to the refund policy by submitting a written appeal to the Chief Financial Officer, Tim Braim. Exceptions are made on a case-by-case basis. An appeal should contain enough information to allow an examination of all pertinent facts, and should include any documentation that will strengthen the request.

Submit appeals by postal mail to:
- Chief Financial Officer Tim Braim
- Attn: Student Appeals
- Greenfield Community College
- One College Drive
- Greenfield, MA 01301

Alternatively, submit e-mail appeals to: appeals@gcc.mass.edu. Feel free to copy your communication to CFO Braim at braim@gcc.mass.edu. If the request includes supporting documentation, send the materials by postal mail or as scanned attachments to an e-mail message.

**Appeals based on non-medical reasons:**

An explanation of the non-medical reason(s) for requesting an exception to policy (along with supporting documentation, if pertinent) should be sent to one of the addresses above.
General Information

**Appeals based on medical reasons (two step process):**

1. If a student is requesting an exception to the refund policy based upon medical reasons, any medical documentation should be sent directly to Director of Student Development. Either a note (from a doctor, therapist, psychologist, e.g.) on letterhead stationery or a filled out provider information form must accompany medical withdrawal requests. Please call Student Development for further guidance on medical withdrawals, at 775-1819. If a medical withdrawal is approved, the Director of Student Development will notify the Registrar. That documentation, along with the original request, will become a part of the student’s record. Medical withdrawals do not automatically result in a refund of tuition and fees paid.

2. After receiving approval for a medical withdrawal an appeal can be filed requesting an exception to the refund policy. When writing to the Chief Financial Officer, the student should indicate that a separate and distinct communication for a medical withdrawal has been sent to the Director of Student Development. The student should not include medical documentation to the Chief Financial Officer when requesting an exception to the refund policy.

**Health Insurance**

Academic year 2013-2014 will be the twenty fifth year of implementation of the Massachusetts Mandatory Health Insurance Law. Under this law, each Massachusetts Community College must require all students who are enrolled in a degree or certificate program and carrying nine credits or more in the Day or DCE Divisions to participate in the student health insurance program or in a health insurance program, separate from the school’s plan, but with comparable coverage.

Massachusetts Community Colleges students will be insured for policy year 2013-14 by Harvard Pilgrim Healthcare (PPO) Insurance Plan. To obtain a MA Community College Student Insurance Plan Brochure, visit our website.

**Eligibility to Purchase GCC’s Student Health Insurance Plan**

If you are a student enrolled in a certificate or a degree-granting program for nine (9) credits or more, you are eligible to purchase student health insurance coverage through Greenfield Community College. Therefore, state guidelines require GCC to charge you for insurance. However, you may be eligible to waive this charge if you meet the criteria. See eligibility to waive section below.

Part-time students taking fewer than 9 credits are not eligible for the school plan, nor are dependents of students. However, if you think you should be eligible but do not see the insurance charge on your bill, please contact the Student Billing Office at 413-775-1301.

If you are ineligible to purchase the school plan, you can contact the insurance broker directly to learn about products and services that may meet your insurance needs.

If you are contemplating dropping current coverage purchased elsewhere in order to purchase the GCC student insurance plan, it is your responsibility to compare the two plans in order to determine which plan is best for you. The College does not advise on policy coverage. If you decide to drop your coverage and purchase the College plan, then subsequently, you determine that your other plan provided better coverage; the College is not responsible for your decision. Be sure you review both policies carefully to determine your best options. Once you have purchased the College insurance plan, no refunds are granted by the College if you decide the policy is not right for you.

**Health Insurance Costs and Coverage Period:**

The premium charge for the Massachusetts Community College Health Insurance Plan will appear on your bill. Premium costs for the 2013/2014 year have not yet been determined. The current costs and enrollment periods are: fall 2012: $1,049 for the coverage period of September 1, 2012 through August 31, 2013; spring 2013: $695 for the coverage period of January 1, 2013 through August 31, 2013.
Health Insurance Enrollment Deadline:

A deadline to enroll in the plan will be established each fall and spring semester and will be posted on our website. If you do not enroll by the deadline established by the insurance broker, Gallagher Koster, you will not be able to enroll in the plan for the applicable enrollment period.

When Coverage Begins:

Of all charges shown on your account, your insurance charge is paid last regardless of the source of payment. Therefore, if you are making monthly payments on the payment plan, or if you are expecting financial aid or a third party to pay your entire bill including insurance, your insurance coverage will not be in effect until your entire bill is paid in full. Once paid in full, the student billing office will submit your name and payment in the next reporting cycle. For extenuating circumstances, in order to expedite coverage, on a case by case basis, we will report individually upon request by the student. Otherwise, reporting is submitted to the insurance company during the first week of each month. Once the insurance company receives and processes the uploaded reporting file, you will receive a card by mail or you can print a card online within 5-10 business days following the date your name was submitted by us. When your insurance information is processed by the insurance broker, coverage will be retroactive to September 1 if paid in the fall term, or January 1 if paid in the spring term.

Important Points to Consider Regarding Financial Aid Payments and Payment of Health Insurance:

1. If all or a portion of your bill is being paid with Financial Aid funds, all other charges shown on your account that qualify as educational expenses will be paid first before health insurance.
2. In addition, even though your Financial Aid may have been offered to you and you may have accepted it, your account will not be paid until the Financial Aid Office disburses your awards/loans to your account. Typically, most financial aid grants and loans are disbursed to accounts approximately six weeks into the semester.
3. You should be sure you have enough aid to pay all of your charges, including health insurance. Further, you should be sure you’ve authorized your Financial Aid funds to pay health insurance by completing the appropriate section of the “Acknowledgments and Certifications” form provided by the Financial Aid Office. Otherwise, you will need to pay out-of-pocket for any charges not covered by Financial Aid, including health insurance. If you have questions regarding this topic, contact the Financial Aid Office at (413) 775-1109.

What if the Insurance Company Has No Record of You?

If you are seeking healthcare treatment and you think your insurance charge has been paid but the insurance company has no record of you, contact the Student Billing Office to verify that your insurance charge has indeed been paid in full and your payment was forwarded to the insurance company on your behalf. If payment has been sent to the insurance company, the Student Billing Office will contact our insurance company representative to inform him/her that your payment is in transit for claim purposes. In the meantime, if you have a scheduled appointment with a healthcare provider, a temporary insurance card may be obtained online within a few days, once we have contacted the insurance company on your behalf.

Eligibility to Waive the GCC Health Insurance Charge:

All online waivers must be completed and submitted by a strict deadline. NO EXCEPTIONS!! The deadline will be announced on our website and will be included on billing statements and supplemental materials sent with bills. If you have been charged for health insurance on your GCC bill, but you already have comparable coverage under your own or someone else’s plan (such as a parent), you can waive the GCC insurance charge. As part of the online waiver process, you will be required to create an account and certify that you currently have comparable coverage by answering a series of questions that will determine if you are eligible to waive the insurance charge. If eligible to waive, you must then complete the waiver form.

Per MA state guidelines, to be comparable, the coverage provided must include reasonably comprehensive coverage of inpatient and out-patient hospital and physicians’ services, and be reasonably accessible to the student in the area where the student attends school. Coverage by any insurance carriers outside the USA and coverage by foreign National Health
General Information

Service programs are not deemed to be comparable coverage. “Uncompensated Care Pool” coverage also does not qualify as comparable coverage. Generally, MA Health may require you to purchase the student health insurance plan if you have no dependents. Further, Commonwealth Care participants may not waive the student insurance plan per state of MA guidelines. It is the student’s responsibility to determine whether they are covered under a comparable insurance plan. In addition, only the student can complete the online waiver in order to certify that they do have comparable coverage per state law. GCC staff members are not permitted to complete and submit waivers on behalf of students. To complete the online student insurance waiver form, visit our website at: www.gcc.mass.edu/billing. Place your cursor over the “Health Insurance Overview” tab and click “Waiving the Insurance Charge”.

Alternative Insurance Options:

Due to recent Federal Healthcare laws enacted, students may be eligible for coverage under a parent’s plan. Your parent should check with their insurance company or employer to determine whether you are eligible to participate under their plan. To find out about other insurance options, visit: https://www.mahealthconnector.org. Or, contact our Student Health Insurance Broker to inquire about their alternative student plan for students enrolled for less than nine credits.

Insurance Broker Contact Information:

If you have questions about what’s covered, how to access benefits, enrollment concerns, replacement insurance ID cards, or insurance plans for students who are ineligible for the student insurance plan, contact our student insurance broker at: Gallagher Koster
500 Victory Road
Quincy, MA 02171
Phone: 877-307-8194
Email: gccstudent@gallagherkoster.com

FINANCIAL AID
(www.gcc.mass.edu/financial_aid)

Many Students Are Helped with Financial Aid

Many students attending Greenfield Community College receive financial aid from federal, state, institutional, and private or community resources. Receiving financial aid carries certain obligations for the College and for students. Students should be aware:

• A particular academic program and enrollment status may impact the financial aid award. For example, developmental courses, withdrawing from the college, or repeating courses may affect the status of a student’s aid.
• Costs associated with attending the College may not be covered entirely by financial aid.
• All financial aid programs are subject to changes in regulations and procedures.

How to Apply For Financial Aid

To be eligible for financial aid, a student must:

• be a US citizen or an eligible non-citizen;
• have a high school diploma or a High School Equivalency Diploma (GED);
• be registered for Selective Service;
• certify that you are not in default on a federal student loan and do not owe money on a federal student grant;
• be enrolled in an eligible degree or certificate program at Greenfield Community College;
• maintain satisfactory academic progress required under financial aid.
All students must complete the **Free Application for Federal Student Aid (FAFSA)** in order to be considered for any federal, state, or institutional aid. Greenfield Community College’s federal school code number is 002169. Students may also be asked to complete a **Financial Aid Intent to Enroll form**.

To be considered for all forms of financial aid, the priority application deadline is May 1, although students may apply for financial aid throughout the academic year. Please note the following changes:

- Students receiving a scholarship from an off-campus group or individual must provide the Financial Aid Office with an official certification and complete terms of the award as early as possible.
- An eligible noncitizen card may be requested if the student is an immigrant (I-94, I-151, I-181, I-181a or I-181b).

**New Verification Requirements**

**IRS Data Retrieval Tool**

Due to changes in Federal Regulations, the financial aid office can no longer accept copies of signed tax returns for the verification process. Therefore GCC is strongly encouraging students to utilize the IRS Data Retrieval Tool, while filing their FAFSA, to avoid federal verification.

If your FAFSA is selected for verification, and you don’t use the IRS Data Retrieval Tool option, or you changed IRS data, you will be required to request a Tax Return Transcript from the IRS and submit it to the financial aid office.

Some individuals may not be eligible to use the IRS Data Retrieval Tool. You may also choose not to use it, however you will be required to request and submit a federal Tax Return Transcript from the IRS. To request a Tax Transcript call the IRS at 1.800.908.9946 or online at [www.irs.gov](http://www.irs.gov).

**Verification of High School Graduation**

High school completion or recognized equivalent of a High school diploma:

Students who have graduated from high school are required to submit an official copy of their high school transcript to the Office of Admission, prior to the start of their first semester. Students completing a GED are required to submit an official copy of their GED score report to the Office of Admission prior to the start of their first semester. Documentation of completion of secondary work awarded outside the United States must be translated and evaluated to U.S. standards through a credential evaluating agency. Agencies can be found online at [www.naces.org](http://www.naces.org).

**Homeschool**

All home schooled students, without a high school diploma or General Education Diploma (GED), may apply for admission to a degree or certificate program provided they have successfully completed an approved home school program in accordance with Massachusetts General Laws or the laws of their home state.

Home schooled students must submit, with the Application for Admission, evidence that the home school program was approved by the student’s school district’s superintendent or school committee. If the student is under the age of compulsory attendance (16 years old in Massachusetts) and has completed a home school program, the student’s school district’s superintendent or school committee must provide a letter stating the student is not considered truant and would not be required to attend further schooling or continue to be home schooled.

Please contact the Admissions Office at 413-775-1801 for further details.

**Identity/Statement of Educational Purpose**

The student must appear in person to an institutionally authorized individual in the Financial Aid Office to verify his or her identity. Verification requires valid government-issued photo identification (ID), such as but not limited to a driver’s license, other state-issued ID, or passport. In addition, the student must sign, in the presence of the institutional official, the Statement of Educational Purpose.
General Information

FAFSA Application Deadlines and Processing Time
Expect that the complete application process may take two months. Students who adhere to the following deadlines will most likely be informed about their eligibility for financial aid before tuition bills are due:

For the Fall Semester—
- Submit the FAFSA by May 1.
- Bring all required documents to the GCC Financial Aid Office by June 1.
- Applications and files completed after July 15 cannot be guaranteed notification of a financial aid award by the beginning of the Fall Semester.
- Files not completed within 30 days of the end of the award year will not be considered for aid.

For the Spring Semester—
- Submit FAFSA by November 15.
- Bring all required documents to the Financial Aid Office by November 15.
- Applications and files completed after December 5 cannot be guaranteed notification of a financial aid award by the beginning of the Spring Semester.

Kinds of Financial Aid
In an effort to enable all qualified students to attend GCC, the College offers assistance to students with demonstrated financial need and participates in all major federal and state financial aid programs. GCC’s Financial Aid Office can help students with a combination of three general types of financial assistance:

- Grants and scholarships from federal, state, and institutional sources, which students do not repay;
- Loans backed by federal, state, or private sources, which students must repay, usually at long-term, low-interest rates;
- Federal work-study, which provides part-time jobs during the summer or the school year, either on or off-campus.

The following descriptions provide a general picture of most financial aid funds available through the College but do not include all eligibility requirements. Contact the Financial Aid Office at (413) 775-1109 with questions about specific grants.

Federal Pell Grants
The Pell Grant Program provides assistance to students with exceptional need. Pell Grant amounts awarded depend upon the information provided by students and their family on the FAFSA. If you’re eligible for a Federal Pell Grant, you’ll receive the full amount you qualify for based on enrollment. Students must be enrolled for a minimum of 3 credit hours in an eligible program.

Pell Grant Limitations: You can receive a Pell Grant only up to 12 semesters or the equivalent. Equivalency is calculated by adding together the percentage of your Pell eligibility that you received each year to determine whether the total amount has been exceeded. Students lose all Pell grant eligibility once they’ve exceeded 12 semesters, or 6 years of full-time college study. Please refer to the GCC Student Financial Aid Handbook and website for more information.

Federal Supplemental Educational Opportunity Grant
The Federal Supplemental Educational Opportunity Grant is a federally-funded, campus-based program that provides grants for exceptionally needy students, based on the student’s cost of education, the number of credits a student is enrolled, and the funds available to the College.

Federal Work-Study Program
The Federal Work-Study Program offers part-time on-campus and off-campus jobs to students with demonstrated financial need. Work-study offers students an excellent opportunity to earn spending money while gaining work experience. Hours for work-study positions are flexible enough to fit with your academic schedule. Students are expected to budget FWS earnings for educational expenses.
The Federal Stafford Direct (Subsidized and Unsubsidized) Loans
The Federal Stafford Loan Program enables students with financial need to obtain low-interest, deferred-payment loans directly from the Federal Government. Borrowers begin repayment six months after they graduate, fall below six credits, or withdraw from the College. Loan eligibility requires a FAFSA be filed for the academic year, and loans will not be processed until a student's financial aid file is complete. Entrance and exit interviews are required.

Students requesting an increase to the Federal Direct Loan are expected to complete a financial literacy exercise and budget worksheet.

The Parents PLUS Loan Program
The Federal Parent Loan (PLUS) provides loans to parents to pay a student's educational expenses. Students must be dependent and enrolled at least half-time and parents must have no adverse credit history.

Massachusetts Cash Grant Program
The Massachusetts Cash Grant Program provides funding to students who demonstrate financial need and have resided in Massachusetts for one year prior to the beginning of the academic year.

Massachusetts Early Childhood Educators Scholarship Program
This Massachusetts scholarship provides grants to students matriculated in an eligible program and who have been employed and continue employment in early childhood care. Awards are determined by the Massachusetts Office of Student Financial Assistance.

The Paraprofessional Teacher Preparation Grant
This Massachusetts grant provides financial assistance to a Massachusetts resident who has worked and continues to work as a paraprofessional in a public school in the Commonwealth of Massachusetts for a minimum of two years, or is employed as a paraprofessional and is pursuing a course of study that will lead to certification as a teacher in bilingual education, special education, math, science or foreign language. Students may be full or part-time. Awards are determined by the Massachusetts Office of Student Financial Assistance.

Massachusetts Part-time Grant Program
The Massachusetts Part-time Grant Program provides additional grant assistance to students who are enrolled for six to eleven credits and who demonstrate financial need.

Massachusetts Tuition Waiver Program
This Massachusetts program waives tuition for residents of Massachusetts who have resided in the state for one year prior to the opening of the academic year and who demonstrate financial need.

Massachusetts Grant Program (for Full-time Study)
The Massachusetts Grant Program provides assistance to students who are studying on a full-time basis (12+ credits each semester), who have been legal residents of the state for one year; have completed the FAFSA by May 1, and who demonstrate financial need.

The John and Abigail Adams Scholarship
The Adams Scholarship is based on a student's performance on the grade 10 English Language Arts and Mathematics assessments of MCAS. It provides a tuition waiver for eight traditional semesters. Students must first apply for financial aid, using the FAFSA. Students who receive the Adams Scholarship must maintain a 3.0 cumulative grade point average.

Vermont Student Assistance
The Vermont Student Assistance Grant Program provides grants to students who are legal residents of Vermont and who demonstrate financial need. Students must apply directly to the Vermont Student Assistance Corporation for consideration.
General Information

**Institutional Grants**
The Greenfield Community College Foundation provides two scholarships: The Greenfield Community College Golf Scholarship (GCCS) and the Deerfield Plastics Scholarship (GDPS). The Foundation conducts a golf tournament in the spring as the primary fund-raiser for the GCCS. The Deerfield Plastics Scholarship has been generously funded by the Barker family as a way to thank the community where they conduct their business. GCC also awards GCC Institutional Scholarships (GCIS). All of these are contingent upon funding.

**Community Access Scholarship**
Community Access Scholarship (CAS) is designed to decrease barriers and support individuals in furthering their education and realizing their potential. CAS and GCC can help individuals build a network of resources at the college and in the local community and gain the skills necessary to accomplish their goals. CAS provides students with the support needed to build confidence, stability, and community while attending GCC. CAS can assist students with: transition support, advising, individual scholarships, and emergency assistance such as meal & bus passes, books and educational supplies. To be considered for Community Access Scholarship students should set up an intake meeting with the Transitions Academic Coordinator at (413) 775-1336.

**Veterans Benefits**
Veterans of the United States armed services, or dependents of a deceased or disabled veteran, may be eligible for Federal veterans’ educational assistance benefits. Contact the Veterans Administration at [www.va.gov/education](http://www.va.gov/education) or at (888) 442-4551 to determine eligibility. For general information regarding the benefits certification process, contact GCC’s Vet Net Center at (413) 775-1882.

In addition, the Commonwealth of Massachusetts provides tuition exemptions at public colleges and universities to veterans who have been residents for one year prior to the beginning of the academic year. Members of the Massachusetts National Guard may also be eligible for tuition assistance through the Department of Defense. Those seeking to use a tuition waiver for any of these classifications must submit a completed Tuition Waiver form and provide documented proof of your status, such as a DD214, NOBE, or TAGMA Certificate.

**Financial Aid Policies**

**Packaging Policy for Financial Aid**
Financial aid is awarded to students who qualify based on financial need as determined by the completed FAFSA. Funds are awarded based on need, residency, and funds availability. Financial need is determined by subtracting a student’s “expected family contribution” (called the “EFC”) and other outside financial resources from estimated student expenses. The EFC is determined by the U.S. Department of Education for every applicant from information provided on the FAFSA. The EFC is based on household size, number of household members enrolled in college, income, and taxes paid, among other factors.

**Repeated Class Policy for Financial Aid**
Students who have received credit for a class and wish to repeat that class are not eligible for financial aid to cover the charges for that class. Students will be eligible to receive financial aid for a course that is replacing a grade of “F”, “W”, or Incomplete. A detailed Repeated Class Policy is available in the Student Financial Aid Handbook.

**Financial Aid and Standards of Satisfactory Academic Progress**
All students will be academically eligible for financial aid during their first semester of attendance at Greenfield Community College, regardless of their previous academic experience. After their first semester of attendance, students must maintain satisfactory academic progress to remain eligible for financial aid in subsequent semesters. Federal and State regulations require that all financial aid recipients maintain specific academic standards called “Satisfactory Academic Progress” or SAP. Except for some private and institutional funds all forms of financial aid (grants, loans, work-study, and scholarships) are affected by this policy. These standards are applied to a student’s entire academic history at Greenfield Community College including periods when financial aid was not received.

The financial aid office evaluates student academic progress at the end of each semester based on three criteria: Cumulative GPA, Cumulative Completion Rate (%), and Maximum Time Frame.
General Information

Cumulative GPA: 2.0 or above
Cumulative Completion Rate (%): Determined by dividing the total number of earned credit hours by the total number of Attempted Credits Hours. Students must maintain a completion rate of 67% or more in order to maintain their good standing.

Maximum Time Frame: After attempting credits totaling 90% of degree requirements submit a valid degree audit and evaluation to the Financial Aid Office and complete a degree or certificate within 150% of the required number of credits for that degree or certificate.

The Federal Student Financial Aid program requires that students complete their program of study within a 150 percent of the required credit hours. For example: a program which requires the successful completion of 66 credit hours must be completed within 99 credit hours attempted at GCC. The Office of Financial Aid at Greenfield Community College can award students financial aid for no more than 99 attempted credit hours which also includes transfer credit.

It is the student's responsibility to become familiar with the Standards for Satisfactory Financial Aid Progress. For more detail about this policy please refer to the website and the Student Financial Aid Handbook.

Financial Aid and Withdrawal

Financial aid is pro-rated for the semester; meaning that aid is earned at a certain rate and not completely provided at the very beginning of the semester. After the 60% point in the semester, all financial aid is considered earned. Students who officially withdraw from the college will have their financial aid pro-rated and reported the Department of Education. This also includes medical withdrawals. If earned aid is less than your bill, you will have to pay the balance.

Financial Aid and Unofficial Withdrawals

Students who stop attending or participating in classes, without formally withdrawing from GCC, are considered to be withdrawn unofficially. If you stop attending your classes, you are no longer eligible to receive your financial aid for the term. Any financial aid awarded to you, but not fully earned by you, for the semester must be refunded to the Department of Education.

Students must maintain a G.P.A. of 2.0 at all times. Students who walk away from their class are automatically placed on Unsatisfactory Financial Aid Progress and must complete the Appeal Process, if enrolling in a future semester and applying for financial aid funds.

Entrance and Exit Loan Interviews

Student loan borrowers are required to complete entrance and exit interviews in order to receive a loan. Funds will not be disbursed until these requirements have been fulfilled. Students are notified about how to satisfy these requirements which are usually accomplished online. Entrance counseling is completed when the student borrows from the Direct Loan program for the first time at GCC. Exit Counseling must be completed every year that the student borrows a Direct Education Loan. The College recommends that students borrow only the minimum needed for educational costs to reduce their future loan burden.

Financial Aid for Summer Sessions

There is very little financial aid available for the Summer I session. Aid for the Summer II session will be based upon the requirements for the following financial aid year. Students are encouraged to complete Summer Financial Aid Applications in April, as they register for summer classes. The Financial Aid Office will determine the amount of aid available to students before classes begin. Pell Grant eligibility will be based on whether students have used their entire award for the academic year. Satisfactory academic progress requirements are identical to semester requirements.

Financial Aid from Private Sources

Students who receive financial aid awards from off-campus groups or individuals must provide GCC's Financial Aid Office with official certification and complete terms of the award.

Student Financial Aid Handbook

All students receiving aid funds should be familiar with our policies. Specifically important are details regarding financial aid withdrawal and satisfactory academic progress in financial aid. A copy of the Student Financial Aid Handbook can be found online at our website.
MANAGING GRADES AND ACADEMIC PROGRESS

Students admitted to GCC are normally expected to undertake an organized program of courses leading toward a certificate or an associate degree. Some students take credit or credit-free courses during the day, evenings, or online to enhance occupational skills or enrich their lives without pursuing a degree or certificate. Juniors and seniors in high school may be eligible to take credit courses that will help fulfill high school graduation requirements while earning credit toward a college degree. To do so, high school students need the written approval of their principal.

Academic Advising

Students are encouraged to develop and maintain close relationships with their academic advisor. Advisors provide helpful guidance in selecting courses, exploring career options, and transferring to another institution. Obtaining good advice early can help students avoid problems later. All students who are matriculated into a degree or certificate program are assigned an academic advisor. Students can find information about their academic advisor by visiting either the Academic Advising Center or by logging onto MyGCC (the college’s student information system). Advisors generally post office hours and other contact information on their office doors.

Placement Assessment

Most students are required to complete reading, writing, and mathematics assessments before registering for their first credit course. This assessment helps to place students in appropriate courses. Students may be exempt from skills assessment if:

- they have completed the assessment process at GCC or other college that uses Acuplacer within the past five years;
- they have successfully completed an appropriate course in English composition and/or mathematics at another college (a math course must have been within the last five years);
- they are taking courses on an audit basis and not for credit.

Math placement test scores are used to place students into their first math course at GCC. Math placement scores may not be used to get into subsequent math courses, e.g., students may not “skip” a math course by retaking the placement test after completing a math course at GCC.

Those for whom their first language is not English, should call (413) 775-1226 for assistance with skills assessments. Students who believe their assessment scores do not reflect their level of skill should contact the Testing Center at (413) 775-1147 to discuss their options and to arrange for a retest.

Developmental Courses

Developmental courses, those courses coded below 100 (CIS 096, ENG 090, ENG 094 (COL 090), MAT 090, MAT 094, MAT 095, MAT 096) are for improving basic reading, writing, mathematical, and study skills and will not be used to fulfill associate degree or certificate requirements. Grades earned for these courses will not be used in calculating grade point average.

Changing Majors or Advisors

One of the objectives of a college education is to explore and experiment with a variety of academic interests and career options. As interests and goals develop, students may want to change their major program of study or academic advisor or both. To change majors, advisors, or both, contact the Academic Advising Center.

Course Load Maximum

Students may not carry a course load of more than 18 credits without approval of their advisor and the advisor’s dean. To be eligible, students must be in good academic standing.
Adding a Course

Students may add a course through the first week of classes with the approval of their advisor. Students may add courses after this time only with the approval of their advisor, the instructor and the instructor’s dean. Drop/add forms must be submitted to and processed by the Office of Enrollment Services before the change becomes official.

Dropping a Course

Students may drop a course through the first two-thirds of the class. Courses dropped during the first third of the class will not appear on a student’s transcript. Courses dropped during the second third of the class will appear with a grade of “W” on the transcript. Consult the Academic Calendar for specific dates.

Official drops will not be processed during the last third of the class. Students who stop attending class will receive a grade as assigned by the instructor. Drops/withdrawals cannot be processed for a class that has already ended. To drop a course, students should consult their advisor, complete a drop/add form and submit it to the Office of Enrollment Services for processing. Otherwise, the change will not become official. Simply telling the instructor is not enough. If the change does not become official, students may jeopardize their eligibility for tuition refunds, financial aid, and continued enrollment. Students with extraordinary circumstances requiring dropping a course during the final third of a semester should discuss the possibility of making an exception with the Registrar or the Dean of Enrollment.

Repeating a Course

Students may repeat any course, but may not earn credit twice for the same course unless the course has been explicitly set up to be repeatable. When a course is repeated, the latest grade replaces the previous grade in the calculation of grade point average. Both grades will show on the transcript. Students will not receive financial aid for any repeated course unless they are replacing a grade of F. Some exceptions and choices apply when repeating English Composition I or II. Students should discuss options with their advisor or instructor.

Class Attendance

Regular class attendance is expected. Absences may jeopardize academic status, and financial aid in addition to lowering grades. Individual instructors and program coordinators have the authority to establish attendance standards appropriate for their courses, and they will inform students in writing of those standards at the beginning of the course.

Religious Absences

Religious beliefs may occasionally cause students to miss class or other college activities. Under Massachusetts state law, students are excused from class on a particular day when it conflicts with their religious beliefs. Instructors must provide students with the opportunity to make up a missed examination or class work, provided that such makeup examinations or work do not create an unreasonable burden on the College.

Academic Honesty

The faculty and staff at Greenfield Community College expect academic honesty. The College upholds the definition of plagiarism published by the Modern Language Association: “Using another person’s ideas, information, or expressions without acknowledging that person’s work constitutes intellectual theft...Students exposed as plagiarists may suffer severe penalties, ranging from failure in the assignment or in the course to expulsion from school.” (MLA Handbook for Writers of Research Papers, 7th edition, Ed. Joseph Gibaldi [New York: MLA, 2009] 52-53). Students should consult with individual instructors for how to acknowledge sources properly and for the consequences of plagiarism. Students may also want to refer to Student Code of Conduct in the GCC Student Handbook.
General Information

Grading

Course grades are reported in letter symbols which include credit/no credit (CR/NC) and pass/fail (PA/FA). Grade reports are posted on MyGCC at the end of each semester. In the middle of each semester early progress reports of academic deficiency are also posted on MyGCC for each course in which a student is earning grades of “D”, “F”, or “O”. In GCC's grading system, plus (+) and minus (-) symbols may be used only for grades of “B” and “C”, while a minus symbol may be used for the grade of “A”. Listed below are GCC’s grading symbols.

A—Excellent     B—Good     C—Satisfactory     D—Poor     F—Failing

IN Incomplete: indicates work of acceptable quality where the student has failed to complete course requirements and the instructor wishes to allow time for the completion of the work. The “IN” must be removed within four weeks of the beginning of the next semester or it is replaced by an “F” or “NC” (for courses graded CR/NC). If an incomplete grade for a pre-requisite course is not completed by the next term, the student will be withdrawn from the course roster.

W Withdrawn: indicates an official withdrawal from a course or the College. Withdrawal from the College requires submission of a completed withdrawal form to the Registrar’s Office.

AW Administratively Withdrawn: indicates administrative withdrawal for failure to fulfill financial, medical (immunization records), or property obligations to the College. Once administratively withdrawn, a student may not be reinstated during that semester.

AU An audit carries no credit and has no grade point equivalent. AU grades cannot be used to satisfy graduation requirements.

CR* Credit

NC* No Credit (credit/no credit option)

PA** Pass

FA** Fail (Pass/fail option)

O Insufficient Basis for Evaluation: Indicates a student has discontinued attendance without formally withdrawing from the class or the College prior to the final withdrawal date. The “O” grade will be treated as an “F” in the calculation of the grade point average. The “O” grade is considered an indication of unsatisfactory academic progress for financial aid purposes.

* In courses designated CR/NC, student must perform work of “C” quality or better to earn credit (CR). Such courses often are not transferable to other institutions.

** Note: Full-time students may elect to take one course each semester on a PA/FA basis, in addition to courses normally graded PA/FA, provided that at least nine credits of coursework are taken on a graded (A, B, C, D, F) basis. Students must perform work of “C” quality or better to earn credit (PA). This option must be selected at the time of registration. Courses taken on a PA/FA basis often are not transferable to other institutions, with the exception of ART studio courses with ART prerequisites, all of which are graded PA/FA. A grade of FA will count negatively into student GPA calculations.
Auditing a Course

Students may audit a course, i.e., participate in the class without earning a grade, credit hours, or academic credit. The student is encouraged by the instructor to participate fully in the learning process. Students must state their intention to audit at the time of registration and are required to pay all tuition and fees associated with the class. Financial aid does not cover the cost of audited classes. Changes to or from an audit status are treated as adding a class and must be processed prior to the end of the published add period. Contact Enrollment Services for information on changing audit status.

Grade Point Average

At the end of each semester or after any grade change, semester and cumulative grade point averages are calculated. These averages provide a general indication of academic performance, the first based on one semester and the latter on all of the courses taken by a student.

To calculate a grade point average (GPA), all letter grades are converted numbers, called grade points, as follows:

\[
\begin{array}{cccc}
A &=& 4.00 & B &=& 3.00 & C &=& 2.00 & F &=& 0.00 \\
A- &=& 3.65 & B- &=& 2.65 & C- &=& 1.65 & O &=& 0.00 \\
B+ &=& 3.35 & C+ &=& 2.35 & D &=& 1.00 & FA &=& 0.00
\end{array}
\]

Once the letter grades have been converted to grade points, grade points are multiplied by the number of credits for each course, resulting in what are called quality points. All of the quality points are totaled and the sum is divided by the total number of credits, resulting in the grade point average. In calculating a grade point average, only the grades listed above with their corresponding grade points are considered. No other grades affect the grade point average in any way.

President's List and Dean's List

The President's List and Dean's List are two ways that Greenfield Community College recognizes superlative student academic performance each semester. We applaud the success of students who earn these high grades and appreciate sacrifices that are often made by students in order to earn these grades.

To be included on the President's List students must have:
- achieved a term GPA of 4.0;
- earned at least 12 credits at GCC;
- earned at least 6 college-level graded credits for a semester or during summer terms I and II combined;
- no incomplete grades at the end of the term;
- no grade less than a "C" in the term; and
- achieved a cumulative GPA of at least 2.00 at the end of the term.

To be included on the Dean's List students must have:
- achieved a term GPA of 3.50 or higher but less than 4.0;
- earned at least 12 credits at GCC;
- earned at least 6 college-level graded credits for a semester or during summer terms I and II combined;
- no incomplete grades at the end of the term;
- no grade less than a "C" in the term; and
- achieved a cumulative GPA of at least 2.00 at the end of the term.

Phi Theta Kappa International Honor Society

Each candidate for membership must have completed 12 semester hours of associate degree work, with a GPA of 3.5 or better. A GPA of 3.25 or better must be maintained to continue membership. Candidates with a 3.5 GPA or better that adhere to the school conduct code and possess recognized qualities of citizenship will be invited to join Alpha Sigma Omicron chapter of Phi Theta Kappa, the international honor society for two-year colleges. Upon graduation, PTK membership will show on a student's transcript.
### General Information

#### Academic Standing

GCC focuses considerable attention on ensuring students’ academic success. The academic standing policy provides the criteria by which the College evaluates academic progress. The College recognizes that various obstacles may interfere with making satisfactory academic progress, and the academic standing policy also provides a warning system to alert and respond to students who experience academic difficulty. The categories of academic standing follow:

<table>
<thead>
<tr>
<th>Status</th>
<th>Criteria</th>
<th>Actions</th>
</tr>
</thead>
<tbody>
<tr>
<td>Good Standing</td>
<td>Both a cumulative GPA and a term GPA of 2.00 or above.</td>
<td>No action required.</td>
</tr>
<tr>
<td>Academic Review</td>
<td>Either a cumulative GPA or a term GPA under 2.00 at the end of the term, or both under 2.00 and not previously on Academic Review.</td>
<td>Placed on Academic Review. Reduction in academic load and/or co-curricular activities recommended.</td>
</tr>
<tr>
<td>Academic Probation</td>
<td>Both a cumulative GPA and a term GPA for current term under 2.00 and previously on Academic Review for one term.</td>
<td>Placed on Academic Probation. MAY NOT BE ELIGIBLE FOR financial aid. Other actions same as for Academic Review.</td>
</tr>
<tr>
<td>Academic Suspension</td>
<td>Both a cumulative GPA and a term GPA under 2.00 and a cumulative GPA lower than the previous term.</td>
<td>Precluded from enrollment for one full fall or spring term, Must appeal to the Dean of Enrollment for readmission.</td>
</tr>
<tr>
<td>Academic Dismissal</td>
<td>Both a cumulative GPA and a term GPA under 2.00 and a cumulative GPA lower than the previous term, and previously on Academic Suspension.</td>
<td>Precluded from future enrollment.</td>
</tr>
</tbody>
</table>

GCC recognizes that unusual circumstances may affect any of the academic standing actions described above. Students may request a review of their individual circumstances to determine if they warrant additional action by contacting the Dean of Enrollment. Students receiving federal financial aid should refer to the Standards of Satisfactory Academic Progress (p.21) or the Financial Aid Student Handbook (http://web.gcc.mass.edu/student-and-academic-affairs/students/student-handbook/)

### Withdrawal from the College

Students may withdraw from the College any time during the first two-thirds of the term provided they are not enrolled in a class that has already ended. No record will appear on the transcript for withdrawals during the first third of the term. Students withdrawing during the second third of the semester will receive grades of “W” for all courses in which they were enrolled. Official withdrawals are not processed during the last third of the semester, and students who stop attending class will receive the grade assigned by the instructor. Students cannot withdraw from a class that ended prior to the submission of a withdrawal request.
Students considering withdrawing from GCC should consult with their academic advisor and instructors first. To withdraw officially, students must meet with an academic advisor in the Academic Advising Center and submit a complete withdrawal form to the Enrollment Services office in room C103. As with dropping a course, simply stopping attending class or telling instructors of plans to withdraw do not lead to official withdrawal and may jeopardize eligibility for tuition refunds, financial aid, and future enrollment at GCC.

If extraordinary circumstances force a student to consider withdrawal during the last third of the semester, they may discuss the possibility of making an exception to the policy with either the Registrar or the Dean of Enrollment.

**Medical Withdrawal**

Students needing to withdraw from the College for health reasons may request a medical withdrawal by submitting the appropriate medical withdrawal forms to the Director of Student Development. A medical withdrawal requires the recommendation of the Director of Student Development. A note from a doctor, therapist, psychologist, etc. on letterhead stationery or a completed provider information form must accompany medical withdrawal requests. Please call Student Development for further guidance on medical withdrawals, at (413) 775-1819. If a medical withdrawal is approved, the Director of Student Development will notify the Registrar. That documentation, along with the original request, will become part of the student’s record. Medical withdrawals follow the same refund policy as any other withdrawal.

**Administrative Withdrawal**

Administrative withdrawal is the result of action taken by the College when a student fails to fulfill financial, medical (immunization records), or property obligations to the College during the semester. Students who have been administratively withdrawn may not be reinstated until the next semester.

**New Start Policy**

Students who have not attended GCC for more than two academic years and who were on probation, suspension, or dismissal at the time they discontinued attendance may be re-admitted to the College on academic review for the first semester of their return. Normal academic progress standards will apply thereafter. Such readmission will be at the discretion of the Director of Admission.

**Fresh Start Option**

Greenfield Community College has a “fresh start” option for students. Once in a lifetime, if a student returns to GCC after being away for at least two consecutive years, they can elect the “fresh start” option. For the purposes of the College’s academic standing policy, their grade point average (GPA) will be calculated only from the point they are re-admitted. Previous coursework may be applied toward a degree under this policy, but it will not be calculated in the student’s GPA. The official transcript will include a statement noting this “fresh start” option. In the event of multiple two-year absences, students have the option of choosing the effective readmission date of the policy. Students must elect this option in person in the Office of Enrollment Services. All coursework will show on a student’s transcript.

**Graduation Requirements**

Only matriculated students are eligible for graduation. To be considered for graduation, students must complete and submit an application for graduation to the Registrar’s Office by the appropriate deadline. Deadlines are published in the academic calendar. Commencement is held for all graduating students on the first Sunday of June. GCC awards degrees three times a year; following the summer, fall and spring semesters. Additional information and applications for intended date of graduation are available in the Office of Enrollment Services.
General Information

In order to earn an associate’s degree or a certificate, students must complete the course requirements of the curriculum, achieve a cumulative grade point average of at least 2.00 for all courses taken at GCC (excluding developmental courses, those courses coded below 100 and be in good standing with the College. All associate’s degree programs require at least 60 credits of coursework. Students must complete at least 15 credits of coursework at GCC to receive a degree or certificate.

Students wishing to earn an additional associate’s degree must:
   a. meet all specific requirements of each degree program;
   b. complete at least 15 credits of course work beyond the previous degree awarded; and
   c. of those 15 additional credits, at least 12 must be completed at GCC.

Note: a student may not earn more than one Associate in Liberal Arts degree.

Normally, students must fulfill the degree or certificate requirements that were stipulated in the catalog at the time the student matriculated into the college. However, if the degree or certificate requirements change after initial enrollment at GCC, students may elect to fulfill the requirements that were in effect in the catalog of the year when they matriculated or in any subsequent catalog year as long as the catalog requirements are not more than five years old.

If external certification and/or licensure requirements change, the College strongly recommends that students complete the new requirements to ensure that the student graduates with current skills and abilities.

Completion of a Discontinued Program

Discontinuation of an academic program of study or certificate comes after a great deal of consideration by the College. Within the limits noted below, students will have the opportunity to complete a program or certificate within which they are enrolled. Limits to this completion option:

• When an academic degree program of study is closed, students already enrolled in that program during the past five years will have the opportunity to complete the program of study within two years after closure of the program. Students who have not been enrolled in the program of study during the five years prior to the closure of the program of study are not eligible for this completion option. Programs will typically close at the end of the spring semester of a given academic year.

• When an academic degree program of study with special admission processes is closed, or when a certificate program is closed, students already enrolled in the program during the past two years have the opportunity to complete the program of study or certificate within two years after the closure of the program.

Contact the Registrar or your academic advisor for specific information on completing a closed degree program or certificate.

Graduation with Honors

To graduate “with honors” students must earn a cumulative grade point average of at least 3.50 based on at least 30 credits of letter-graded course work completed at GCC.

Transcripts

Students may request transcripts of their GCC academic record for themselves or for other colleges or employers by completing a transcript request form. They also may request a transcript with a signed letter or a signed fax in which they clearly identify themselves and where they would like a transcript to be sent. Telephone requests are not accepted. Students are provided with one free official transcript and are charged $2 for each subsequent transcript. Due to the volume of requests, allow at least three days to process a request.
Petition to Review Academic Record

Currently enrolled students may petition the Transcript Review Committee to review their academic record for the purpose of seeking relief from past poor academic performance. Before submitting a petition, students must have either completed 12 credits of course work since the semester for which they are seeking relief, or have completed six (6) credits and include two letters of support from current instructors. Petition forms are available in the Registrar’s Office.

Exceptions to Academic Graduation Requirements

Students with unusual or extenuating circumstances that justify an exception to an academic graduation requirement may request an exemption using an Academic Requirements Exemption form. The form must be submitted to the Graduation Review Board by a student’s advisor by the deadline set each term. Advisors or the Office of Enrollment Services can provide additional information.

GCC is a Drug Free School and Campus

Greenfield Community College is in compliance with federal legislation, which requires the College to adopt and implement a program to prevent the illicit use of drugs and the abuse of alcohol by students and employees.
STANDARDS OF BEHAVIOR

As an institution of higher learning, Greenfield Community College actively encourages the free and open exchange of ideas and opinions. The College encourages diversity in the belief that, in doing so, it promotes growth and positive change in individuals. The College recognizes, however, that maintaining an atmosphere where such discourse can flourish requires that faculty, staff, and students acknowledge and remain sensitive to the needs, beliefs, and feelings of others. It therefore expects all individuals to maintain certain standards of behavior as members of its community.

These expectations include the exercise of discretion in the use of language, both in the choice of terms used and in the tone in which discourse is delivered and individuals are addressed. Insulting or demeaning language or gestures, perhaps generally accepted or even common in other social settings, are not suitable in an academic environment. A courteous regard for the differing backgrounds and perspectives held by others is encouraged.

The above expectations hold for behavior throughout the institution and for all of its members. With regard to behavior in the classroom, yet another set of expectations exists. Classrooms are unique environments, places expressly reserved for the exchange of information and ideas. They constitute sanctuaries of learning, gatherings in which students and an instructor or instructors come together for a particular purpose: to grow and develop through personal interaction and directed activity. Because classrooms are unique in this way, they hold particular expectations of their members. Generally speaking, these are extensions of the rules of civility and courtesy that prevail in the institution at large, though the classroom instructor might add to or modify these rules to promote particular goals. Deviation from the expectations or rules set forth in a classroom is not acceptable.

It should be noted that behavior influenced by an individual’s mental state (irrespective of the ultimate evaluation), or use of drugs or alcoholic beverages shall not limit the responsibility of that individual for the consequences of his or her actions.

Finally, Greenfield Community College, while intent on maintaining an environment that promotes learning within a secure and collegial atmosphere, is resolutely committed to defending every individual’s right to personal expression.
INDIVIDUAL RIGHTS

The Family Educational Rights and Privacy Act of 1974

You have certain rights to privacy about the information that we maintain about you. For more information, including a full text of the regulations regarding your records and your right to privacy, please inquire at the Registrar's Office. GCC's directory information consists of the following:

- Student's Name
- Student's Major
- Dates of Attendance
- Graduation Date(s)
- Honors Conferred

Under FERPA law, GCC students have the right to be notified annually by the college of what the college designates as “directory information,” and the right to request that their information not be designated as directory information.

A student must notify the college's Registrar, in writing, if he/she does not wish to have any or some of his/her student information designated as directory information by completing the appropriate Non-Disclosure form with the Enrollment Services Office.

The Hazing Act of 1985

Massachusetts General Laws, Chapter 269, Section 19, requires the College to inform its students annually of the provisions of this Act. Copies of the act are available from the Office of enrollment Services.

The Jeanne Clery Disclosure Act

In accordance with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (more commonly known as the Clery Act), Greenfield Community College publishes an annual report that includes crime statistics and institutional policies concerning campus security and safety matters. The report is available at the Public Safety Department’s website: www.gcc.mass.edu/offices/safety/clery.html. A printed copy of the report is available at the offices of Public Safety, Human Resources, Student & Academic Affairs, Admission, and at the Downtown Center. Students may have a copy of the report mailed to them by contacting Public Safety at (413) 775-1212.

Diversity at GCC

Creating a Culture of Diversity and Inclusion

Greenfield Community College is committed to a policy of Affirmative Action, equal opportunity, equal education, non-discrimination, and diversity. We are committed to providing a learning and working environment for our students, employees and other members of the College Community, which values the diverse backgrounds of all people. The College is committed to assuring that the “College Experience” is one that challenges, empowers, supports, and prepares its students to live in, work in, and value our increasingly global and diverse world. The College believes that the diversity of socioeconomic, racial, ethnic, religious, gender, sexual orientation, age and disability backgrounds of College Community members enriches the institution and our various constituencies. The College’s curriculum contains courses that meet the University of Massachusetts cultural diversity requirement. These courses are noted with an asterisk in the Credit Courses section of this catalog. The College will not tolerate behavior based on bigotry, which has the effect of discriminating unlawfully against any member of our community.

Affirmative Action

It is the policy of Greenfield Community College to prohibit unlawful discrimination on the basis of race, ancestry, color, gender, religion, ethnic or national origin, age, personal disability, veteran status, social class or sexual and/or affectional orientation. The college operates under an Affirmative Action plan and encourages individuals from underrepresented groups to apply for employment. This policy is in compliance with all applicable federal, state and local statutes, ordinances
General Information

and regulations. Those who believe they have been the subject of discrimination or who have inquiries concerning the above should consult with the Executive Director of Human Resources and Chief Diversity Officer at (413) 775-1312, or in the Human Resources Department, Room 5423 of the Main building.

A copy of the Policy on Affirmative Action may be obtained in the Human Resource Office or from the Chief Academic & Student Affairs Officer. All inquiries concerning Affirmative Action issues should be directed to the college’s Affirmative Action/Chief Diversity Officer, Rita Hardiman. Employees should contact the Director of Human Resources at (413) 775-1312. If a student expresses concern of discrimination they should contact the Chief Academic & Student Affairs Officer at (413) 775-1811.

Harassment

GCC considers harassment of a student, an employee, or any other person in the college community to be intolerable and not permissible. Those who believe they have been harassed should consult with the Executive Director of Human Resources/Chief Diversity Officer at (413) 775-1312 to obtain information concerning their rights and the process for filing a complaint and/or pursuing informal means of resolving grievances.

Individuals with Disabilities

Since each student is unique, we recognize that some may need classroom accommodations to fully participate in our programs and services. If you feel that you will require accommodations due to a disability, please inform us of your needs and establish your eligibility by completing these three steps.

1. Submit completed forms
   • Voluntary Statement of Learning Needs
   • Release of Information

2. Submit recent documentation (medical, psychological, or educational) of your disability from your high school or medical provider. Documentation must clearly state your:
   • Diagnosis
   • Symptoms which impact your ability to function in an educational environment
   • Recommended accommodations
   All documentation received by the Office of Disability Services is confidential and is held in accordance with FERPA regulations.

3. Call (413) 775-1332 to schedule an appointment with the Coordinator of Disability Services. We will work together to develop an Accommodation Agreement (ADA/504 Plan) that you can present to instructors to advise them of your needs.

Some accommodations may take up to 12 weeks to obtain. We advise students to establish eligibility with Disability Services well before the semester begins. If you have any questions, please contact the Coordinator of Disability Services.

Students do not need to register with Disability Services in order to meet with an academic counselor or to access general college support services. Students who feel that they may require some additional academic support and skill building are encouraged to take advantage of available services, such as peer tutoring, the writing and math assistance programs, the math studio, and student workshops offered through the Academic Advising Center.

Telephone Access for the Hearing Impaired

Those for whom traditional telephone does not suit their communication needs or preferences may contact the College via Mass Relay (dial 711) or via e-mail. A complete listing of departmental e-mail addresses and phone numbers can be obtained at the Greenfield Community College website.

Student Right-to-Know Act

GCC is required to report graduation rate data to the U.S. Department of Education annually. From among the first-time, full-time, degree-seeking students who enrolled at GCC in fall 2009, 42% graduated or transferred to another institution by December 31, 2012.
SERVICES TO STUDENTS

In addition to academic programs, the College offers a wide range of services and activities to enhance students’ college experience. Students are encouraged to take advantage of these services and to become an active member of the College community.

Transferring to Other Schools

The Transfer Office provides services to students considering transfer to another college or university. Students considering transferring are encouraged to contact the Transfer Coordinator as early in their time at the College as possible. The Transfer Coordinator assists students in exploring transfer options, educational goals, planning appropriate course work while at GCC, completing applications to other schools, writing college essays, and in choosing people to write college recommendations.

The Transfer Office maintains a small library of college catalogs, and the Transfer Coordinator arranges visits from college representatives to meet with prospective students on campus throughout the academic year. Contact the Transfer Coordinator at (413) 775-1207.

Students planning to transfer to one of the Massachusetts state-supported colleges or universities are eligible for MassTransfer. MassTransfer provides community college graduates who complete designated associate’s degrees with the benefits of the full transfer and applicability of credit, guaranteed admission (2.5 GPA or higher), and a partial tuition discount (3.0 GPA or higher).

For details about the MassTransfer policy, contact the Transfer Coordinator in the Academic Advising Center or go to http://web.gcc.mass.edu/transfer.

OPTION I: Benefits for students who complete associate’s degrees under MassTransfer are:

<table>
<thead>
<tr>
<th>Minimum Final GPA</th>
<th>Benefits</th>
</tr>
</thead>
<tbody>
<tr>
<td>2.00 GPA</td>
<td>Guaranteed full transfer of a minimum of 60 credits applied to the bachelor’s degree, if admitted. Satisfaction of the general education/distribution/core requirements at the receiving institution, with the receiving institution able to add no more than six additional credits/two courses,</td>
</tr>
<tr>
<td></td>
<td>Note: Students will be required to submit the regular application and all supplemental materials required of the 4-yr school they are applying to.</td>
</tr>
<tr>
<td>2.50 GPA</td>
<td>Guaranteed admission, plus all of the above benefits. Fill out simplified application, not Common Application.</td>
</tr>
<tr>
<td>3.00 GPA</td>
<td>A one-third tuition discount, plus all of the above benefits (UMass/Amherst offers 100% tuition break)</td>
</tr>
</tbody>
</table>

Stipulations:

If students change their majors or if the linked baccalaureate programs require a higher grade point average or specific courses which are required of native students, MassTransfer students must meet these additional requirements.

If, because of space or fiscal limitations, the receiving institution does not admit all qualified applicants to a given major or program, the receiving institution will use the same criteria for MassTransfer applicants as it does for its native students.
OPTION II: Transfer Block

MassTransfer also provides students in the Massachusetts public higher education system the intermediate goal of completing a portable general education Transfer Block that will satisfy the general education/distribution/core requirements across institutions. Students completing the Transfer Block without earning a degree at any Massachusetts higher education institution with a 2.0 or higher grade point average will earn the 34 credit hours outlined below, exclusive of developmental coursework.

Transfer Block

<table>
<thead>
<tr>
<th>Course</th>
<th>Credits</th>
</tr>
</thead>
<tbody>
<tr>
<td>English Composition/Writing</td>
<td>6</td>
</tr>
<tr>
<td>Behavioral and Social Sciences</td>
<td>9</td>
</tr>
<tr>
<td>Humanities and Fine Arts</td>
<td>9</td>
</tr>
<tr>
<td>Natural or Physical Science</td>
<td>7</td>
</tr>
<tr>
<td>Mathematics/Quantitative Reasoning</td>
<td>3</td>
</tr>
<tr>
<td><strong>Total Credits</strong></td>
<td><strong>34</strong></td>
</tr>
</tbody>
</table>

Benefits for students who complete the Transfer Block:

<table>
<thead>
<tr>
<th>Minimum Final GPA</th>
<th>Benefits</th>
</tr>
</thead>
<tbody>
<tr>
<td>2.0 GPA</td>
<td>Satisfaction of the general education/distribution/core requirements at the receiving institution, with the receiving institution able to add no more than six additional credits/two courses, if admitted</td>
</tr>
</tbody>
</table>

Stipulations:

Students enrolled in a specific major or degree program may be required to take additional courses if these courses are specifically required for the major or program and are required of native students. Completion of the Transfer Block does not guarantee admission to the college or university.

Note: Students will be required to submit the regular application and all supplemental materials required of the four-year school they are applying to.

Transfer Agreements with Other Colleges

GCC maintains several articulation agreements with colleges that award bachelor's degrees. The purpose of articulation agreements is to make transfer from GCC to those colleges easier than it would be otherwise. In most cases, the articulation agreements ensure the transfer of a minimum number of credits and placement at the junior year level. Some of the articulation agreements are general and may include scholarship funds to help lower tuition while others are specific to certain programs at GCC and the institution to which the student transfers.

In a few cases, the articulation agreements also include provisions for transfer scholarships. For information about articulation agreements with other colleges, contact the Transfer Coordinator.

Foreign Language Requirements

Some colleges or universities may require proficiency in a foreign language to earn the Bachelor's degree. Please check with the GCC Transfer Office to determine which schools and degree programs have this requirement. Students may find it advantageous to complete a foreign language requirement at GCC, so they can concentrate on the requirements of their major when they transfer. For further information about foreign language requirements, contact the Transfer Coordinator.

The Isenberg School of Management at the University of Massachusetts - Amherst

Students seeking to enter programs of study in the Isenberg School of Management must meet the following additional requirements:
• **UMass Majors in Accounting, Finance, Operations Management, Management, and Marketing:** Students must graduate GCC with a BAT degree. Students who matriculate into the BAT degree may enter the Isenberg School under Mass Transfer option and must graduate with a GPA of 3.0 or higher.

• **UMass Hospitality and Tourism Management:** Students may graduate from GCC with a Liberal Arts Degree, and the Hospitality and Tourism Option is strongly recommended. Students may enter under the Mass Transfer option, but must graduate with a GPA of 2.7 or higher.

• **Sport Management:** Students must graduate from GCC with a BAT degree, and have a GPA of 3.0 or higher. It is highly recommended that students enroll in ECO 205 prior to transfer.

Note: Students who have a bachelor's degree are not eligible for transfer to the Isenberg School of Management online or day division.

**Library**

**Regular Semester Hours:**
Monday-Thursday 8:00 a.m. to 8:30 p.m.
Friday 8:00 a.m. to 5:00 p.m.
Saturday 10:00 a.m. to 4:00 p.m.

**Located At:**
Third Floor Core
(413) 775-1830
reference@gcc.mass.edu
http://web.gcc.mass.edu/library/
ASKALEXGCC (AIM or Meebo)
Text to 265010 and include ASKALEXGCC with a question

The GCC Library serves the study and research needs of students by providing a variety of services, collections, and technology. Both quiet and conversation-friendly study spaces are available. Food and drink are allowed throughout the Library. The Library is open to the entire GCC community, as well as to the public.

**Computers & Other Equipment.** The Library maintains computers for use within the Library by GCC students, faculty and staff. Free printing is available. Other equipment includes a scanner, coin-operated photocopier, text magnifier, and video/DVD viewing stations. The wireless network, including wireless printing, is accessible from all Library spaces.

**Research Help.** Librarians provide reference and research assistance, including individual reference help offered in person, by phone, or by email, and group instruction sessions designed for specific courses and assignments. Research guides for a range of subject areas and several specific courses are available in print in the Library and on the Library’s website.

**Books, Magazines, Videos & Online Resources.** The Library collection contains over 50,000 physical items including circulating and reference books, newspapers, magazines, scholarly journals, videos, and DVDs. The Library’s 60+ online databases offering access to hundreds of thousands of periodical articles and reference sources are available from any on-campus computer and from off campus with a GCC student, faculty or staff library card.

**Special Collections.** The Archibald MacLeish Collection - for more information about the MacLeish Collection, contact the Curator at (413) 775-1835.

**Library Cards & Borrowing Policies.** Currently enrolled students will be issued a GCC library card upon presentation of a photo ID and proof of enrollment.

As part of the Central and Western Massachusetts Library Network, the GCC Library shares an online catalog (C/W MARS) with the other community colleges and most public libraries in the central and western regions of the state. Students may use their GCC library card to request items through the catalog from any library within the C/W MARS network. Students may also use Interlibrary Loan to request circulating items from libraries further away if they are not owned by any of the libraries within the C/W MARS network.
General Information

Circulating books from the GCC Library are checked out for 4 weeks and may be renewed once. Other libraries may have shorter borrowing periods.

Reference books, periodicals (newspapers, magazines, and journals), videos, and DVDs must be used in the Library. Materials put on Reserve for individual classes are available at the Circulation Desk and must be used in the Library.

Overdue Materials. There are no fines for overdue material, but borrowers must pay the replacement value of unreturned material. One reminder is sent for overdue material before a bill for the replacement cost is rendered. Borrowers may not check out additional materials until overdue items are returned. Students who have not returned Library materials that are a month overdue will have their college record flagged and will become subject to disqualification from registration and withholding of grades, transcripts, diplomas, and certificates.

Educational Technology Center (ETC)

Room S306, (413) 775-1842, edtech.gcc.mass.edu

Hours:
Monday – Thursday 8:30 a.m. to 9:00 p.m.
Friday 8:30 a.m. to 4:30 p.m.
During semester breaks, our staffing varies as we work on projects that may take us out of the ETC.

The mission of the ETC is to serve the academic community in all disciplines by providing access to, and assistance on traditional, new, and emerging educational technologies. The major focus of the ETC is to help faculty and students in developing and incorporating technology in the learning environment. This includes production of materials for and maintenance of the College’s YouTube account and the College’s digital signage. In addition, the ETC schedules, distributes, installs, and maintains media-related presentation equipment throughout the campus; this includes the digital signage system. When possible, appointments for services such as circulation equipment delivery, production support, access to our multimedia studio, or training services should be made in advance.

The ETC houses a complete production facility which includes a television production studio also equipped as a 45-seat multimedia presentation space; a faculty multimedia lab with video-editing suites and graphic/animation workstations; a satellite and cable distribution area with multimedia production capability and media duplication. In addition, the ETC stores the institutional media archives.

The ETC also staffs and operates satellite studios in the College’s Dining Commons, Sloan Theater (SG01) and the Stinchfield Lecture Hall (N335). Sloan Theater is equipped with a theater lighting system. Our satellite studios are capable of producing live recordings of presentations and performances. The equipment is not for general use. ETC staff must be scheduled. Please schedule our services in the satellite studios when you reserve the room.

ETC’s website provides the campus with current AV equipment locations and room descriptions. Our site includes a searchable database of the institutional media archives on our video page. It also offers recommended classroom equipment specifications, the YouTube guidelines, and other useful information.

ETC houses and circulates student equipment. Student equipment and our services are available for GCC academic purposes for direct or indirect classroom support and subject to institutional lending policies.
ACADEMIC SUPPORT PROGRAMS

Counseling
Licensed professional counseling is available for GCC students. Many students struggle with school pressures, physical or learning disabilities, difficult relationships, substance abuse, family problems or illness. Sometimes they find it helpful to see a counselor to explore the challenges they face. Counseling helps students learn to take charge of their lives and to accomplish their goals. Referrals to community service agencies can be arranged.

Peer Tutoring
Peer tutoring is provided free for any GCC student who needs help with course work and who wishes to improve academic performance. Tutors are available for most courses. Tutors and students meet to review course material, discuss and practice study skills, and work on specific assignments. The tutor’s role is to assist students with the content of these courses while furthering the process of learning how to learn. The Peer Tutoring Program is located on the 4th floor core, above the library. Students may stop by or call 413-775-1330 to make appointments. Hours are M - Th 8:30 a.m. - 7 p.m., F 8:30 a.m. - 4 p.m., Sa 10 a.m. - 4 p.m.

Math Assistance
This program helps students succeed in math, science, information technology and business courses. Services include peer tutoring, and Math Studio drop-in hours. The coordinator is available to meet with individual students to discuss tutoring and math advising.

Writing Assistance
This program helps students succeed in all courses that require writing and language learning. Peer tutoring is offered for writing papers, note-taking, exam preparation and content review. The coordinator is available to meet with individual students to discuss tutoring and general writing assistance for coursework.

Online Tutoring
Online tutoring is provided by Smarthinking, Inc., a live, on-demand, online tutoring and academic support service. This service is free to current GCC students, and login information is sent to student email accounts at the beginning of each semester.

Studios
• The Math Studio, Fourth Floor North, is a place for students to work with each other and with faculty on questions and problems related to mathematics. The Math Studio is equipped with comfortable chairs and tables, computers, and math resources and texts. The studio is open for use throughout the day and is staffed by math faculty during posted hours. No appointment is needed; students may just come by.
• The Social Sciences Studio, East Building Room 115, provides a welcoming and resource-rich space for students to convene and interact with each other and faculty in the social and behavioral sciences. Students and faculty use the Social Sciences Studio for tutorials, study groups, computer projects and access to the college network and the Internet, small group projects, as well as college/community meeting and networking. The studio also provides gallery display space and periodically presents special events, speakers, and films.
• The Science Studio, Main Building, Fourth Floor South, offers a cooperative work space for individual students or groups of students. The studio is equipped with two computers, anatomy and physiology models, resource books and movable furniture. It opens to faculty offices to allow student interactions with their professors. Students are encouraged to make use of the space during all building hours.
• The Hammond Business Studio, East Building Room 132, provides a working and brainstorming space for all students. The studio is equipped with pull-down outlets for laptop plug-ins, a SMARTBoard, whiteboards, a flat screen television with streaming stock quotes, full wireless capabilities and comfortable, modular furniture. Faculty offices ring the studio which encourages faculty-student interaction.
General Information

Student Academic Computing Lab
A student computing lab, located in the East Building, is open to all currently enrolled GCC students, regardless of major or credit load. The lab's personal computers may be used for homework, term papers, or other student projects. For those who need help working on a computer, a monitor or consultant is on duty.

Academic Technology Support
- GCC Email: All students receive a GCC email address upon registration. Those experiencing difficulty accessing their GCC email account should send their questions to studenthelp@stuemail.gcc.mass.edu.
- Moodle: GCC offers a variety of classes fully online through the Moodle course management system. In addition, Moodle is used by many instructors as a web-enhancement in face-to-face classes and hybrid classes. For assistance with Moodle, send an email to studenthelp@stuemail.gcc.mass.edu.

For handouts, information on user names, passwords and technical requirements to successfully run email, visit the Academic Technology Support website at http://web.gcc.mass.edu/instructional-technology.

The Academic Advising Center
Academic Advising Center staff assist new students with their initial course registration and enrolled students when their assigned advisors are not available. Such assistance includes advice on the selection of appropriate courses to fulfill degree or certificate requirements, information about college policies and procedures, guidance in the admission and transfer processes, and referral to other services on campus. Student engagement with faculty and staff is a key element in their success. The Academic Advising Center does not replace the important relationship between students and their assigned advisor and seeks to strengthen that relationship.

To view the Institutional Statement on Academic Advising, please go to http://web.gcc.mass.edu/advising/.

Student Life
Student Life supports the academic mission of the College through leadership development opportunities and co-curricular programming. Through the establishment and support of clubs and organizations, students and faculty/staff are encouraged to get involved in the planning of campus events. Activities include musical performances, cultural programs, involvement in clubs and organizations, orientation, commencement, and student governance. The Office of Student Life is located in Core 216 and is open daily when the College is open. For more information about clubs, upcoming events, and services visit us online at http://web.gcc.mass.edu/studentlife/ or call 413-775-1200.

The Student Association
Students who pay the student activities fee automatically become members of the Student Association, the structure within which the Student Senate and the Student Life Program operate. Members may hold office, vote in elections and participate in Association programs.

The Student Senate
Members of the Student Association who are in good standing with the College are eligible for election by members of the Association to the Student Senate. The Student Senate reviews budget requests for, and oversees the allocation of, the Student Activity Fee with the consent of the college President. The Senate’s objectives are:
- to promote and support activities that enhance the life of the college community;
- to administer and allocate the funds of the Student Association in conjunction with the college administration;
- to represent the student body on and off campus; and
- to act with college officers in supervising the college activities program.
GCC Alumni Association

The Greenfield Community College Alumni Association is an independent organization that cultivates lifelong relationships with current and future alumni. As a committed partner and supporter of the College, the Association strives to foster connections among graduates, former students, current students, friends, and the community.

The Alumni Association has created an endowed scholarship fund that awards two scholarships each year to GCC students, with alumni serving on the selection committee. Also, the Alumni Association helps connect GCC alums working in a variety of fields with current GCC students to provide information on career options. The Alumni Association meets the fourth Thursday of each January, March, May, July, September and November at 5:30 p.m. at the GCC Downtown Center, 270 Main Street in Greenfield. All alumni are welcome and encouraged to attend. To learn more, visit http://web.gcc.mass.edu/alumni or contact Regina Curtis (’86), President of the Alumni Association at (413) 775-1426 or curtisr@gcc.mass.edu.

Performing Arts

The theater, music, and dance departments offer opportunities for student performances. The college chorus performs on campus and in the community several times each year. At least one major theater production is presented each semester, as well as dance concerts and musical performances.

The Fitness Center

The Fitness Center, located in E106, offers a variety of cardiovascular and weight-training equipment in a fun, friendly, and inviting atmosphere. It is open to all GCC students, staff, and faculty at no charge. Fitness assessment, program design, and incentive programs are available to all members. For more information contact the Fitness Center Coordinator at (413) 775-1143 or lapalme@gcc.mass.edu.

Activities Hours

College personnel and the Student Senate have agreed that no classes will meet during the Activities Hours. These hours are every Monday, Wednesday and Friday from 12:00 noon to 12:50 p.m. during the semester. The college community is encouraged to participate in social, cultural and recreational events during these hours. College committee meetings, club meetings, concerts, guest speakers, and special events are available for student enjoyment and relaxation.

Housing and Transportation

GCC does not have dormitory facilities. Students may refer to www.gcc.mass.edu/students/housing for a list of resources. Ample, well-lit parking is available free of charge. The Greenfield/Montague Transportation Authority and the Franklin Regional Transit Authority provide regular bus service to campus from the greater Greenfield area. For more information go to the FRTA’s website at www.frta.org.

The College Store

Up-to-date information in addition to textbooks and other merchandise is available at the College Store website, http://www.greenfield.bkstr.com

Fall & Spring semester hours are Monday – Fridays 9:00am until 4:00pm. Summer session hours are Monday – Thursday 9:00am until 4:00pm and Fridays 9:00am until NOON. Evening, exceptions and special occasion hours will be posted. Visit us online for up to date information and online textbook and general merchandise sales.

The College Store stocks required and optional textbooks, study guides, school, office, medical and art supplies, software as well as GCC clothing and gifts. MasterCard, Visa, Discover and American Express, cash and personal checks for the amount of the purchase are accepted. Any checks returned due to insufficient funds will incur a $20- $25 charge from the collection agency FEDchex. Purchases on financial aid or other third party accounts require a valid photo ID. GCC gift certificates are available for sale in any denomination.
General Information

**Standard Return Policy:**
A valid receipt and/or packing slip are required for all refunds or exchanges. All items (except Course Materials and Hardware/Software) unopened and in original condition returned within 30 days of purchase may be exchanged or refunded to the original form of tender.

**Course Materials and Hardware/Software Details:**

**Course Materials (textbooks)**
- A full refund will be given for textbooks (excluding Final Sale items) returned prior to the campus specific refund deadline. Generally Fall & Spring textbooks are returnable for one week from the first day of classes, two weeks after the first day of classes with proof of add drop. Specific dates are posted for each term. Materials purchased after the campus specific deadline (but before the final week of class) must be returned within 2 business days of purchase. Materials purchased during the last week of classes or final exams are not returnable/refundable.
- Final Sale items include the following: Inkling Digital Textbooks, Study Guides, Test Prep Books, Bar Charts, Cliff Notes, Professional Reference Study Aids or clearance items. All these items are not returnable/refundable.

**Hardware & Software:**
- Unopened (unless defective) computer hardware and software may be refunded or exchanged within 14 days of purchase.

**Dining Facilities**
The GCC Cafeteria and Dining Commons is located on the first floor of the main building. Equipped with wireless internet, the Dining Commons is the perfect places to socialize, relax, study or just enjoy the view of the Pioneer Valley. The cafeteria features a grill, deli, hot meals, grab and go, pizza, salad bar, beverages, kosher and fair trade air roasted coffee from Pierce Bros Java Coffee Roasters and foods from different cultures as well as eating styles. As a partner with the Mass Farm to School Program and CISA the College is able to bring the freshest local food to our students and community. The area is open from 7:30 am to 6 pm during the fall and spring semesters and from 7:30 am to 2 pm during intersession and summer session. Up-to-date menu and catering information is available at www.gcc.mass.edu/offices/food/.

Vending machines are located throughout both the main, east and downtown campuses.
COMMUNITY EDUCATION AND WORKFORCE DEVELOPMENT PROGRAMS

Credit-Free Workshops and Seminars
The Office of Community Education (GCC Downtown Center, 270 Main Street) administers programs serving over 3,000 participants each year in many locations in Franklin and Hampshire counties, including Greenfield, Turners Falls, and Northampton. Workshops are designed in response to community needs, often in cooperation with other organizations, drawing upon both college and community resources. Instructors include faculty members, professors from other colleges, area business professionals, and local residents with special skills or expertise. Suggestions for new workshops, services or programs are welcomed. Contact Community Education at (413) 775-1605 or the first floor of the Downtown Center.

Community Education Facilities
Facilities available through the Office of Community Education include:

• The Downtown Center’s Computer classroom has access to the Internet, Microsoft Office Suite, Quickbooks, Photoshop and Illustrator and other applications.

• Meeting rooms available to outside organizations at the downtown or main campus locations. Presentation equipment is available at the Downtown Center for a fee.

Community Education Programs

• The Office of Workforce Development at Greenfield Community College provides customized education and training for area businesses and organizations, including courses, workshops and individualized instruction for managers, office and technical staff, machine operators, and child care workers. Instruction can be offered in the workplace, at GCC’s Downtown Center, at the main campus or at other locations in the region. These services are designed to increase the skills of employees and to contribute to greater organizational effectiveness and productivity. Open enrollment business workshops are scheduled each semester.

• Community Education Workshops cover a wide range of subjects, including business, computers, dance, arts and crafts, finance, and other leisure and work programs. Workshops are scheduled for spring, summer and fall, usually in the evening but also during the day and on weekends. They are offered for both personal and professional growth. The complete schedule of workshops is available in the GCC Lifelong Learning Guide and on the Community Education page on the GCC web site.

• The Senior Symposia Program, a collaborative effort between the Office of Community Education and area senior citizens, provides area seniors a way to continue their education in a format that suits their unique needs, interests, and resources. Symposia are held at the Downtown Center and other venues during the fall and spring semesters.

• The Pioneer Valley Institute has been bringing programs, exhibits, field trips and workshops to the public since 1989, highlighting regional history, literature, science, art and architecture, folklore, cultures, political and environmental issues. Resources designed to explore the rich and unique character of the Connecticut River Valley.
Academic Programs

• Liberal Arts Electives
• Associate in Arts Degree Programs
• Associate in Science Degree Programs
• Certificate Programs
• Programs in Collaboration with Neighboring Community Colleges
• Additional Academic Opportunities

Our academic programs enable you to transfer to Baccalaureate programs or prepare you to enter a variety of career fields. Several programs serve both purposes, depending upon the elective courses that you take. We offer associate degree programs, which require at least 60 credits of coursework, and certificate programs, which require up to 42 credits of coursework.
ACADEMIC PROGRAMS AT GREENFIELD COMMUNITY COLLEGE

Associate in Arts Degree

• Business Administration Transfer (BAT)
• Liberal Arts (LIB)

All of the following are Liberal Arts advising options. You may focus on one of these options. Your diploma will read “Liberal Arts.” GCC will award you only one Liberal Arts degree.

• American Studies (LAS)
• Art (LAA)
• Computer Science (LCS)
• Computer Science Applications (LCA)
• Dance (LAD)
• Economics (LES)
• Education (LEO)
• English (LAE)
• Environmental Science (LEN)
• Farm and Food Systems (LFF)
• Food Science (LFO)
• Gender and Women’s Studies (LGW)
• Health Arts (LHA)
• Health Science (LHE)
• Hospitality and Tourism Management (LHT)
• Human Services (LHS)
• International Studies (LIS)
• Math-Science (LMO)
• Music (LMU)
• Peace, Justice and Environmental Studies (LPE)
• Renewable Energy/Energy Efficiency (LRE)
• Science-Math Education (LSM)
• Social Sciences (LSS)
• Theater (LAT)

Associate in Science Degree

• Accounting (ACC)
• Art/Fine Art (AFA) ①
• Art/Fine Art MassTransfer Option (AFC) ①
• Art/Visual Arts (AVA)
• Art/Visual Arts MassTransfer Option (AVC)
• Computer Information Systems (CIS)
• Computer Information Systems – Office Management (OMN)
• Criminal Justice (CRJ) ③
• Criminal Justice MassTransfer Option (CJC) ③
• Early Childhood Education MassTransfer Option (ECE) ③
• Engineering Science (EGS)
• Fire Science Technology (FST)
• Management (MAN)
• Marketing (MKT)
• Nursing (NUR) ⑤

Certificate Programs

• Computer-Assisted Bookkeeping (CAB) ⑤
• Computer Information Systems – General Office Administration (OFF) ⑤
• Digital Media (DMC)
• Early Childhood Education (LEC) ⑦
• Entrepreneurship (ENT)
• Environmental Science (NRC)
• Hospitality and Tourism (HOT) ⑤
• Human Services (HSV)
• Management (MGT) ⑤
• Medical Assistant (MAC) ⑤
• Network Administration (NED) ⑤
• Outdoor Leadership (OLP) ⑧ ⑩
• Paramedic (PMC) ⑧
• Practical Nursing-LPN, (PNC) ⑧ ⑩
• Real Estate (RST)
• Renewable Energy/Energy Efficiency (REE)
• Retail Management (REM) ⑧
• Web Development and Design (WDD)

Programs in Collaboration with Neighboring Community Colleges

• Physical Therapist Assistant
• Radiologic Technology Program

All degree programs approved by the Massachusetts Department of Higher Education.

① This program is undergoing review and is not currently accepting new students.
② Police Career Incentive Pay Program (PCIPP) or Quinn Bill approved by the Massachusetts Board of Higher Education
③ Accredited by the National Association for the Education of Young Children.
④ Accredited by the National League for Nursing Accrediting Commission
⑤ Pending Pell funding approval
⑥ Certificate programs approved by the Massachusetts Department of Higher Education.
⑦ Program not eligible for federal or state financial assistance.
⑧ Accredited by the Association for Experiential Education
⑨ Accredited by the Commonwealth of Massachusetts’ Office for Emergency Medical Services (OEMS)
⑩ Approved by the Massachusetts Board of Registration for Nursing

## Liberal Arts Electives

The courses on this list may satisfy general education electives for transfer programs and some Associate in Science programs. Please refer to the specific program course requirements before selecting from this list.

Academic Programs

Associate in Arts Degrees

• Business Administration Transfer (BAT)
• Liberal Arts (LIB)
  All of the following are Liberal Arts advising options. You may focus on one of these options. Your diploma will read "Liberal Arts." GCC will award you only one Liberal Arts degree.
  • American Studies (LAS)
  • Art (LAA)
  • Computer Science (LCS)
  • Computer Science Applications (LCA)
  • Dance (LAD)
  • Economics (LES)
  • Education (LEO)
  • English (LAE)
  • Environmental Science (LEN)
  • Farm and Food Systems (LFF)
  • Food Science (LFO)
  • Gender and Women’s Studies (LGW)
  • Healing Arts (LHA)
  • Health Science (LAH)
  • Hospitality and Tourism Management (LHT)
  • Human Services (LHS)
  • International Studies (LIS)
  • Math-Science (LMO)
  • Music (LMU)
  • Peace, Justice and Environmental Studies (LPE)
  • Renewable Energy/Energy Efficiency (LRE)
  • Science-Math Education (LSM)
  • Social Sciences (LSS)
  • Theater (LAT)

Our Associate in Arts programs consist of a broad range of general studies in the humanities, behavioral sciences, business, natural sciences, mathematics, and technology with program options to focus on more specialized fields of interest. These options lead to the associate in arts degree and transfer status as a junior at many four-year colleges and universities. Many professions, including law, medicine, economics, education, and human services, require a strong liberal arts background. Our programs are designed to provide a strong foundation in liberal studies that will enable you to transfer to Baccalaureate programs at other institutions.  

Note: Total credits for a program indicate the minimum credits required to complete the program. Depending on your course selection, you may earn more than the minimum credits to complete a program. Developmental courses will not be used to fulfill associate degree requirements. Refer to page 30 for more information.

1 To learn more about transfer requirements, see pages 41-43.
Business Administration Transfer (BAT)

**THE DEGREE**
Associate in Arts

**THE PROGRAM**
Provides the necessary courses for transfer to Baccalaureate programs in business administration. The program has a core of business administration courses combined with courses in liberal arts with an emphasis on mathematics. By using electives, you may complete the program of study typically offered in the first two years of a Baccalaureate program.

**YOUR NEXT STEP**
Transfer to a Baccalaureate program

**PROGRAM CONTACTS**
Jeff Galbraith, Office: E132M, (413) 775-1483, galbraith@gcc.mass.edu
Kathleen Vranos, Office: E132F, (413) 775-1471, vranosk@gcc.mass.edu

**Program Electives**
Any course coded ACC, BUS, CIS or ECO | 3 |

**General Electives**
Any courses other than a developmental course (see page 30) | 3-4 |

Please note that transfer to many four year colleges and universities will require the completion of four semesters of World Languages. Four semesters of World Language classes from GCC will fulfill any UMass, Amherst language requirement. Please go to http://web.gcc.mass.edu/academics/programs/ and check the website for this program to see a sample course-selection designed to guide program completion for both full-time and half-time students. Certificate and degree completion plans are advisory only.

For a list of courses that can be taken online, refer to pages 166-167.

1. See pages 41-43 for the specific requirements of the MassTransfer policy.
2. Math courses to be chosen after consultation with faculty advisor and in consideration of the requirements of the transfer institution. A number of the transfer schools require MAT 151 (Applied Calculus I).
3. While both ACC 121/122 and ACC 151/152 introduce the student to the accounting cycle and topics in accounting, ACC 151/152 focuses on accounting for corporations and the analysis of financial statements and is recommended for BAT students.
4. Recommended: MAT 151 (Applied Calculus I).
The course-selection guide below provides the most flexible way to complete a Liberal Arts degree at GCC. If students are uncertain about a career path or about the specific college or university to which they may transfer, then this general, flexible plan is a good choice. Students should work closely with their GCC advisor to select the specific courses that will help meet the course prerequisites and expectations at that institution.

**THE DEGREE**
Associate in Arts

**THE PROGRAM**
Provides a broad background in the humanities, behavioral sciences, and natural sciences.

**YOUR NEXT STEP**

Please note that transfer to many four year colleges and universities will require the completion of four semesters of World Languages. Four sequential semesters of World Language classes from GCC will fulfill any UMass, Amherst language requirement.

Please go to http://web.gcc.mass.edu/academics/programs/ and check the website for this program to see a sample course-selection designed to guide program completion for both full-time and half-time students. Certificate and degree completion plans are advisory only.

For a list of courses that can be taken online, refer to pages 166-167.

1. You may also select from the liberal arts options listed on page 54.
2. See pages 41-43 for the specific requirements of the MassTransfer policy.

---

The Liberal Arts degree may be completed fully online. Refer to page 124 or visit http://www.gcc.mass.edu/online for additional information. Also, see pages 166-167 for the anticipated online course offerings for the next several semesters.
**Liberal Arts Option: American Studies (LAS)**

The Liberal Arts option described below is one focused way to complete the Liberal Arts degree at GCC. By taking courses listed in this specific option, students complete courses that will help develop 100 and 200 course level knowledge and skills in a particular field. Students are advised to work closely with their GCC advisor to select the specific courses that will help meet their specific career or transfer goals. (Note: Students who complete this option will graduate with a diploma that reads “Associate in Arts in Liberal Arts.”)

### Total Credits: 65-66

### Option Requirements

**English Composition/Writing**

- ENG 101, 103, or 105 English Composition I 3
- ENG 112, 114, or 116 English Composition II 3

**Behavioral and Social Sciences**

- Any two courses from this list: ANT 103 or ANT 104, ECO 101 or ECO 102, EVS 101, POL 101, PSY 101, or SOC 101 6
- One 3-credit course coded: ANT, ECO, EVS, HSV, POL, PSJ, PSY, or SOC 3

**Humanities and Fine Arts**

- One 200-level course coded ENG 3
- One course coded HIS 3
- AHS 101 Art History Survey I 3
- AHS 102 Art History Survey II 3
- ART 121 Visual Concepts I 3
- ART 123 Visual Concepts II 3
- PCS 101, 131, or 141 3

**Natural or Physical Science**

- Any two 4-credit courses coded: BIO, CHE, GEO, PHY, SCI or EGR 105 8

**Mathematics/Quantitative Reasoning**

- Any course coded MAT other than a developmental course (see page 30) 3-4

### Option Electives

- Any five additional courses coded ART 2 15
- Any 3 credits of courses from the list of Liberal Arts Electives on pages 52-53 other than ART 121-299 3

Note: Courses coded ART and which have ART prerequisites are graded pass/fail.

Please note that transfer to many four year colleges and universities will require the completion of four semesters of World Languages. Four sequential semesters of World Language classes from GCC will fulfill any UMass, Amherst language requirement.

Please go to [http://web.gcc.mass.edu/academics/programs/](http://web.gcc.mass.edu/academics/programs/) and check the website for this program to see a sample course-selection designed to guide program completion for both full-time and half-time students. Certificate and degree completion plans are advisory only.

For a list of courses that can be taken online, refer to pages 166-167.

1. See pages 41-43 for the specific requirements of the MassTransfer policy.
2. Art Studio Transfer courses (ART 188, ART 288) as approved by Program Coordinator.
Liberal Arts Option: Computer Science (LCS)

Satisfies MassTransfer Block ①

The Liberal Arts option described below is one focused way to complete the Liberal Arts degree at GCC. By taking courses listed in this specific option, students complete courses that will help develop 100 and 200 course level knowledge and skills in a particular field. Students are advised to work closely with their GCC advisor to select the specific courses that will help meet their specific career or transfer goals. (Note: Students who complete this option will graduate with a diploma that reads “Associate in Arts in Liberal Arts”.)

### Liberal Arts Option: Computer Science Applications (LCA) **Satisfies MassTransfer Block**

The Liberal Arts option described below is one focused way to complete the Liberal Arts degree at GCC. By taking courses listed in this specific option, students complete courses that will help develop 100 and 200 course level knowledge and skills in a particular field. Students are advised to work closely with their GCC advisor to select the specific courses that will help meet their specific career or transfer goals. (Note: Students who complete this option will graduate with a diploma that reads "Associate in Arts in Liberal Arts").

Please note that transfer to many four year colleges and universities will require the completion of four semesters of World Languages. Four sequential semesters of World Language classes from GCC will fulfill any UMass, Amherst language requirement.

Please go to http://web.gcc.mass.edu/academics/programs/ and check the website for this program to see a sample course-selection designed to guide program completion for both full-time and half-time students. Certificate and degree completion plans are advisory only.

For a list of courses that can be taken online, refer to pages 166-167.

1. See pages 41-43 for the specific requirements of the MassTransfer policy.
2. Recommended if transferring to the UMass Sustainable Food and Farming Program: BIO 102 Botany; CHE 111 General Chemistry I; SCI 137 Permaculture Design; MAT 108 Precalculus
**Liberal Arts Option: Food Science (LFO)**

The Liberal Arts option described below is one focused way to complete the Liberal Arts degree at GCC. By taking courses listed in this specific option, students complete courses that will help develop 100 and 200 course level knowledge and skills in a particular field. Students are advised to work closely with their GCC advisor to select the specific courses that will help meet their specific career or transfer goals. (Note: Students who complete this option will graduate with a diploma that reads “Associate in Arts in Liberal Arts”.)

Please note that transfer to many four year colleges and universities will require the completion of four semesters of World Languages. Four sequential semesters of World Language classes from GCC will fulfill any UMass, Amherst language requirement.

Please go to http://web.gcc.mass.edu/academics/programs/ and check the website for this program to see a sample course-selection designed to guide program completion for both full-time and half-time students. Certificate and degree completion plans are advisory only.

For a list of courses that can be taken online, refer to pages 166-167.

1. See pages 41-43 for the specific requirements of the MassTransfer policy.
2. Recommended: ECO 129 Global Trade and Development.
# Liberal Arts Option: Math-Science (LMO)

The Liberal Arts option described below is one focused way to complete the Liberal Arts degree at GCC. By taking courses listed in this specific option, students complete courses that will help develop 100 and 200 course level knowledge and skills in a particular field. Students are advised to work closely with their GCC advisor to select the specific courses that will help meet their specific career or transfer goals. (Note: Students who complete this option will graduate with a diploma that reads “Associate in Arts in Liberal Arts”.)

</table>

Music majors should plan to take MUS 230 (Applied Music) and MUS 231 (Recital Participation) concurrently for four semesters.

Students with little or no music theory background should take MUS 103 (Music Theory Fundamentals) as an elective prior to enrolling in MUS 107 (Music Theory I).

Some courses are rotated in the schedule and may not be offered every semester.

Additional special topics courses are occasionally offered on a "one-time" basis in such areas as composition, world music regions, and electronic music.

Please note that transfer to non-music programs at four year colleges and universities could require the completion of four semesters of World Languages. Four sequential semesters of World Language classes from GCC will fulfill any UMass, Amherst language requirement. Students are advised to check with their music advisor for more specific information.

Please go to http://web.gcc.mass.edu/academics/programs/ and check the website for this program to see a sample course-selection designed to guide program completion for both full-time and half-time students. Certificate and degree completion plans are advisory only.

For a list of courses that can be taken online, refer to pages 166-167.

1. See pages 41-43 for the specific requirements of the MassTransfer policy.
2. Two semesters of MUS 138 required.
3. Two credit lessons (MUS 230) on primary instrument; four semesters required.
4. Four semesters of MUS 231 required.

Liberal Arts Option: Renewable Energy/Energy Efficiency (LRE)

Satisfies MassTransfer Block

The Liberal Arts option described below is one focused way to complete the Liberal Arts degree at GCC. By taking courses listed in this specific option, students complete courses that will help develop 100 and 200 course level knowledge and skills in a particular field. Students are advised to work closely with their GCC advisor to select the specific courses that will help meet their specific career or transfer goals. (Note: Students who complete this option will graduate with a diploma that reads “Associate in Arts in Liberal Arts.”)

**THE DEGREE**  
Associate in Arts in Liberal Arts

**THE OPTION**  
Provides students with the knowledge and skills needed for entry-level employment opportunities in the renewable energy/energy efficiency field; provides students already employed in the trades with knowledge and skills relevant to specific renewable energy/energy efficiency technologies, as well as broader understanding of the scientific, economic and political context of the industry; provides students with a general education background combined with a comprehensive introduction to renewable energy/energy efficiency and technical and general electives with course work geared toward transfer requirements for a four-year Baccalaureate program.

**YOUR NEXT STEP**  
Take appropriate industry exams based on your course work. Find employment in the renewable energy/energy efficiency field, e.g. green building, energy auditing and/or solar. Continue academic studies in a four-year Baccalaureate program.

**OPTION ADVISOR**  
Teresa Jones, Office: S414, (413) 775-1462, jones@gcc.mass.edu

Course requirements and electives to be chosen after consultation with faculty advisor and in consideration of the requirements of the transfer institution and student's professional goals.

Please note that transfer to many four-year colleges and universities will require the completion of four semesters of World Languages. Four sequential semesters of World Language classes from GCC will fulfill any UMass, Amherst language requirement.

Please go to http://web.gcc.mass.edu/academics/programs/ and check the website for this program to see a sample course-selection designed to guide program completion for both full-time and half-time students. Certificate and degree completion plans are advisory only.

For a list of courses that can be taken online, refer to pages 166-167.

1 See pages 41-43 for the specific requirements of the MassTransfer policy.
2 Recommended: MAT 107.
3 Up to three credits of internships may be taken as a SCI elective and up to six credits as any additional elective in consultation with faculty advisor. No more than six credits of internships may count toward this degree.
The Liberal Arts option described below is one focused way to complete the Liberal Arts degree at GCC. By taking courses listed in this specific option, students complete courses that will help develop 100 and 200 course level knowledge and skills in a particular field. Students are advised to work closely with their GCC advisor to select the specific courses that will help meet their specific career or transfer goals. (Note: Students who complete this option will graduate with a diploma that reads “Associate in Arts in Liberal Arts”.)

**THE DEGREE**
Associate in Arts in Liberal Arts

**THE OPTION**
Designed for students who plan to transfer to a Baccalaureate program in science or math with an eye towards gaining teaching certification.

**YOUR NEXT STEP**
Transfer to a Baccalaureate program.

**OPTION ADVISOR**
Trish Basford, Office: S409, (413) 775-1862, basfordt@gcc.mass.edu

**Option Requirements**

**Total Credits: 61-63**

**English Composition/Writing**
- ENG 101, 103, or 105 English Composition I 3
- ENG 112, 114, or 116 English Composition II 3

**Behavioral and Social Sciences**
- EVS 101 Environmental Studies: Issues in Sustainability 3
- One of the following: ANT 103, ANT 104, ECO 101, ECO 102, POL 101, PSY 101, or SOC 101 3
- One 3-credit course coded: ANT, ECO, EVS, HSV, POL, PSJ, PSY, or SOC 3

**Humanities and Fine Arts**
- One 200-level course coded ENG 3
- One course coded HIS 3
- One 3- or 4-credit course coded: AHS, ART, ASL, DAN, ENG, FLK, FRE, GGY, HIS, HUM, LAT, MUS, PCS, PHI, SPA, or THE, other than a developmental course (see page 30), English Composition I and English Composition II 3-4
- PCS 101, 131, or 141 3

**Natural or Physical Science**
- Any five 4-credit classes that include at least four different subject areas coded: BIO, CHE, GEO, MAT, PHY, SCI, and EGR 105 20

**Mathematics/Quantitative Reasoning**
- One of the following: MAT 107, 108, 151, or 201 4

**Additional Requirements**
- EDU 205 Philosophy of Education 3

**General Electives**
- Any courses other than a developmental course (see page 30) 2 7-8

Please note that transfer to many four year colleges and universities will require the completion of four semesters of World Languages. Four sequential semesters of World Language classes from GCC will fulfill any UMass, Amherst language requirement.

Please go to http://web.gcc.mass.edu/academics/programs/ and check the website for this program to see a sample course-selection designed to guide program completion for both full-time and half-time students. Certificate and degree completion plans are advisory only.

For a list of courses that can be taken online, refer to pages 166-167.

See pages 41-43 for the specific requirements of the MassTransfer policy.

Note: You will probably major in a particular math or science when you transfer to another school. We recommend that the electives be chosen from within the discipline in which you will ultimately major. Furthermore, students who will major in science when they transfer should strongly consider including chemistry and physics among their choices. Talk to your advisor for advice on the choices that best meet your academic goals.
**Liberal Arts Option: Social Sciences (LSS)**

The Liberal Arts option described below is one focused way to complete the Liberal Arts degree at GCC. By taking courses listed in this specific option, students complete courses that will help develop 100 and 200 level knowledge and skills in a particular field. Students are advised to work closely with their GCC advisor to select the specific courses that will help meet their specific career or transfer goals. (Note: Students who complete this option will graduate with a diploma that reads “Associate in Arts in Liberal Arts.”)

<table>
<thead>
<tr>
<th>THE DEGREE</th>
<th>Associate in Arts in Liberal Arts</th>
</tr>
</thead>
<tbody>
<tr>
<td>THE OPTION</td>
<td>Offers students an opportunity to explore the social sciences in depth. The option provides a focused concentration on the social sciences for students interested in psychology, sociology, environmental studies, political science, and anthropology within the framework of a traditional liberal arts education.</td>
</tr>
<tr>
<td>YOUR NEXT STEP</td>
<td>Transfer to a Baccalaureate program in sociology, psychology, environmental studies, political science, or anthropology. Enter a career field based in the social sciences.</td>
</tr>
</tbody>
</table>

Brian Kapitulik, Office: E116G, (413) 775-1252, kapitulikb@gcc.mass.edu |

**Total Credits: 60-63**

**Option Requirements**

**English Composition/Writing**
- ENG 101, 103, or 105 English Composition I 3
- ENG 112, 114, or 116 English Composition II 3

**Behavioral and Social Sciences**
- Any two courses from this list: ANT 103 or ANT 104, ECO 101 or ECO 102, EVS 101, POL 101, PSY 101, or SOC 101 6

**Humanities and Fine Arts**
- One 200-level course coded ENG 3
- One course coded HIS 3
- One 3- or 4-credit course coded: AHS, ART, ASL, DAN, ENG, FLK, FRE, GGY, HIS, HUM, LAT, MUS, PCS, PHI, SPA, or THE, other than a developmental course (see page 30), English Composition I and English Composition II 3-4
- PCS 101, 131, or 141 3

**Natural or Physical Science**
- Any two 4-credit courses coded: BIO, CHE, GEO, PHY, SCI or EGR 105 8

**Mathematics/Quantitative Reasoning**
- Any course coded MAT other than a developmental course (see page 30) 3-4

**Option Electives**
- One 100-level course from the Social Science Electives list below 3
- Any five 200-level courses coded: ANT, POL, PSY, or SOC 15

**General Electives**
- Any courses other than a developmental course (see page 30) 7-8

**100-LEVEL SOCIAL SCIENCE ELECTIVES**

- ANT 103 Introduction to Physical Anthropology 3
- ANT 104 Cultural Anthropology: Tribes, States and the Global System 3
- EVS 101 Environmental Studies: Issues in Sustainability 3
- POL 101 American Politics 3
- POL 105 International Politics 3
- PSJ 101 Introduction to Peace Studies 3
- PSY 101 Principles of Psychology 3
- SOC 106 Social Inequality 3

Please note that transfer to many four year colleges and universities will require the completion of four semesters of World Languages. Four sequential semesters of World Language classes from GCC will fulfill any UMass, Amherst language requirement. Please go to http://web.gcc.mass.edu/academics/programs/ and check the website for this program to see a sample course-selection designed to guide program completion for both full-time and half-time students. Certificate and degree completion plans are advisory only. For a list of courses that can be taken online, refer to pages 166-167.

1. See pages 41-43 for the specific requirements of the MassTransfer policy.
2. These courses will need to be selected while working with an academic advisor and will be determined by the student’s transfer field of interest or intended career choice. For example: If the student intends to transfer in psychology, they will need both PSY 210 and PSY 212.
3. Recommended: One course focused on Interdisciplinary approach, for example: PSJ 101, GWS 115, HUM 153.
Academic Programs

Liberal Arts Option: Theater (LAT)  
Satisfies MassTransfer Block

The Liberal Arts option described below is one focused way to complete the Liberal Arts degree at GCC. By taking courses listed in this specific option, students complete courses that will help develop 100 and 200 course level knowledge and skills in a particular field. Students are advised to work closely with their GCC advisor to select the specific courses that will help meet their specific career or transfer goals. (Note: Students who complete this option will graduate with a diploma that reads "Associate in Arts in Liberal Arts":)

- Engineering Science (EGS)
- Fire Science Technology (FST)
- Management (MAN)
- Marketing (MKT)
- Nursing (NUR)

Our career degree programs consist of specialized education, which may include studies in humanities, behavioral sciences, business, natural sciences, mathematics, and technology, in addition to studies in specific career fields. Career degree programs lead to the associate in science degree. We have designed these programs to prepare you for employment in a variety of career areas, as well as, in many cases, to enable you to transfer to Baccalaureate programs at other institutions. You should work closely with your academic advisor in selecting your courses. If you are considering transfer to another school, you should contact our Coordinator of Transfer Affairs as early as possible.

Most career programs require some elective coursework in liberal arts. In making your liberal arts course selections, use these guidelines and consult your academic advisor:

- You may satisfy a general elective by completing any credit course offered by the college, except developmental courses.
- You may satisfy a liberal arts elective by completing any course on the list of Liberal Arts Electives on pages 52-53.

Note: Total credits for a program indicate the minimum credits required to complete the program. Depending on your course selection, you may earn more than the minimum credits to complete a program.

① This program is undergoing review and is not currently accepting new students.
② Police Career Incentive Pay Program (PCIPP) or Quinn Bill approved by the Massachusetts Board of Higher Education.
③ Accredited by the National Association for the Education of Young Children.
④ Accredited by the National League for Nursing Accrediting Commission.
⑤ To learn more about transfer requirements, see pages 41-43.
⑥ Please note: Some electives in career programs are footnoted and specific courses are suggested.
⑦ Developmental courses will not be used to fulfill associate degree requirements. Refer to page 30 for more information.

Any additional course coded ART 3

**Note:** Courses coded ART and which have ART prerequisites are graded pass/fail.

Please go to http://web.gcc.mass.edu/academics/programs/ and check the website for this program to see a sample course-selection designed to guide program completion for both full-time and half-time students. Certificate and degree completion plans are advisory only.

For a list of courses that can be taken online, refer to pages 166-167.

See pages 41-43 for the specific requirements of the MassTransfer policy; admission to UMass Art programs is subject to portfolio review. UMass will accept up to 75 credits in transfer.
Computer Information Systems (CIS)

THE DEGREE  Associate in Science

THE PROGRAM  For students interested in applying knowledge of microcomputer operating systems, software, and networks to business needs. The program teaches the use of current application packages in databases, spreadsheets, word processing, and website design and administration, single-user and network operating systems, network administration and design, and database development and programming. A foundation of business courses is included.

YOUR NEXT STEP  Employment as the microcomputer specialist, consultant, or technical support person in a variety of business settings, or transfer to a four-year program.

PROGRAM CONTACT  Doug Wilkins, Office: E132P; (413) 775-1480, wilkins@gcc.mass.edu

Total Credits: 60-63

Program Requirements

- One of the following: ACC 151 Concepts of Financial Accounting I or ACC 121 Principles of Financial Accounting I 3-4
- BUS 111 The Contemporary Business World 3
- BUS 116 E-Commerce 3
- One of the following: ACC 122, ACC 152, BUS 155, BUS 224, or any 200-level course coded ACC or BUS 3-4
- CIS 140 Microcomputer Software Tools I 3
- CIS 141 Microcomputer Software Tools II 3
- CIS 145 Relational Database Design and Application 3
- CIS 150 Programming Principles and Concepts 3
- CIS 151 Web Site Development 3
- CIS 180 Network Workstation Administration 3
- One of the following: ECO 101 Principles of Macroeconomics or ECO 102 Principles of Microeconomics 3
- ENG 101, 103, or 105 English Composition I 3
- ENG 112, 114, or 116 English Composition II 3
- One of the following: PSY 101 Principles of Psychology or SOC 101 Principles of Sociology 3
- Any course coded MAT other than a developmental course (see page 30) 3-4

Program Electives

- Any 9 credits of 200-level CIS courses 9
- Any 6 credits of courses from the list of Liberal Arts Electives on pages 52-53 6

Please go to http://web.gcc.mass.edu/academics/programs/ and check the website for this program to see a sample course-selection designed to guide program completion for both full-time and half-time students. Certificate and degree completion plans are advisory only.

For a list of courses that can be taken online, refer to pages 166-167.

- CIS majors must pass or place out of MAT 096 to take CIS 150, so MAT 107 is strongly recommended.
- Recommended: ART 161 and ART 264.
Academic Programs

Computer Information Systems - Office Management (OMN)

**THE DEGREE**  
Associate in Science

**THE PROGRAM**  
Provides skills necessary to manage a wide variety of office settings and tasks. Students acquire training in financial, managerial, and communications principles, and master related computer applications, to assist with the administration of the modern, technology-based office.

**YOUR NEXT STEP**  
Manage an office in a small to medium size organization.

**PROGRAM COORDINATOR**  
Kathleen Vranos, Office: E132F, (413) 775-1471, vranosk@gcc.mass.edu

### Program Requirements

- **CRJ 101** Introduction to Criminal Justice 3
- **CRJ 103** Criminal Law 3
- **CRJ 105** Police Process 3
- **CRJ 107** Adjudication Process 3
- **CRJ 109** Corrections Process 3
- **CRJ 121** Criminology 3
- **ENG 101, 103, or 105** English Composition I 3
- **ENG 112, 114, or 116** English Composition II 3
- **POL 101** American Politics 3
- **PSY 101** Principles of Psychology 3
- **SOC 101** Principles of Sociology 3
- **SOC 201** Social Problems 3
- **PCS 101, 131, or 141** 3

Any 9 credits of courses coded: AHS, ART, ASL, BIO, CHE, DAN, EGR 105, ENG, FLK, FRE, GGY, GEO, HIS, HUM, LAT, MAT, MUS, PCS, PHI, PHY, SCI, SPA, or THE, other than a developmental course (see page 30), English Composition I and English Composition II 9

### Program Electives

Any two courses from the Criminal Justice Electives list below 6

### General Electives

Any courses other than a developmental course (see page 30) 6

### CRIMINAL JUSTICE ELECTIVES

- **CRJ 113** Juvenile Justice 3
- **CRJ 131** Social Issues in Criminal Justice 3
- **CRJ 203** Criminal Investigation 3
- **CRJ 209** Community Policing in the 21st Century 3
- **CRJ 215** Field Experience 3
- **CRJ 219** Constitutional Criminal Procedure 3

PLEASE NOTE: Only credit from regionally accredited institutions of higher education is accepted for transfer into an undergraduate Criminal Justice Program, and not all credit is necessarily accepted. There are requirements for transfer credit which may be stricter than those for the college generally. The Criminal Justice Program does not award credit for life experience, military, police academy or related training. No more than 10 percent of an Associate’s Degree can be completed through knowledge-based examinations (e.g., CLEP, Dantes). Please contact the Program Coordinator with any questions or concerns.

The associate’s degree program in Criminal Justice is Police Career Incentive Pay Program (PCIPP) or Quinn Bill approved by the Massachusetts Board of Higher Education.

Students participating in this program must undergo a Criminal Offender Record Information (CORI) check. For more information please refer to page 8.

Please go to http://web.gcc.mass.edu/academics/programs/ and check the website for this program to see a sample course-selection designed to guide program completion for both full-time and half-time students. Certificate and degree completion plans are advisory only.

For a list of courses that can be taken online, refer to pages 166-167.

1 Students who wish to take advantage of MassTransfer, refer to page 92.

Certificate and degree completion plans are advisory only.

For a list of courses that can be taken online, refer to pages 166-167.

See pages 41-43 for the specific requirements of the MassTransfer policy.

Math course to be chosen after consultation with faculty advisor and in consideration of the requirements of the transfer institution.
# Early Childhood Education (ECE)

**THE DEGREE**  
Associate in Science

**THE PROGRAM**  
Provides a strong background in early childhood education and liberal arts. The curriculum integrates coursework with direct experience in a variety of early childhood settings.

**YOUR NEXT STEP**  
Work as a professional with Lead Teacher Certification from the Department of Early Education and Care in various early childhood settings or transfer to a Baccalaureate program as preparation to teach in preschools and elementary schools.

**PROGRAM COORDINATOR**  
Kate Finnegan, Office: E118A, (413) 775-1125, finnegan@gcc.mass.edu

3

The associate’s degree program in Early Childhood Education is accredited by the National Association for the Education of Young Children.

Students participating in this program must undergo a Criminal Offender Record Information (CORI) check. For more information please refer to page 8.

Placement in a teaching site for EDU 215 and EDU 216 is not guaranteed and depends upon agreement among the teaching site, the EDU faculty, and the student. Some students prefer to complete the program over a longer period of time.

Please note that transfer to many four year colleges and universities will require the completion of four semesters of World Languages. Four sequential semesters of World Language classes from GCC will fulfill any UMass, Amherst language requirement.

Please go to [http://webgcc.mass.edu/academics/programs/](http://webgcc.mass.edu/academics/programs/) and check the website for this program to see a sample course-selection designed to guide program completion for both full-time and half-time students. Certificate and degree completion plans are advisory only.

For a list of courses that can be taken online, refer to pages 166-167.

1. See pages 41-43 for the specific requirements of the MassTransfer policy.
2. Consult with Education Faculty

</tbody>
</table>

**Total Credits:** 65-78

Note: Courses shown with 3-4 credits refer to transfer credits, which vary depending on the transfer institution.

For a list of courses that can be taken online, refer to pages 166-167.

1. With the approval of the Engineering advisor. Students must meet with the Engineering program coordinator or an engineering academic advisor to select courses for their specific situation. Some Concentration Electives will be taken at UMASS through our consortium agreement; or at another engineering college (strongly recommended that transfer credit receive prior approval of the transfer credit evaluator and engineering advisor).

(Additional Program Electives and Notes continued on next page)
Engineering Science (EGS)

CONCENTRATION ELECTIVES — SEE PROGRAM COORDINATOR

Students, with help from their Engineering academic advisor or the Engineering Coordinator, must select their specific concentration electives. The selection should be based on the student’s expected engineering major (chemical, civil, environmental, electrical, computer, industrial, or mechanical engineering) and on the requirements of the transfer Baccalaureate institution. In most instances, the GCC courses will be accepted at the transferring institution. Courses from this list not accepted by the transferring institution will nevertheless provide valuable background knowledge to prepare students for similar courses at the Baccalaureate institution.

GCC ASSOCIATE DEGREE GENERAL OUTLINE (NOT FOR ADVISING PURPOSES)

Fall – Freshman Year
- Computer Science ☑
- Physics w/ Calculus I (GCC PHY 111)
- Calculus I (GCC MAT 201)
- English Comp I (GCC ENG 101 or equivalent)
- Concentration Elective ☑
- Engineering Orientation (GCC EGR 105)

Spring – Freshman Year
- Physics w/ Calculus II (GCC PHY 112)
- Calculus II (GCC MAT 202)
- Economics Elective (Any ECO course) ☑
- Liberal Arts Elective from list of pages 52-53 of courses coded AHS, ANT, ART, ASL, DAN, ECO, ENG, EVS, FLK, FRE, GGY, HIS, HSV, HUM, LAT, MUS, PCS, PHI, POL, PSJ, PSY, SOC, SPA, or THE. ☑
- Engineering Graphics (GCC EGR 107)
- Concentration Elective ☑

Fall – Sophomore Year
- Concentration Elective ☑
- Multivariate Calculus (GCC MAT 203)
- Concentration Elective ☑
- Concentration Elective ☑
- Liberal Arts Elective from list of pages 52-53 of courses coded AHS, ANT, ART, ASL, DAN, ECO, ENG, EVS, FLK, FRE, GGY, HIS, HSV, HUM, LAT, MUS, PCS, PHI, POL, PSJ, PSY, SOC, SPA, or THE. ☑

Spring – Sophomore Year
- English Comp II (GCC ENG 112, 114, 116)
- Math Elective (GCC MAT 204 or MAT 205 or EGR 213) ☑
- Concentration Elective ☑
- Concentration Elective ☑

NOTES:
Placement tests determine readiness for MAT and ENG courses, MAT 090, 095, 096, 107, 108 and ENG 090 and ENG 094 (COL 090) may be required if present skills in these areas are insufficient.

The Concentration Electives are chosen on the basis of the specific Engineering field desired, and should be chosen with regard to the selected transfer institution. Select these in conjunction with your Engineering academic advisor; and as approved by EGS program coordinator.

EXAMPLE LIST OF POSSIBLE CONCENTRATION ELECTIVES:

For Electrical and Computer Engineering these could include: Circuits I, Circuits II, Data Structures and Algorithms, Hardware Org. and Design, Digital Logic, Advanced Computer Programming, Biology, etc.

For Mechanical Engineering these could include: Statics, Dynamics, Strength of Materials, Material Science, Thermodynamics, Material Design, Chemistry, etc.

For Civil and Environmental Engineering these could include: Statics, Dynamics, Strength of Materials, Material Science, Thermodynamics, Probability and Statistics in Civil Engineering, Civil Engineering Analysis, Chemistry, etc.

For Chemical Engineering these could include: Chemistry I and II, Organic Chemistry I, Organic Chemistry II, Thermodynamics, Biology, etc.

For Industrial Engineering these could include: Advanced Computer Programming Languages, Statics, Probability and Statistics, Material Science, Strength of Materials, Chemistry, etc.

With the approval of the Engineering advisor. Students must meet with the Engineering program coordinator or an engineering academic advisor to select courses for their specific situation. Some Concentration Electives will be taken at UMass through our consortium agreement; or at another engineering college (strongly recommended that transfer credit receive prior approval of the transfer credit evaluator and engineering advisor).

Management (MAN)

**The Degree**
Associate in Science

**The Program**
Provides occupational and some transfer possibilities. You will be required to take a core of management courses, as well as liberal arts courses and electives that will allow you to transfer or enter the workplace. You may choose either a general management concentration or a total quality management concentration.

**Your Next Step**
Work in entry-level management positions in business and public organizations or transfer to a Baccalaureate program in business administration.

# Nursing (NUR)

## THE DEGREE
Associate in Science

## THE PROGRAM
Prepares you for a career as a nurse, providing patient care for adults and children in varied health care settings. You will be required to take a combination of liberal arts and clinical nursing courses in sequence over four semesters. Some students prefer to complete the program over a longer period of time.

## YOUR NEXT STEP
Take the R.N. licensure examination, and enter the R.N. work force, and/or continue your education part-time or full-time at a Baccalaureate degree institution. We have articulation agreements with Elms College, Fitchburg State University, Framingham State University, Sage Colleges, UMass/Amherst, University of New Hampshire, Keene State, and University of Vermont.

## PROGRAM CONTACT
Cheri Ducharme, M.S.N, Office: E121F, (413) 775-1759, ducharme@gcc.mass.edu

## Program Electives
One 3-credit course coded: AHS, ART, ASL, DAN, ENG, FLK, FRE, GGY, HIS, HUM, LAT, MUS, PCS, PHI, SPA, or THE, other than a developmental course (see page 30), English Composition I and English Composition II ②

① C+ or better required
② C or better required
③ 5 year currency or exam required
④ LPN advanced placement
⑤ 3 hours/credit hour for clinical; 2 hours/credit hour for labs
⑥ C+ or better required to advance to next course
⑦ CR required to advance to next course

(Additional Program Notes continued on next page)
The Associate Degree Nursing Program is approved by the Massachusetts Board of Registration in Nursing and is accredited by the National League for Nursing Accrediting Commission, 3343 Peachtree Road NE, Atlanta, GA 30326, (404) 975-5000. The highly-regarded Associate Degree program offers personal support and a wide range of challenging clinical learning opportunities in the Springfield, Holyoke, Northampton, Greenfield and Brattleboro areas.

ADMISSION PROCESS - Nursing requires a special admission process. Students who have met all admission requirements may submit applications between September 3, 2013 and February 18, 2014. Applicants who are selected from the pool will be notified by mid-April. Any applicant not selected will be required to reapply if seeking admission for the subsequent year. Informational meetings are held to describe the details of the A.D.N. program. Dates and locations for the meetings are available in semester course guides, from the Admission Office or the Nursing Department office (413) 775-1753 and www.gcc.mas.edu/admission/health-careers.

ACADEMIC ADMISSION REQUIREMENTS FOR THIS PROGRAM - High school diploma or GED certificate required. Must successfully complete ENG 101, 103, or 105, with a "C" or better. Must place out of MAT 095 (MAT 105) in placement assessment* or successfully complete MAT 095 (MAT 105) within five (5) years. Ten credits from the list of required non-nursing courses listed on the previous page, (with the exception of ENG 101, 103, or 105, and including at least one of the BIO courses.)

Please note the prerequisite requirements for BIO 195: College Biology within the past ten years or BIO 126; ENG 090 and ENG 094 (COL 090), or satisfactory placement test scores.

All students entering the ADN Program will be required to have a CORI (Criminal Offenders Record Information) check. For more information please refer to page 8. A student with a charge in the Lifetime Presumptive Disqualification Category or Discretionary Disqualification Category is ineligible for placement in the GCC ADN Program. Some clinical facilities will run their own CORIs on students and may require a drug test screening. Applicants need to know that individuals with a record of conviction by a Court of Law will be required to provide a complete explanation to the Board of Registration in Nursing in order to be permitted to take the licensing examination (NCLEX) after graduation.

EXTRA COSTS - Nursing students are required to purchase uniforms, lab equipment, malpractice insurance and standardized tests. In addition, there are fees for maintaining CPR certification, immunizations, health insurance, a required physical and nursing graduation related expenses (i.e., licensure application, NCLEX-RN exams, review course). Students are responsible for their own transportation between campus and clinical facilities.

EDUCATIONAL MOBILITY OPPORTUNITIES FOR LPNS - Licensed Practical nurses who have graduated from GCC’s Program with a B average or better, who apply to GCC’s associate degree nursing program within five years of graduation can be accepted into the second year of GCC’s ADN Program on a space-available basis. All other LPNs are encouraged to apply for advanced placement into the second semester or the third semester of the ADN Program. LPNs entering the second semester of the program must have successfully completed English Comp. I, PSY 101, BIO 194 or 195, the in-house Fundamentals of Nursing Examination and NUR 111. LPNs who earn entrance into the third semester must have also successfully completed SOC 101, PSY 217, BIO 196, Excelsior College Maternal and Child Nursing Baccalaureate Degree Examination and NUR 112 (in the place of NUR 111). For testing applications and study guides go to: www.excelsior.edu.

Transfer students can be accommodated but are only accepted into the second semester of the ADN program, with priority given to LPN students.

* Applicants may also complete the MAT 095 (MAT 105) admission requirement by receiving an algebra placement test score of 61 or higher and an arithmetic placement test score of 67 or higher.

Please go to http://web.gcc.mass.edu/academics/programs/ and check the website for this program to see a sample course-selection designed to guide program completion for both full-time and half-time students. Certificate and degree completion plans are advisory only.

For a list of courses that can be taken online, refer to pages 166-167.
Certificate Programs

- Digital Media (DME)
- Early Childhood Education (LEC) ③
- Entrepreneurship (ENT)
- Environmental Science (NRC)
- Hospitality and Tourism (HOT) ①
- Human Services (HSV)
- Management (MGT) ①
- Medical Assistant (MAC) ①
- Network Administration (NED) ①
- Outdoor Leadership (OLP) ④
- Paramedic (PMC) ⑥
- Practical Nursing-L.P.N. (PNC) ② ⑥
- Real Estate (RST)
- Renewable Energy/Energy Efficiency (REE)
- Retail Management (REM) ①
- Web Development and Design (WDD)

Certificate programs consist of specialized education in specific career fields, without the general education coursework required for a degree. We have designed our programs to prepare you for early employment and/or to improve your specific job skills. You must complete at least 15 credits or two-thirds of the credit hours required for a certificate program (whichever is less) at GCC.

In most cases, the courses required to complete a certificate program may be used to fulfill requirements for an associate degree in the same field.

Due to the sequence in which the certificate course requirements are offered, completion of these certificate programs within the normal time frame is not always possible if a student begins required coursework in January.

Note: Total credits for a program indicate the minimum credits required to complete the program. Depending on your course selection, you may earn more than the minimum credits to complete a program.

Developmental courses will not be used to fulfill certificate requirements. Refer to page 30 for more information.

① Pending Pell funding approval.
② Certificate programs approved by the Massachusetts Department of Higher Education.
③ Program not eligible for federal or state financial assistance.
④ Accredited by the Association for Experiential Education.
⑤ Accredited by the Commonwealth of Massachusetts’ Office for Emergency Medical Services (OEMS).
⑥ Approved by the Massachusetts Board of Registration for Nursing.

Computer Information Systems – General Office Administration (OFF)

THE CERTIFICATE
Computer Information Systems – General Office Administration

THE PROGRAM
Develops basic office communication skills, including writing, formatting and maintaining business documents and websites. The certificate also provides an understanding of business organization and practices, and includes extensive hands-on experience with manual and computerized bookkeeping, spreadsheet, database, and word-processing software, and web design programming.

YOUR NEXT STEP
Employment in general office administration in a variety of business settings, including web maintenance, bookkeeping, medical, or information technology, or continuation in the Associate in Science degree in Computer Information Systems - Office Management.

Digital Media (DME)

<table>
<thead>
<tr>
<th>THE CERTIFICATE</th>
<th>Digital Media</th>
</tr>
</thead>
<tbody>
<tr>
<td>THE PROGRAM</td>
<td>The Digital Media Certificate is a 27-credit program offered through the Art Department. The program is designed to provide students with a strong foundation in design principles and working with contemporary digital media. Students explore the visual, critical, and practical aspects of digital media as currently employed in the development of web sites, photography, video, and 3D computer applications. Course work produced by students may contribute towards the creation of a digital art portfolio. For most students the program requires a minimum of three semesters to complete.</td>

**Medical Assistant (MAC)**

**THE CERTIFICATE**
Medical Assistant

**THE PROGRAM**
This technology intensive program provides a comprehensive introduction to the field of medical assisting; provides students with the knowledge and skills necessary to work as a medical assistant in ambulatory healthcare settings, without the general education requirements of an associate degree; provides hands-on experience performing both clinical procedures and administrative procedures in a medical office; provides a pathway to entry-level work as a Certified Medical Assistant (CMA).

**YOUR NEXT STEP**
Upon graduation from the program, seek entry-level work in a medical office or ambulatory healthcare setting, and sit for the certification exam given by the American Association of Medical Assistants (AAMA). Continue academic training and earn technician certifications for work in allied health fields such as phlebotomy, patient care, and/or electrocardiography (EKG).

HSC 127L Job Shadowing for Health Careers 1

Total Credits: 28-29

Prerequisites for this program include ENG 090, ENG 094, MAT 095, or satisfactory placement test scores. Recommended prerequisites: CIS 140, ENG 101.

Students participating in this program must undergo a Criminal Offender Record Information (CORI) check. For more information please refer to page 8.

This program requires a different admission process. Please contact the program contact listed above or the Admission Office for additional information.

Upon completion, students are eligible to take the American Association of Medical Assistants’ (AAMA) exam and earn the Certified Medical Assistant (CMA) credential that is the national industry standard for the field.

Please go to http://web.gcc.mass.edu/academics/programs/ and check the website for this program to see a sample course-selection designed to guide program completion for both full-time and half-time students. Certificate and degree completion plans are advisory only.

# Outdoor Leadership (OLP)

## THE CERTIFICATE
Outdoor Leadership

## THE PROGRAM
Provides students with the skills and knowledge needed to lead entry-level or above adventure programs and services. Students learn by doing; activities are primarily field-oriented, with hands-on training. The certificate prepares you to design and deliver experiences in five areas: backcountry travel, rock climbing, paddling sports, Nordic skiing, and challenge course work. Certification competencies comply with adventure industry nationally recognized standards. OLP is accredited by the Association for Experiential Education.

## YOUR NEXT STEP
Students are prepared to work in outdoor centers and organizations, paddling schools, outdoor schools such as NOLS and Outward Bound, human services organizations, educational institutions that utilize adventure, and a diverse variety of recreational programs. Students with previous career skills may combine those with current technical training towards entrepreneurial ventures, counseling, or other specialized fields. Students also choose to continue studies in outdoor education, adventure recreation, natural or social sciences, and a myriad of related fields.

The Outdoor Leadership Program is accredited by the Association of Experiential Education.

PROGRAM POLICIES: Students must have current Wilderness First Responder certification or equivalent first aid training to enter the program.

ADMISSION REQUIREMENT: This program requires a different admission process. Please contact the program coordinator listed above or the Admission Office for additional information.

Students must meet all Essential Eligibility Requirements for the program. See the OLP website at http://web.gcc.mass.edu/olp/apply.

Please go to http://web.gcc.mass.edu/academics/programs/ and check the website for this program to see a sample course-selection designed to guide program completion for both full-time and half-time students. Certificate and degree completion plans are advisory only.

For a list of courses that can be taken online, refer to pages 166-167.
Academic Programs

Paramedic (PMC)

THE CERTIFICATE
Paramedic

THE PROGRAM
Meets the most recent National Standard curriculum requirements for Paramedic education and prepares you to take the Massachusetts and National Registry certification examinations. Students begin hands-on clinical experiences during the didactic portion of the program.

YOUR NEXT STEP
Take certification examination for EMT-Paramedic.

PROGRAM DIRECTOR
Dawn Josefski, Office: E130B, (413) 775-1761, josefski@gcc.mass.edu

Total Credits: 29

The Paramedic Program is accredited by the Commonwealth of Massachusetts’ Office for Emergency Medical Services (OEMS).

Applicants must have current basic or intermediate certification and be able to pass a written Basic EMT test administered by the Program; placement beyond or satisfactory completion of ENG 090, ENG 094 (COL 090), MAT 090; and concurrent enrollment or prerequisite completion of BIO 108 or equivalent. Students must complete health requirements no later than October 1st of the year they are accepted into the PMC program. Students must be 18 years of age to begin classes in the program.

All students entering the Paramedic Program will be required to have a CORI (Criminal Offenders Record Information) check. For more information please refer to page 8. A student with a charge in the Lifetime Presumptive Disqualification Category or Discretionary Disqualification Category is ineligible for placement in the GCC Paramedic Program. Some clinical facilities will run their own CORIs on students and may require a drug test screening. Applicants need to know that individuals with a record of conviction by a Court of Law will be required to provide a complete explanation to the Office for Emergency Medical Services (OEMS) in order to be permitted to take the certification exam.

EXTRA COSTS: Paramedic students are required to purchase malpractice insurance, lab coats, uniforms, emblems, and texts. There are lab fees which cover the costs of ACLS, PALS, PHTLS, and PEPP certifications, disposable goods, instructor/student ratios, and examination supplies. Students are required to cover the costs associated with travel to and from clinical and field sites. Students are also required to cover the costs of state and/or national certifying examinations.

Please go to http://web.gcc.mass.edu/academics/programs/ and check the website for this program to see a sample course-selection designed to guide program completion for both full-time and half-time students. Certificate and degree completion plans are advisory only.

For a list of courses that can be taken online, refer to pages 166-167.
Practical Nursing-L.P.N. (PNC)

**THE CERTIFICATE**  
Practical Nursing

**THE PROGRAM**  
Prepares you for a career as a practical nurse, who provides direct and competent bedside care for adults and children in nursing homes and hospitals. You will be required to take a rigorous combination of liberal arts and clinical nursing courses over 40 weeks between September and the end of June.

**YOUR NEXT STEP**  
Take the LPN licensure examination and enter the LPN workforce and/or continue your education in an RN program. An articulation agreement exists with GCC’s Associate Degree Nursing program. Refer to page 99 for the requirements.

**PROGRAM COORDINATOR**  
Virginia Wahl, Office: VA Medical Center, (413) 582-3055, wahl@gcc.mass.edu

The Practical Nursing Certificate program is approved by the Massachusetts Board of Registration for Nursing.

Students are required to pass every course in the Practical Nursing Certificate curriculum plan. A passing grade is defined as a "C" (74) in class work and a passing grade in clinical performance. If a course is failed, the student cannot continue in the program.

Nursing requires a special admission process. Students who have met all admission requirements are accepted on a space available basis to the Practical Nursing program.

Admission requirements for this program are a high school diploma or GED, English Composition I (ENG 101, 103, or 105), Introductory Algebra [1] (MAT 095 (MAT 105) or equivalent or higher level taken within the last five years with a minimum "C+" grade), and one course from the following list taken within the last five years with a minimum "C" grade: Biology I (BIO 126), Comprehensive Anatomy and Physiology (BIO 194), Human Anatomy and Physiology I (BIO 195), Human Anatomy and Physiology II (BIO 196). In addition, successful completion of the Test for Essential Academic Skills (TEAS) examination is required. A composite score (reading, math, science and English) of 50% with a reading score of 50% and math score of 50% is required for admission. Also, a completed physical examination and immunization record, as well as a current CPR certification card covering Adults, Children, and Infants, are required.

All students entering the LPN Program will be required to have a CORI (Criminal Offenders Record Information) check. For more information please refer to page 8. A student with a charge in the Lifetime Presumptive Disqualification Category or Discretionary Disqualification Category is ineligible for placement in the GCC LPN Program. Some clinical facilities will run their own CORIs on students and may require a drug test screening. Applicants need to know that individuals with a record of conviction by a Court of Law will be required to provide a complete explanation to the Board of Registration in Nursing in order to be permitted to take the licensing examination (NCLEX) after graduation.

Interested applicants should review an information packet online, which describes admission requirements, the curriculum and program policies before beginning the application process. Also, informational meetings are held regularly and are highly recommended. Information about either of these and a program application are available at www.gcc.mass.edu/pnc or by calling the Office of Admission at (413) 775-1802.

Extra costs: Nursing students are required to purchase uniforms, lab equipment, malpractice insurance, and standardized tests. In addition there are fees for maintaining CPR certification, immunizations, a required physical, and nursing related graduation expenses (i.e., licensure application, NCLEX-PN exams.)

CPR certification, immunizations, a required physical, and nursing related graduation expenses (i.e., licensure application, NCLEX-PN exams.) Please go to http://web.gcc.mass.edu/academics/programs/ and check the website for this program to see a sample course-selection designed to guide program completion for both full-time and half-time students. Certificate and degree completion plans are advisory only.

For a list of courses that can be taken online, refer to pages 166-167.

1. Applicants may also complete the Introductory Algebra admission requirement by receiving an algebra placement test score of 61 or higher and an arithmetic placement test score of 67 or higher.
Academic Programs

Real Estate (RST)

**THE CERTIFICATE** Real Estate

**THE PROGRAM** Designed for students desiring to enter the real estate field as a licensed salesperson. Selling and business communication skills, business computer usage, and daily operations of a real estate business are emphasized. Students must possess basic touch keyboarding skills equivalent to CIS 096 upon entrance into this program.

**YOUR NEXT STEP** Find employment in the real estate field.

**PROGRAM COORDINATOR** Kathleen Vranos, Office: E132F, (413) 775-1471, vranosk@gcc.mass.edu

① Students are eligible to take the Massachusetts Real Estate Salesperson Licensing Exam upon successful completion of BUS 119. This exam must be taken within two years of course completion.

② Students must arrange with a licensed Real Estate Broker to earn from one to six credits.
Renewable Energy/Energy Efficiency (REE)

THE CERTIFICATE Renewable Energy/Energy Efficiency

THE PROGRAM Provides students a comprehensive introduction to renewable energy and energy efficiency; provides students with the knowledge and skills needed for entry-level employment opportunities in the renewable energy/energy efficiency field without the general education requirements of the associates degree; provides students already employed in the trades with knowledge and skills relevant to specific renewable energy/energy efficiency technologies, as well as broader understanding of the scientific, economic and political context of the industry; and provides students with the knowledge and skills needed for continued learning and education in the renewable energy/energy efficiency field, including transfer into the associate's degree program.

YOUR NEXT STEP Take appropriate industry exams based on your course work. Find employment in the renewable energy/energy efficiency field e.g., green building, energy auditing and/or solar. Continue academic studies in a degree program.

Certificate and degree completion plans are advisory only.

For a list of courses that can be taken online, refer to pages 166-167.
Programs in Collaboration with Neighboring Community Colleges

- Physical Therapist Assistant Associate in Science Degree
- Radiologic Technology Program Associate in Science Degree

Greenfield Community College has enrollment agreements with Berkshire Community College (BCC), Holyoke Community College (HCC), and Mount Wachusett Community College (MWCC). GCC students can complete the general education courses listed at GCC before transferring to BCC, HCC, or MWCC to earn their degree. Students must still apply to the college offering the program they intend to pursue. Students are encouraged to contact the program chairs at BCC, HCC, or MWCC during their first year of study to learn about the admissions process required for these programs.
Physical Therapist Assistant
(with Berkshire Community College or Mt. Wachusett Community College)

THE DEGREE
Associate in Science

THE PROGRAM
Prepares a health care provider who works under the supervision of a physical therapist. Physical therapy methods and treatment techniques include massage, therapeutic exercise, gait training, heat and cold application, use of assistive, prosthetic, orthotic and electrical devices.

YOUR NEXT STEP
Apply at Berkshire Community College (BCC) or Mount Wachusett Community College (MWCC) to take the technical courses. The program at BCC and MWCC includes four sequential semesters of technical courses plus a summer session. Graduates of the PTA program are eligible to take the licensing examination to become registered PTAs. PTAs are employed in hospitals, nursing homes, school systems, private practices, rehabilitation centers, home health agencies, and sports medicine clinics.

Students should consult with MWCC advisor concerning math placement testing/math coursework. A mathematics competency equal to at least MAT 126 (Topics in Mathematics) is required prior to Semester I coursework. GCC's equivalent math course is MAT 117 (Mathematical Problem Solving).

Students should also consult with MWCC advisor concerning application to MWCC and the PTA program. Applications to the program are due May 15, 2014.

BIO 195, 196 should be no more than 5 years old with a minimum grade of C+.

① Selected computer course. Students should consult with MWCC advisor for more information.

② Courses coded ART, ASL, ENG (200 level), FRE, HUM, MUS, PHI, SPA, and selected speech and theatre courses. Students should consult with MWCC advisor for more information.

Radiologic Technology Program
(with Holyoke Community College)

THE DEGREE
Associate in Science

THE PROGRAM
Offers students training in operating state of the art radiology equipment, basics in positioning and radiography in a variety of settings.

YOUR NEXT STEP
Apply at Holyoke Community College (HCC) to take the technical courses. The program requires Intersession and summer sessions in clinic settings in addition to classroom, lab and general education courses. Graduates, after passing the National Registry Examination in Radiography can work in hospitals, medical clinics, and industry. Opportunities exist after graduation for transfer into Baccalaureate programs in health-related fields or to programs in Nuclear Medicine, Radiation Therapy, Ultrasound or Advanced Imaging.

HCC PROGRAM DIRECTOR
Holly Martin-Peele, Chair, Radiologic Technology Department, Holyoke Community College (413) 552-2460, email: hmartin@hcc.mass.edu

Additional Academic Opportunities

ONLINE COURSES
GCC offers on-campus, hybrid, and fully online courses. Hybrid and online courses using Internet-based resources provide flexibility and increase accessibility to college courses and degree programs. Most courses at GCC involve work on computers using applications such as Microsoft Word and PowerPoint. Computers for student use are available at numerous areas on campus, including the library and computer labs. Moodle is the platform used for the delivery of course content online. This learning management system provides learning tools, such as a discussion board, course announcements, online quizzes, web links, a grade book, and audio/video segments. Moodle is connected to the GCC email account. Faculty send email announcements and important updates through Moodle. Students in courses using Moodle are given access information the first day of class or via email for fully-online classes.

Considering an online course? Distance Learning options work well for some students – but not all. Students who typically succeed in online courses are those who are self-directed, well-organized, and like to work independently. For information visit our website: http://web.gcc.mass.edu/instructional-technology, email: onlinecourses@gcc.mass.edu, or call: (413) 775-1481.

ONLINE DEGREE
GCC has received approval from the Commission on Higher Education to offer its Liberal Arts General degree as a fully online degree program. Students are able to meet all degree requirements by completing fully online courses. See pages 166-167 for a listing of anticipated online courses to be offered Fall 2013 through Spring 2017. This listing helps students plan for degree completion in either 4 or 8 semesters.

SPECIAL TOPICS COURSES
Greenfield Community College offers Special Topics courses that provide students opportunities to enhance their learning by exploring particular topics or themes more intensively and creatively than is possible in regular course offerings. Special topics courses are 200 level courses, require introductory (100) level courses as prerequisites, and are designated by the appropriate three-letter department code and the number 240. Students may repeat a 240 Special Topics course for credit within the same department as long as the title of the course is different. Otherwise, refer to the standard procedure regarding repeating a course found in the college catalog.

TRANSITIONS PROGRAMS
GCC Educational Transitions Programs (Greenfield and Turners Falls High Schools)
The Educational Transitions Programs provide an option for students who want to complete their high school education outside of the traditional high school environment. Working with an assigned GCC academic advisor and their high school guidance office, students have the opportunity to take classes at GCC while completing their high school graduation requirements.

DIRECTED STUDY
Directed study allows a student to collaborate with a qualified instructor to complete a project for advanced individual study beyond the specific offerings at Greenfield Community College. To qualify, the student must have completed all available offerings in the given topic. A course described in the Greenfield Community College catalog may not be completed through a directed study, except in extraordinary circumstances.

A directed study carries the course number 295 or 296 and may be completed for one, two or three credits. If a 295 course is completed for one credit, the student may complete additional 295 courses in the same subject field until a maximum of three credits is earned.

The successful completion of a 295 course is prerequisite to the 296 course in the same field. Once a student embarks on a 296, they may not go back to a 295 in the same subject field, even if the maximum of three credits in the 295 has not been earned.

A directed study may not be accepted in transfer to a Baccalaureate degree awarding institution.

For additional information and application materials, contact the Registrar or an Academic Grouping Office, or visit http://www.gcc.mass.edu/forms/.
INTERNSHIPS

Internships extend students' learning beyond the classroom setting and allow them to work with a faculty mentor and a sponsor from a business or organization to gain hands-on experience in professional work environments that relate to their academic and career interests. Students should be able to relate the internship experience to knowledge and skills that they have gained through college-level classroom instruction.

Internships I and II carry the course number 293 and 294 respectively, and may be completed for one to six credits. No more than six credits from 293/294 numbered courses can be used to satisfy requirements for any one degree or certificate. An internship might not be accepted in transfer to a Baccalaureate degree awarding institution.

293 (1–6 credits) Internship I and 294 (1–6 credits) Internship II are site-based learning experiences. In consultation with an appointed faculty mentor and a site supervisor, students will develop and fulfill a list of learning goals and expectations. Activities for 293 could include site-based research and presentations, field experiences, apprenticeships, performing tasks commensurate with the student’s professional goals, shadowing professionals, etc.

For 294, students will put into practice skills and knowledge gained in previously taken courses and program related experiences. It is expected that the relationship between student and the site is mutually beneficial: students will gain real-life experience as they put theory to practice, and the site will have value added in some significant way.

Before an internship begins, the student and faculty mentor will agree upon the credits to be awarded (45 on-site hours per credit). At the end of the internship, the grade will be determined by the faculty mentor, in consultation with the student and the site personnel, on the basis of the extent to which the student has advanced their understanding in the field of interest.

To learn more about internships, students should see their academic advisor and/or a potential faculty mentor. Internship forms are available from the Registrar’s Office, Academic Group Offices, or at http://www.gcc.mass.edu/forms/. Note: The faculty mentor will confer with the department’s chair/Coordinator to confirm the appropriateness of the placement.

STUDY ABROAD OPPORTUNITY

International Language and Culture Study Award

This scholarship program, administered by the GCC International Studies Committee, has been sponsored jointly by the Student Senate and the President since 2000. Each summer, scholarship recipients spend two to three weeks in a language and culture institute in a French- or Spanish-speaking country, immersing themselves in that country’s culture and language. Students develop communication skills and gain understanding of other cultures by attending language classes at the institute, visiting local sites of cultural interest and staying with local host families. Students must have had some prior study of the language, must be returning to GCC in the fall following study abroad and must have completed 12 credits at GCC. For more information, contact the chair of the International Studies Committee at (413) 775-1226.

COMPLETE A FOUR-YEAR DEGREE

Elms College at Greenfield Community College

Greenfield Community College has a partnership with Elms College to make it possible for students to complete a Bachelor’s degree in Social Work Degree Completion Program through Elms College courses provided on the GCC campus. Advising, enrollment support, and course information is provided through Elms College personnel who have office hours on the GCC campus. The GCC contact person for this partnership program is Mr. Terry Lynn, Dean of Business, Information Technology, Health Occupations, and Professional Studies, (413) 775-1327, lynnt@gcc.mass.edu.

Massachusetts College Of Art And Design at Greenfield Community College

Greenfield Community College and Massachusetts College of Art and Design, a public four-year college, have an academic collaboration to provide GCC students with the opportunity to take Bachelor of Fine Arts courses at the Greenfield campus. The program is offered on a part-time basis, with courses in drawing, painting, and photography.

For more information contact:
• Greenfield Community College, Humanities Office (413) 775-1221, hwang-carlos@gcc.mass.edu, http://hum.gcc.mass.edu/
• Mass College of Art and Design, Continuing Education (617) 879-7200, continuing_education@massart.edu, http://www.massart.edu/ce/

This section contains descriptions of the College's approved credit courses. Developmental courses use numbers 090-096 and may not be used to fulfill associate degree or certificate requirements; introductory level and first-year courses use numbers 100-199; intermediate level and advanced level courses use numbers 200-299.

* A course with an asterisk meets the University of Massachusetts social and cultural diversity requirement. Students who transfer to the University without completing a designated MassTransfer associate degree will have to complete one course that focuses on diversity in the United States and one course that focuses on global diversity. Students who elect to finish the MassTransfer block option must fulfill the U.S. and global diversity requirement at the University if it's not completed at GCC.

The college does not offer all courses every semester. The course descriptions indicate whether a course is offered, every fall, every January intersession, every spring, and/or every summer, or whether it is offered periodically. Students should visit https://my.gcc.mass.edu or refer to the Registration Bulletin published in the spring, summer, and fall to determine whether a course labeled periodic is offered that term.

The college makes every effort to offer courses as indicated in this Catalog. Occasionally, there are changes to our curriculum which occur after the Catalog is published. For up-to-date information, visit our website: www.gcc.mass.edu.

## ACCOUNTING

**ACC 121 Principles of Financial Accounting I 4 cr**
An introduction to accounting principles and theory for the sole proprietorship. The course concentrates on the recording of business transactions through the accounting cycle, from journalizing, posting, adjusting, and closing to the preparation of financial statements. Additional topics include merchandise and inventory accounting. NOTE: Students may receive credit for ACC 121 or ACC 151, but not for both. (Offered: Every Fall)

Prereq: ENG 090 and ENG 094 (COL 090), or satisfactory placement test scores

**ACC 122 Principles of Financial Accounting II 4 cr**
A continuation of ACC 121. Topics include internal control and accounting for cash, accounts receivable, property and equipment and related depreciation, intangible assets, long term liabilities, accounting for a partnership and corporation, payroll accounting, and preparation of the cash flows statement. The student completes an electronic practice set. NOTE: Students may receive credit for ACC 122 or ACC 152, but not for both. (Offered: Every Spring)

Prereq: ACC 121

**ACC 151 Concepts of Financial Accounting I 3 cr**
An introduction to accounting principles and theory for the corporation. The course concentrates on the recording of business transactions through the accounting cycle, from journalizing, posting, adjusting, and closing to the preparation of financial statements. Additional topics include merchandise and inventory accounting. The course also focuses on how general purpose financial statements communicate information about the business corporation's performance and position for users of financial statements. NOTE: Students may receive credit for ACC 151 or ACC 121, but not for both. (Offered: Every Fall)

Prereq: ENG 090 and ENG 094 (COL 090), or satisfactory placement test scores

**ACC 152 Concepts of Financial Accounting II 3 cr**
A continuation of ACC 151. Topics include internal control and accounting for cash, accounts receivable, property and equipment and related depreciation, intangible assets, long term liabilities, accounting for a partnership and corporation, payroll accounting, and preparation of the cash flows statement. The student completes a detailed analysis of a corporate annual report with an emphasis on the analysis and interpretation of financial information. NOTE: Students may receive credit for ACC 152 or ACC 122, but not for both. (Offered: Every Spring)

Prereq: ACC 151

**ACC 203 Management Accounting 3 cr**
An introduction to the process of gathering and analyzing accounting data for use by managers in planning, decision-making, and controlling. Topics include basic cost concepts, cost volume-profit relationships, relevant cost decisions, capital investment decisions, performance evaluation, and budgeting. The student uses spreadsheet software. (Offered: Every Fall)

Prereq: ACC 152 or ACC 122; CS 140 or permission of instructor

**ACC 207 Financial Accounting Systems and Procedures 3 cr**
The capstone course in financial accounting for students graduating with an Associate in Science in Accounting. Topics include the adjusting process, finding and correcting accounting errors, calculation of depreciation for both book and tax purposes, payroll administration, inventory systems and controls and internal control concepts and techniques. Students discuss and analyze current accounting and tax issues. Successful completion of this course qualifies the student to sit for the Certified Bookkeeper Examination issued by the American Institute of Professional Bookkeepers. (Offered: Every Fall)

Prereq: ACC 122

**ACC 208 Introduction to Federal Income Taxes 3 cr**
Acquaints the student with the federal income tax system. The course emphasizes the basic concepts of income recognition, deductible business and non-business expenses, and special tax calculations. Students learn identification of the tax issues and proper research techniques for solving tax problems. (Offered: Every Fall)

Prereq: ACC 122

**ACC 209 Introduction to Income Tax Preparation 1–3 cr**
A practicum in income tax preparation. The course provides training in tax preparation procedures and prepares the student for the VITA (Volunteer Income Tax Assistance) course examination. Upon successful completion of the VITA exam, the student performs community service in cooperation with the Internal Revenue Service and the Massachusetts Department of Revenue by filing out federal and state income tax returns for area residents. The students contract with the instructor to earn from one to three credits. (Offered: Every Spring)

Prereq: ACC 208

**ACC 210 Introduction to Computerized Accounting 3 cr**
An introduction to computerized accounting systems. The course provides the student with the knowledge and skills to bridge the gap between a manual accounting system and a computerized system. The course utilizes commonly available commercial accounting software. (Offered: Every Fall)

Prereq: ACC 152 or ACC 122 or concurrent enrollment in ACC 152 or ACC 122.

## AGRICULTURE

**AGR 110 Beekeeping 1 cr**
Provides strategies and techniques for the beginner beekeeper. Topics include: hive construction, life cycle of the honey bee, hive management through the seasons, threats to the health and wellness of bees, diverse approaches and the joys of beekeeping. Special Requirement: Must possess physical ability to use hand tools. Field trip required. NOTE: Students work with bees. (Offered: Periodically)

Prereq: None

**AGR 111 Four Season Farming 1 cr**
Explores strategies for extending growing seasons into the fall and winter. Topics include: hoop houses, coldframes, raised beds, mulch, managing seasonal crops, frost proofing, cold hardy crops, early spring greenhouse management, winter snow removal, and seed germination under unheated conditions. Special Requirement: Must possess physical ability to use hand tools. Field trip required. (Offered: Periodically)

Prereq: None
Credit Courses

AGR 112 Food Preservation and Storage 1 cr
Provides strategies and techniques for preserving and storing food. Topics include: kitchen safety, rules for food safety, canning basics, dehyrdrating, cold storage and freezing, food selection, choosing and maintaining equipment, and awareness of local food resources. Special Requirement: Must possess physical ability to use kitchen tools (Offered: Periodically)
Prereq: None

AGR 113 Mushroom Foraging and Cultivation 1 cr
Applies permaculture principles in the foraging and cultivation of wild fungi. Field activities include collection, identification, and cultivation of fungi for culinary purposes. Students learn to identify, cook, and preserve safe-to-eat mushrooms using field guides. Students acquire cultivation skills for shiitake, reishi, and/or oyster mushrooms and understand how to integrate mushroom logs into homescare gardens. NOTE: A spring offering focuses more on foraging while a fall offering focuses more on cultivating. Special Requirement: Field trips. Students assume any travel costs. (Offered: Periodically)
Prereq: None; Recomm: SCI 137

AGR 115 Permaculture Landscape Management and Installation 1 cr
Offers students hands-on permaculture skills for productive landscapes. Students gain applied skills through direct observation of interaction with permaculture systems, including an edible forest garden, stormwater irrigation system, greenhouse, constructed pond, earth-bermed root cellar, and living roof. This course combines on-site lectures describing landscape management procedures and hands-on installation activities such as mulching, planting, pruning and light-construction. Special Requirement: Field trips. Students assume any travel costs. Students must use gardening hand tools, work in soil for an extended period of time, and traverse sloped landscape. (Offered: Periodically)
Prereq: None; Recomm: SCI 137

AMERICAN SIGN LANGUAGE

ASL 101 Elementary American Sign Language I 4 cr
Presents basic grammatical rules in the use of American Sign Language. The course covers basic ASL vocabulary, manual alphabet/numbers, visual-gestural communication, and information related to deaf culture. Students develop basic competence in receptive and expressive use of ASL. Students and teacher use ASL in the class to communicate. (Offered: Every Fall, Every Spring)
Prereq: ENG 090 and ENG 094 (COL 090), or satisfactory placement test scores

ASL 102 Elementary American Sign Language II 4 cr
A continuation of ASL 101, designed to further develop students' proficiency infrequently used signs. The course offers students the opportunity for individual hands on experience in language learning. The course emphasizes a study of cultural behaviors, values, and norms. The course uses video text to improve conversational skills and preserve the integrity of the language. Students and teacher use ASL in the class to communicate. (Offered: Every Fall, Every Spring)
Prereq: ASL 101 or equivalent, or permission of instructor

ASL 201 Intermediate American Sign Language 4 cr
Offers the student continuing opportunities for hands-on experience in language learning. A critical component of the course is the use of video text to improve conversational skills at the intermediate level and to preserve the integrity of the language. The course emphasizes a deeper understanding of Deaf norms, allowing students to learn appropriate behavior in order to function comfortably in a wide variety of situations in the Deaf community. (Offered: Periodically)
Prereq: ASL 101 and 102, or permission of instructor

ANTHROPOLOGY

ANT 103 Introduction to Physical Anthropology 3 cr
The human species’ place in nature from an evolutionary and ecological perspective; the interaction between biology, culture, and environment in shaping human evolution and human adaptive patterns; the significance of racial classifications and modern theories of variation. (Offered: Every Fall)
Prereq: ENG 090 and ENG 094 (COL 090), or satisfactory placement test scores

ANT 104 Cultural Anthropology: Tribes, States and the Global System * 3 cr
An introduction to basic concepts of cultural anthropology. Students compare cultures of increasing scale and investigate specific universal issues related to why cultures change, who benefits from such change, and the costs of such changes. The course begins with an introduction to anthropological fieldwork, and continues with the description and analysis of different cultures representing domestic-scale autonomous tribal societies; politically organized, class-based systems, and ancient empires; and global, industrial market based civilizations. (Offered: Every Fall, Spring & Summer)
Prereq: ENG 090 and ENG 094 (COL 090), or satisfactory placement test scores

ANT 204 Discovering Culture: Adventures in the Field 3 cr
A hands-on approach to the study of culture through ethnographic fieldwork. The course covers reading and analysis of selected ethnographies with emphasis on learning about anthropology by going into the field and doing original work. Learning tasks focus on applied understanding of the culture concept by using various ethnographic methods, adapting to the field setting (selecting a cultural scene and making contact with informants), doing fieldwork (gathering and recording cultural data), and describing a culture (analyzing the data and writing a cultural description). (Offered: Periodically)
Prereq: ANT 104 and ENG 112, 114, or 116

ART CRITICAL STUDIES

ACS 200 Professional Art Practices 3 cr
An examination of the visual arts beyond the studio. Study includes creative career paths available to the artist, application processes, the writing of artist statements, portfolio documentation and presentation. Class participates in Art Department gallery events and museum/gallery visits. (Offered: Every Fall)
Prereq: ENG 101, 103, or 105 and two 200-level ART studio courses or permissions of the instructor

ACS 201 Art Now 3 cr
Examines the recent art and artists that have promoted significant change in the art world. Students critically discuss the thinking behind this art and the process through which it becomes recognized as art, and how we understand the impact and aesthetic of a new art that is unfamiliar and may challenge the way we view art. (Order of Art Now: Art Now) Students may receive credit for either ACS 201 or AHS 201, but not both. Special Requirement: Students may be required to visit major exhibitions in NYC during the department New York trip. Students assume any travel costs. (Offered: Periodically)
Prereq: ENG 101, 103, or 105; ART 121 or permission of the department chair

ART HISTORY

AHS 101 Art History Survey I * 3 cr
A survey of the history of art from pre-history through the Gothic period. Topics include an introduction to the vocabulary of art through contemporary forms, with an emphasis on developing visual awareness of formal elements, aesthetics, and the components of style; an examination of the role of the artist in society and culture; and of the importance of art throughout history. NOTE: Students may receive credit for ART 103 or AHS 101, but not both. (Offered: Every Fall, Every Spring)
Prereq: ENG 101, 103, or 105
AHS 102  Art History Survey II  3 cr
A survey of the history of art from the early Renaissance in Europe to the
temporary International scene. Topics include the study of art
from non-western cultures; an examination of the role of the artist in
society and culture; and of the importance of art throughout history.
NOTE: Students may receive credit for ART 104 or AHS 102, but not
for both. (Offered: Every Fall, Every Spring)
Prereq: AHS 101 or permission of the instructor

AHS 107  History of Modern Art  3 cr
A survey of modern art from Post-Impressionism to the present. Topics
include major expressions in painting, sculpture, performance,
installation, architecture; an examination of the role of the artist in
society and culture; and of the importance of art throughout modern
history. NOTE: Students may receive credit for ART 107 or AHS 107,
but not for both. (Offered: Periodically)
Prereq: ENG 101, 103 or 105

AHS 108  History of Photography  3 cr
An introduction to the history of photography from pre-photographic
times to its most recent developments. This course presents an
overview of major photographers and trends, technological
developments, and stylistic analysis. Students examine the social and
cultural contexts of photography, as well as critical approaches to
photography and the relationship of photography to other art forms.
NOTE: Students may receive credit for ART 108 or AHS 108, but not
for both. (Offered: Periodically)
Prereq: ENG 101, 103 or 105

AHS 110  History of Film and Video  3 cr
Presents the significant contributions of important filmmakers and
artists including primary forms such as avant-garde and experimental
film, documentary, and video art. Students study film and video works
by artists such as Maya Deren, Shirin Neshat, Stan Brakhage, Nam June
Paik, and Bill Viola and gain an understanding of the importance of the
film medium throughout the history of contemporary culture and
society. NOTE: Students may receive credit for ART 110 or AHS 110,
but not for both. (Offered: Periodically)
Prereq: ENG 101, 103 or 105

AHS 111  History of Design  3 cr
Presents the significant contributions of important designers and
primary design movements such as Arts and Crafts, Art Nouveau,
Futurism, the Bauhaus, Art Deco and Modernism. Students gain an
understanding of the importance of design throughout history through
an intensive study of all aspects of design, including craft and industrial
design, architectural design, graphic design, advertising design, book and
publication design, poster art and illustration. NOTE: Students may
receive credit for ART 114 or AHS 114, but not for both. (Offered:
Periodically)
Prereq: ENG 101, 103, or 105

AHS 201  Art Now  3 cr
Examines the recent art and artists that have promoted significant
change in the art world. Students critically discuss the thinking behind
this art, the process through which it becomes recognized as art, and
how we understand the impact and aesthetic of a new art that is
unfamiliar and may challenge what we consider "art" to be. NOTE:
Students may receive credit for ACS 201 or AHS 201, but not for both.
Special Requirement: Students may be required to visit major
museums and galleries. Students assume any travel costs. (Offered:
Periodically)
Prereq: ENG 101, 103, or 105; ART 121 or permission of the department chair.

ART 121  Visual Concepts I  3 cr
Introduces the visual language of art-making and the principles of
design. The course emphasizes problem-solving through the
investigation of composition, spatial issues, the perceptual use of color
and the development of visual ideas in 2D, 3D, and time. (Offered:
Every Fall, Every Spring)
Prereq: ENG 094 (COL 090) or concurrent enrollment or satisfactory placement
test score; Recomm: ENG 090 or satisfactory placement test score

ART 122  Visual Concepts II  3 cr
Continues to develop proficiency in visual problem-solving through the
investigation of composition, spatial issues, the perceptual use of color
and the development of visual ideas in 2D, 3D, and time. Students
produce a portfolio of work that demonstrates a critical understanding
of the principles of design. (Offered: Every Fall, Every Spring)
Prereq: ART 121

ART 123  Three-Dimensional Design  3 cr
An exploration of three-dimensional space. The students apply design
principles in relation to height, width, and depth. The course emphasizes
conceptualization and problem solving. (Offered: Periodically)
Prereq: ART 121; Recomm: ART 131

ART 131  Drawing Foundation  3 cr
Presents a series of problems to acquaint the student with perceptual
and inventive skills in drawing. The course introduces the visual
language, drawing materials, and techniques while examining ways of
implying space on a two-dimensional surface. (Offered: Every Fall, Every
Spring)
Prereq: ENG 094 (COL 090) or concurrent enrollment or satisfactory placement
test score; Recomm: ENG 090 or satisfactory placement test score

ART 132  Drawing II  3 cr
A continuation of Drawing Foundation with emphasis on personal
expression, idea development, and the use of color. Students work
through a series of problems leading to the development of a drawing
portfolio. (Offered: Every Fall, Every Spring)
Prereq: ART 121 and ART 131

ART 141  Color  3 cr
An exploration of the perceptual characteristics of color. Students
develop sensitivity to color through direct visual experiences and
practice. The course emphasizes color mixing and interaction in
application. (Offered: Periodically)
Prereq: ENG 090 and ENG 094 (COL 090), or satisfactory placement test scores;
Recomm: ART 121

ART 151  Photography Foundation  3 cr
Introduces the visual, critical, and technical issues of photography.
Students learn the essential aspects of camera control and functionality
leading to the production of a body of printed work. Special
Requirement: Students must provide their own digital camera,
preferably with shutter speed and f-stop controls. (Offered: Every Fall,
Every Spring)
Prereq: ENG 094 (COL 090) or concurrent enrollment or satisfactory placement
test score; Recomm: ART 121 and ENG 090 or satisfactory placement test score

ART 152  Film and the Darkroom  3 cr
Introduces the visual, critical, and technical issues of darkroom-based
black and white photography. The course covers the essential aspects
of camera control and functionality when working with film and
chemistry. Students produce a portfolio of silver gelatin prints. Special
Requirement: Students must provide their own non-digital camera,
preferably with shutter speed and f-stop controls. (Offered: Every Fall,
Every Spring)
Prereq: ART 121 and ART 151
ART 155 Video Foundation 3 cr
An art-based introduction to digital video. Topics include instruction in the use of digital video cameras, non-linear editing platforms, and digital sound. Students study video as a form of artistic expression with an emphasis on the development of the compositional, shooting, editing, conceptual, and critical skills associated with time-based media. (Offered: Every Fall, Every Spring)
Prereq: ENG 094 (COL 090) or satisfactory placement test score; Recomm: ART 121 and ENG 090 or satisfactory placement test score

ART 161 Computer Arts Foundation 3 cr
Introduces the computer as a medium for the creation of works of art. Students work through a series of problems that investigate different approaches to the medium providing a solid foundation in computer-based creation. (Offered: Every Fall, Every Spring)
Prereq: ENG 094 (COL 090), or satisfactory placement test score; Recomm: ART 121 and ENG 090 or satisfactory placement test score

ART 173 Digital Design 3 cr
An exploration of the tools and processes of digital design. The course emphasizes development of strong visual and technical skills in digital design, layout, and illustration. (Offered: Periodically)
Prereq: ART 121 and ART 161

ART 224 Visual Concepts III 3 cr
A culminating experience shared by visual arts majors. The course emphasizes the critical examination of the formal and conceptual elements of design as they apply to the content of diverse media. Students present and critique work in progress on a weekly basis. (Offered: Every Fall, Every Spring)
Prereq: ART 123 plus two courses from one of the Art/Visual Arts program concentration requirements: Photography, Video, Computer Arts, or Painting & Drawing

ART 225 Three-Dimensional Design II 3 cr
A continuation of ART 125, Three-Dimensional Design with emphasis on three-dimensional form in relation to site and space. Students use various materials, technologies, and design processes, and explore concepts through the process of drawing. (Offered: Periodically)
Prereq: ART 125 and ART 132

ART 235 Figure Drawing 3 cr
An introduction to figure drawing. This course emphasizes observational drawing skills through an investigation of the human form, its underlying anatomical structure, and its spatial environment. The course focuses on drawing from the model with emphasis on gesture, proportion, foreshortening, and composition. (Offered: Every Fall)
Prereq: ART 132

ART 236 Advanced Drawing I 3 cr
Approaches drawing as a personalized form of expression and investigation. Students work in series to develop a body of work. Possibilities include figurative, life drawing, abstraction, and conceptual. (Offered: Every Spring)
Prereq: ART 123 and ART 235

ART 237 Advanced Drawing II 3 cr
Continuation of ART 236, Advanced Drawing I. Students discuss and analyze the drawing medium in greater depth than in previous coursework and go on to create an individualized drawing portfolio demonstrating a critical understanding of the issues inherent in developing a cohesive body of work. (Offered: Every Spring)
Prereq: ART 236

ART 238 Perspective Drawing 3 cr
Introduces principles of perspective drawing. The course emphasizes diminution, foreshortening, and convergence. Students explore drawing problems involving determining height, width, and depth, and the study of light and shadow in the spatial field. (Offered: Periodically)
Prereq: ART 131

ART 241 Painting 4 cr
Introduces the medium and craft of painting. The course includes study in the mixing and application of color, construction of canvases and other painting supports. The course emphasizes composition and image development. (Offered: Every Fall, Every Spring)
Prereq: ART 123 and ART 132

ART 242 Painting and Drawing I 3 cr
An investigation of interrelationships of painting and drawing. Students work through a series of problems addressing formal and conceptual issues. The course emphasizes the development of an individual, cohesive, body of work. (Offered: Every Fall, Every Spring)
Prereq: ART 241

ART 243 Painting and Drawing II 3 cr
A continuation of ART 242, Painting and Drawing I, with emphasis on the development of an individual, cohesive, portfolio of work. (Offered: Every Fall, Every Spring)
Prereq: ART 242

ART 251 Intermediate Photography 3 cr
Emphasizes the range of possibilities in photography, including film, digital, and the exploration of experimental processes. Students explore their interests through a project orientation and discuss issues and methodologies that concern the contemporary photographer. Special Requirement: Students must provide their own camera with shutter speed and f-stop controls. (Offered: Every Fall, Every Spring)
Prereq: ART 152 or ART 151 and permission of the instructor

ART 252 Intermediate Photography II 3 cr
Continuation of ART 251 Intermediate Photography. Students discuss and analyze the photographic image in greater depth than in previous coursework and go on to create an individualized photography portfolio demonstrating a critical understanding of the issues inherent in developing a cohesive body of work. Special Requirement: Students must provide their own camera with shutter speed and f-stop controls. (Offered: Every Fall, Every Spring)
Prereq: ART 251

ART 255 Intermediate Video 3 cr
An exploration of video as a medium for artistic expression. Students strengthen their conceptual, critical, technical and observational skills through the creation of a series of short video works that explore a particular theme. Special Requirement: Students are expected to provide their own high definition digital video camera. (Offered: Every Spring)
Prereq: ART 155; ART 123 or permission of the instructor

ART 256 Intermediate Video II 3 cr
A continuation of ART 255, Intermediate Video. Students produce a series of thematically linked video works that display an increased level of critical thinking and technical achievement and go on to develop a video portfolio comprised of previous and new work. Students refine and expand their understanding of, and ability to create, video for personal artistic expression. Special Requirement: Students are expected to provide their own high definition digital video camera. (Offered: Every Spring)
Prereq: ART 255 or permission of Art department chair

ART 261 Advanced Digital Processes 3 cr
Course covers the editing, manipulation, and printing of photographic images using the computer and related resources. Students develop their ideas through a project orientation. Special Requirement: Students must provide their own analog or digital camera with shutter speed and f-stop controls. (Offered: Periodically)
Prereq: ART 121 and ART 151, and either ART 152 or permission of the instructor.
ART 263  Web Site Design 3 cr
An introduction to the languages, tools, methods, and philosophies relative to planning, designing, creating, and publishing web sites. Students design and develop their own web sites using industry-standard software. (Offered: Every Fall, Every Spring)
Prereq: ART 161, ART 123 or permission of the instructor

ART 264  Flash Site Design 3 cr
An introduction to the language, tools, methods and philosophies relative to designing, creating, and publishing animated and interactive web sites. Students design and develop Flash-based web sites on a chosen theme. (Offered: Periodically)
Prereq: ART 161

ART 268  3D Computer Graphics 3 cr
Builds on the fundamental principles studied in ART 161 Computer Arts Foundation. Students continue study of the concepts and techniques of computer-based three-dimensional modeling and animation. (Offered: Every Fall)
Prereq: ART 161

ART 269  3D Animation 3 cr
A continuation of ART 268, 3D Computer Graphics. This course introduces the fundamental concepts and techniques of computer-based three-dimensional animation. Students use professional 3D software to complete various animation assignments. (Offered: Every Spring)
Prereq: ART 268, ART 123 or permission of the instructor

ART 271  Graphic Design I: Typography 3 cr
An exploration of typographic elements and their application to various forms of visual communication. Building on established visual principles, students investigate problems in typographical structure, sequence, and communication effectiveness.
Prereq: ART 121, ART 131, and ART 173

ART 272  Graphic Design II: Problems in Design 3 cr
Explores problems in graphic design requiring practical solutions with visual integrity. Students integrate text, image, and color utilizing traditional and computer processes.
Prereq: ART 271

ART 273  Image and Text 3 cr
Addresses issues inherent in combining image and text. Students explore the voice and content of the written word when combined with visual imagery, and vice-versa, through the production of a thematically based body of work. (Offered: Every Spring)
Prereq: ART 272; ART 123 or permission of the instructor

ART 277  Projects in Media 3 cr
Builds on prior studio experience within a student’s visual arts concentration. Each student produces a body of thematically linked works that display an advanced level of critical thinking and technical achievement. Students and faculty use regular class meetings for critical discussion and review of work. Students work outside of class; students and faculty use regular class meetings for critical discussion and review of work. (Offered: Every Fall)
Prereq: Two courses from one of the Art/Visual Arts program concentration requirements: Photography, Video, Computer Arts, or Painting & Drawing

ART 290  Fine Arts Seminar 3 cr
Designed for students nearing completion of their course work in the Fine Arts programs. Working independently, each student produces a body of work suitable for inclusion in a transfer or employment portfolio, or for exhibition purposes. Students work outside of class; students and faculty use regular class meetings for critical discussion and review of work. (Offered: Periodically)
Prereq: Completion of a minimum of three 200-level art studio courses, or permission of the instructor.
BIO 124 Introductory Horticulture 4 cr
Provides knowledge on how to propagate and care for plants through experiences with soils, seeds, bulbs, potting, watering, pruning, dividing, terrariums, and fertilizers. Students learn how to design and manage a vegetable garden for maximum harvest. The laboratory sessions provide experiences with plants, such as mixing soil, planting seeds, taking cuttings, potting up plants, fertilizing plants, plant growth, constructing terrariums, and a trip to a local plant growing business. NOTE: Students may receive credit for BIO 119 or BIO 124, but not for both. (Offered: Every Spring)
Prereq: ENG 090 and ENG 094 (COL 090), or satisfactory placement test scores

BIO 126 Biology I 4 cr
An introduction to the basic mechanisms of life. Major topics include the biochemical basis of life, cell structure, DNA structure and replication, protein synthesis, mitosis, meiosis, inheritance, respiration, photosynthesis, and biotechnology. Students use the scientific method in laboratory experiences that include selected topics in cell structure, cell functions, mitosis and meiosis, genetic enzymes, respiration, photosynthesis, developmental biology, and microbiology. NOTE: Students may receive credit for BIO 119 or BIO 126, but not for both. (Offered: Every Fall, Every Spring)
Prereq: ENG 090, ENG 094 (COL 090), and MAT 090, or satisfactory placement test scores

BIO 127 Biology II 4 cr
An introduction to the major structures, functions, and ecology of plants and animals. Major topics include basic plant structures and their functions, basic animal structures and physiology, survey of major animal groups, survey of major plant groups, and ecology. Students use the scientific method in laboratory experiences that include selected topics in basic mammalian anatomy, nervous system and senses, musculoskeletal systems, seedless plants, seed plants, plant anatomy, selected invertebrates, chordates, evolution, and ecology. (Offered: Every Spring)
Prereq: BIO 126

BIO 130 Human Nutrition 3 cr
The study of nutrition and its application to good health and a sense of well being. Topics include the applications of nutrition to physical fitness, preventive medicine, and health care. NOTE: This course satisfies the four-credit laboratory science requirement only when combined with a successful completion of BIO 130L. (Offered: Every Fall, Spring & Summer)
Prereq: ENG 090 and ENG 094 (COL 090), or satisfactory placement test scores

BIO 130L Human Nutrition Lab 1 cr
A laboratory supplement to BIO 130. This course introduces students to various biological and chemical aspects of nutrition using laboratory experiments designed to highlight specific nutrients and properties of foods. Students learn laboratory procedures and common techniques used by food scientists and chemists in the field of nutrition and food science. NOTE: This course satisfies the four-credit laboratory science requirement only when combined with a successful completion of BIO 130. (Offered: Every Fall, Every Spring)
Prereq: ENG 090, ENG 094 (COL 090), and MAT 090, or satisfactory placement test scores and BIO 130 concurrently or satisfactory completion.

BIO 132 Lifestyle, Health, and Medicine 4 cr
An investigation into the impact of lifestyle on the human body with an emphasis on the treatment of lifestyle related disease. Topics include an overview of physiology, metabolism, stress, nutrition, and exercise. Topics relate to the treatment of obesity, heart disease, hypertension and type II diabetes. Students apply class knowledge to emerging trends in the business of medicine. (Offered: Every Spring)
Prereq: ENG 090 and ENG 094 (COL 090), or satisfactory placement test scores; MAT 095 (MAT 105) or satisfactory placement test score or permission of instructor.

Note to Practical Nursing (PNC) graduates who intend to enter the Associate Degree Nursing (ADN) program:

PNC graduates who have completed BIO 117 or BIO 194 with a B or better can complete the anatomy and physiology sequence required for the ADN program by taking BIO 196. PNC graduates who receive a grade lower than a B in BIO 117 or BIO 194 and all other Health Occupations students have to take both BIO 195 and 196 to qualify for the ADN program. Five (5) year currency or currency exam is required for all anatomy and physiology courses. Please contact the ADN program for more information.

BIO 194 Comprehensive Anatomy and Physiology 4 cr
A one semester survey of human anatomy and physiology. Students learn basic concepts of chemistry and cytology in order to understand human systems as well as the structure and function of organs, organ systems and their interactions. This course may involve dissection. NOTE: Students may receive credit for only one of the following: BIO 105 or BIO 107 or BIO 117 or BIO 194 or BIO 195. Students may receive credit for BIO 106 or BIO 196, but not for both. (Offered: Every Fall, Every Spring)
Prereq: ENG 090 and ENG 094 (COL 090), or satisfactory placement test scores

BIO 195 Human Anatomy and Physiology I 4 cr
A first semester of a comprehensive study of the anatomy and physiology of the human body, including biochemistry, cell anatomy and physiology, histology, the skeletal system, articulations, muscle anatomy and physiology, neurophysiology, the anatomy of the central and peripheral nervous systems, the anatomy and physiology of the special senses, and the neural integration. This is a Lab course that requires animal tissue dissections. NOTE: Students may receive credit for only one of the following courses: BIO 105 or BIO 107 or BIO 117 or BIO 194 or BIO 195. (Offered: Every Fall, Spring & Summer)
Prereq: College Biology within the past ten years or BIO 126; ENG 090 and ENG 094 (COL 090), or satisfactory placement test scores

BIO 196 Human Anatomy and Physiology II 4 cr
A second semester of a comprehensive study of the anatomy and physiology of the human body, including endocrinology, blood, cardiovascular anatomy and physiology, lymphatic system, immunity, respiratory anatomy and physiology, digestive anatomy and physiology, metabolism, urinary anatomy and physiology, fluid dynamics, reproductive anatomy and physiology, genetics, and development. This is a Lab course that may require animal tissue dissection. NOTE: Students may receive credit for BIO 106 or BIO 196, but not for both. (Offered: Every Fall, Spring & Summer)
Prereq: BIO 195 and BIO 126 or a college level equivalent; or BIO 117 or BIO 194 with a grade of B or better within the past five years and BIO 126 or a college level equivalent.

BIO 205 Microbiology 4 cr
An introduction to the biology of microorganisms with emphasis on the properties of micro-organisms and their relation to disease. Lab required. (Offered: Every Fall, Spring & Summer)
Prereq: BIO 126 or BIO 194 or BIO 195

BUSINESS

BUS 105 Personal Financial Literacy 3 cr
Fundamentals of financial planning are presented to prepare students to make informed choices related to spending, saving, borrowing, and investing that lead to long-term financial security. Students learn to identify and evaluate choices as well as understand the consequences of their decision. Topics include the management of personal and family finances, budgeting, consumer buying, personal credit, savings and investment, home ownership, insurance and retirement planning. (Offered: Every Fall, Every Spring)
Prereq: ENG 090 and ENG 094 (COL 090), or satisfactory placement test scores; MAT 090 or placement by examination
BUS 111 The Contemporary Business World 3 cr
For students from any field of study who want to explore the study of business, and/or prepare themselves for employment, entrepreneurship, or simply informed, consumer decision-making. The course introduces students to the contemporary context of business practices by exploring topics related to globalization, business ethics, entrepreneurship, business plan development, strategic planning, management, marketing, finance, and personal investing. (Offered: Every Fall, Every Spring)
Prereq: ENG 090 and ENG 094 (COL 090), or satisfactory placement test scores.

BUS 112 Introduction to Hospitality and Tourism 3 cr
An introduction to the scope, components, development, effects, and future of the hospitality industry. Topics include background on industry structure and overviews of specialized areas relating to the management of food service, lodging, travel, and event planning operations. (Offered: Periodically)
Prereq: ENG 090 and ENG 094 (COL 090), or satisfactory placement test scores.

BUS 113 Fundamentals of Fashion and Textiles 3 cr
An overview of the history and characteristics of the fashion, apparel, and textile industries. Students explore the process of textile production from the design concept through retail sales for apparel, home furnishings, industrial fabric and geotextiles. Topics include synthetic and natural fiber production, historic fashion influences, garment manufacturing options, design costing and pricing, and the manner in which fashion products are conceived, produced, and offered to the consumer through industry-specific supply chains. Special Requirement: Field trips. Students assume any travel costs. (Offered: Every Spring)
Prereq: ENG 090 and ENG 094 or satisfactory placement test scores.

BUS 114 E-Commerce 3 cr
For students interested in entrepreneurship, management, or marketing careers. This course is an exploration of the strategic, technical, and legal considerations of conducting business via the internet. Students investigate business-to-business and business-to-consumer models; identify necessary computer technologies and needed skill sets; explore methods for branding, communicating and persuading via internet marketing; examine database management requirements; and identify legal considerations. (Offered: Every Fall & January)
Prereq: ENG 090 and ENG 094 (COL 090), or satisfactory placement test scores. Recommended: Competency in word processing and spreadsheet operation.

BUS 115 Business Law I 3 cr
An introduction to the law as it pertains to transactions in business and commercial fields. Laws of contracts, social forces, and legal rights, bailments, and personal property transactions. (Offered: Every Spring)
Prereq: ENG 090 and ENG 094 (COL 090), or satisfactory placement test scores.

BUS 203 Human Resources Management 3 cr
Provides a practical approach to the tasks of recruiting, hiring, training, and compensating employees. Students will also study equal opportunity, motivation, health and safety, and labor relations. (Offered: Every Spring)
Prereq: BUS 111.

BUS 205 Principles of Management 3 cr
An introduction to managerial roles and functions. Topics include planning, organizing, controlling, leading, staffing, and decision-making in contemporary organizations. Students work in teams to develop group skills. (Offered: Every Fall, Every Spring)
Prereq: BUS 111; Recommended: PSY 101.

BUS 209 Principles of Marketing 3 cr
This course establishes fundamentals of marketing for small and large businesses, introducing students to the marketing concept and the development of a marketing plan through hands-on preparation of market research, a situation analysis, segmentation, target market definition, positioning, statement, marketing mix, and measurement plan for a local business while exploring fundamentals in case studies. (Offered: Every Fall, Every Spring)
Prereq: BUS 111. Recommended: PSY 101.

BUS 217 Principles of Retail Management 3 cr
A case-based approach to the major concepts in retail management. Topics include strategic planning, the retail value chain, characteristics of retail institutions, store-based strategic mix, nontraditional retailing, targeting consumers and gathering information, location analysis, site selection, human and organizational management, merchandise planning, buying, and pricing, and retail communications. (Offered: Every Spring)
Prereq: BUS 111.

BUS 224 Business Communications 3 cr
An introduction to best practices in business communication strategies. Topics include planning, organizing, composing and delivering persuasive oral and written business communications in various modes and media to fulfill the needs of professional audiences. Students practice effective grammar mechanics while understanding job search techniques, and preparing cover letters, resumes, and professional portfolios for individualized career goals. (Offered: Every Fall, Every Spring)
Prereq: ENG 101, 103, or 105.

CHE 105 Basic Principles of Chemistry 3 cr
A survey course for students interested in the basics of chemistry from a descriptive point of view. Topics include matter, properties of families of compounds and their characteristic compounds, mixtures, acids and bases, chemical reactions, introductory biochemistry, and environmental effect of chemistry. This course could be the basis for coursework in selected technical areas but is not a substitute for CHE 111, 112. (Offered: Periodically)
Prereq: ENG 090, ENG 094 (COL 090), and MAT 090, or satisfactory placement test scores.

CHE 111 General Chemistry I 4 cr
Theoretical and descriptive topics of chemistry, including nature of matter; atomic and molecular structure; nuclear stability; periodic properties of the elements; chemical bonding, nomenclature, stoichiometry, gaseous, liquid, and solid states, and thermodynamics. Lab required. (Offered: Every Fall, Every Spring)
Prereq: ENG 090, ENG 094 (COL 090), MAT 096 (MAT 106), or satisfactory placement test scores.
CHE 112  General Chemistry II  4 cr
Interrelated descriptive and theoretical topics of chemistry, including chemical kinetics, chemical equilibrium, acids and bases, solubility equilibria, free energy, entropy, equilibrium and free energy; electrochemistry; nuclear chemistry; environmental impact of chemistry. Some basic chemistry of metals and non-metals, as well as some organic chemistry concepts are covered in this course. Lab required. (Offered: Every Spring)
Prereq: CHE 111; MAT 107 concurrently or placement by examination

CHE 201  Organic Chemistry I  4 cr
Introduction to the chemistry of carbon compounds. In-depth study of the structure, physical properties, and reactivity of alkanes, cycloalkanes, alkenes, alkynes, and conjugated unsaturated systems. Special topics integrated into the survey include conformational analysis, nucleophilic substitution, elimination reactions, electrophilic addition, and stereochemistry of chiral molecules. Lab required. (Offered: Periodically)
Prereq: CHE 112

CHE 202  Organic Chemistry II  4 cr
In-depth study of aromatic compounds, physical methods of structure determination, organic halides, organometallic compounds, alcohols, phenols, ethers, aldehydes, ketones, carboxylic acids, carboxylic acid derivatives, amines, and amides. Examination of various classes of natural products. Introduction to biochemistry Polymers and polymerization. Lab required. (Offered: Periodically)
Prereq: CHE 201

COLLEGE ORIENTATION SERIES

GCC 101  The College Connection: Building a Community of Scholars  3 cr
Introduces in-coming first-year students to life as a college student. Working collaboratively with peers and faculty in a learning community, students participate in multidisciplinary activities centering on themes from a work of literature. Students also participate in experiences that provide them with a view of several college disciplines. Students explore different learning styles and assess what methods of notetaking, study, reading, and exam-taking work best for them individually. In addition to their academic pursuits, students learn of the opportunities available to them at the college including support services, the library, student life, health services, etc. Students have learning experiences in the classroom, computer lab, and outdoor settings. Students write extensively. Special Requirement: Class will meet for one week prior to the start of the semester. Field trips required. Students assume any travel costs. (Offered: Every Fall)
Prereq: Students must be entering GCC for the first time and be currently enrolled for the fall semester.

GCC 105  Understanding College Culture  3 cr
An introduction to the academic and social aspects of college for current high school students considering or planning to attend college. Students visit college classes, interview professors and students, learn about student support services, and use the study of literature to reflect on their own learning styles, expectations, and goals. (Offered: Periodically)
Prereq: must be currently enrolled in high school

COMPUTER INFORMATION SYSTEMS

CIS 096  Keyboarding for Information Processing  1 cr
An introduction to basic keyboarding skill by touch. Students learn to input alphanumeric information quickly and accurately. Additional topics include the basic vocabulary and concepts of keyboarding operations. Graded credit/no credit. (Offered: Every Fall, Every Spring)
Prereq: None

CIS 100  Introduction to Computers  3 cr
An introduction to computer use for students with little or no experience. The course includes vocabulary, the components of the computer and peripherals, the basics of creating and printing a text document, how to transfer and organize files, manipulate graphics, use email, and avoid viruses. Other topics include: how to search for and evaluate information on the Internet; conduct research on the Internet; avoid Internet scams and identity theft; download and install software; and basic trouble-shooting. NOTE: This course does not satisfy Program Elective or CIS elective requirements in any Business program. (Offered: Every Fall, Every Spring)
Prereq: None

CIS 140  Microcomputer Software Tools I  3 cr
Provides students with an introduction to several major "productivity" programs used on microcomputers. Topics include the Windows operating system, word processing, electronic spreadsheet management and graph production using currently popular software packages, and some database management. This is a hands-on course. Special Requirement: Students not currently engaged in daily computer use should consider CIS 096 and CIS 110 prior to taking CIS 140. (Offered: Every Fall, Every Spring)
Prereq: ENG 090, ENG 094 (COL 090), and MAT 090, or satisfactory placement test scores

CIS 141  Microcomputer Software Tools II  3 cr
Provides students with intermediate training in the use of word processing and electronic spreadsheet software. In addition to building upon software skills taught in CIS 140, Microcomputer Software Tools I, students learn the integration of data created in various programs and the development of presentation-quality output. Students use each application’s macro language to automate and customize documents, worksheets, and data entry operations. Students are introduced to graphics software used for business and multimedia presentations. (Offered: Every Fall, Every Spring)
Prereq: GS 140

CIS 145  Relational Database Design and Application  3 cr
Provides a foundation in business information management, data mining and business intelligence using a relational database. Topics include the theory of managing data; planning and design of a database; creation, normalization and management of tables; design and development of queries to extract specific information and data; creation of reports and forms for controlling ease and accuracy of data entry; and use of macros to automate operations. Students learn to create, manage, and extract data from a variety of common business database applications. (Offered: Every Fall, Every Spring)
Prereq: ENG 090 and ENG 094 (COL 090), or satisfactory placement test scores; GS 140 or permission of instructor

CIS 150  Programming Principles and Concepts  3 cr
Computer problem-solving principles and techniques for students contemplating a career in computer programming, or computer information systems. Structured problem-solving methods are introduced, including techniques for decomposing complex problems, and expressing the problem solutions in terms which can be expressed in any computer programming language. (Offered: Every Fall, Every Spring)
Prereq: MAT 096 (MAT 106) or equivalent; ENG 101, 103, or 105 or concurrent enrollment

CIS 151  Web Site Development  3 cr
A study of the creation of effective web sites and pages for use on the Internet or as an Intranet. Topics include: creating web sites and pages with a web site development tool; managing site presentation with Layers; block level elements and Cascading Style Sheets; Dynamic Web Templates; and behaviors. Students explore and modify HTML, CSS and JavaScript code, manage a web site’s associated files and folders; manage the web publishing client/server process and administration of
CIS 180  Network Workstation Administration  3 cr
Provides a basic working knowledge of installing, setting up, and administering workstations using a current operating system. Topics include installing and configuring workstations to operate on a variety of network topologies. Other topics include configuring protocols, security, sharing of resources, and allowing access to information. Students set up, debug, and troubleshoot actual workstation installations. (Offered: Every Fall)
Prereq: CIS 140 or CIS major; and ENG 090 and ENG 094 (COL 090), or satisfactory placement test scores.

CIS 201  Introduction to Discrete Computation  4 cr
An introduction to discrete mathematics. Students study structures and concepts useful to computer science from the following areas: set theory, strings and formal languages, propositional and predicate calculus, relations and functions, and basic number theory. Additional topics include: interplay of inductive definition, inductive proof, combinatorics, recursive algorithms, search on graphs and trees, finite-state machines, regular languages, nondeterministic finite automata, and Kleene’s Theorem. (Offered: Every Spring)
Prereq: MAT 202 and permission of a Business or an Engineering Program Chair. Recmm: MAT 203

CIS 243  JavaScript  3 cr
An introduction to the fundamental applications of the JavaScript scripting language for the World Wide Web. Students modify existing functions and write their own to create user interfaces, animation, and interactive slideshows through extensive project-based assignments. The course includes study in the integration of JQuery libraries and Ajax. (Offered: Every Fall)
Prereq: CIS 150

CIS 245  Advanced Database Programming  3 cr
A continuation of CIS 145, Relational Database Design and Application. The student begins with advanced macro design, then is introduced to Access Basic (a 4GL version of Microsoft Visual Basic for Windows) in conjunction with built-in database tools. This is used by the student to create custom applications using the Microsoft Access relational database. Students complete a database term project. (Offered: Periodically)
Prereq: CIS 145

CIS 250  Advanced Basic  3 cr
A continuation of CIS 150, Programming Principles and Concepts. Students study additional command structures and coding techniques utilizing contemporary Basic software. The course emphasizes proper programming techniques and structure, and industrial practices. Teaching methodology includes lab activities, and problem solving, both individually and in small groups. Students complete extensive programming assignments. (Offered: Periodically)
Prereq: CIS 150 and CIS 145, or permission of instructor

CIS 251  Java Programming  4 cr
A study of computer programming using the Java language. The course emphasizes proper programming techniques and structure, and industrial practices. Teaching methodology includes lab activities, and problem solving, both individually and in small groups. Students complete extensive programming assignments. (Offered: Every Spring)
Prereq: CIS 150 or permission of instructor.

CIS 252  C++ Programming  3 cr
A study of computer programming using the C++ language. The course emphasizes proper programming techniques and structure, and industrial practices. Teaching methodology includes lab activities and problem solving, both individually and in small groups. Students complete extensive programming assignments. (Offered: Every Fall)
Prereq: CIS 150 or status of a second year engineering student

CIS 254  Data Structures  4 cr
Introduces and develops methods for designing and implementing abstract data types, using the Java programming language. The main focus is on how to build and encapsulate data objects and their associated operations. Specific topics include linked structures, recursive structures and algorithms, binary trees, balanced trees, and hash tables. Special Requirement: Enrollment requires permission of a Business or an Engineering Program Chair. (Offered: Every Fall)
Prereq: CIS 251 and MAT 107

CIS 280  Network Server Administration  3 cr
Provides instruction in the installation, configuration, and management of a local area network server using current industry server software. Topics include installation of software, configuration of software and common services, protection of data, client requirements and setup, setting up groups and users, managing and securing access to server files, remote access, and other topics. Students complete extensive hands-on lab activities and homework. (Offered: Every Spring)
Prereq: CIS 180

CIS 281  Network Principles and Techniques  3 cr
An introduction to networking concepts, design essentials, media and hardware. Topics include coverage of the OSI and IEEE 802 models, network communications and protocols, network architectures, simple network operations, complex networks, network administration and support, enterprise and distributed networks, wide-area and large-scale networks, and network problem analysis and solution. Students complete hands-on lab experiences in the implementation of a variety of local area network designs and protocols. (Offered: Periodically)
Prereq: CIS 180

CIS 283  Linux  3 cr
Provides a basic working knowledge of the Linux operating system and an understanding of the Unix environment. Topics include installing Linux as a server, configuring Linux, managing users, the UNIX command line file systems, security, Internet services (DNS, HTTP, SMTP, POP, SSH), and Intranet services (NFS, DHCP). Students set up, debug, and troubleshoot actual workstation installations. (Offered: Periodically)
Prereq: CIS 180 or permission of instructor

CIS 285  Managing Network Information Resources  3 cr
Provides instruction in the installation, configuration, and management of system-wide electronic messaging exchange software. Topics include understanding system architecture and messaging protocols, installation of system software, communication and information transfer, managing users, setting up and managing clients, messaging server management, intersite connectivity and mail systems, system security, and other maintenance and connectivity issues. (Offered: Periodically)
Prereq: CIS 280

CIS 290  Systems Analysis and Design  3 cr
An investigation and analysis of the methods and techniques used by the systems analyst in analyzing present systems, whether manual or automated systems. The systems development life cycle is followed, from feasibility study through implementation. A major portion of the course is a case study involving the design of a microcomputer-based system for inventory and accounts receivable for a small business. (Offered: Periodically)
Prereq: CIS 150
Credit Courses

CRIMINAL JUSTICE

CRJ 101  Introduction to Criminal Justice  3 cr
Examines the agencies and processes involved in the criminal justice system, including but not limited to the legislature, the police, the prosecution, the defense, the courts, probation, corrections, and social service agencies designed to function in the context of the criminal justice system. The course examines public policy concerns the system is intended to address, with a special emphasis on the tension between public safety and the due process rights of the accused, and the role that class, poverty, race, gender and other statuses might play in the effectiveness of the criminal justice system. (Offered: Every Fall, Every Spring)
Prereq: ENG 090 and ENG 094 (COL 090), or satisfactory placement test scores

CRJ 103  Criminal Law  3 cr
Examines the legal definition of crime and defenses; the presumption of innocence and proof beyond a reasonable doubt; purposes and functions of substantive criminal law, including statutes, constitutions and criminal procedure; historical foundations of criminal law, and the limits of criminal law. (Offered: Every Fall, Every Spring)
Prereq: ENG 090 and ENG 094 (COL 090), or satisfactory placement test scores

CRJ 105  Police Process  3 cr
Provides the student an appreciation of the social and historical perspectives on American Policing. Topics include a critical study of the police role, career; discretion, values; normal and deviant behavior; ethical and moral issues; diversity, ethnicity, and race. The course analyzes the challenges of policing in a democratic society with a discussion of interagency relations. (Offered: Every Fall, Every Spring)
Prereq: CRJ 101 or permission of instructor. Recomm: CRJ 103

CRJ 107  Adjudication Process  3 cr
Examines the role of prosecution, public defense and the courts; basic elements of the substantive criminal law: procedural law and its relation to constitutional guarantees; and an analysis of trial and pretrial process, case law, rules of evidence and the appellate process. (Offered: Every Fall, Every Spring)
Prereq: CRJ 101 and 103, or permission of instructor

CRJ 109  Corrections Process  3 cr
Examines post-conviction process; the development of correctional philosophy, theory and practice; management; and community-based correctional probation and parole. Special Requirement: Field trips required. (Offered: Every Fall, Every Spring)
Prereq: CRJ 101 or permission of instructor

CRJ 113  Juvenile Justice  3 cr
A study of the laws, agencies and processes involved in the juvenile justice system, including the police, the juvenile court, juvenile probation, corrections, as well as a sampling of the social service agencies that function in the context of the juvenile justice system. The course examines the three principle juvenile court systems: delinquency, care and protection, and the child in need of services. The course also explores various sociological and psychological perspectives on child development and socialization, with an emphasis on the roles of class, race, gender and inculturization. (Offered: Every Fall)
Prereq: CRJ 101 or permission of instructor. Recomm: PSY 101; SOC 101

CRJ 121  Criminology  3 cr
Examines various aspects of crime, criminals, criminal behavior; and society’s response to all three. The course looks at behavior from a sociological perspective. Other topics include the history of criminological thought and crime causation; the nature and extent of crime, criminal typologies; victimization; and whether status such as class, poverty, race, and gender help to explain deviant or normative behavior in our society. (Offered: Every Fall, Every Spring)
Prereq: ENG 090 and ENG 094 (COL 090), or satisfactory placement test scores; Recomm: CRJ 101 and CRJ 103

CRJ 131  Social Issues in Criminal Justice  3 cr
Increases personal and professional awareness of contemporary social issues in criminal justice. This course allows students to view influences such as race, class, gender and the distribution of wealth and power through the prism of the legal system. Topics may include abortion, domestic violence, racial profiling, hate crimes, the death penalty and white collar crime. (Offered: Every Fall)
Prereq: ENG 090 and ENG 094 (COL 090), or satisfactory placement test scores. Recomm: Any ONE of the following: CRJ 101, CRJ 103, POL 101, SOC 101, SOC 201, HIS 105, or HIS 106

CRJ 203  Criminal Investigation  3 cr
Examines fundamentals of investigation; crime scene search and recording, collection and preservation of physical evidence; scientific aids; modus operandi; sources of information; interview and interrogation; follow-up and case preparation. (Offered: Every Fall, Every Spring)
Prereq: CRJ 101 and CRJ 105. Recomm: CRJ 103

CRJ 209  Community Policing in the 21st Century  3 cr
Provides a practical understanding of the evolution and practice of community policing. The course examines the contrast between traditional and community policing philosophies. Students learn the skills and climate necessary for the development of viable police/community partnerships. Through realistic exercises, students learn useful problem solving techniques which are core elements of the community policing strategy. Students also explore ethical issues in a community policing environment, obstacles to implementation and future trends. (Offered: Every Fall, Every Spring)
Prereq: CRJ 105

CRJ 215  Field Experience  3 cr
A field experience at an agency within the criminal justice system. The course integrates classroom theory with practical experience. Placement is at the discretion of the criminal justice faculty consistent with the policies of the cooperating agency. (Offered: Every Spring)
Prereq: CRJ 101 and 103, or permission of instructor

CRJ 219  Constitutional Criminal Procedure  3 cr
Examines general principles of criminal procedure contained in the Fourth, Fifth, Sixth, Eighth, and Fourteenth Amendments of the U.S. Constitution, focusing on governmental power and the restrictions on it in the enforcement of state and federal criminal law. (Offered: Every Spring)
Prereq: CRJ 101, 103, or permission of instructor. Recomm: POL 101, POL 203, or CRJ 121

DANCE

DAN 101  Introduction to Dance  3 cr
Provides students with an introduction to the fundamentals of dance, and exposure to a wide range of different styles of dance, both western and non-Euro-American. The course includes a daily technique class with instructor or guest teacher; lectures and class discussions, video viewing, and outside-of-class reading assignments. Styles of dance introduced and experienced in the course may include: jazz, ballet, African, tap, Middle Eastern dance, Isadora Duncan dance, social and folk dance, modern, Classical Indian dance, Renaissance, and Baroque dance. (Offered: Every Fall, January & Summer)
Prereq: None

DAN 102  Pilates Mat Work  1 cr
An introduction to the Pilates method of body conditioning. The Pilates method is a unique system of stretching and strengthening the muscles. The Pilates series of floor mat exercises strengthens and tones muscles, improves posture, flexibility and balance. The mat work movements and philosophy support an understanding of functional anatomy and reeducate the body about correct alignment. Through the work,
students develop a strong center and suppleness. NOTE: Students may repeat this course once for a maximum of two credits. (Offered: Every Fall, Every Spring)
Prereq: None

**DAN 103 Jazz Dance I 1–3 cr**
An introductory course in jazz dance. Classes consist of a full body warm up, and basic dance exercises to improve strength, flexibility, balance, and coordination. Students learn and practice the movement vocabulary essential to the jazz style, including body isolations, propulsive and syncopated rhythms, and standard jazz style traveling steps. The course presents the history of jazz dance as a fusion form with African roots, and its impact on concert dance and the entertainment industry through lecture, video viewing, outside-of-class reading, and assigned performance attendance. NOTE: Students may earn a total of three credits in DAN 103. (Offered: Every Fall, Every Spring)
Prereq: None

**DAN 104 Jazz Dance II 3 cr**
A continuation of the study and practice of the basic elements of dance, with emphasis on movement vocabulary essential to the jazz style. The course presents the history of jazz dance as a fusion form with African roots, and its impact on concert dance and the entertainment industry through lecture, video viewing, outside-of-class reading, and assigned performance attendance. (Offered: Every Fall, Every Spring)
Prereq: 3 credits of DAN 103, or permission of instructor

**DAN 105 African Dance I 1–3 cr**
An introductory course in African Dance. Students learn traditional movements, rhythms, and dances from a variety of African cultures and countries. Lectures on African history, geography, and culture provide a background for understanding the importance of dance in African life. Assignments may include attending performances outside of class.
NOTE: Students may earn a total of three credits in DAN 105. (Offered: Periodically)
Prereq: None

**DAN 107 Ballet I 1–3 cr**
An introduction to the study of classical ballet. Students learn the ballet terminology that denotes the traditional position of the feet, arms, and body, and the basic ballet steps. Each class includes barre work, center floor exercises to improve balance and coordination, and traveling across the floor combinations incorporating jumps and leaps. The course presents the rich history and theory of ballet, and its widespread cultural impact through lectures, video viewing, outside-of-class reading, or assigned performance attendance. NOTE: Students may earn a total of three credits in DAN 107. (Offered: Every Fall, Every Spring)
Prereq: None

**DAN 108 Ballet II 3 cr**
A continuation of the study of classical ballet. Students learn the ballet terminology that denotes the traditional position of the feet, arms, and body, and the basic ballet steps. Each class includes barre work, center floor exercises to improve balance and coordination, and traveling across the floor combinations incorporating jumps and leaps. The course presents the rich history and theory of ballet, and its widespread cultural impact through lectures, video viewing, outside-of-class reading, or assigned performance attendance. (Offered: Every Fall, Every Spring)
Prereq: 3 credits of DAN 107, or permission of instructor

**DAN 111 Modern Dance I 1–3 cr**
An introduction to modern dance. Students learn the terminology and practice the fundamental movement vocabulary of modern dance. Classes consist of a full body warm-up, specific modern dance exercises, traveling step patterns, short dance combinations, and improvisational assignments. Class activities are designed to increase strength, flexibility, coordination, rhythmic awareness and musicality, and self-expression. The course presents the history, theory and significance of modern dance through lectures, video viewing, outside-of-class reading, or assigned performance attendance. NOTE: Students may earn a total of three credits in DAN 111. (Offered: Every Fall, Every Spring)
Prereq: None

**DAN 112 Modern Dance II 3 cr**
A continuation of the study of modern dance. Students gain proficiency in movement fundamentals, learning and performing dance combinations and locomotor movements to various rhythms and styles of music in large and small groups. The course presents the history, theory and significance of modern dance through lectures, video viewing, outside-of-class reading, or assigned performance attendance. (Offered: Every Fall, Every Spring)
Prereq: 3 credits of DAN 111, or permission of instructor

**DAN 114 Tap Dance I 1–3 cr**
Introduction to the basic tap dance steps and their style of performance, in conjunction with general concepts of dance technique. Students learn traditional tap-step patterns such as time steps and waltz clog, and short combinations. The course presents tap history, including its development as a fusion of African and European dance-music forms through lectures, video viewing, outside-of-class reading and assigned performance attendance. NOTE: Students may earn a total of three credits in DAN 114. (Offered: Every Fall, Every Spring)
Prereq: None

**DAN 115 Tap Dance II 3 cr**
A continuation of the study of tap dance, with increasing complexity and length of patterns. Students focus on clarity of rhythm and tap sounds, and body coordination, while working on style and expression. The course presents tap history, including its development as a fusion of African and European dance-music forms through lectures, video viewing, outside-of-class reading and assigned performance attendance. (Offered: Every Fall, Every Spring)
Prereq: 3 credits of DAN 114, or permission of instructor

**DAN 116 Middle Eastern Dance I 1–3 cr**
An introductory course in Middle Eastern Dance. Instruction includes the historical and social context in which the dance is traditionally performed, and general concepts of dance technique and practice. Students primarily learn Middle Eastern "Belly Dance," which functions as a form of social dance and/or entertainment. The class also studies regional or national dances, such as Lebanese debke, and dance steps to the 9/8 and 6/8 rhythms of Turkey and Armenia. Video viewing and outside-of-class reading assignments augment in-class practice. NOTE: Students may earn a total of three credits in DAN 116. (Offered: Every Fall, Every Spring)
Prereq: None

**DAN 117 Middle Eastern Dance II 3 cr**
A continuation of the study of the movements, steps, and aesthetics of Middle Eastern Dance within the historical and social context in which it is customarily performed. Students refine their ability to perform traditional movements with emphasis on personal expression, correct performance style and quality, the ability to respond appropriately to various tempos, rhythms and meters, and the ability to learn choreographed dances or to improvise. Video viewing and outside of class reading assignments augment in-class practice. (Offered: Every Fall, Every Spring)
Prereq: 3 credits of DAN 116, or permission of instructor
DAN 120 World Dance and Culture * 3 cr
A global tour of dance as a universal element of human culture. Students learn how dance functions within different societies as celebration, religion and ritual, socialization and courtship, cultural/ethnic identity and political strategy, and art and entertainment. Students examine selected dance forms from Africa, the Caribbean and Brazil, Asia, Europe and the United States, and Native American culture through outside reading, DVD/video viewing, and in-class discussion. This is a non-performance course. (Offered: Periodically)
Prereq: ENG 090 and ENG 094 (COL 090), or satisfactory placement test scores

DAN 121 Dance History 3 cr
Survey course of the major events in the history of western theatrical dance. Topics covered include: Renaissance court dance, Baroque dance, Romantic, Classical, and Neo-Classical Ballet; Diaghilev’s Les Ballets Russes; the emergence of modern dance in the 20th century; Black dance; selected figures of dance history discussed, such as Louis XIV, Marie Taglioni, Isadora Duncan, Martha Graham, Katherine Dunham, George Balanchine. Class format includes lecture, outside reading and in-class video and film viewing. (Offered: Periodically)
Prereq: ENG 090 and ENG 094 (COL 090), or satisfactory placement test scores

DAN 183 Ballroom Dance: American Smooth Style 1 cr
Provides physical enjoyment to participants through the performance of the specific rhythms and movements of American smooth style dancing and social interaction through group participation. Topics include the fundamentals of waltz, fox trot, jitterbug (swing), with an emphasis on dance positions, leading and following, and dance etiquette. NOTE: Students may repeat this course once for a maximum of two credits. Special Requirement: Lightweight shoes with non-skid soles. (Offered: Every Fall, Spring & Summer)
Prereq: None

DAN 184 Ballroom Dance: Latin Style 1 cr
Provides physical enjoyment to participants through the performance of the specific rhythms and movements of Latin style dancing and social interaction through group participation. Topics include the fundamentals of rumba, cha cha, and tango with an emphasis on dance positions, leading and following, and dance etiquette. NOTE: Students may repeat this course once for a maximum of two credits. Special Requirement: Lightweight shoes with non-skid soles. (Offered: Every Fall, Spring & Summer)
Prereq: None

DAN 201 Dance Repertory Group: Mixed Company 3 cr
Provides an opportunity for students to learn, rehearse, and perform dances in a variety of styles in area schools, community centers, and at special events. When appropriate, students assist in teaching dance classes and give lecture/demonstrations. Students perform and rehearse outside of class. NOTE: The course may be repeated for a maximum of 6 credits. (Offered: Periodically)
Prereq: Open to students by audition or permission of Dance Program Coordinator. Recom: Concurrent enrollment in a dance studio course.

DAN 203 Jazz Dance III 3 cr
An intermediate course in jazz dance. Students continue to refine skills and movement vocabulary of the jazz style. Increased emphasis on performance skills, clarity of rhythm and line, expansion of range of movement, and personal expression. The course presents the history of jazz dance as a fusion form with African roots, and its impact as a performance style and in the entertainment industry through lecture, video viewing, outside-of-class reading, and assigned performance attendance. (Offered: Every Fall, Every Spring)
Prereq: DAN 104, or permission of instructor

DAN 204 Jazz Dance IV 3 cr
A conclusion of the intermediate study of jazz dance. Students continue to refine skills and movement vocabulary of the jazz style at the intermediate level. Increased emphasis on clarity of rhythm and line, expansion of range of movement, and personal expression. Assignments may include outside-of-class reading, video viewing, and performance participation. (Offered: Every Fall, Every Spring)
Prereq: DAN 203

DAN 207 Ballet III 3 cr
An intermediate course in classical ballet with emphasis on increased technical skill. Students learn principles of epaulement, placement, and multiple turns. Students may dance en pointe with instructor's approval. The course presents longer, more intricate combinations and repertoire, the rich history and theory of ballet, and its widespread cultural impact through lectures, video viewing, outside-of-class reading, or assigned performance attendance. (Offered: Every Fall, Every Spring)
Prereq: DAN 108, or permission of instructor

DAN 208 Balliet IV 3 cr
A conclusion of the intermediate study of classical ballet. The course emphasizes performance skills. Students integrate technique with personal expression, and continue to learn and practice combinations and dances from the classical and contemporary repertoire. The course presents the rich history and theory of ballet, and its widespread cultural impact through lectures, video viewing, outside-of-class reading, or assigned performance attendance. (Offered: Every Fall, Every Spring)
Prereq: DAN 207

DAN 211 Modern Dance III 3 cr
An intermediate course in modern dance with increased emphasis on performance skills. The course presents specific techniques of modern dance pioneers, such as Graham, Humphrey-Weidman, Cunningham, and Taylor. Students learn and execute movement sequences and repertory dances with attention to quality, style, musicality and expressiveness. Students are encouraged to work on individual creativity and development of personal movement style. The course presents the history, theory and significance of modern dance through lectures, video viewing, outside-of-class reading, or assigned performance attendance. (Offered: Every Fall, Every Spring)
Prereq: DAN 112, or permission of instructor

DAN 212 Modern Dance IV 3 cr
A conclusion of the intermediate study of modern dance with continued emphasis on the development of individual performance quality and style and the mastery of dance technique in the modern dance tradition. Students are encouraged to explore their individual movement ideas through choreography and improvisation. The course presents the history, theory and significance of modern dance through lectures, video viewing, outside-of-class reading, or assigned performance attendance. (Offered: Every Fall, Every Spring)
Prereq: DAN 211

DAN 214 Tap Dance III 3 cr
An intermediate course in tap dance with emphasis on the acquisition of performance skills, rhythmic accuracy and speed. Students learn traditional repertoire and time steps with their rhythmic breaks and explore improvisation. The course presents tap history, including its development as a fusion of African and European dance-music forms through lectures, video viewing, outside-of-class reading, and assigned performance attendance. (Offered: Every Fall, Every Spring)
Prereq: DAN 211

DAN 216 Middle Eastern Dance III * 3 cr
An intermediate course in Middle Eastern Dance. Students continue to practice the movements and rhythms of the dance, with an emphasis on personal expression, the development of individual style, musicality, improvisation and performance skills. Students learn extended dance sequences and group choreographies. The course incorporates the continued study of the complex history of the dance and its meaning and function in Middle Eastern and North African cultures, and in other areas that are home to people of Arabic heritage. Video viewing and outside-of-class reading assignments augment in-class practice. (Offered: Every Fall, Every Spring)
Prereq: DAN 117, or permission of instructor
DAN 217 Middle Eastern Dance IV * 3 cr
A conclusion of the intermediate study of Middle Eastern Dance. Students continue to practice the movements, rhythms and choreography of the dance. The course emphasizes personal performance style, based on informed choices and improvisational and creative responses to both contemporary and traditional Arabic or Arab-influenced music and rhythms. Students learn extended dance sequences, group choreographies for performance, and to play zils as an accompaniment to the dance. The course incorporates the study of the history, meaning and function of Middle Eastern dance in the various cultures and countries in which it is performed. Video viewing and outside of class reading assignments augment in-class practice. (Offered: Every Fall, Every Spring)
Prereq: DAN 216, or permission of instructor

ECONOMICS

ECO 101 Principles of Macroeconomics 3 cr
A study of economic analysis of the national and global economy with discussion of current issues. This course includes business cycles, unemployment, inflation, economic growth, banking systems, monetary and fiscal policies. (Offered: Every Fall, Every Spring)
Prereq: ECO 105 or ENG 090 and ENG 094 (COL 090), and MAT 095 (MAT 105), or satisfactory placement test scores.

ECO 102 Principles of Microeconomics 3 cr
A study of the economics of the firm, the consumer, and their interaction in the domestic and global marketplace. This course includes resource allocation, supply and demand, elasticity, market structure, labor, and an economic perspective of current issues facing business and society. (Offered: Every Fall, Every Spring)
Prereq: ECO 105 or ENG 090 and ENG 094 (COL 090), and MAT 095 (MAT 105), or satisfactory placement test scores.

ECO 105 Sports Economics 3 cr
An economic analysis of sports teams, leagues, and institutions. Topics include gate receipts, media sales, product licensing, stadium revenues, competitive balance, and revenue sharing arrangements. Emphasis is placed on retail and facility operations in the context of professional league organizational structures. NOTE: Students may receive credit for either ECO 105 or ECO 205, but not for both. (Offered: Every Fall)
Prereq: ECO 105 or ENG 090 and ENG 094 (COL 090), and MAT 095 (MAT 105), or satisfactory placement test scores.

ECO 111 Introduction to Special Education 3 cr
Overview of development, physical, and behavioral disabilities; basic principles of intervention techniques; overview of legislation (Chapter 766) and its implications for the young child. (Offered: Periodically)
Prereq: ECO 090 and ENG 094 (COL 090), or satisfactory placement test scores.

ECO 112 Early Childhood Special Education 3 cr
Emphasizes the acquisition of strategies and skills to provide developmentally appropriate learning experiences for young children with special needs in multiple settings. Students examine prominent preschool special education curricula and learn to evaluate and adapt curriculum materials to specific learning needs. (Offered: Every Fall)
Prereq: ECO 111 or ENG 090 and ENG 094 (COL 090), or satisfactory placement test scores.

ECO 113 Environmental Economics 3 cr
Introduction to the contemporary problems of environmental quality. Economic analysis of the institutions and practices leading to pollution of air, water, and land resources. Study of alternative public policies for improving environmental quality. (Offered: Every Spring)
Prereq: ECO 111 or ENG 090 and ENG 094 (COL 090), or satisfactory placement test scores.

ECO 129 Global Trade and Development * 3 cr
A study of international trade and national economies. Topics include trade models, population, poverty and income distribution, property rights, microfinancing, international investment, currency exchange, trade barriers, trade pacts, and the roles and effects of global trade institutions. (Offered: Periodically)
Prereq: ECO 101

ECO 212 Economics of Tourism 3 cr
An application of economic principles to the tourism and hospitality industry. Topics include demand for leisure activities, industry structure, and the economic, environmental, and social impacts of the tourism industry on host communities. (Offered: Every Spring)
Prereq: MAT 095 (MAT 105); and BUS 112 or ECO 101 or ECO 102

ECO 217 Middle Eastern Dance IV * 3 cr
A conclusion of the intermediate study of Middle Eastern Dance. Students continue to practice the movements, rhythms and choreography of the dance. The course emphasizes personal performance style, based on informed choices and improvisational and creative responses to both contemporary and traditional Arabic or Arab-influenced music and rhythms. Students learn extended dance sequences, group choreographies for performance, and to play zils as an accompaniment to the dance. The course incorporates the study of the history, meaning and function of Middle Eastern dance in the various cultures and countries in which it is performed. Video viewing and outside of class reading assignments augment in-class practice. (Offered: Every Fall, Every Spring)
Prereq: DAN 216, or permission of instructor

EDUCATION

EDU 101 Introduction to Early Childhood Education 3 cr
Purposes of early childhood education and the role of the teacher. Considers the development needs of young children. Attention to physical environment, recording and reporting progress and administration. (Offered: Every Fall)
Prereq: ENG 090 and ENG 094 (COL 090), or satisfactory placement test scores

EDU 103 Creative Experiences in Art, Music, and Drama 3 cr
Deals with the methods, content, and theory of the arts as they relate to the young child. Students will develop leadership abilities and their ability to research, plan, and implement developmentally appropriate activities in the arts for young children. (Offered: Every Fall)
Prereq: ENG 090 and ENG 094 (COL 090), or satisfactory placement test scores; ECE major, or permission of instructor

EDU 111 Introduction to Special Education 3 cr
Overview of development, physical, and behavioral disabilities; basic principles of intervention techniques; overview of legislation (Chapter 766) and its implications for the young child. (Offered: Periodically)
Prereq: ECO 105 or ENG 090 and ENG 094 (COL 090), or satisfactory placement test scores.

EDU 112 Early Childhood Special Education 3 cr
Emphasizes the acquisition of strategies and skills to provide developmentally appropriate learning experiences for young children with special needs in multiple settings. Students examine prominent preschool special education curricula and learn to evaluate and adapt curriculum materials to specific learning needs. (Offered: Every Fall)
Prereq: ECO 111 or ENG 090 and ENG 094 (COL 090), or satisfactory placement test scores.

EDU 113 Day Care Administration 3 cr
Explores the intricacies of managing a center for young children. Topics include the curriculum, the environment, personnel management and development, budget and funding, legal concerns, state and local regulations and working with the parents and the community to provide a sound program for young children. (Offered: Periodically)
Prereq: ECO 113 or ENG 090 and ENG 094 (COL 090), or satisfactory placement test scores.

EDU 114 Building Teacher-Parent Relationships 3 cr
Examines the inherent complexities of the parent-teacher/caregiver relationship and explores techniques for improving communication. Diverse family structures will be examined and discussed in view of their implications for teachers, parents, and children with attention to increasing parent involvement and creating successful partnerships with parents. (Offered: Periodically)
Prereq: ECO 114 or ENG 090 and ENG 094 (COL 090), or satisfactory placement test scores.

EDU 201 Early Childhood Curriculum 3 cr
Organization of curriculum including the research, theory, methods, and materials necessary in a classroom of young children. Emphasis on reading readiness and language skills. (Offered: Every Spring)
Prereq: EDU 101 or permission of instructor
Credit Courses

EDU 205 Philosophy of Education 3 cr
Examines the role of school in society, the organization and history of American education, the historical foundations of education and its theorists. The relationship between theoretical perspectives and current issues emphasized. (Offered: Every Spring)
Prereq: ENG 101, 103, or 105

EDU 215 Student Teaching I 6 cr
Provides work experience in an early childhood setting with responsibility for setting up a safe and healthy environment; providing for social and emotional development in children; and becoming a professional teacher. Placement in a teaching site for EDU 215 is not guaranteed and depends upon agreement among the teaching site, the EDU faculty, and the student. (Offered: Every Fall)
Prereq: EDU 101 and permission of the program coordinator

EDU 216 Student Teaching II 6 cr
Provides work experience in an early childhood setting with extensive responsibility for the total management of a classroom; experience working with families; and providing an environment which promotes physical and intellectual competence in children. Placement in a teaching site for EDU 216 is not guaranteed and depends upon agreement among the teaching site, the EDU faculty, and the student. (Offered: Every Spring)
Prereq: EDU 215 or permission of instructor

EMERGENCY MEDICAL SERVICES

EMS 101 Emergency Medical Technician- Basic 6 cr
Provides training in the primary care of injuries, semiudomatic external defibrillator (AED), acute illnesses, birth, and people in emergency situations. Students learn rescue extraction, transportation, communication, medical-legal aspects, and ambulance training. The course is taught using lectures, slides, demonstration, and practice. Students completing the course are eligible for the Massachusetts Basic EMT examination. (Offered: Every Fall, Spring & Summer)
Prereq: ENG 090 and ENG 094 (COL 090), or satisfactory placement test scores

EMS 105 Principles of Advanced Life Support 5 cr
Introduces the certified EMT to principles of Department of Transportation Advanced Life Support curriculum. Students study roles and responsibilities, EMS systems, legal and ethical issues, patient assessment, fundamentals of respiration and advanced airway management, The course includes the fundamentals of perfusion and techniques of intravenous therapy. (Offered: Every Fall)
Prereq: Current EMT certification; ENG 090 and ENG 094 (COL 090) and MAT 090, or satisfactory placement test scores. Concurrent enrollment or completion of BIO 108 or equivalent

EMS 106 EMT - Intermediate Internship 2 cr
Provides supervised clinical and field experiences for EMT-Intermediate Students. Students attend two class meetings and complete all Massachusetts and program clinical and field requirements within prescribed deadlines. Students are eligible to take the Massachusetts EMT-Intermediate Examination upon successful course completion. Only non-paramedic certificate students may enroll in this course. (Offered: Every Spring & Summer)
Prereq: Successful completion of EMS 105

EMS 202 Pharmacology 2 cr
Introduces pharmacology, pharmacokinetics and pharmacodynamics. The course includes a review of the metric system. Students calculate drug dosage concentrations and IV medication infusion rates. The course introduces basic concepts of pathophysiology. (Offered: Every January)
Prereq: Successful completion of EMS 105 or permission of instructor

EMS 203 Management of Medical and Shock-Trauma Emergencies 8 cr
Expands upon pharmacological interventions and integrates patient management skills with medical and trauma situations encountered by paramedics. This course includes the pathophysiology and management of disease processes and shock-trauma conditions. It provides special considerations of neonatology, pediatrics, geriatrics, medical incident command and rescue situations. Students begin limited clinical experiences. Students receive Prehospital Trauma Life Support (PHTLS) certification and Pediatric Education for Prehospital Professionals (PEPP-Advanced Life Support) certification upon successful course completion. (Offered: Every Spring)
Prereq: Successful completion of EMS 202 or permission of instructor

EMS 204 Management of Cardiovascular Emergencies 8 cr
A comprehensive approach to adult cardiac emergencies encountered by paramedics. The course includes cardiovascular pathophysiology, 3-lead and 12-lead dysrhythmia interpretation techniques, dysrhythmia management, electrical therapy and cardiac pharmacology. Students practice intensive patient management simulation. The student receives Advanced Cardiac Life Support (ACLS) certification upon successful course completion. (Offered: Every Summer)
Prereq: Successful completion of EMS 203 or permission of instructor

EMS 210 Paramedic Clinical 2 cr
Provides student with practice of invasive skills and patient management under the supervision and direction of licensed hospital staff. Students attend one class meeting and produce a research paper based on clinical experiences. Students attend Pediatric Advanced Life Support seminar (off-campus) and receive Pediatric Advanced Life Support (PALS) certification upon successful seminar completion. (Offered: Every Fall)
Prereq: Successful completion of EMS 204. Concurrent registration in EMS 211.

EMS 211 Paramedic Fieldwork Internships I 2 cr
Provides assignments with certified paramedics. Students perform pre-hospital treatment under supervision. (Offered: Every Fall)
Prereq: Successful completion of EMS 204. Concurrent registration in EMS 210

EMS 212 Paramedic Fieldwork Internships II 2 cr
A continuation of fieldwork assignments with certified paramedics. The course includes fieldwork rotation at a high-volume EMS system outside of New England. The student is eligible to take Massachusetts and National Registry qualifying examinations upon successful completion of the course. (Offered: Every Fall, Every Spring)
Prereq: Successful Completion of EMS 211

ENGINEERING

EGR 100 Engineering Culture 0 cr
Supports engineering students' success through student-faculty interaction, peer study groups, and academic and career guidance. NOTE: Students may repeat this course without limit. Special Requirement: Open to Engineering majors only. (Offered: Every Fall, Every Spring)
Prereq: None

EGR 105 Introduction to Engineering, Science, Technology, and Society 4 cr
A survey introductory course that combines hands-on experience with sociological analysis of engineering, science, and technology using lab, lecture, research, design, and discussion. Includes aspects of electrical, mechanical, environmental, civil, and chemical engineering. NOTE: Students may receive credit for EGR 105 or SCI 105, but not for both. (Offered: Every Fall, Every Spring)
Prereq: MAT 107 or concurrent enrollment in MAT 107 or a score of 71 or higher on the College Level Math placement test; ENG 090 and ENG 094 (COL 090), or satisfactory placement test scores. Recomm: Any 3-credit course coded ANT, ECO, EVS, HSV, POL, PSJ, PSY, or SOC
EGR 107 Engineering Graphics 4 cr
An introduction to engineering graphics concepts and applications. Topics covered include lettering, scaling, orthographic projection, pictorials, sections, auxiliary views, dimensioning, tolerances, fasteners, isometric and orthographic depiction. The course includes Computer Aided Design, manual drafting, and sketching. (Offered: Every Fall, Every Spring)
Prereq: ENG 090, ENG 094 (COL 090), and MAT 095 (MAT 105), or satisfactory placement test scores.

EGR 205 Statics 3 cr
A vector treatment of equilibrium of particles and rigid bodies. Topics include: forces, moments, couples, equations of equilibrium, free body diagrams, machines, trusses, frames, friction and centroids, and shear and bending moment diagrams. (Offered: Every Spring)
Prereq: MAT 201, PHY 111.

EGR 206 Strength of Materials 3 cr
Analysis of the stress and strain in structural members due to axial loads, torsion and bending. (Offered: Periodically)
Prereq: EGR 205 or permission of instructor.

EGR 209 Dynamics 3 cr
A study of kinetik and kinematics of particles and rigid bodies including Newton’s laws, work-energy and impulse-momentum principles, laws of linear and angular momentum, conservation of momentum, and planar motion of rigid bodies. (Offered: Periodically)
Prereq: PHY 111, MAT 201, MAT 202 (or concurrent enrollment in MAT 202); Recomm: PHY 112, MAT 202, EGR 205.

EGR 210 Thermodynamics 3 cr
The fundamentals of the science of thermodynamics including control volume analysis, conservation of mass and energy, the second law of thermodynamics, pure substance property relations, and applications of refrigeration and power systems. (Offered: Every Fall)
Prereq: MAT 202, PHY 112; Recomm: MAT 203.

EGR 211 Circuit Analysis I 4 cr
Mathematical models for analog and digital circuit elements, basic circuit laws and network theorems applied to digital logic MOSFET gates, and to DC, transient, and steady-state response of first- and second-order circuits. Modeling circuit responses using differential equations. Lab includes circuit hardware and PSpice simulation experiments. (Offered: Every Fall)
Prereq: MAT 202, PHY 112.

EGR 212 Circuit Analysis II 4 cr
Continuation of EGR 211. Analysis techniques for AC circuits, frequency response, resonance, Bode plots, phasor representation of sinusoidal steady-state systems, complex frequency domain, transfer functions, MOSFETs as amplifiers; operational amplifiers. Transformers, two-port networks, Fourier series. Lab includes circuit hardware and PSpice simulation experiments. (Offered: Every Fall)
Prereq: EGR 211 with a grade of C or better.

EGR 213 Statistics for Engineering 3 cr
Probability and statistical theory, with primary emphasis on engineering applications. Students utilize techniques of collection, analysis and interpretation of experimental data and explore probability modeling using discrete and continuous random variables. Topics include: an examination of estimation and inference conducted through the use of confidence intervals and hypothesis testing, regression, correlation, and analysis of variance (ANOVA). (Offered: Every Spring)
Prereq: MAT 202.
## Credit Courses

<table>
<thead>
<tr>
<th>Course Code</th>
<th>Course Title</th>
<th>Credits</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>ENG 105</td>
<td>English Composition I: The Impact of Language</td>
<td>3 cr</td>
<td>Develops a personal writing style to express the results of critical and analytic thinking. This course is designed for the student who enjoys reading and writing and includes assignments from essays, novels, poetry, and other materials which serve as models and sources for written exercises. The student explores the history of the English language. The topics for discussion and writing include the languages of race, gender, advertising, and politics. The course includes word processing methods and research and documentation using print and electronic texts. NOTE: Students may receive credit for only ENG 101 or ENG 103 or ENG 105. (Offered: Every Fall, Every Spring) Prereq: ENG 090 and ENG 094 (COL 090), or satisfactory placement test scores.</td>
</tr>
<tr>
<td>ENG 112</td>
<td>English Composition II: Exploring Literature</td>
<td>3 cr</td>
<td>Examination and analysis of the three major literary genres: prose, poetry, and drama. Writing assignments emphasize the formal, thoughtful, &quot;critical&quot; paper, but do not preclude more personal and creative responses. Students develop analytical standards for both reading and writing about literature. The course includes selections from a wide variety of authors. NOTE: Students may receive credit for only ENG 112 or ENG 114 or ENG 116. (Offered: Every Fall, Every Spring) Prereq: ENG 101, 103, or 105.</td>
</tr>
<tr>
<td>ENG 114</td>
<td>English Composition II: Literature and Creative Writing</td>
<td>3 cr</td>
<td>Examination of the creative modes of writing: short fiction, poetry, drama, and song. The writing assignments include creative experiments and literary analysis. The student develops skills in the production as well as understanding of literary art. NOTE: Students may receive credit for only ENG 112 or ENG 114 or ENG 116. (Offered: Every Fall, Every Spring) Prereq: ENG 101, 103, or 105.</td>
</tr>
<tr>
<td>ENG 116</td>
<td>English Composition II: Analysis of Literature and Film</td>
<td>3 cr</td>
<td>Study of film, fiction, poetry, and drama from Western and non-Western cultures. Coursework involves analysis of other electronic media which may include television, radio, and computer-mediated text. Students produce written work stressing critical evaluation and participate in classroom analysis of printed and electronic text. NOTE: Students may receive credit for only ENG 112 or ENG 114 or ENG 116. (Offered: Every Fall, Every Spring) Prereq: ENG 101, 103, or 105.</td>
</tr>
<tr>
<td>ENG 201</td>
<td>Western Literature I</td>
<td>3 cr</td>
<td>Reading and critical analysis of selected literary masterpieces from early Greek through the Elizabethan era. (Offered: Periodically) Prereq: ENG 112, 114, or 116.</td>
</tr>
<tr>
<td>ENG 202</td>
<td>Western Literature II</td>
<td>3 cr</td>
<td>Reading and critical analysis of selected literary masterpieces from the Elizabethan era to the present. (Offered: Periodically) Prereq: ENG 112, 114, or 116.</td>
</tr>
<tr>
<td>ENG 203</td>
<td>American Literature I</td>
<td>3 cr</td>
<td>Critical study of significant achievements in American literature from the Puritan period through the period of the Reconstruction. Emphasis on the growth of an American literature, its modes and purposes. (Offered: Periodically) Prereq: ENG 112, 114, or 116.</td>
</tr>
<tr>
<td>ENG 204</td>
<td>American Literature II</td>
<td>3 cr</td>
<td>Critical study of significant achievements in American literature from the late 19th century to the present. Emphasis on literary modes and thought as they reflect the modern society. (Offered: Periodically) Prereq: ENG 112, 114, or 116.</td>
</tr>
<tr>
<td>ENG 205</td>
<td>British Literature I</td>
<td>3 cr</td>
<td>Readings in English literature from the Anglo-Saxon period to the late 17th century. Major emphasis on Chaucer and Shakespeare. (Offered: Periodically) Prereq: ENG 112, 114, or 116.</td>
</tr>
<tr>
<td>ENG 206</td>
<td>British Literature II</td>
<td>3 cr</td>
<td>Readings in English literature from the late 17th century to the present. (Offered: Periodically) Prereq: ENG 112, ENG 114 or ENG 116.</td>
</tr>
<tr>
<td>ENG 207</td>
<td>Creative Writing and Literature: Themes and Methods</td>
<td>3 cr</td>
<td>Focuses on broad themes in creative writing and explores analytical as well as creative methods for responding to literature. Students explore a variety of genres, including drama, poetry, fiction, and creative non-fiction, from many cultures and times. The course culminates in the production of original creative works. (Offered: Periodically) Prereq: ENG 112, 114, or 116.</td>
</tr>
<tr>
<td>ENG 208</td>
<td>Creative Writing and Literature: Studies in Genre</td>
<td>3 cr</td>
<td>Explores creative writing through analysis of the writer’s craft. Students focus on one or more creative genres such as drama, poetry, fiction, or creative non-fiction. Students engage with literary texts that present diverse worldviews. Students also conduct research and apply critical reading and writing strategies to their own analytical as well as creative work. The course culminates in the production of original creative works. (Offered: Periodically) Prereq: ENG 112, 114, or 116.</td>
</tr>
<tr>
<td>ENG 209</td>
<td>Creative Nonfiction</td>
<td>3 cr</td>
<td>Explores creative nonfiction essays and essay writing through extensive reading, individualized research, and writing workshops. Students develop familiarity with the variety and history of creative nonfiction. Students use multiple research methods, drafting approaches, and writing styles to explore topics of their choice. Students combine academic and creative writing strategies in new ways to explore and analyze their experiences and the world around them. (Offered: Periodically) Prereq: ENG 112, 114, or 116.</td>
</tr>
<tr>
<td>ENG 211</td>
<td>Modern Novel</td>
<td>3 cr</td>
<td>Themes and methods of novelists of the modern world. This course explores such topics as alienation and the failure of communication and gives attention to modern experiments in point of view, structure, and style. (Offered: Periodically) Prereq: ENG 112, 114, or 116.</td>
</tr>
<tr>
<td>ENG 212</td>
<td>Graphic Novel</td>
<td>3 cr</td>
<td>Explores the history and development of the graphic novel, a hybrid genre that combines visual and written textual elements. Students read, discuss, and write about graphic novels exploring issues of power, sexuality, race, gender, class, and identity. (Offered: Periodically) Prereq: ENG 112, 114, or 116.</td>
</tr>
</tbody>
</table>
ENG 221 Shakespeare 3 cr
A critical study of a selected group of plays by Shakespeare, approached by theme. The course will also give some attention to contemporary presentations or adaptations. (Offered: Periodically)
Prereq: ENG 112, 114, or 116

ENG 224 Technology and Literature 3 cr
A critical examination of the impacts of technology on literature as expressed in poetry, fiction, essay, film, and electronic text. Students consider how technological developments from factory production and the railroad to the personal computer and house engineering have influenced literature, art, thought, communication, work, and community. (Offered: Periodically)
Prereq: ENG 112, 114, or 116

ENG 228 Queer Literature * 3 cr
A study of various genres and periods of literary texts by lesbian, gay, bisexual, and transgender writers. The course includes lectures and classroom discussions on the texts and their cultural and historical contexts. Students discuss how the texts relate to expressions of, and arguments about, being queer in a predominantly heterosexual world. Readings also address more general issues of marginalization, such as those involving gender, race, class, and age. The course is appropriate for any student interested in the way literature expresses human difference. (Offered: Periodically)
Prereq: ENG 112, 114, or 116

ENG 229 Gothic Literature 3 cr
A critical and analytical study of the gothic tradition in both classic and modern supernatural literature, with some attention to film. Students examine the significance of the supernatural horror tale in its larger literary, social, and cultural context. (Offered: Periodically)
Prereq: ENG 112, 114, or 116

ENG 235 Survey of Latin American Literature * 3 cr
A study of Latin American writings from the Pre-Columbian era to the present. Emphasis on the social, political, and cultural forces that have shaped the voices of contemporary Latin American literature. Authors include Bartolome de las Casas, Andres Bello, Ruben Darlo, Clorinda Matto de Turner, Jorge Borges, Isabel Allende, and Gabriel Garcia Marquez. (Offered: Periodically)
Prereq: ENG 112, 114, or 116

ENG 241 Survey of Children's Literature 3 cr
Wide reading of classic and current children's literature, including the history and development of the genre. This course examines criteria for judging children's books and reviews classroom techniques in early childhood education. (Offered: Periodically)
Prereq: ENG 112, 114, or 116

ENG 243 Modern Poetry 3 cr
An examination of modern poetry with an emphasis on interpretation and analysis of voice, language, sound, and form. This course provides an in-depth study of some major innovators as well as a study of other contemporary poets. (Offered: Periodically)
Prereq: ENG 112, 114, or 116

ENG 244 Science Fiction: Themes and Contexts 3 cr
Examines science fiction from diverse cultural perspectives. Students explore critical and social contexts that inform science fiction, gain an understanding of its history and development as a genre, and analyze its contributions to contemporary culture as well as its place within the arts. The course focuses on literature, although students may also study science fiction in multiple media such as film, television, and the visual arts. Students write critical essays and have the opportunity to produce creative works of their own. (Offered: Periodically)
Prereq: ENG 112, 114, or 116; Recomm: A college-level science or philosophy course.

ENG 247 Women in Literature I * 3 cr
A study of works by women writers through the 19th century. Students discuss literature in various genres within the historical and social context of the times, in relation to early literary movements and from the perspective of a unique female literary tradition. (Offered: Periodically)
Prereq: ENG 112, 114, or 116

ENG 248 Women in Literature II * 3 cr
A study of poetry, short fiction, novels, and drama that presents the richness of diversity in the work of women writers from the 20th century to the present. Students focus on the voice of the writer and her use of literary technique as she explores important themes in women's lives. (Offered: Periodically)
Prereq: ENG 112, 114, or 116

ENG 253 Valley/American Literature 3 cr
A critical study of American literature from the Puritan period to the present with focus on the significant achievements of Valley writers. This course explores the impact of the geographical, social, and cultural environment of the Pioneer Valley on their works. Students study Jonathan Edwards, Emily Dickinson, Mark Twain, Robert Frost, Archibald MacLeish, and other writers. (Offered: Periodically)
Prereq: ENG 112, 114, or 116

ENG 261 The Short Story 3 cr
A survey of the short story as a literary genre from its beginnings in the early 19th century to the present time with emphasis on interpretation and analysis, characters in conflict, point of view, and symbolism. (Offered: Periodically)
Prereq: ENG 112, 114, or 116

ENGLISH FOR SPEAKERS OF OTHER LANGUAGES

ESL 102 Writing-Advanced Beginners Level 3 cr
Focuses on basic writing skills needed for successful participation in American communities, including sentence structure, paragraph structure, mechanics, and introduction to academic writing. Individualized programs are provided as needed. Writing and computer laboratories are required. (Offered: Every Spring)
Prereq: Placement by examination

ESL 103 Written English-Intermediate Level 3 cr
Develops students' writing skills for academic and professional use, such as patterns of organizing paragraphs and compositions, basic business letters, exercises in sentence structure and other composition skills. Writing and computer laboratories are required. (Offered: Every Fall, Every Spring)
Prereq: ESL 102 or placement by examination

ESL 104 Written English-Advanced Level 3 cr
Emphasizes advanced writing skills in preparation for beginning-level college courses, such as research paper, reading and writing responses, essays, compositions, and grammar of advanced sentence structure. Writing and computer laboratories are required. (Offered: Every Fall, Every Spring)
Prereq: ESL 103 or placement by examination

ESL 106 English Grammar-Advanced Beginners 3 cr
Focuses on the systematic study of basic English grammatical patterns through reading, writing, listening, and discussion. Individualized programs are provided as needed. Laboratory is required. (Offered: Periodically)
Prereq: Placement by examination
**Credit Courses**

**ESL 107** American English Grammar in Context 3 cr
The study of intermediate-level grammar patterns in English, with focus on verb tenses and on parts of speech. This course emphasizes recognition and understanding of grammar patterns in reading and speech, and the development of grammar skills in writing. Laboratory is required. (Offered: Every Fall, Every Spring)
Prereq: ESL 106 or placement by examination

**ESL 108** American English Grammar in Use 3 cr
Continued study of English verb tenses and parts of speech. The course includes practice of other complex patterns needed for college coursework in English as well as a review of articles and advanced sentence structure. Students will learn accurate and appropriate use of grammar patterns in writing. Laboratory is required. (Offered: Every Fall, Every Spring)
Prereq: ESL 107 or placement by examination

**ESL 109** Intermediate Grammar Review 2 cr
An intensive grammar workshop for students who have completed ESL 107 or other intermediate ESL grammar courses. Students practice and master what they have learned about basic English verb tenses, question patterns, and subject-verb agreement. Students review grammar through listening, speaking, pronunciation, reading, writing, group work, and discussion. (Offered: Periodically)
Prereq: ESL 107 or placement by examination

**ESL 110** ESL Computer Training 1 cr
Introduces English terms for basic keyboarding operations. Students develop techniques and concepts for word-processing using both Macintosh and IBM clone computers. ESL students begin to use electric mail and learn how to find information on the Internet. (Offered: Periodically)
Prereq: Concurrent enrollment in ESL 103 or permission of instructor

**ESL 112** Spoken English-Advanced Beginners 3 cr
Emphasizes development of basic vocabulary, pronunciation, listening and speaking skills needed to communicate in class, in the community, and in social situations. Laboratory is required. (Offered: Periodically)
Prereq: Placement by examination

**ESL 113** Spoken English-Intermediate Level 3 cr
Emphasizes development of vocabulary, pronunciation, listening and speaking skills through group discussions, role plays, oral presentations, and interactive tasks. Content units reflect student interest in social and global issues and in situations from everyday life. Laboratory is required. (Offered: Periodically)
Prereq: ESL 112 or placement by examination

**ESL 114** Spoken English-High Intermediate Level 3 cr
Expands listening and speaking skills for academic activities such as note-taking during class lectures, summarizing and reporting information taken from the media, debating, taking part in discussions, and interviewing. Individual programs in pronunciation and clear speech are provided as needed. Laboratory is required. (Offered: Every Spring)
Prereq: ESL 113 or placement by examination

**ESL 117** English Sounds and Spelling 3 cr
Provides practice for non-native speakers in American English pronunciation as it relates to basic patterns of spelling. Techniques from phonetics and phonics help students master "exceptions" or words with irregular spelling and/or pronunciation. Students apply understanding of sounds, rhythm, intonation, spelling of syllables, and spelling rules in creative practice for people with diverse learning styles. (Offered: Every Fall)
Prereq: ESL 112 or permission of instructor

**ESL 118** Advanced ESOL Grammar 3 cr
Advanced topics in English grammar for bilingual students. Topics include verb tenses for narration; adjectives and prepositional phrases for description; active and passive voice; agreement and sentence combining; sentence transitions; time expressions; articles; and vocabulary. Students contrast U.S. styles of writing and class participation with writing and class participation styles in other countries. (Offered: Every Fall, Every Spring)
Prereq: ESL 104 or ESL 108 or permission of instructor

**ESL 119** English at Work 3 cr
Introduces English language and cultural patterns to students who are working or seeking work in the American workplace. Topics include basic English vocabulary for employment, basic mathematical operations in English, interacting with co-workers and supervisors, using electronic communications, resume writing, labor laws in the U.S. and the Commonwealth of Massachusetts and cultural expectations on the job. (Offered: Every Fall, Every Spring)
Prereq: For students whose native language is not English. Intermediate level of English proficiency determined by ESOL placement examination. Contact ESOL Program Coordinator. Recomm: Concurrent enrollment in ESL 110 or CIS 110 or basic proficiency in computer skills.

**ESL 123** Reading and Vocabulary-Intermediate Level 3 cr
Focuses on reading comprehension, vocabulary development, book reports, note-taking and test-taking strategies for intermediate-level ESL students. Students read fiction, non-fiction, newspapers, and a wide range of subjects to provide a foundation for success in college and the workplace. Laboratory is required. (Offered: Every Fall, Every Spring)
Prereq: Placement by examination

**ESL 124** Reading and Vocabulary-High Intermediate 3 cr
An intensive study of reading processes, college-level material including literature, and many kinds of college tests. Students learn techniques for independent vocabulary acquisition and effective writing about reading material in book reports and other writing assignments. Laboratory is required. (Offered: Every Fall, Every Spring)
Prereq: ESL 123 or placement by examination

**ENVIRONMENTAL STUDIES**

**EVS 101** Environmental Studies: Issues in Sustainability 3 cr
An introduction to basic concepts and principles in ecology including ecosystems, population, food production, energy, pollution, technology, and resource depletion. The course focuses on people's impact on the natural environment emphasizing current problems and alternative solutions to them. NOTE: Students may receive credit for HEC 101 or EVS 101, but not for both. (Offered: Every Fall, Every Spring)
Prereq: ENG 090 and ENG 094 (COL 090), or satisfactory placement test scores

**EVS 102** Introduction to Food Systems 3 cr
An introduction to the current state of the global food system and its implications for people, the environment, and our future. Topics include the benefits and drawbacks of the industrial agricultural model; food justice, food security and public health; the real-life challenges to creating a local food system; and innovative responses to meet those challenges. Students undertake research projects that follow food study models and assess the capacity of a municipality to develop a local food system. Special Requirement: Field trips required. (Offered: Every Fall)
Prereq: ENG 090 and ENG 094 (COL 090), or satisfactory placement test scores

**EVS 121** Gender and the Environment 3 cr
Examination of historical and present day roles of women and men in relation to their environment. The course surveys how gender roles have affected survival in hunter gatherer and agrarian societies, earth centered practices in religion and medicine, and the growth and influence of industrialism and nationalism. The course focuses on understanding gender-linked relationships between population, poverty, and environmental degradation and the importance of new cooperative models for converting to an ecologically sustainable society utilizing case studies and role models. NOTE: Students may receive credit for HEC 121 or EVS 121, but not for both. (Offered: Periodically)
Prereq: ENG 090 and ENG 094 (COL 090), or satisfactory placement test scores
EVS 150  The 24-Hour Outdoor Personal Growth Experience 1 cr
A 24-hour back-country experience focusing on the expansion of the individual’s awareness and sensitivity to his or her relationship with the environment through interpretation and participation in its cyclical rhythms. The course also includes one or two in-class sessions. NOTE: Course graded credit/no credit. Students may receive credit for EVS 150 or HEC 150, but not for both. Special Requirement: Students must be 18 to register for this course. (Offered: Every Fall)
Prereq: None

EVS 151  Youth, Culture and Rites of Passage in Contemporary America 1 cr
Investigates vision quest and rites of passage, ancient and contemporary ceremonies, and rituals that are found in most cultural traditions to assist individuals to pass symbolically and literally from youth to adulthood. This experiential course offers instruction in phases of personal transition, and connections to the natural environment to promote clarity and connections with the environment. Opportunities include in-the-field teachings and one night and two days of residency at a solo site in a backcountry area, and personal reflection through inner guidance. NOTE: Course graded credit/no credit. Students may receive credit for EVS 151 or HEC 151, but not for both. Special Requirement: Students must be 18 to register for this course. (Offered: Every Spring)
Prereq: None

EVS 152  Sustainable Agriculture: Organic Gardening 1 cr
Provides instruction in a natural gardening program and practical "hands-on" introduction to the basic philosophy, content, and methods of organic gardening and permaculture design. Using a model garden site, participants plan and design a garden, prepare the soil, plant the seeds, and prepare for harvesting and storage. Topics include compost, soil improvement, seed selection, crop rotation, and pest management. The course includes in-the-field instruction. NOTE: Course graded credit/no credit. Students may receive credit for EVS 152 or HEC 152, but not for both. (Offered: Periodically)
Prereq: None

EVS 153  Ancient Wilderness Living Skills 1 cr
An introduction to the principles and practices of ancient wilderness living skills that enable people to live closer to the earth and to realize a deeper understanding of their heritage as human beings. The course introduces students to the following skills: carving and using a bow and drill fire making set; building and sleeping in a shelter made from natural materials; and instruction in crafts like natural baskets, wooden utensils, and natural rope. The course includes backcountry foraging for wild seeds, and prepare for harvesting and storage. Topics include compost, soil improvement, seed selection, crop rotation, and pest management. The course includes in-the-field instruction. NOTE: Course graded credit/no credit. Students may receive credit for EVS 153 or HEC 153, but not for both. Special Requirement: Students must be 18 to register for this course. (Offered: Every Spring)
Prereq: None

EVS 154  Exploring Ecological Consciousness 1 cr
Explores experiential education practices that shift students’ perception towards an awareness of being part of the natural world, directly related to other life forms and ecologies. Students increase their knowledge of nature awareness exercises for diverse age ranges and backgrounds. The course includes experiential exercises, visualization, and personal sharing in the natural environment. NOTE: Course graded credit/no credit. Students may receive credit for EVS 154 or HEC 154, but not for both. (Offered: Every Fall)
Prereq: None

EVS 155  Introduction to Sustainable Energy: Solar Living 1 cr
An introduction to the basic principles and practical applications of sustainable energy systems for small-scale use in the home, office, and work space. The course introduces the basics of renewable energy and sustainable living technologies. The seminar introduces the operation and maintenance of rechargeable solar equipment, independent living techniques and wind, biomass, hydrogen, and conservation strategies for heating and cooling. NOTE: Course graded credit/no credit. Students may receive credit for EVS 155 or HEC 155, but not for both. (Offered: Every Fall)
Prereq: None

EVS 204  Environmental Justice 3 cr
A social and ecological examination of human needs and scarce resources. Students focus on environmental justice and how sustainable development contributes to reduced conflict and increased security. Students learn new strategies for sustainable living and an ecological perspective as a tool for peace, sustainability and social change. (Offered: Every Spring)
Prereq: Any 3-credit course coded ANT, ECO, EVS, HSV, POL, PSJ, PSY, or SOC; Recomm: PSY 101 or EVS 101

FIRE SCIENCE TECHNOLOGY

FST 101  Introduction to Fire Protection 3 cr
An introduction to fire protection and careers in the fire service. Students survey the history, scope, and resources of the fire service, including reviewing fire department structure and administration. The course provides students with an overview of the chemistry and physics of fire, of the training and support of fire service personnel, and of fire protection systems and equipment. Students gain an understanding of different career directions in the fire service and of the various local, state, and federal agencies that support and oversee fire service professionals. (Offered: Periodically)
Prereq: ENG 090 and ENG 094 (COL 090), or satisfactory placement test scores

FST 105  Organizational Management 3 cr
An introduction to fire protection and careers in the fire service. Students study the history, types, methods and principles of fire department organization, both formal and informal, line and staff. The course places emphasis on supervisory responsibilities and functions. (Offered: Periodically)
Prereq: ENG 090 and ENG 094 (COL 090), or satisfactory placement test scores

FST 109  Hazardous Materials I 3 cr
Includes a review of basic chemistry, storage and handling of hazardous materials, laws, standards and fire fighting practices within extreme fire hazard areas. Demonstrations illustrate and supplement the class work. (Offered: Periodically)
Prereq: FST 101 and CHE 105 or CHE 111 or permission of instructor or program coordinator

FST 111  Building Construction 3 cr
An introduction to fire protection and careers in the fire service. Students study the history, types, methods and principles of fire department organization, both formal and informal, line and staff. The course places emphasis on supervisory responsibilities and functions. (Offered: Periodically)
Prereq: ENG 090 and ENG 094 (COL 090), or satisfactory placement test scores

FST 113  Fire Hydraulics 3 cr
A study in incompressible fluids including fluid properties, principles of fluid status, fluid flow system principles, pipe friction and heat loss, flow measurements, pumps, and other hydraulic devices and machinery. Students study the applications of fire protection systems such as sprinklers, standpipes, hoses, nozzles, pumps, and water supply systems. Demonstrations illustrate and supplement the principles developed in the class. (Offered: Periodically)
Prereq: ENG 090, ENG 094 (COL 090), and MAT 095 (MAT 105), or satisfactory placement test scores.
FLK 217 American Folklore 3 cr
An introduction to the materials and methods of the study of American folklore, with emphasis on its appreciation, on its relevance to the development of literature, and its relationship to lifestyles. Folklore and folk literature of the southern Appalachian serve as models for study. NOTE: Students may receive credit for FLK 217 or FLK 219, but not for both. (Offered: Periodically)
Prereq: ENG 112, 114, or 116

FLK 218 Storytelling 3 cr
Folktales from American, European, and other ethnic folklore traditions are examined from a contemporary perspective. Attention given to structure, content, language, literary and social issues, and techniques. Students learn to tell the folktale within the context of their own cultural experiences. (Offered: Periodically)
Prereq: ENG 112, 114, or 116

FLK 219 Valley Folklife 3 cr
An introduction to the materials and methods of American folklore studies with emphasis on specific areas of Valley folklife as evidenced in music, story, art, architecture, dance, customs and festivals, as well as in other manifestations or oral, customary, and material folk traditions. Students work on a class project examining a unique aspect of Valley folklife. NOTE: Students may receive credit for FLK 217 or FLK 219, but not for both. (Offered: Periodically)
Prereq: ENG 090 and ENG 094 (COL 090), or satisfactory placement test scores

FRENCH

FRE 101 Elementary French I 4 cr
Fundamentals of French. The course emphasizes the acquisition of language functions, vocabulary, structures, and culture through contextualized presentations, interactive activities, and extensive laboratory practice. (Offered: Every Fall)
Prereq: None

FRE 102 Elementary French II 4 cr
Fundamentals of French. The course emphasizes continued acquisition of language functions, vocabulary, structures, and culture through contextualized presentations, interactive activities, and extensive laboratory practice. (Offered: Every Fall)
Prereq: FRE 101 or equivalent.

FRE 111 French Skills Practice I 2 cr
An intensive immersion workshop conducted in French, for students who have completed at least FRE 101 or who are returning to the study of French. Using the material studied in FRE 101, students will work to practice and internalize the basic building blocks of French in listening, speaking, reading, and writing. (Offered: Every January)
Prereq: FRE 101 or equivalent, or permission of instructor

FRE 201 Intermediate French I 4 cr
The intermediate study of French. The course emphasizes continued acquisition of language functions, vocabulary, idioms, structures, and culture through contextualized presentations, interactive activities, video, and selected readings. The class is conducted in French. (Offered: Every Spring)
Prereq: FRE 102 or equivalent.

FRE 202 Intermediate French II 4 cr
Conclusion of the basic intermediate sequence in French. The course emphasizes continued acquisition of language functions, vocabulary, idioms, structures, and culture through contextualized presentations, interactive activities, video, and selected readings. The class is conducted in French. (Offered: Every Fall)
Prereq: FRE 201 or equivalent.

FRE 255 French Film and Language I 3 cr
The intermediate study of French through francophone films. The course emphasizes the acquisition of language functions, vocabulary, idioms, and cultures through the study of francophone films. Students study representative French language films, selected from films by Renoir, Godard, Poulitot, Ocelot, Chabrol and Jugnot. These are the subject of class discussions, dramatizations and oral and written assignments. Students practice listening comprehension, study idiomatic speech, analyze cultural content and examine historical contexts. The instructor and the students conduct the class in French. NOTE: This course and FRE 257 are not sequential; they may be taken in either order. (Offered: Every Fall)
Prereq: FRE 202 or equivalent
GEO 102 Historical Geology 4 cr
An introduction to the origin and development of the earth, with emphasis on the Eastern United States. Topics include geologic time, myths and science of creation, meaning and interpretation of rocks and fossils. Lab and Field trips are required. NOTE: Students may receive credit for GEO 102 or GEO 103, but not for both. (Offered: Every Spring)
Pre-req: ENG 090 and ENG 094 (COL 090), or satisfactory placement test scores.

GEO 103 Valley Geology 4 cr
An introduction to the unique geology and geohistory of our region. Topics include rocks, minerals, rivers, glaciers, dinosaurs, continental drift, resources, and geologic hazards. Lab required. NOTE: If credit is granted for GEO 103, it cannot also be granted for either GEO 101 or GEO 102. (Offered: Periodically)
Pre-req: ENG 090 and ENG 094 (COL 090), or satisfactory placement test scores.

HEALING ARTS

HAO 101 Healing Arts 12 cr
Awards 12 credits to graduates of the Stillpoint Center School of Massage, Inc. who enroll in the Liberal Arts/General program or the Liberal Arts/Healing Arts Option program and earn 15 GCC liberal arts credits. The course of study at Stillpoint includes bodywork sciences of anatomy and physiology, myology, kinesiology, pathology, and hydrotherapy; massage theory and technique of Swedish massage, body awareness, body mechanics, and therapeutic techniques; and professional development and clinical applications. (Offered: Not offered-Articulation Only)
Pre-req: Graduate of Stillpoint Center School of Massage, Inc.

HEALTH SCIENCE

HSC 101 Introduction to Patient Care Skills 3 cr
Provides a case based learning methodology through patient simulation and explores a variety of job duties related to health care occupations. Students learn vital signs, sterile techniques, handling of body fluids, body mechanics, Cardio Pulmonary Resuscitation (CPR), first aid and proper chart documentation. Students gain familiarity with research techniques, professionalism, ethics, cultural diversity, and communication skills in healthcare settings. (Offered: Every Fall, Every Spring)
Pre-req: None

HSC 127 Survey of Health Careers 3 cr
An introduction to the responsibilities, settings and qualifications of various health careers. This course examines the role of different professionals as members of the healthcare team. Students develop strategies for achieving their career goals using self-evaluation and research. (Offered: Every Fall, Spring & Summer)
Pre-req: None

HSC 127L Job Shadowing for Health Careers 1 cr
An exploration of career options in health care. Students observe health care clinicians and staff on the job, providing students with realistic career information. Students observe the tasks, the level of responsibility and the work environment for several careers. The experience provides career information that aids the student in making career choices. Students document and share their experiences with other students in the class. Special Requirement: Students must apply to the instructor to participate in HSC 127L and pass a Criminal Offender Record Information (CORI) check. Clinical sites may require additional health documentation. (Offered: Every Fall, Spring & Summer)
Pre-req: HSC 127 or concurrent enrollment; and student must be a LAH major; and permission of the instructor.
HISTORY

HIS 101 Western Civilization to 1500 A.D. 3 cr
The major ideas, institutions, and developments of Western Civilization from ancient times to the Renaissance. Themes include the nature of humankind; relationship of the individual to society and the universe; the role of religion; the individual in history; the tradition to modern modes of life and thought. (Offered: Every Fall)
Prereq: ENG 090 and ENG 094 (COL 090), or satisfactory placement test scores

HIS 102 Western Civilization Since 1500 A.D. 3 cr
Analysis of ideas, attitudes, and developments of Western Civilization from the dawn of the modern age to the present. Topics include the scientific and industrial revolutions; the rise and triumph of nation states; the French and Russian revolutions; European imperialism in Asia and Africa; socialism, communism, and fascism; dictatorships and World War II; challenge of the non-Western world. (Offered: Every Spring)
Prereq: ENG 090 and ENG 094 (COL 090), or satisfactory placement test scores

HIS 105 History of the American People to 1865 3 cr
Economic, social, and cultural development of the American people prior to the Civil War. Utopianism; the Revolutionary Era; the development of national consciousness; consensus and conflicts; constitutionalism; the roots of American foreign policy; race relations; slavery and war; NOTE: Students may receive credit for HIS 105 or 107, but not for both. (Offered: Every Fall, Every Spring)
Prereq: ENG 090 and ENG 094 (COL 090), or satisfactory placement test scores

HIS 106 History of the American People Since 1865 3 cr
Reconstruction; industrialism and triumphant capitalism; the capitalist model of society; business and the Protestant ethic; labor; populism, and dissent; imperialism and expansion and the progressive politics; crisis in the American Dream; The Great Depression and the New Deal; minorities and change; the roots of contemporary American foreign policy to Vietnam. NOTE: Students may receive credit for HIS 106 or 108, but not for both. (Offered: Every Fall & Summer)
Prereq: ENG 090 and ENG 094 (COL 090), or satisfactory placement test scores

HIS 127 History of African-American Peoples * 3 cr
A survey of the African-American experience in the United States, including African heritage, enslavement and slavery, resistance, the Civil War and Reconstruction and their combined legacies of racism and oppression, and the continuing struggles of African-Americans for full and equal rights. (Offered: Every Spring)
Prereq: ENG 090 and ENG 094 (COL 090), or satisfactory placement test scores

HIS 129 Introduction to Modern Africa * 3 cr
A survey of geography, climate, and the diverse ethnic and cultural groups of the continent. After a brief outline of pre-European civilizations, concentration is on Africa's history from the period of European colonization to the present. Current political, social, and economic conditions are highlighted. (Offered: Every Fall)
Prereq: ENG 090 and ENG 094 (COL 090), or satisfactory placement test scores

HIS 131 Women in American History * 3 cr
A survey of women's roles in American history emphasizing the social history of unknown as well as famous women of diverse ethnic and class backgrounds who helped shape life and culture in America from the Colonial period through the Revolutionary era, the Frontier movement, 19th Century political activism and urbanization, and the 20th century through reform movements and the global community. (Offered: Every Fall, Every Spring)
Prereq: ENG 090 and ENG 094 (COL 090), or satisfactory placement test scores

HUMAN DEVELOPMENT

HUD 112 Assertiveness Training 1 cr
Skills training in behavior which allows individuals to express their own opinions, feelings, needs, and preferences, without unnecessary anxiety and in a way that is not threatening to others. (Offered: Periodically)
Prereq: None

HUD 114 College Success 3 cr
Designed to assist incoming students make a successful transition from high school, home, or the workplace to college. Adopts a seminar approach requiring students to use a textbook, listen to lectures, participate in discussions, and complete a variety of written and oral assignments. Adjustment and transition issues-academic, career, and interpersonal-are addressed in a structured, content-based curriculum, flexible enough to promote the exploration and resolution of individual concerns. (Offered: Every Fall, Every Spring)
Prereq: None

HUD 117 Managing Stress 2 cr
Designed to transmit basic information about how stress works to help students isolate their own stress responses, and to help them find appropriate stress reduction techniques within a lab setting. (Offered: Every Fall, Every Spring)
Prereq: None

HUD 122 Practicum in Governance 1 cr
An opportunity for students to participate in group problem solving and decision making within the context of Greenfield Community College's governance structure. This practicum introduces the student to several skills including organizing and conducting a meeting, communicating within a group, understanding the roles of group members, handling conflict, and presenting group decisions to outside constituents. NOTE: Students receive one credit per semester upon successful completion of the course. Students may repeat this course two times, for a maximum total of three credits. GCC waives tuition and fees for this course. (Offered: Every Fall, Every Spring)
Prereq: Must be currently enrolled in GCC, must have completed one academic semester at GCC, and must be appointed in the manner required by the GCC Assembly Bylaws.

HUMAN SERVICES

HSV 101 Introduction to Human Services 3 cr
A study of the human service field from historical, ecological, economic, political, and social perspectives. This course familiarizes students with the basic skills, strategies, and functions common to the field through readings, discussions, guest lectures, research, field trips, and service learning projects. (Offered: Every Fall)
Prereq: ENG 090 and ENG 094 (COL 090), or satisfactory placement test scores

HSV 115 The Helping Relationship 3 cr
Introduces students to the roles and responsibilities of a helping relationship and the interpersonal skills needed to be an effective human services worker. The course includes development of self-awareness, the professional helper role, ethical considerations, and diversity issues in the helping profession. (Offered: Every Fall)
Prereq: ENG 101, 103, or 105 (or concurrent enrollment); and PSY 101 (or concurrent enrollment); and HSV 101 (or concurrent enrollment)

HSV 121 Aging: An Interdisciplinary Approach * 3 cr
An introduction to the study of aging in contemporary society from an interdisciplinary perspective. Topics include cultural, physiological, economic, psychological, sociological and public policy aspects of aging. Students survey career opportunities in human service settings. (Offered: Periodically)
Prereq: ENG 090 and ENG 094 (COL 090), or satisfactory placement test scores

HSV 141 Chemical Dependency: Understanding Drug Use 3 cr
An examination of the nature of substance abuse and chemical dependency in society today. Topics studied include: commonly abused substances and their effects; physical symptoms and behavioral signs of substance abuse; stages of dependency; factors which influence chemical dependency; and personal and social influences. (Offered: Periodically)
Prereq: PSY 101 or concurrent enrollment
HSV 205  Case Management Practices  3 cr
A survey of case management practices and contemporary human service interventions used in the field of human services. This course teaches case management skills, introduces students to the use and effectiveness of intervention and includes, but is not limited to, crisis intervention, group work, cognitive behavioral treatment, legal interventions, advocacy and alternative treatments. (Offered: Every Fall)
Prereq: ENG 101, 103, or 105 or concurrent enrollment; PSY 101 or concurrent enrollment; HSV 115 or concurrent enrollment

HSV 215  Counseling Skills  3 cr
Students move from theoretical understanding of the helping relationship to practical application as they practice interviewing, counseling, and referral processes. Specialized counseling skills such as crisis intervention introduced. Extensive demonstration and role play utilizing audio and video tapes. Students witness clinical supervision as they practice peer supervision. (Offered: Every Spring)
Prereq: HSV 115

HSV 271  Practicum in Human Services  4 cr
Provides students with field work in competency training and skill building through directed, closely-supervised involvement in a human service agency. Students practice their acquired skills through professionally supervised individual and/or group focused involvement. In addition to the fieldwork, students meet each week for two hours to discuss practicum experiences. (Offered: Every Spring)
Prereq: HSV 215 (or concurrent enrollment)

HUMANITIES

HUM 108  Introduction to Topics in Humanities  3 cr
A one-semester course concentrating on a specific topic or period in the humanities (art, dance, geography, history, language, literature, music, philosophy, and theater). Students learn about the disciplines of the humanities that influence and are influenced by culture, and how the interplay of passion and creativity combine to give meaning and identity to perspectives of society. Topics or major themes are announced each semester. (Offered: Periodically)
Prereq: ENG 090 and ENG 094 (COL 090), or satisfactory placement test scores, or concurrent enrollment

HUM 110  Media Literacy: The World of Advertising  1 cr
An examination and discussion of print, audio, and electronic advertising in our society. This course develops critical thinking and critical writing skills through the analysis of various forms of advertising media. The topics for discussion may include gender, ethnicity, race, class, and politics. (Offered: Every Fall, Every Spring)
Prereq: None

HUM 119  Women in the Pioneer Valley  3 cr
Through historical and literary readings and original research, students explore the experience of women of the Pioneer Valley. Letters, diaries, journals, oral histories, fictional works, and other similar sources examined. (Offered: Every Fall)
Prereq: ENG 090 and ENG 094 (COL 090), or satisfactory placement test scores

HUM 150  The Lively Arts  3 cr
Provides experience in the performing and visual arts through attendance at Fine Arts Center Performing Arts Series concerts of music and dance at the University of Massachusetts and guided visits to university gallery exhibitions of sculpture, photography, and drawings. Guest faculty present weekly lectures about the structure and history of music, dance, and visual arts. Discussion sections help students understand and apply information from weekly assignments, lectures, exhibitions, and concerts. Free tickets provided. (Offered: Every Fall, Every Spring)
Prereq: ENG 090 and ENG 094 (COL 090), or satisfactory placement test scores

HUM 153  Media and Popular Culture  3 cr
Discussion and critique of photographs, film, and video from the Depression to the present. Analyses of the influences of mass-media images on popular culture. Focus is on developing visual literacy and critical thinking. (Offered: Every Summer)
Prereq: ENG 101, 103, or 105

INTERDISCIPLINARY STUDIES

IDS 108  Mathematics for Medical Dosage Calculations  3 cr
Introduces math topics used in allied health fields. Students develop basic math skills and problem solving strategies necessary to perform medication dose calculations accurately. Topics include the four main methods of dosage calculations; standard forms of measurement and conversions; and the basic language of pharmacology necessary for interpretation of medication orders and labels. Students may use a web-based course management system, such as Blackboard, as a learning resource tool. NOTE: Students may receive credit for IDS 110 or IDS 108, but not for both. (Offered: Every Spring)
Prereq: MAT 095 (MAT 105) or a score of 67 or higher on the Arithmetic Placement test and a score of 61 or higher on the Algebra placement test; ENG 090 and ENG 094 (COL 090), or satisfactory placement test scores.

LATIN

LAT 101  Elementary Latin I  4 cr
Fundamentals of the Latin language. Students learn Latin vocabulary, syntax, and grammar and then translate Latin into polished English and vice-versa. Students use Latin orally and listen to and write Latin as a part of the language learning process. (Offered: Every Fall)
Prereq: None

LAT 102  Elementary Latin II  4 cr
Fundamentals of the Latin language. Students continue to learn Latin vocabulary, syntax, and grammar and then translate Latin into polished English and vice-versa. Students use Latin orally and listen to and write Latin as a part of the language learning process. (Offered: Every Spring)
Prereq: LAT 101 or equivalent

LEISURE EDUCATION

LED 156  Principles of Weight Training  1 cr
Covers the basic training principles involved in the development of muscle strength and endurance. Includes guidelines concerning isometric, isotonic, and isokinetic progressive resistance exercises. The value of muscle strength and endurance as a lifetime physical fitness goal emphasized. (Offered: Every Fall, Every Spring)
Prereq: None

LED 157  Personal Fitness Training  1 cr
To help students at all fitness levels learn safe and proper exercise techniques and the importance of nutrition to promote a healthy lifestyle. The course introduces a circuit of calisthenic and dynamic movements for a whole body workout that includes strength and cardiovascular endurance. Participants progress at their own pace through the course activities. NOTE: This course may be repeated three times for credit. Students may not earn more than four credits combined for LED 157 and LED 158. Special Requirement: Students participate in movement every class. Specific footwear and clothing requirements will be discussed in the first class session, or students may email the instructor prior to class for further information. (Offered: Every Fall, Every Spring)
Prereq: None

LED 161  Golf  1 cr
Designed for beginners interested in the basic skills of recreational golf. Students advance at their own pace. Topics include golf rules and etiquette. Students participate in field trips. (Offered: Every Spring)
Prereq: None

LED 162  Principles of Weight Training II  1 cr
Builds upon LED 156 Principles of Weight Training and incorporates weight training and other various exercises to create sound strategies and practices for improving fitness. (Offered: Every Fall, Every Spring)
Prereq: LED 156 or permission of instructor
Credit Courses

LED 167 Introductory Tae Kwon Do I (Karate) 1 cr
A basic introduction to the Korean martial art of Tae Kwon Do-Moo Duk Kwan as it has evolved from its origins in Tae Kyun in approximately 57 BC. Emphasis is on familiarization with some Korean language, stretching exercises, calisthenics, punching, blocking, and kicking techniques, practical self-defense, hyung patterns of movement and exposure to some of the philosophical underpinnings of Tae Kwon Do. (Offered: Every Fall, Every Spring)
Prereq: None

LED 168 Introductory Tae Kwon Do II (Karate) 1 cr
Intermediate level skills and techniques of the Korean martial art of Tae Kwon Do-Moo Duk Kwan as it has evolved from its origins in Tae Kyun in approximately 57 BC. The emphasis is on familiarization with some Korean language, stretching exercises, calisthenics, punching, block, and kicking techniques, practical self-defense, hyung patterns of movement and exposure to some of the philosophical underpinnings of Tae Kwon Do. (Offered: Every Fall, Every Spring)
Prereq: LED 167 or permission of instructor

LED 170 Gentle Yoga 1 cr
Introduces students to gentle yoga practice with an emphasis on stress reduction and body awareness. Each session includes gentle movement warm-up and a series of gentle yoga postures, breath awareness, guided relaxation and meditation. Students gain sufficient practical knowledge to sustain independent yoga practice. (Offered: Every Fall, Every Spring)
Prereq: None

LED 171 Yoga 1 cr
An introduction to Hatha Yoga practice. Students learn classical yoga postures such as standing poses, backbends, forward bends, hip openers, balances, inversions and restorative poses. Students study alignment principles of Yoga and incorporate basic philosophy, meditation and deep relaxation into each class for a well-rounded, active and enjoyable practice. The course follows a sequential flow building knowledge and skills from week to week. Students gain sufficient practical knowledge to sustain independent yoga practice. (Offered: Every Fall, Every Spring)
Prereq: None

LED 172 Self-Defense for Women 2 cr
Introduces physical and psychological skills necessary for self-defense. Involves learning the use of various parts of the body as weapons. Examines techniques of awareness necessary for prevention. Through meditation, discussion, and writing exercises, students learn to realize and overcome women’s psychological blocks to their own defense. (Offered: Every Fall, Every Spring)
Prereq: For women only

MAT 094 Preparatory Course for Algebra 3 cr
A preparatory course for Introductory Algebra, MAT 095 (105). This course is for students with a working knowledge of arithmetic who have never had algebra before or who would benefit from a slower introduction to algebra. Students study many of the topics covered in Introductory Algebra but at a significantly more elementary level and at a slower pace. Topics include the concept of a variable, negative numbers, numeric and algebraic expressions, linear equations in one variable, positive exponents and square roots, and an introduction to graphing of equations in two variables. Students work with applications to help them understand and connect algebraic concepts to real world situations. NOTE: This course may not be used to fulfill degree or certificate requirements. A grade of C minus or higher is required to pass this course (Ds are not awarded). (Offered: Every Fall, Every Spring)
Prereq: MAT 090 or a score of 67 or higher on the Arithmetic placement test; ENG 094 (COL 090) or satisfactory placement test score or concurrent enrollment. Placement tests are used only for initial course placement; see catalog for details. Recomm: If you've never been successful in or it has been decades since you studied introductory algebra or if you received a C or C- in MAT 090, then consider taking MAT 094 before taking MAT 095.

MAT 095 Introductory Algebra 3 cr
An introductory algebra course that assumes a working knowledge of basic arithmetic skills. Students study topics that include the concept of a variable, negative numbers, properties of real numbers, numeric and algebraic expressions, linear equations and inequalities in one variable including their graphic representations, ratio and proportion, quadratic equations (with no linear term) in one variable, integer exponents (including scientific notation) and graphing of two-variable equations (by plotting points). Students work with applications throughout the course to help them understand and connect algebraic concepts to real world situations. NOTE: This course may not be used to fulfill degree or certificate requirements. A grade of C minus or higher is required to pass this course (Ds are not awarded). (Offered: Every Fall, Spring & Summer)
Prereq: MAT 090 or a score of 67 or higher on the Arithmetic placement test; ENG 094 (COL 090) or satisfactory placement test score or concurrent enrollment. Placement tests are used only for initial course placement; see catalog for details. Recomm: If you've never been successful in or it has been decades since you studied introductory algebra or if you received a C or C- in MAT 090, then consider taking MAT 094 before taking MAT 095.

MAT 096 Intermediate Algebra 4 cr
Develops algebraic skills and a conceptual understanding of algebraic topics, and focuses on the relationship between algebraic, graphical, and numeric approaches to solving problems. Students study topics that include linear equations and systems of equations, methods for solving problems, radicals and radical equations, quadratic equations and the quadratic formula, rational exponents and rational expressions. The course places emphasis on graphing in the Cartesian coordinate system with particular stress on graphing linear equations and systems of equations. Students work at times with calculators and/or computers. NOTE: This course may not be used to fulfill degree or certificate requirements. A grade of C minus or higher is required to pass this course (Ds are not awarded). (Offered: Every Fall, Spring & Summer)
Prereq: MAT 095 (MAT 105) or a score of 67 or higher on the Arithmetic placement test and a score of 61 or higher on the Algebra placement test; ENG 090 or satisfactory placement test score, or concurrent enrollment; ENG 094 (COL 090) or satisfactory placement test score. Placement tests are used only for initial course placement; see catalog for details.

MATHEMATICS

MAT 090 Basic Mathematics Skills 3 cr
Useful as a foundation for math and math related courses, for developing quantitative job skills, or as a refresher. Students use a variety of materials and problem-solving techniques to deepen their understanding of basic arithmetic operations, whole numbers, fractions, decimals, ratios, rates, proportions, and percents. Students analyze problems and arrive at solutions using the techniques of mathematical reasoning. The course emphasizes mathematical discovery and addresses study skills for math. NOTE: This course may not be used to fulfill degree or certificate requirements. A grade of C minus or higher is required to pass this course (Ds are not awarded). (Offered: Every Fall, Spring & Summer)
Prereq: None
MAT 107 College Algebra 4 cr
The study of functions. This course is a gateway to the study of higher level mathematics and a useful preparation for courses with quantitative content. Students investigate the principles, properties, and applications of several common types of functions from numerical, algebraic, and graphical perspectives and use these functions to model real-world problems. Principle types include polynomial, rational, composite, and inverse functions. The course also introduces exponential and logarithmic functions and briefly examines absolute value, root, step, and piecewise functions. Students use graphing calculators extensively. (Offered: Every Fall, Spring & Summer)
Prereq: MAT 096 (MAT 106); or a score of 67 or higher on the Arithmetic placement test and a score of 91 or higher on the Algebra placement test; ENG 090 and ENG 094 (COL 090), or satisfactory placement test scores. Placement tests are used only for initial course placement; see catalog for details.

MAT 108 Precalculus 4 cr
A preparation for MAT 201 and the physical sciences. Students study principles, properties, and applications of functions and their graphs. They revisit functions introduced in MAT 107 and expand their knowledge of them. The course focuses heavily on circular trigonometric functions and introduces conic sections. Laboratory activities place particular emphasis on the use of functions to model real problems. Computers and/or graphing calculators are used to enhance the study of mathematics. (Offered: Every Spring & Summer)
Prereq: A grade of C- or better in MAT 107 or a score of 71 or higher on the College Level Math placement test; ENG 090 and ENG 094 (COL 090), or satisfactory placement test scores. Placement tests are used only for initial course placement; see catalog for details.

MAT 114 Introduction to Statistics 4 cr
An introduction to statistics that teaches broadly relevant concepts. Topics include but are not limited to graphical and numerical methods for summarizing data; linear regression and correlation; normal probability distributions; confidence intervals; statistical inference and hypothesis testing. Laboratory activities emphasize the analysis of real world data. Students use computer software to enhance the study of mathematics. (Offered: Every Fall, Every Spring)
Prereq: MAT 096 (MAT 106) or a score of 67 or higher on the Arithmetic placement test and a score of 91 or higher on the Algebra placement test; ENG 090 and ENG 094 (COL 090), or satisfactory placement test scores. Placement tests are used only for initial course placement; see catalog for details.

MAT 116 Mathematics for Early Childhood and Elementary Educators 4 cr
Provides prospective early childhood and elementary teachers with a mathematical foundation designed to support their future work teaching mathematics. Students build on their mathematical understanding, enhance their comprehension of the mathematical/problem solving process, develop their confidence in exploring mathematical concepts, and communicate that understanding to others. Students do college level mathematics in the context of the following topics with particular emphasis on the first one: Number sense and Operations; Geometry and Measurement; and Patterns, Relations and Algebra. Students become conversant with the National Council of Teachers of Mathematics Principles and Standards for School Mathematics and with the Massachusetts Department of Education Mathematics Curriculum Frameworks, especially as those documents pertain to the level at which the student intends to teach. (Offered: Every Spring)
Prereq: MAT 095 (MAT 105) or a score of 67 or higher on the Arithmetic placement test and a score of 72 or higher on the Algebra placement test; must be an Early Childhood Education or Liberal Arts/Education Option major or have permission from a full-time math or education faculty person; ENG 090 and ENG 094 (COL 090), or satisfactory placement test scores. Placement tests are used only for initial course placement; see catalog for details.

MAT 117 Mathematical Problem Solving 3 cr
Provides students in the liberal arts with a foundation to mathematical reasoning and quantitative skills in decision making processes. Students focus on ideas rather than techniques as they implement problem solving strategies. The course introduces students to topics that might include, but are not limited to mathematical modeling, graph theory, the mathematics of social choice, growth and symmetry, descriptive statistics, and probability. (Offered: Every Fall, Spring & Summer)
Prereq: MAT 095 (MAT 105) or a score of 67 or higher on the Arithmetic placement test and a score of 72 or higher on the Algebra placement test; ENG 090 and ENG 094 (COL 090), or satisfactory placement test scores. Placement tests are used only for initial course placement; see catalog for details.

MAT 151 Applied Calculus I 4 cr
Provides a practical approach to the basic tools and methods of calculus. A brief review of polynomial, rational, exponential, and logarithmic functions is included in the course. Students study topics that include limits, the derivative, the definite integral, and the fundamental theorem of calculus. Students learn how to interpret derivatives and integrals in the context of calculus models and applications from many fields. (Offered: Every Fall, Every Spring)
Prereq: A grade of C- or better in MAT 107 or a score of 71 or higher on the College Level Math placement test; ENG 090 and ENG 094 (COL 090), or satisfactory placement test scores. Placement tests are used only for initial course placement; see catalog for details.

MAT 201 Calculus with Analytic Geometry I 4 cr
A second semester calculus course for students interested in mathematics, engineering, and the physical sciences. Students study topics that include limits, continuity, differentiation, antidifferentiation, the definite integral, and the fundamental theorem of calculus. Students work with applications throughout the course to help them understand and connect calculus concepts to real world situations. (Offered: Every Fall)
Prereq: A grade of C- or better in MAT 108 or a score of 103 or higher on the College Level Math placement test and approval from Math Dept.; ENG 090 and ENG 094 (COL 090), or satisfactory placement test scores. Placement tests are used only for initial course placement; see catalog for details.

MAT 202 Calculus with Analytic Geometry II 4 cr
A second semester calculus course for students interested in mathematics, engineering, and the physical sciences. Students study topics that include graphical and numerical antidervatives, indefinite integrals, the fundamental theorems of calculus, integration techniques, improper integrals, applications of the integral, sequences, series, convergence tests, power series, Taylor series, and differential equations. Students work with applications throughout the course to help them understand and connect calculus concepts to real world situations. (Offered: Every Spring)
Prereq: A grade of C- or better in MAT 201; ENG 090 or ENG 094 (COL 090), or satisfactory placement test scores.

MAT 203 Multivariate Calculus 4 cr
Theoretical and applied multivariate calculus for students interested in mathematics, engineering, and the physical sciences. The course assumes an understanding of single variable calculus. Topics include vectors, the dot and cross products, multiple representations of functions of several variables, the gradient and directional derivatives, first and second order partial derivatives with applications including Lagrange multipliers, iterated integrals, parameterization, vector fields, line integrals, and Green’s Theorem. (Offered: Every Fall)
Prereq: A grade of C- or better in MAT 202; ENG 090 and ENG 094 (COL 090), or satisfactory placement test scores.
MAC 101 Fundamentals of Medical Assisting 3 cr
An introduction to both the theory and practical skills necessary to assist the physician with clinical and administrative procedures. Students explore the role of the professional medical assistant, the health care team, the history of the profession, and credentialing requirements. Course topics include how to obtain patient histories, assist with the physical exam, interpret and report vital signs, collect specimens, and document procedures, as well as intercultural differences, the roles played by verbal and non-verbal communication, professional boundaries in the context of providing patient care and the impact of Law on health care. (Offered: Every Spring)
Prereq: ENG 090, ENG 094, MAT 090 or satisfactory placement test scores.

MAC 103 Medical Office Procedures 3 cr
An introduction to the procedures common to medical office work, including modern office technology; appointment scheduling, billing, insurance and collection, basic accounting, patient reception and processing, customer-service oriented communication, and the use of electronic medical record (EMR) systems. Course topics include managed care policies and procedures, third-party guidelines, patient care ethics, administrative laws such as HIPAA, and the developmental of interpersonal communication and organizational skills to work professionally in a medical office. (Offered: Every Fall)
Prereq: ENG 090, ENG 094, MAT 090 or satisfactory placement test scores;
Recomm: BIO 194, CS 140 or concurrent enrollment in CS 140

MAC 110 Introduction to Medical Terminology 3 cr
An introduction to the knowledge and clinical procedures performed by medical assistants, including sterilization, infectious agents and infection control, OSHA-required safety precautions, personal protective equipment (PPE), forms of asepsis, quality control of handling of microbiological specimens, use of CLIA (Clinical Laboratory Improvement Amendments)-waived tests, precautions taken with regard to body fluids, and the role of CDC in the healthcare setting. (Offered: Every Spring)
Prereq: ENG 090, ENG 094, MAT 090 or satisfactory placement test scores, BIO 194; Recomm: MOM 110, HSC 101, CS 140 or concurrent enrollment in HSC 101, CS 140

MAC 111 Pharmacology for Medical Assistants 2 cr
Provides an overview of the pharmacological language, symbols, and abbreviations used to interpret prescriptions, as well as the system of measurements and conversions used to calculate medication dosages. Students learn to prepare, verify and administer doses via oral and parenteral routes. Topics include drug classification, interactions, forms of medication, safety protocols, and the recording, interpretation and analysis of normative and abnormal lab test results. Students receive information appropriate to the Medical Assistant occupation regarding the most commonly prescribed drugs, compliance with drug regulations, quality control of prescription requests, and how to maintain professionalism when communicating with patients and healthcare professionals. (Offered: Every Spring)
Prereq: ENG 090, ENG 094, MAT 095 (MAT 105) or satisfactory placement test scores. For students currently enrolled in the MAC program or with permission of instructor; Recomm: BIO 194, CS 140 or concurrent enrollment in CS 140

MAC 271 Medical Assistant Practicum 4 cr
Provides students with fieldwork, competency training, and skill-building through directed and closely supervised participation in a mixed medical clinical and office setting. Students practice their acquired skills through professionally supervised individual- and/or group-focused opportunities for involvement. Students write weekly journal entries documenting and discussing the experience, followed by a final reflective paper at the end of the semester. In addition to the 160 hours of clinical practicum work, students meet for a total of 30 lab hours to develop professional writing and career skills - including a professional resume, a targeted cover letter, and a plan for personal career development. Special Requirements: Enrollment dependent upon instructor review of student’s workplace readiness. Work sites may require additional health information. Students are responsible for any costs of transportation to work site. (Offered: Every Spring)
Prereq: MAC 101, MAC 103 and MAC 105 or concurrent enrollment in MAC 101 and MAC 105

MOM 110 Introduction to Medical Terminology 3 cr
Provides students with a foundation to recognize medical terms using the four-word part approach of prefix, word root, suffix, and combining vowel. Students master terminology related to health care delivery, with an emphasis on improving written and oral communication skills. Medical terminology is applied through the use of pathology, case studies and medical histories. NOTE: Students may receive credit for MOM 110 or ADM 122, but not for both. (Offered: Every Fall, Every Spring)
Prereq: ENG 090 and ENG 094 (COL 090), or satisfactory placement test scores.

MOM 120 Introduction to Medical Coding 3 cr
An introduction to analyzing and classifying medical documents for reporting medical diagnostics, services and procedures by physicians according to current ICD-9-CM professional standards. Students learn specificity, completeness, and accuracy of coding procedures and techniques, and are introduced to ICD-10 coding system elements as they become available. NOTE: Students may receive credit for MOM 120 or ADM 222, but not for both. (Offered: Every Fall, Every Spring)
Prereq: ADM 122 or MOM 110 or permission of instructor

MOM 210 Medical Billing and Insurance 3 cr
An introduction to the concepts and processes for gathering, storing and reporting electronic and paper medical billing and insurance healthcare information. Topics include computerization of healthcare information, medical coding, computerized billing and patient care data analysis. Students learn the functions of a medical biller and how to apply the technical knowledge and skills acquired in this course to a healthcare setting. (Offered: Every Spring)
Prereq: ADM 222 or MOM 120 or permission of instructor
MOM 215 Health Information Systems 3 cr
Provides an in-depth study of health information systems. Topics include the history of health informatics in the US and current electronic health record standards. Students become familiar with software used in establishing, implementing and supporting electronic health record (EHR) systems. (Offered: Every Fall)
Prereq: CIS 140 and ADM 222 or MOM 120 or permission of instructor

MOM 230 Health Information Management 3 cr
A capstone course for managing health information for a healthcare setting. Topics include maintenance of medical records in electronic and traditional formats, best practices for medical and personal information management in a healthcare setting, and current State and Federal privacy and protection rules and regulations for the management of health information. (Offered: Every Spring)
Prereq: MOM 210 and MOM 215, or permission of instructor

MUSIC

MUS 101 An Introduction to Music 3 cr
A survey of musical styles from the Baroque era into the 20th century. Musical forms, elements of music, the orchestra, and great composers are discussed in conjunction with critical listening of recorded examples and live performances. (Offered: Periodically)
Prereq: ENG 090 and ENG 094 (COL 090), or satisfactory placement test scores

MUS 102 Jazz Eras and Styles * 3 cr
A survey of the evolution of jazz both from an historical and stylistic perspective. The styles illustrated include the origins of jazz from slave songs, marching band, and ragtime through New Orleans, Swing, and Modern Jazz, including the Avant-garde and Rock eras. The teaching methods focus on developing a discerning ear to better understand the different jazz eras and the unique characteristics of each jazz style. (Offered: Periodically)
Prereq: ENG 090 and ENG 094 (COL 090), or satisfactory placement test scores

MUS 103 Music Theory Fundamentals 3 cr
Introductory music theory for students with little or no musical background. The course covers reading and writing notation, scales, melodic composition, and other elementary theoretical concepts. (Offered: Every Fall, Every Spring)
Prereq: ENG 090 and ENG 094 (COL 090), or satisfactory placement test scores

MUS 104 Jazz and Pop Chorus 2 cr
A performing vocal ensemble focusing on jazz and popular music choral repertoire. Students rehearse selections from various periods and styles with piano or band accompaniment. The group performs at least two public concerts each semester. The course is open to all students and previous choral experience is not required. NOTE: Students may repeat this course three times for a maximum of 8 credits. (Offered: Every Fall, Every Spring)
Prereq: None

MUS 105 Music Theory I 3 cr
Basic chordal structures, voice leading, inversions, figured bass, harmonic progressions, and non-harmonic tones. Harmonic analysis of great composers’ works. Keyboard harmony and ear training. (Offered: Every Spring)
Prereq: MUS 103 or permission of instructor

MUS 106 Music Theory II 3 cr
Dominant seventh and extended chords in root position and inversions. Modulation to closely related keys. Harmonic analysis of great composers’ works. Keyboard harmony and ear training. (Offered: Every Fall)
Prereq: MUS 107 or permission of instructor

MUS 111 Chorus 2 cr
An exploration of vocal technique and choral repertoire. Students prepare selections from the various style periods for public performance. The course is open to all students. NOTE: Students may repeat this course three times for a maximum of 8 credits. (Offered: Every Fall, Every Spring)
Prereq: None

MUS 122 Jazz Theory: Tools for Improvisation 3 cr
An overview of the practical fundamentals of jazz theory for the beginning improviser. Students investigate chords, scales, and song forms common to the jazz idiom. Students listen and analyze recorded examples of jazz masters such as Miles Davis, John Coltrane, and others in order to enhance the student theory work and improvisation. (Offered: Periodically)
Prereq: Completion of MUS 103 or permission of instructor. Recmm: Concurrent enrollment with MUS 125 jazz Ensemble

MUS 125 Jazz Ensemble 2 cr
Allows students to rehearse and perform in a variety of jazz styles including “Blues,” “Swing,” “Bebop,” and “Latin.” The course stresses improvisational skills as well as ensemble expertise. Two informal presentations and a final “Gala” concert complete the course. (Offered: Every Fall, Every Spring)
Prereq: Permission of instructor

MUS 127 20th Century American Popular Music 3 cr
A cultural overview of popular music in 20th century American society with emphasis on rock, folk, pop, and world fusion styles. The course examines how music technology, commercialism, and cultural diversity have influenced the development of musical styles and practices unique to American life. (Offered: Periodically)
Prereq: ENG 090 and ENG 094 (COL 090), or satisfactory placement test scores

MUS 128 World Music Ensemble 2 cr
A performing ensemble devoted to non-Western musical traditions and practices. The course emphasizes different traditions and instrumentation according to faculty interests and student enrollment each semester. Areas of concentration may include African, South American, Asian, Caribbean, Latin American, and North American influenced combinations of traditional and popular styles. Players of all instruments are welcome to join. Frequently the class requires no previous musical experience, such as semesters when African hand-drumming is the emphasis. The ensemble performs publicly twice each semester. (Offered: Every Fall, Every Spring)
Prereq: Permission of instructor or program coordinator

MUS 129 Chamber Ensemble 2 cr
An instrumental music ensemble performing western European classical repertoire for small groups. The class features works from various periods, composed or adapted for trios, quartets, and other small groups of varied instrumentation. No prior ensemble experience is required. The ensemble performs publicly twice each semester. (Offered: Every Fall, Every Spring)
Prereq: Permission of instructor or Program Coordinator; basic music reading ability; basic proficiency on an instrument

MUS 137 World Music and Cultures * 3 cr
A survey of music and culture including Native North America, Latin America, Black America, West and South Africa, the Mideast, India, Japan, and Eastern Europe. The course emphasizes strategies for understanding and listening to all kinds of music. Students do local cultural fieldwork projects and have the opportunity to produce field recordings as part of their final research project. (Offered: Periodically)
Prereq: ENG 090 and ENG 094 (COL 090), or satisfactory placement test scores
Credit Courses

MUS 138 Creative Musicianship 1 cr
An examination of a broad range of topics related to serious music study. The instructor leads cooperative class investigation into areas such as creation expression through free improvisation, preparing for auditions and performances, breaking creative blocks, responding to performance anxiety, adopting stretches/exercises, exploring career paths, making demos, and booking gigs. NOTE: Students may repeat this course once for a maximum of 2 credits. (Offered: Every Fall, Every Spring)

PreReq: Concurrent enrollment in 2 credit Applied Music Lessons. Non-music majors need permission of instructor

MUS 139 Contemporary Music Ensemble 2 cr
An ensemble that performs modern musical styles of rock, pop, folk, rock, and rhythm and blues. In addition, the ensemble creates original works and explores post-1945 avant-garde musical styles that have influenced popular music since the 1960s. Students should expect to practice and develop skills for reading music and playing by ear. The ensemble performs publicly twice each semester. NOTE: Students may repeat this course three times for a maximum of 8 credits. (Offered: Every Fall, Every Spring)

PreReq: Permission of instructor or Program Coordinator; basic instrumental or vocal proficiency; the ability to read and play chord changes

MUS 140 Vocal Jazz Ensemble 2 cr
An ensemble-based study of vocal jazz for singers and instrumentalists. Beginning and intermediate singers learn jazz standard repertoire, stylistic techniques, and performance elements of singing with rhythm section accompaniment. Advanced instrumental students in the group learn and practice the art of accompanying singers in a vocal jazz combo context. Students perform publicly twice each semester. NOTE: Students may repeat this course three times for a maximum of 8 credits. Special Requirement: Vocalists need basic vocal proficiency; instrumentalists need advanced proficiency. (Offered: Periodically)

PreReq: All students need permission of instructor or Department Chair

MUS 147 Aural Skills I 1 cr
A practice lab in which students develop music listening and reading skills. This course emphasizes practical applications including ear training, sight singing, transcription, dictation, and conducting. (Offered: Every Spring)

PreReq: MUS 103 or permission of instructor; concurrent enrollment in MUS 107

MUS 148 Aural Skills II 1 cr
A continuation of MUS 147, Aural Skills I. (Offered: Every Fall)

PreReq: MUS 147 or permission of instructor; concurrent enrollment in MUS 108

MUS 149 Wind Ensemble 2 cr
An instrumental wind ensemble performing a variety of styles encompassing classical, swing, Broadway show tunes, and jazz. The course emphasizes technique of phrasing, breathing together, intonation, and style development in group playing. The director arranges ensemble music for trios, quartets, quintets or larger groups. The ensemble performs publicly twice each semester. No previous ensemble experience is necessary. NOTE: Students may repeat this course three times for a maximum of 8 credits. (Offered: Every Fall, Every Spring)

PreReq: Basic instrumental proficiency; ability to read music

MUS 150 African Percussion Ensemble * 2 cr
A course in African and African diaspora drumming and percussion genres from around the world. Students learn traditional rhythms and improvisational techniques on various instruments including ashiiko drums, conga drums, West African balaphon, bells, rattles, and shakers. Classes focus on rehearsing techniques, group interaction, and traditional repertoire from various world music cultures. The ensemble performs in concert at least twice at the end of each semester. The variety of instruments and instrumental roles allows both experienced and beginner students to join at any time. NOTE: Students may repeat this course three times for a maximum of 8 credits. (Offered: Every Fall, Every Spring)

PreReq: None

MUS 207 Music Theory III 3 cr
An in-depth examination of musical structures to further develop skills for written exercises, four-part harmonic analysis, and basic keyboard harmony skills (scales and cadences). The course includes computer-lab time using software for music writing. (Offered: Periodically)

PreReq: MUS 107, MUS 108 or permission of instructor

MUS 208 Jazz Improvisation 3 cr
A beginning level course open to all instrumentalists and vocalists. This course serves as a stepping stone to the GCC Jazz Ensemble or other intermediate jazz groups. The class combines theoretical study and applied practice as means to explore harmony, rhythm, modes, scales, and the subtleties of musical conversation. One or two small jazz combos develop from within the class and provide the context for group practice. (Offered: Every Fall, Every Spring)

PreReq: MUS 103 or permission of instructor; basic music reading skills; basic instrumental proficiency

MUS 220 Songwriting 3 cr
A practical exploration of techniques for writing songs in various classic genres including the music of George Gershwin, Chuck Berry, the Beatles, Bob Dylan, Joni Mitchell, Ani DiFranco, and others. The course ties together aspects of music theory, music history, improvisation, collaboration, composition, and performance. The course also covers songwriting industry topics such as recording production and copyright law. (Offered: Periodically)

PreReq: MUS 103 or permission of instructor or Program Coordinator; basic proficiency in chordal accompaniment on guitar or piano

MUS 221 Audio Recording and Production I 3 cr
Introduces students to basic practices in computer-based audio recording, editing, and mixing. The course teaches students how to use Pro Tools software and hardware interfaces to make multi-track recordings. The course also introduces students to the role of the music producer. (Offered: Every Fall, Every Spring)

PreReq: MUS 103 or permission of instructor

MUS 247 Aural Skills III 1 cr
A continuation of MUS 148, Aural Skills II. (Offered: Periodically)

PreReq: MUS 148 or permission of instructor; concurrent enrollment in MUS 207
APPLIED MUSIC

Individual instruction on a wide variety of western instruments, as well as some non-western instruments. Individual instruction is also available for music technology and computers (i.e., midi/computer notation), but not as a primary instrument for music majors. These are college-level, letter-graded courses that require student commitment to study and practice. MUS 130 is a 1-credit course in which students and instructors meet for one-half hour per week. MUS 230 is a 2-credit course in which students and instructors meet for one hour per week. The music department assigns instructors to students prior to or during the first week of each semester. Students intending to take lessons should contact the music program coordinator at (413) 775-1228 prior to or not later than the first week of classes each semester. A studio instructor fee is charged for lessons and is non-refundable after the college deadline. Lesson fees are covered by financial aid like any other course fees. Students interested in music and technology may consider attending periodic music keyboard/computer tutoring sessions in the Mac lab. The music department also offers a variety of workshops and master classes on a quarterly basis. Questions regarding music faculty and lessons should be addressed to the GCC Music Department Coordinator at (413) 775-1228. Questions regarding registration, payment or refund of fees, or course withdrawal should be addressed to the Registrar’s Office at Student Services, (413) 775-1801.

MUS 130 Applied Music 1 cr

Individual music lessons open to all students of any level or interest. Lessons meet for one-half hour per week. Students and instructors arrange regular meeting times on an individual basis. NOTE: There is a charge for a studio instructor fee in addition to tuition. Students may repeat this course without limit. See college course catalog for details. Students can register for one section per semester. (Offered: Every Fall, Every Spring)

PreReq: None

MUS 230 Applied Music 2 cr

Individual music lessons open to all students of any level or interest. Lessons meet for one hour per week. Students and instructors arrange regular meeting times on an individual basis. Music majors must take MUS 230 on a primary instrument for four semesters. NOTE: There is a charge for a studio instructor fee in addition to tuition. Students may repeat this course without limit. See college course catalog for details. Students can register for only one section per semester. (Offered: Every Fall, Every Spring)

PreReq: None. Recomm: concurrent enrollment in MUS 230

MUS 231 Recital Participation 0 cr

Fulfills one-fourth of recital attendance and performance requirement for music majors. Students must attend and perform in student recital events scheduled for the end of the semester. With direction from applied music instructors and the Music Program Coordinator, students are expected to prepare and perform one or more musical pieces in solo, duo, or group settings. NOTE: Students may repeat this course without limit. (Offered: Every Fall, Every Spring)

PreReq: Non-music majors need permission of Music Program Coordinator; concurrent enrollment in MUS 230 for music majors

NURSING

NUR 101 Fundamentals of Nursing 8 cr

Provides a fundamental understanding of nursing. The course introduces the concepts of the curriculum framework: cultural proficiencies, professional development, communication, collaboration, clinical reasoning and client-centered care. The nursing process, a scientific method of assessing, planning and evaluating a client’s health status is the foundation of practice. The use of Gordon's functional health patterns guides the student to fully assess the client in a variety of settings. The course introduces the student to acquisition of interviewing and physical assessment skills to guide students to provide basic nursing care to the geriatric population. Service learning projects integrate concepts and skills in health promotion activities in supervised community settings. (Offered: Every Fall)

PreReq: Nursing Majors Only; ENG 101, 103, or 105 or concurrent enrollment in ENG 101, 103, or 105; BIO 195 and PSY 101 or concurrent enrollment in BIO 195 and PSY 101

NUR 103 Fundamentals of Practical Nursing 12 cr

Provides the basic principles of safe, caring and competent nursing care in classroom, laboratory, and structured health care settings. The course introduces the nursing process as a holistic, problem solving approach to studying physiological and psychosocial adaptations common to many health problems experienced across the lifespan. The course emphasizes nursing concepts such as cultural aspects of nursing care, health promotion, legal and ethical issues, documentation and role of the practical nurse. The course includes nursing skills and interventions including those related to nutrition, pharmacology, safety, infection control, wound care, surgery, mobility, aging, grief and therapeutic communication. (Offered: Every Fall)

PreReq: PNC majors only; BIO 194 or BIO 196 or concurrent enrollment; and PSY 101 or concurrent enrollment

NUR 105 Practical Nursing Practicum 2 cr

Provides direct application of all the basic principles learned in NUR 101, BIO 194 and PSY 101. The course emphasizes the application of nursing concepts, skills, interventions and therapeutic communication principles to the delivery of holistic nursing care in structured health care settings. (Offered: Every January)

PreReq: NUR 103; BIO 117 or BIO 194; PSY 101

NUR 106 Pediatric Nursing 4 cr

Introduces students to the uniqueness of pediatrics within our changing society. The course focuses on the care of the child through integration of theoretical principles and clinical experiences. Pediatric nursing emphasizes the ability to recognize normal growth and development and to identify deviations within the acute care and community setting. The course introduces each of the curriculum concepts as they relate to the pediatric client and family. The service learning component of the course focuses on health promotion activities as selected. (Offered: Every Spring)

PreReq: NUR 101 or NUR 111; BIO 196 or concurrent enrollment; SOC 101 or concurrent enrollment; PSY 217 or concurrent enrollment. Recomm: Concurrent enrollment in NUR 108

NUR 107 Nursing Care of Clients and Families 14 cr

Focuses on the role of the practical nurse in the delivery of basic therapeutic, restorative and preventive nursing care in structured health care settings. The course emphasizes clients and their families as holistic beings adapting to common, well-defined health problems. The student uses the nursing process as a framework to study physiological and psychosocial health problems as they affect clients of all ages. The course provides instruction on anatomy, physiology and pathophysiology; pathologic changes related to all ages; nursing assessment, diagnosis and intervention, diagnostic tests and procedures; common therapeutic measures and patient education. The course includes vocational trends and entry into practice issues. (Offered: Every Spring)

PreReq: NUR 105; PSY 217 or concurrent enrollment
NUR 108 Obstetric Nursing 4 cr
Focuses on the care of families during the childbearing experience, including pregnancy, labor, birth, and the initial postpartum and neonatal periods. Utilizing the nursing process, students provide care to new mothers and neonates, integrating curriculum concepts. Teaching and learning is emphasized and the course concludes with an overview of women's health issues. The service learning component focuses on health promotion activities in selected community settings. (Offered: Every Spring)
Prereq: NUR 101 or NUR 111; enrollment in PSY 217 or concurrent enrollment; BIO 196 or concurrent enrollment; SOC 101 or concurrent enrollment. Recomm: Concurrent enrollment in NUR 106

NUR 109 Advanced Concepts in Practical Nursing 5 cr
Continues to develop the knowledge and skills necessary for utilizing the nursing process through classroom and clinical experience to deliver holistic nursing care to individuals and their families as they adapt to common, well-defined health problems. Course topics include maternal, child and family nursing as well as leadership skills. The course emphasizes integration and application of all previous content in this final course of the curriculum with opportunities to practice supervision and delegation skills in the clinical area. (Offered: Every Spring)
Prereq: NUR 107; PSY 217

NUR 111 Introduction to Nursing Process 1 cr
Introduces the concept of the curriculum framework: cultural competence, professional development, communication, collaboration, clinical reasoning and client-centered care. The nursing process is introduced as the foundation of professional nursing practice. Provides licensed practical nurses with the opportunity to demonstrate assessment of client's health status through the use of Gordon's functional health patterns and physical assessment skills. Attention to the impact and process of the LPN to RN role transition. Service learning is introduced and focuses on a health promotion activity provided in the community setting. (Offered: Periodically)
Prereq: Advanced placement into the ADN program with successful score in Excelsior Fundamentals exam; ENG 101, 103, or 105; BIO 195; PSY 101

NUR 112 Introduction to Professional Nursing and the Nursing Process 2 cr
Introduces the concepts of the curriculum framework: cultural competence, professional development, communication, collaboration, clinical reasoning and client-centered care. Utilizing the nursing process as the foundation for professional nursing practice provides licensed practical nurse with the opportunity to demonstrate assessment of client health care status through the use of Gordon's functional health patterns and physical assessment skills. Nursing care planning for the client health care status through the use of Gordon's functional health patterns and physical assessment skills. Attention to the impact and process of the LPN to RN role transition. Service learning is introduced and focuses on a health promotion activity provided in the community setting. (Offered: Periodically)
Prereq: Advanced placement into the ADN program with successful score in Excelsior Fundamentals exam; ENG 101, 103, or 105; BIO 196; PSY 217; SOC 101

NUR 201 Medical-Surgical Nursing 1 8 cr
Provides a correlation between nursing theory and clinical practice by applying the concepts set forth in our curriculum framework. Guides student practice delivering complete individual care for 1-2 clients, utilizing the nursing process to form the basis for integration of evidence-based practice into the provision of care of the acutely ill, hospitalized client. The service learning component focuses on health promotion activities in selected community settings. (Offered: Every Fall)
Prereq: Both NUR 106 and NUR 108, or NUR 112; BIO 205 or concurrent enrollment in BIO 205. Recomm: Concurrent enrollment in NUR 203

NUR 202 Medical-Surgical Nursing II 9 cr
A continuation of NUR 201 with an additional focus on developing time management and leadership skills. The course emphasizes honing the prioritization of individual client needs, and the incorporation of delegation, supervision, and client advocacy into the professional nurse role. The course expands the teaching role of nurses to provide health promotion education to a selected community group. The service learning component focuses on health promotion activities in selected community groups. (Offered: Every Spring)
Prereq: NUR 201; NUR 203; ENG 112, 114, or 116 or concurrent enrollment; any 3- or 4-credit course coded AHS, ART, ASL, DAN, ENG, FLK, FRE, GGT, HIS, HUM, LAT, MUS, PCS, PHI, SPA, or THE (other than ENG 090, ENG 094 (COL 090), 101, 103, 105, 112, 114, 116) or concurrent enrollment. Recomm: Concurrent enrollment in NUR 204

NUR 203 Mental Health Nursing 4 cr
Provides a correlation between nursing theory and clinical practice by applying the concepts set forth in the curriculum framework. Focuses on mental health nursing principles in the formulation of a therapeutic approach to client care. Using the nursing process, the nurse facilitates and establishes a plan of care based on an understanding of the individual, group, and society. (Offered: Every Fall)
Prereq: Both NUR 106 and NUR 108, or NUR 112; BIO 205 or concurrent enrollment in BIO 205. Recomm: Concurrent enrollment in NUR 201

NUR 204 Trends and Issues in Nursing 3 cr
Focuses on the political, social, economic, and legal issues that influence the nursing profession and the delivery of health services throughout the community. The course introduces the history of nursing, professional organizations, educational and employment opportunities in nursing and provides a context for professional practice. Students participate in credentialing activities related to licensure and continuing education. (Offered: Every Spring)
Prereq: NUR 203. Recomm: Concurrent enrollment in NUR 202

OUTDOOR LEADERSHIP

OLP 111 Introduction to Outdoor Adventure Skills 4 cr
Develops technical skills in four adventure program areas: backcountry travel, paddling, rock climbing, and challenge course programming. Students observe, imitate, practice and adapt technical and facilitation skills. Students participate in local and extended field trips including a model canoe expedition. (Offered: Every Fall)
Prereq: OLP students only; ENG 090 and ENG 094 (COL 090), or satisfactory placement test scores; Wilderness First Responder certification.

OLP 112 Leadership and Group Management I 4 cr
Provides an introduction to outdoor leadership history, theories, and adventure concepts and foundations. Topics include interpersonal, intergroup and group relations models; core competencies for effective leadership and group dynamics; values and ethics in outdoor leadership. Students use OLP learning community as a laboratory group. Students develop professional portfolio. (Offered: Every Fall)
Prereq: OLP students only; ENG 090 and ENG 094 (COL 090), or satisfactory placement test scores; Wilderness First Responder certification.

OLP 116 Adventure Program Planning and Fieldwork 1 3 cr
Focuses on principles and methods of program development, risk management, and teaching strategies in the adventure recreation field. This course prepares students to plan, organize, conduct and evaluate supervised outdoor adventure programs. Students participate in field trips. (Offered: Every Fall)
Prereq: OLP students only; ENG 090 and ENG 094 (COL 090), or satisfactory placement test scores; Wilderness First Responder certification.
OLP 120 Wilderness Medical Preparedness and Rescue 2 cr
Develops student knowledge and skills in wilderness medical preparedness through core skills review and field simulations for land and water-based activities. Students participate in field trips. (Offered: Every Spring)
Prereq: OLP students only; ENG 090 and ENG 094 (COL 090) or satisfactory placement test scores; Wilderness First Responder certification.

OLP 124 Natural/Cultural History and Resource Management 2 cr
Provides an introduction to environmental studies. Topics include: ecological literacy, ethics, resource and land management and, Leave No Trace skills and Trainer certification, place-based natural and cultural history topics of the Northeast region. Students participate in field trips. (Offered: Every Fall)
Prereq: OLP students only; ENG 090 and ENG 094 (COL 090) or satisfactory placement test scores; Wilderness First Responder certification.

OLP 143 Backcountry Travel Instructor I 2 cr
Prepares students to become proficient in expedition planning, implementation and leadership of backcountry travel experiences. Students learn core competencies, design, and execute a backpacking expedition. Students participate in field trips. (Offered: Every Fall)
Prereq: OLP students only; ENG 090 and ENG 094 (COL 090) or satisfactory placement test scores; Wilderness First Responder certification.

OLP 146 Whitewater Kayaking 2 cr
Promotes an understanding of American Canoe Association (ACA) river kayaking. Topics include: moving and whitewater boat skills, strokes and maneuvers, paddling in a cold river environment, surfing and rolling, and river safety. This course progresses from flatwater review through moving and whitewater up to class II-III. Students participate in Advanced Swift Water Rescue training. Students participate in regional fieldtrips to area waterways. (Offered: Every Spring)
Prereq: OLP participants only; OLP 111, OLP 112 and OLP 120

OLP 147 Mountaineering and Ice Climbing 2 cr
Provides students with an introduction to the philosophy and principles of mountaineering and ice climbing in New England. Topics include: equipment selection and use, mountain travel, objective hazard evaluation, safety systems, snowflake climbing techniques, and climbing experiences. This course introduces AAUER competencies and curriculum for certification in avalanche awareness certificate. Students participate in local and regional field trips, including New Hampshire’s White Mountains. (Offered: Every Spring)
Prereq: OLP participants only; successful completion of OLP 111, OLP 120 and OLP 143

OLP 201 Individual Project in Outdoor Leadership I 1 cr
Introduces a student-directed learning project. Topics include: research and development of ideas and competencies related to student’s career goals, broadening understanding of the adventure industry, developing objectives, time-lines and learning outcomes for project to be completed and presented in OLP 202. (Offered: Every Fall)
Prereq: OLP participants only; ENG 090 and ENG 094 (COL 090) or satisfactory placement test scores; Wilderness First Responder certification.

OLP 202 Individual Project in Outdoor Leadership II 1 cr
Continuation of OLP 201. Students complete and present the final project involving a significant expedition planned, curriculum development, or business plan. Self, peer, and instructor assessment will focus on research, written and oral communications, and unique personal inquiry. (Offered: Every Spring)
Prereq: OLP participants only; OLP 201

OLP 205 Leadership and Group Management II 2 cr
Continuation of OLP 112. Students evaluate core competencies in outdoor leadership. Topics include: interpersonal relations skills, group development concepts, situational leadership, self-assessment, professional portfolio and job search, application and interview process. Students participate in fieldtrips. (Offered: Every Spring)
Prereq: OLP participants only; OLP 112

OLP 216 Adventure Program Planning and Fieldwork II 3 cr
Continuation of OLP 116. Topics include: managing logistics, organizing, conducting, and evaluating outdoor adventure education programs with diverse populations. Students refine their instructional and shared leadership abilities. Students participate in field trips. (Offered: Every Spring)
Prereq: OLP Participants only; OLP 111, OLP 112, OLP 116 and OLP 120

OLP 230 Rock Climbing Instructor 2 cr
Introduces the professional Climbing Instructors Association (PCIA) instructor competencies and curriculum for certification in institutional top rope rock climbing certification. Topics include: technical proficiency, selection of equipment, safety systems, site and group management, leadership and teaching approaches, curriculum development, and basic rock rescue. Students participate in local and regional fieldtrips, including Acadia National Park. (Offered: Every Spring)
Prereq: OLP participants only; OLP 111, OLP 112, OLP 116 and OLP 120

OLP 231 River Canoe Instructor 2 cr
Introduces American Canoe Association (ACA) instructor competencies and curriculum for certification in canoe touring and river canoe courses. Topics include hazard assessment and safety, technical knowledge and skills development, decision-making and judgment, instructional and leadership abilities in a river environment. This course progresses from flatwater review through moving and whitewater up to class II-III. Students participate in Advanced Swift Water Rescue training. Students participate in regional field trips to area waterways. (Offered: Every Spring)
Prereq: OLP participants only; OLP 111, OLP 112, OLP 116 and OLP 120

OLP 232 Nordic Ski Instructor 2 cr
Introduces Professional Ski Instructors of America (PSIA) competencies and curriculum for certification in Nordic Track and Skate and Nordic Downhill disciplines. Topics include beginner and intermediate cross-country track and ski touring skills, technical knowledge, decision-making and judgment, and instructional/leadership abilities in low to moderate elevation snow terrain. Students participate in regional fieldtrips. (Offered: Every Spring)
Prereq: OLP participants only; OLP 111, OLP 112 and OLP 120

OLP 234 Challenge Course Practitioner 2 cr
Introduces Association for Challenge Course Technology (ACCT) low and high ropes course competencies and curriculum for certification. Topics include: adventure foundations, facilitation and technical skills, risk management, program design, delivery and evaluation. Students participate in regional field trips. (Offered: Every Spring)
Prereq: OLP participants only; OLP 111, OLP 112 and OLP 120

OLP 238 Coastal Kayak Instructor 2 cr
Introduces American Canoe Association (ACA) instructor competencies and curriculum for certification in kayak touring and coastal kayaking courses. Topics include hazard assessment and safety, technical skills development, technical knowledge, decision-making and judgment, and instructional and leadership abilities in a coastal environment, including proficiency in rescues. Students participate in pool sessions. Students participate in local and regional fieldtrips, including mid-Maine Coast. (Offered: Every Spring)
Prereq: OLP participants only; OLP 111, OLP 112, OLP 116 and OLP 120
Credit Courses

OLP 239  Backcountry Travel Instructor II  2 cr
Continuation of OLP 143. Students design, execute and evaluate a winter backcountry ski and snowshoe expedition and demonstrate core competencies for effective leadership. Topics include: advanced planning, winter navigation, snow/ice terrain, sled travel, snow shelters, cold-weather food management, and wilderness medical considerations. Students participate in field trips, including Adirondack State Park. (Offered: Every Spring)
Prereq: OLP participants only; completion of OLP 143

PCS 141  Interpersonal Communication  3 cr
Provides an opportunity for students to increase their ability to communicate effectively in daily interactions through the study of basic interpersonal communication concepts and the practice of speaking, listening, and conflict resolution skills. Students identify and analyze current communication patterns as a step toward increasing interpersonal communication competence. (Offered: Every Fall, Every Spring)
Prereq: ENG 101, 103, or 105 or concurrent enrollment

PEACE AND SOCIAL JUSTICE

PSJ 101  Introduction to Peace Studies  3 cr
An interdisciplinary study of the concepts of peace and the interplay of cultural, ideological and environmental factors since the end of the Cold War. This course familiarizes students with the salient concepts of positive and negative peace, peacemaking and the principles of a culture of peace and sustainability. (Offered: Every Fall)
Prereq: ENG 090 and ENG 094 (COL 090), or satisfactory placement test scores; Recomm: Any 3-credit course coded ANT, ECO, EVS, HSV, POL, PSJ, PSY, or SOC

PSJ 120  Mediation and Conflict Resolution  3 cr
A study of the theories of conflict and conflict styles including how to define issues in mediation, reframing, neutrality and bias, and moving parties to mutually satisfactory resolution. Students explore the role of mediator as a neutral third-party who facilitates resolution which is designed by the parties based on their needs. Class includes simulated mediations and has a skills-based component. (Offered: Every Fall)
Prereq: ENG 101, 103 or 105

PSJ 225  Peacemaking and Sustainability in Practice: Strategies for a Sustainable Future  3 cr
An exploration of strategies for social change and creating an ecologically sustainable future. Students study the history of nonviolent and environmental movements and actions, the women and men who promote nonviolence and sustainability and under what cultural conditions social change occurs. The course gives special attention to the strategic significance of direct individual actions. Students complete a related service learning component in the form of a placement or action in the wider community. Special Requirement: Service Learning component of 21 hours is required. (Offered: Every Spring)
Prereq: PSJ 101 or EVS 101; Recomm: PSJ 101 and EVS 101

PERSONAL COMMUNICATION SKILLS

PCS 101  Public Speaking  3 cr
Principles of public speaking as communication, stressing the role of the speaker in the communication process. The course emphasizes the proper preparation and delivery of speeches. Each student delivers a minimum of five speeches and participates in small group activities. NOTE: Students may receive credit for PCS 101 or PCS 131, but not both. (Offered: Every Fall, Spring & Summer)
Prereq: ENG 101, 103, or 105 or concurrent enrollment

PCS 131  Intercultural Communication  3 cr
Principles of communication, stressing the role of culture as a key variable in the communication process. Students examine the way culture and its various components affect the way humans communicate verbally and nonverbally. Students complete oral communication projects in the form of speeches and group discussions on subjects that pertain to culture and communication. NOTE: Students may receive credit for PCS 101 or PCS 131, but not both. (Offered: Every Spring)
Prereq: ENG 101, 103, or 105 or concurrent enrollment

PHILOSOPHY

PHI 103  Introduction to Philosophy  3 cr
Introduction to the major, classical philosophical problems through a thematic approach. Emphasis on active, informal discussion of contemporary issues. (Offered: Every Fall, Every Spring)
Prereq: ENG 090 and ENG 094 (COL 090), or satisfactory placement test scores

PHI 104  Introduction to Ethics  3 cr
Introduces the philosophical, theological, and theoretical foundations of ethics. The course surveys the range of applications in contemporary society including business, law, government, health care, and the media. It also examines specific issues such as distributive justice, capital punishment, just war theory, and cultural relativism. (Offered: Every Fall, Every Spring)
Prereq: ENG 090 and ENG 094 (COL 090), or satisfactory placement test scores

PHI 108  Western Religions  3 cr
An introduction to the fundamental dimensions of religion and the central teachings and practices of Judaism, Christianity, and Islam. Through readings, site visits to and dialogues with practitioners, students explore how these religions shape both individual lives and modern societies. (Offered: Periodically)
Prereq: ENG 090 and ENG 094 (COL 090), or satisfactory placement test scores

PHI 110  Eastern Religions  3 cr
An introduction to the fundamental dimensions of religion and the central teachings and practices of Hinduism, Buddhism, and the religions of China and Japan. Through readings, site visits and dialogues with practitioners, students explore how these religions shape both individual lives and modern societies. (Offered: Every Fall)
Prereq: ENG 090 and ENG 094 (COL 090), or satisfactory placement test scores

PHI 204  Issues in Ethics and Social Philosophy  3 cr
Explores contemporary ethical issues which confront the individual and society as a whole. Through philosophical, journalistic, and literary selections, the student examines such topics as personal integrity, racism, poverty, gender equity, and violence. Students consider classical, non-western, and feminist perspectives. (Offered: Every Fall)
Prereq: PHI 103, PHI 104, or permission of instructor

PHI 205  Biomedical Ethics  3 cr
Examination of the theoretical and historical foundations of bioethics. Emphasis on the application of ethical theory to the analysis of contemporary issues in health care. Special attention to the cultural content of bioethical problems, specifically issues of race, class, and gender. (Offered: Periodically)
Prereq: ENG 101, 103, or 105 or PHI 104 or permission of instructor

PHI 206  Environmental Ethics  3 cr
An examination of how philosophy has contributed to our thinking about environmental issues. The course surveys major influences in the development of environmental ethics including: the land ethic, biocentrism, deep ecology, ecohumanism, and social ecology. Applications to specific environmental issues allow students to clarify their own views and hone their critical thinking skills. (Offered: Periodically)
Prereq: ENG 101, 103, or 105 or permission of instructor
POL 101 American Politics 3 cr
American national government and politics. The principles, processes, and institutions which make up the American political system: constitutional framework; federalism; interest groups; parties; elections; Congress; the Presidency; the judicial system. Policy-making and contemporary problems. (Offered: Every Fall)
Prereq: ENG 090 and ENG 094 (COL 090), or satisfactory placement test scores.

POL 102 International Politics 3 cr
An exploration of political systems in several nation states in various regions of the world. Students gain conceptual tools to analyze and understand diverse political systems, beliefs, ideologies and practices. Students describe and analyze generalized comparative approaches, considering issues and challenges of political and economic development. Students compare case histories of various political systems to promote engagement and reflection on the meaning and implications of globalization. Students examine political institutions and processes, political culture, leaders, parties, elections and political participation in each country studied. (Offered: Every Fall)
Prereq: ENG 090 and ENG 094 (COL 090), or satisfactory placement test scores.

POL 105 International Relations 3 cr
Traditional principles of international relations and emerging new problems from a political perspective - population, environment, energy, natural resources, economic interdependence, rapid technological change. Provides a global context for dealing with new and developing international considerations. (Offered: Every Fall)
Prereq: ENG 090 and ENG 094 (COL 090), or satisfactory placement test scores.

POL 203 American Civil Liberties 3 cr
Freedom of expression in history and in contemporary America; the role of the Supreme Court in the maintenance of civil liberties; the influence of official and popular pressures. Includes consideration of religion, assembly, the press and speech, as well as the rights of the accused and constitutional standards of equality. (Offered: Every Fall)
Prereq: ENG 090 and ENG 094 (COL 090), or satisfactory placement test scores.

POL 205 American Foreign Policy 3 cr
An introduction to America's role in world affairs, especially since World War II. Attention is given to the underlying principles of American foreign relations; to the American foreign policy process; to the instruments of modern foreign policy; and to the contemporary foreign policy environment: Soviet-American relations; Western Europe; the Middle East; Africa; Latin America; and the Far East. (Offered: Every Fall)
Prereq: ENG 090 and ENG 094 (COL 090), or satisfactory placement test scores. Recmm: POL 101.

POL 207 Politics of the Middle East 3 cr
Examines the politics of the Middle East from a thematic perspective and explores issues such as the formation of the state of Israel, oil, terrorism and modernization. The course focuses on particular political systems such as Democracy, Theocracy and Monarchy and countries such as Israel, Iran, and Saudi Arabia. The course also examines the current dynamic within Islam. (Offered: Every Spring)
Prereq: POL 105 or POL 205 or permission of the instructor.

PSY 101 Principles of Psychology 3 cr
Introduction to the field of psychology and human behavior. The student considers such topics as the history of psychology, research methods, psychophysiology, sensation, perception, learning, cognition, memory, development, motivation, personality, and mental illness. (Offered: Every Term)
Prereq: ENG 090 and ENG 094 (COL 090), or satisfactory placement test scores.

PSY 209 Abnormal Psychology 3 cr
A review of research methods, assessment procedures, the history of mental illness, and the major perspectives utilized in understanding mental illness. The course gives particular attention to the diagnostic system and categorization of conditions as developed by the American Psychiatric Association's Diagnostic and Statistical Manual (DSM) as well as attention to current psychotherapeutic and psychopharmacological treatment interventions. (Offered: Every Fall, Spring & Summer)
Prereq: PSY 101.

PSY 210 Statistics for Psychology and the Social Sciences 3 cr
An introduction to statistics for students interested in careers in psychology or related fields in social sciences. Students analyze the use of descriptive and inferential statistics for an understanding of qualitative and quantitative research strategies with application to psychological and social problems. Students use a computer based statistical package to analyze data. The course provides a basic background in the design of preliminary research strategies, research analysis and critique as well as provides an analytical approach to research articles in psychology and social sciences. (Offered: Every Fall)
Prereq: ENG 112, 114 or 116; PSY 101; MAT 095 (MAT 105). Recmm: MAT 096 (MAT 106).

PSY 212 Research Methods in Psychology 3 cr
Examines research methods in psychology as well as the importance of understanding the methodology to conduct research. Topics include typical research methods in psychology, ethical issues, interpretation and communication of research methods and results. (Offered: Every Spring)
Prereq: PSY 101; PSY 210 or MAT 114 or permission of Social Sciences department chair. Recmm: ENG 101, ENG 103, or ENG 105.
PSY 214  Psychology of Peace, Conflict and Violence 3 cr
A focus on the key concepts of peace psychology: the relationships among violence, social inequalities, peacemaking and the pursuit of social justice. Topics include ethnic conflict, family violence, hate crimes, militarism, conflict management, social justice, nonviolent approaches to peace, and peace education. Students examine systems of violence and systems of peace. Through lectures, discussions, readings, experiential activities, projects, film, and dialogue, students study the philosophy of non-violence, and develop more complex views of the immediate causes of violence and deeper appreciation for the structural roots of violence with an emphasis on healing from trauma through reconciliation methods. (Offered: Every Spring)
Prereq: ENG 090 and ENG 094 (COL 090), or satisfactory placement test scores. Any 3-credit course coded ANT, ECO, EVS, HVS, POL, PSY, or SOC. Recomm: ENG 101, 103, or 105; PSY 101 or PSY 105.

PSY 215  Theories of Personality 3 cr
An exploration and application of the major schools of personality theory: psychoanalytic, trait, biological and evolutionary, behavioral, cognitive, humanistic, relational, and sociocultural. (Offered: Periodically)
Prereq: PSY 101. For HSVLH majors, HSV 101 is also required.

PSY 217  Human Growth and Development 3 cr
A survey of human physical, psychological, and social development from birth through death. Framework for the study of the individual’s cumulative, integrative growth experience. Theories of development and their applications. (Offered: Every Fall, Spring & Summer)
Prereq: PSY 101 or permission of instructor.

PSY 220  Social Psychology 3 cr
An introduction to the scientific study of how individuals think, feel, perceive, and behave in a social context. The course explores the intersections of psychology and sociology including the self, social cognition, perception, emotions, attitudes, pro-social and anti-social behavior, attraction, prejudice, and group behavior. The course introduces theoretical perspectives and research on individual behavior within a social context. NOTE: Students may receive credit for PSY 220 or SOC 220, but not for both. (Offered: Every Spring)
Prereq: SOC 101 or PSY 101. Recomm: SOC 101 and PSY 101; ENG 101, 103, or 105.

PSY 225  Psychology of Women 3 cr
An exploration into the behavior and personality of women as seen through their own eyes. Topics for investigation are dispelling the myths and mysteries about the development of women, significant gender differences, the quest for a separate identity, transitional changes and adaptation, and the possibilities for a more generative view of the human life cycle. (Offered: Every Fall)
Prereq: PSY 101 or SOC 101 or ANT 104 or permission of instructor.

PSY 233  Child Behavior and Development 3 cr
Focuses on the development of the child from conception to adolescence. The concept of development is explored in depth and all aspects of the developing child are considered: social, emotional, physical, verbal, intellectual, and creative. Major theories of child development are reviewed. Research in child development is studied with particular attention paid to naturalistic observation. (Offered: Every Fall, Every Spring)
Prereq: PSY 101 or permission of instructor.

PSY 277  Psychology of Death and Dying 3 cr
Designed to be both experiential and didactic, this course enhances students’ understanding of death and dying processes both personally and professionally. Topics covered include cultural attitudes toward death and dying, origins of death anxiety, processes involved in dying, grieving and mourning, children and death, the helping relationship and the caregiver, suicide, euthanasia, burial and cremation, organ and body donations, and community resources. (Offered: Periodically)
Prereq: PSY 101 or permission of instructor.
SCI 118  Greenhouse Gas Assessment and Carbon Cap and Trade 1 cr
An introduction to the policy and technical issues of greenhouse gas assessment and reporting, and carbon cap and trade mechanisms. Students learn about existing European cap and trade models; the issues associated with instituting a cap and trade program in the US; how to assess greenhouse emissions for registration and trading purposes; and the evolving carbon trading markets. (Offered: Periodically)
Prereq: MAT 095 (MAT 105), ENG 090, and ENG 094 (COL 090), or satisfactory placement test scores. Recmm. SCI 119

SCI 119  Introduction to Global Warming 3 cr
An introduction to global warming and global climate change. Topics include climate change history and projections, the impacts of climate change, vulnerability and adaptation to climate change, and strategies to reduce the impact of global warming. (Offered: Periodically)
Prereq: ENG 090 and ENG 094 (COL 090), or satisfactory placement test scores

SCI 120  Sustainable Energy: Theory and Practice 4 cr
Explores the theoretical and practical aspects of renewable and nonrenewable energy sources with an emphasis on sustainable energy use and efficiency. Students investigate fundamental scientific concepts—in biology, chemistry, and physics—that underpin energy efficiency and renewable energy (RE/EE) strategies and technologies, and provide a foundation for further technical study in the college certificate and degree programs. Topics include conventional and alternative power generation, solar (thermal and electric), wind, transportation, green building and building efficiency, climate change, bioenergy, sustainable agriculture and others. Field trips and labs provide hands-on experience working with a variety of energy technology models. Students explore potential career and educational pathways in the field. Special Requirement: Field trips required. (Offered: Every Fall, Every Spring)
Prereq: MAT 095 (MAT 105) or concurrent enrollment ENG 090 and ENG 094 (COL 090), or satisfactory placement test score.

SCI 121  Introduction to Photovoltaic (Solar Electric) Technology 3 cr
An introduction to photovoltaic (solar electric) technology for students with a strong personal interest in photovoltaics (PV) as well as those considering a career in solar electric technology. This course provides students with the theoretical basis for understanding the various types of solar electric systems. The course covers the history of solar electricity, current markets and industry status, basic electrical theory, and other considerations necessary for solar electric systems. Topics include a detailed study of system components as well as the proper and safe electrical interconnection of these components and includes hands-on training exercises and experiments. Local visits to PV-related facilities and assembly of real-world systems examples reinforce classroom learning. Special Requirement: Field trips required. (Offered: Every Fall)
Prereq: MAT 095 (MAT 105), ENG 090, and ENG 094 (COL 090), or satisfactory placement test scores. Recmm. SCI 112

SCI 122  Solar Domestic Hot Water 1 cr
An examination of solar hot water systems for heating water for residences. Topics include the environmental benefits and economics of solar hot water systems, siting and sizing systems, choosing appropriate equipment, descriptions of all components as well as their assembly and function. Students assemble a solar system to heat water. Special Requirement: Field trips required. (Offered: Periodically)
Prereq: MAT 095 (MAT 105), ENG 090, and ENG 094 (COL 090), or satisfactory placement test scores

SCI 123  Passive Solar Technology 1 cr
An examination of the history, science and implementation of passive solar technologies to offset heating, hot water and lighting needs for a house and commercial/industrial buildings. Topics include fundamental principles such as structure orientation, proper glazing materials and installation, use of thermal mass, adequate ventilation, landscape features for cooling, and others. Students see and visit real world applications of these technologies. Special Requirement: Field trips required. (Offered: Periodically)
Prereq: MAT 095 (MAT 105), ENG 090, and ENG 094 (COL 090), or satisfactory placement test scores

SCI 124  Energy Conservation and Efficiency 1 cr
An exploration of the methods and equipment to improve the energy efficiency of existing and new structures. These energy uses include heating/cooling loads and electrical consumption. Students learn how to use existing technology to assess energy usage, evaluate opportunities for reducing and managing loads, and learn best current practices. (Offered: Periodically)
Prereq: MAT 090 or satisfactory placement test score.

SCI 125  Sustainable Landscape Design 3 cr
An exploration into the fundamentals of landscape design with particular attention to integrating both existing and new buildings sustainably into their landscapes. Students investigate sustainable design strategies that address the ecological, water, energy and food system links between buildings and their supporting sites, as exemplified by the LEED (Leadership in Energy and Environmental Design) rating system. Topics include geology, hydrology, soils, vegetation, design principles, green roofs, green walls, rainwater collection systems, native planting, edible landscapes, and the human dimension of landscape architecture. Special Requirement: Field trips required. (Offered: Every Fall)
Prereq: MAT 090, ENG 090, and ENG 094 (COL 090), or satisfactory placement test scores

SCI 126  Residential Energy Efficiency and Energy Auditing 3 cr
An exploration of the methods and the skills required to perform energy audits of residential buildings. Topics include methods of energy conservation; elements and steps of energy auditing; insulation of walls, foundation and attic; door and window infiltration reduction; lighting and electrical efficiency; heating system analysis and efficiency; hot water system analysis and efficiency; energy monitoring and measuring equipment; energy audit reporting; and sustainable energy systems. Students perform a residential energy audit. Successful completion of SCI 126 prepares students to take the Building Performance Institute (BPI) Building Analyst I written exam. Special Requirement: Field trips required. (Offered: Every Fall, Every Spring)
Prereq: MAT 095 (MAT 105), ENG 090, and ENG 094 (COL 090), or satisfactory placement test scores. Recmm. Concurrent enrollment in SCI 136 (Applied Residential Energy Auditing) is recommended for those desiring a hands-on component to energy auditing.

SCI 127  Introduction to Sustainable Design and Green Building 3 cr
An introduction to sustainable design and Green building. Topics include the study of energy issues related to buildings. Additional topics include residential building site analysis and design; air, heat and moisture flow; Green building materials; climate and designing with nature; energy conservation and efficiency; sustainable energy systems; and on-site power generation. Students visit Green buildings to reinforce classroom learning. Special Requirement: Field trips required. (Offered: Every Spring)
Prereq: MAT 095 (MAT 105), ENG 090, and ENG 094 (COL 090), or satisfactory placement test scores

SCI 128  Solar Thermal Systems 3 cr
An examination of solar water heating for domestic hot water; house heating, swimming pool heating, process heating and electrical generation. Topics include system economics, environmental benefits, siting and sizing of systems; types of systems, equipment installation, operation and maintenance. Students assemble and operate a domestic solar hot water system. Special Requirement: Field trips required. (Offered: Every Spring)
Prereq: MAT 095 (MAT 105), ENG 090, and ENG 094 (COL 090), or satisfactory placement test scores
SCI 129  
**Fundamentals of Wind Energy  3 cr**  
An introduction to the practice and theory of wind electric generation. Topics include homeowner; small/business; utility; interior; offshore; grid tied and off grid wind systems; mechanical and electrical components; economic viability; environmental, aesthetic and safety concerns; and laws and permits. Students participate in the site visits and meet with wind energy experts. Special Requirement: Field trips required. (Offered: Periodically)

Prereq: MAT 095 (MAT 105), ENG 090, and ENG 094 (COL 090), or satisfactory placement test scores. Recomm: SCI 112

SCI 130  
**Extreme Insulation Retrofits  3 cr**  
An examination of the science and techniques of super insulating existing homes to significantly reduce heating energy requirements in an environmentally sound manner. Topics include building construction as it relates to insulation, current problems in insulation envelopes, heat loss in buildings, insulation priorities, insulation material characteristics, costs, construction strategies for insulating basements, walls and roofs, and demonstrations of insulation materials. Students participate in site visits. Special Requirement: Field trips required. (Offered: Periodically)

Prereq: MAT 095 (MAT 105), ENG 090, and ENG 094 (COL 090), or satisfactory placement test scores. Recomm: SCI 126

SCI 131  
**Introduction to Piping  2 cr**  
An introduction to piping and materials used to install various piping systems, with an emphasis on solar thermal energy applications. Topics include analysis and characteristics of the most commonly used piping system materials - copper, steel and polyvinylchloride (PVC); best methods to join these materials; and calculation and proper assemblage of basic piping projects. NOTE: Course is taught at an off campus location. Special Requirement: Must possess physical ability to use power tools. (Offered: Every Spring)

Prereq: ENG 090, ENG 094 (COL 090), and MAT 090, or satisfactory placement test scores

SCI 132  
**Introduction to Home Heating and Cooling  3 cr**  
An overview of the basic principles behind heating, ventilation, and air conditioning (HVAC). Topics include heat transfer; refrigeration cycles; differentiation of system types, and the new tools needed for emerging HVAC technologies. Students explore equipment hands-on, to include hydronic and air systems, heat recovery ventilators (HRVs), geothermal heat pumps, filters, and humidifiers. This course is ideal for students wishing to work with solar hot water systems or do energy audits, for real estate agents and home inspectors updating their knowledge of modern HVAC options, and for current or future homeowners seeking the best combination of efficiency and comfort. NOTE: Course is taught at an off-campus location. Special Requirement: Must possess physical ability to use power tools. (Offered: Every Fall)

Prereq: ENG 090, ENG 094 (COL 090), and MAT 090, or satisfactory placement test scores

SCI 133  
**Introduction to Architectural Modeling with ArchiCAD  2 cr**  
An introduction to ArchiCAD, a 3-D architectural modeling and BIM (Building Information Management) software program. The course introduces CAD (Computer Assisted Drawing) basics such as working with pens, layers, fills, textures, objects and stories, before moving into more advanced topics including building modeling; presentation rendering; animation creation; and drawing layout. Students create a 3-D model of a building and generate architectural plans, sections, elevations, rendered perspectives, and even "fly through" animations. Special Requirement: Students should have a basic knowledge of how to operate a computer. (Offered: Periodically)

Prereq: ENG 090, ENG 094 (COL 090), and MAT 090, or satisfactory placement test scores

SCI 134  
**Building with Earth, Straw, Wood, and Stone  3 cr**  
Explores aspects of building with minimally-processed, locally available, plentiful, natural and recycled building materials with an emphasis on residential construction. Students learn techniques for working with straw bale, cordwood masonry, cob, "Earthship" rammed-earth tires, light straw, earth plasters, etc. through research, projects, hands-on activities and field trips. Students examine natural building materials impact on energy efficiency and the environment. Special Requirement: Use of power and hand tools. (Offered: Periodically)

Prereq: ENG 090, ENG 094 (COL 090), and MAT 090, or satisfactory placement test scores; physical ability to use power and hand tools. Recomm: SCI 114, SCI 127

SCI 135  
**Green Careers Exploration & Career Skill Building  3 cr**  
Explores the diverse array of expanding green career opportunities and the impact of sustainability on existing occupations and industries. Students engage local community members, organizations and employers. Students develop important work-finding skills such as resume creation, interviewing and networking. Special Requirement: Field trips required. (Offered: Every Fall, Every Spring)

Prereq: ENG 090, ENG 094 (COL 090) or satisfactory placement test scores. Recomm: CIS 140 or competency in word processing & spreadsheets.

SCI 136  
**Applied Residential Energy Auditing  1 cr**  
A hands-on use of equipment for conducting a residential home energy efficiency audit. Students perform an inspection and evaluation of the exterior and interior of an actual structure; operate a blower door and measure air leakage; evaluate air sealing and insulation; test heating systems, stoves and water heaters. Successful completion of SCI 136 prepares students to take the Building Performance Institute (BPI) Building Analyst I Field Exam. Special Requirement: Must possess physical ability to use power tools. Must be able to handle test equipment weighing up to 20 pounds. Must be able to climb short ladders and be capable of wearing a respirator and a dust mask. (Offered: Every Fall, Every Spring)

Prereq: ENG 090, ENG 094 (COL 090), and ENG 094 (COL 090), or satisfactory placement test scores; SCI 126 or concurrent enrollment

SCI 137  
**Permaculture Design  4 cr**  
An introduction to permaculture: a practice of designing systems, modeled from ecological relationships, that respects the land while serving its inhabitants. Topics include permaculture theory, innovative techniques, systems-thinking, and site assessment and analysis. Lab components include hands-on learning and technical skills through field work on campus, field trips, and design studio. Students apply these skills to a real design project and recommend appropriate permaculture applications such as perennial food production, soil regeneration, and integrated water management. Special Requirement: Field trips required. (Offered: Every Fall, Every Spring)

Prereq: ENG 090, ENG 094 (COL 090), and ENG 094 (COL 090), or satisfactory placement test scores; SCI 126 or concurrent enrollment

SCI 138  
**Soil Science  4 cr**  
An introduction to the basic principles of soil science. Students study the physical, chemical and biological properties of soil as they relate to agriculture, horticulture, forestry, landscaping and environmental science. Topics include soil morphology, formation, fertility, chemistry, testing and conservation; ecological relationships; agricultural applications; plant nutrition and fertilization; environmental and water resource management. Special Requirement: Field trips required. (Offered: Every Fall)

Prereq: MAT 090, ENG 090 and ENG 094 (COL 090) or satisfactory placement test scores
SOC 106 Social Inequality *3 cr
A sociological understanding of the role of the educational system in society. The course focuses on an overall understanding of the role of public education as it is constructed in our lives. (Offered: Periodically)
Prereq: SOC 101, SOC 106, EDU 111, EDU 101, or PSY 101

SOC 201 Social Problems *3 cr
A sociological examination of the nature, structure, causes, and consequences of social problems, with a particular focus on their interconnections. The course uses major theoretical frameworks to examine social problems at both the micro and macro level. The course investigates a variety of social problems, with a focus on problems in the United States. The course examines how to define and distinguish social problems from social issues. (Offered: Every Fall, Every Spring)
Prereq: SOC 101

SOC 202 Sociology of Education 3 cr
A sociological understanding of the role of the educational system in the United States. The course investigates the function of schooling, the social stratification evident in schools, and the outcomes of the educational process. Students investigate the relationship between education policy and practice and everyday educational experiences. Students study the consequences of social inequality, especially as rooted in economics and funding for education. The course focuses on an overall understanding of the role of public education as it is constructed in our lives. (Offered: Periodically)
Prereq: SOC 101, SOC 106, EDU 111, EDU 101, or PSY 101

SOC 206 Sociology of Human Sexuality: Behaviors, Experiences, and Identities 3 cr
A sociological perspective on human sexuality. The course provides an overview of historical and contemporary perspectives on sexuality. The course focuses on the construction of meaning of sexual behavior and experience, sexual orientation, and identity. Students study the impact of culture, religion, race, gender, and other social identities on sexuality. Students examine the inextricable nature of the meaning of sexuality and the socio-political milieu. The course investigates the significance of social policies on sexuality. Students learn about the relationship between the seemingly individual experience of sex and the larger social structures of society. (Offered: Periodically)
Prereq: SOC 101

SCI 221 Photovoltaic (Solar Electric) Installation 3 cr
An examination of the practical skills needed to install utility-connected and off-grid Photovoltaic (PV) systems. Topics include the study of electric load analysis, system and component design and sizing, system siting, shading, electrical and mechanical system configuration, and safety and electrical and building code compliance supplemented with hands-on system installation. Successful completion of this course enables the student to sit for the NABCEP (North American Board of Certified Energy Practitioners) PV Entry Level Certificate. With additional education, training and installation experience, this certificate can lead to becoming a NABCEP Certified PV Solar Installer. In Massachusetts, only licensed electricians may install PV systems. Special Requirement: Field trips required. (Offered: Every Spring)
Prereq: SCI 112 and SCI 121

SCI 227 Sustainable Design and Green Building Practices 3 cr
An investigation into sustainable design and green building techniques and how they may be synthesized to best fit a specific construction project. Students expand upon and utilize concepts learned in SCI 127, Introduction to Sustainable Design and Green Building. Students work through a controlled process of analysis and design to produce drawings and models of their personal green building project. Topics include building form, orientation and site considerations, conservation measures, energy modeling, heating system and fuel choices, renewable energy systems, material choices, construction budget, and mortgage and payback considerations. Special Requirement: Field trips required. (Offered: Periodically)
Prereq: SCI 127 or permission of instructor, and MAT 095 (MAT 105).

SCI 228 Photovoltaic Technical Sales and Marketing 3 cr
An advanced course in Photovoltaic Sales and Marketing for those already familiar with photovoltaic technology and looking to develop and demonstrate their expertise in siting, design, analysis of customer needs, and performance analysis of photovoltaic systems. Topics include costs, savings, government incentives, and financing options for both ownership and Power Purchase Agreement (PPA) models. Students prepare proposals based on specific customer locations and needs. The course closely aligns with the NABCEP (North American Board of Certified Energy Practitioners) task analysis for their industry certification in Photovoltaic Technical Sales, and students should seek such certification after completion of the course and additional NABCEP requirements. Special Requirement: Field trips; student assume any travel costs. (Offered: Every Spring)
Prereq: SCI 112, 121, and 221; or permission of instructor. Recomm MAT 096 (MAT 106).

SOCIOLOGY

SOC 101 Principles of Sociology *3 cr
The study of society through basic concepts and scientific methodology. Examines culture, social systems, institutions, status, role, norms, interaction, deviance, small groups, and social stratifications. (Offered: Every Fall, Spring & Summer)
Prereq: ENG 090 and ENG 094 (COL 090), or satisfactory placement test scores

SOC 106 Social Inequality *3 cr
Introduces students to the theories and fundamental concepts of social diversity and social stratification in the United States. Through an individual, cultural, and systemic lens, students examine the construction of identities, including race, gender, sexual orientation, religion, class, and dis/ability. This course provides a sociological understanding of the social construction of difference and inequality and combines cognitive and experiential learning to promote recognition, understanding, and acknowledgement of disparate experiences of equality in the United States. (Offered: Periodically)
Prereq: ENG 090 and ENG 094 (COL 090), or satisfactory placement test scores; Recomm SOC 101

SOC 108 Crime & Punishment in the U.S.: A Sociological Overview *3 cr
An examination of a variety of perspectives on crime and punishment in U.S. society—from personal testimonies to historical accounts, from statistical reports and articles to documentary film and popular media. This interdisciplinary course is appropriate for a wide variety of students in social sciences, criminal justice, humanities, and the arts. Its aim is to cultivate a transformative conversation between students of diverse backgrounds. Topics include: History of incarceration in the U.S., the economics of the contemporary prison system, gender and incarceration, concepts of retributive and restorative justice, race and the legacies of slavery, enfranchisement and education, and shifting attitudes towards crime and punishment. Classes meet at the Franklin County House of Correction (FCHC) in Greenfield. (Offered: Every Fall, Every Spring)
Prereq: Special application and interview process; permission of the instructor/Education Director at FCHC required.
Credit Courses

SOC 208  Sociology of Gender * 3 cr
A focus on sociological dimensions of gender. This course examines the ways in which society and its institutions create, maintain, and reproduce gender. Students investigate how gender categories are constructed and represented, and examine the consequences of these categories for the lives of individuals. Students learn about the significance of gender differences in the experiences of women, men, and transgender people on the micro and macro levels. The course investigates structural inequalities and the reproduction of those hierarchies in social processes and in everyday life, especially within the matrix of race, class, and gender. Contemporary research on gender is incorporated into the course. (Offered: Periodically)
Prereq: SOC 101

SOC 220  Social Psychology 3 cr
An introduction to the scientific study of how individuals think, feel, perceive, and behave in a social context. The course explores the intersections of psychology and sociology including the self, social cognition, perception, emotions, attitudes, pro-social and anti-social behavior, attraction, prejudice, and group behavior. The course introduces theoretical perspectives and research on individual behavior within a social context. NOTE: Students may receive credit for PSY 220 or SOC 220, but not for both. (Offered: Every Spring)
Prereq: SOC 101 or PSY 101; Recomm: SOC 101 and PSY 101; ENG 101, 103, or 105

SPANISH

SPA 101  Elementary Spanish I 4 cr
Fundamentals of Spanish. The course emphasizes the acquisition of language functions, vocabulary, structures, and culture through contextualized presentations, interactive activities and extensive laboratory practice. (Offered: Every Fall, Spring & Summer)
Prereq: None

SPA 102  Elementary Spanish II 4 cr
Fundamentals of Spanish. The course emphasizes continued acquisition of language functions, vocabulary, structures, and culture through contextualized presentations, interactive activities, and extensive laboratory practice. (Offered: Every Fall, Spring & Summer)
Prereq: SPA 101 or equivalent.

SPA 103  Spanish for Native Speakers 1 1 cr
A survey of the basic components of Spanish with an emphasis on the unique needs of native Spanish speakers who have not studied the language in an academic setting. Particular attention paid to written expression, but also takes advantage of the students’ background in and intuitive knowledge of spoken language. For native speakers of Spanish. (Offered: Periodically)
Prereq: None; for native speakers of Spanish

SPA 111  Spanish Skills Practice I 2 cr
An intensive immersion workshop conducted in Spanish. For students who have completed at least SPA 101 or who are returning to the study of Spanish. Using the material studied in SPA 101, students practice and internalize the basic building blocks of Spanish in listening, speaking, reading, and writing. Class time is spent on pair and small group work, drill, video, readings, and authentic materials. (Offered: Every January)
Prereq: SPA 101 or equivalent or permission of instructor

SPA 112  Spanish Skills Practice II 2 cr
An intensive immersion workshop conducted in Spanish for students who have completed at least SPA 102 or who are returning to the study of Spanish. Using the material studied in SPA 102, students practice in order to internalize the basic building blocks of Spanish in listening, speaking, reading, and writing. (Offered: Every January)
Prereq: SPA 102 or equivalent, or permission of instructor

SPA 124  Spanish for Health Professionals 4 cr
Emphasizes the fundamentals of Spanish both for students seeking positions in health related fields and those already working in the profession. The course focuses on “survival” Spanish language skills and cross-cultural training for health professionals. Students develop their command of Spanish in specific job related areas. The course prepares participants for those aspects of Hispanic/Latino cultures that have an impact on their work. Much of the class is spent working in pairs and small groups role-playing situations that participants will encounter on the job. (Offered: Every Fall)
Prereq: None

SPA 133  Spanish for Law Enforcement 4 cr
Emphasizes the fundamentals of Spanish both for students seeking positions in law enforcement and those already working in the profession. The course focuses on “survival” Spanish language skills and cross-cultural training for law enforcement professionals. Students develop their command of Spanish in specific job related areas. The course prepares participants for those aspects of Hispanic/Latino cultures that have impact on their work. Students spend much of the class working in pairs and small groups role-playing situations that participants encounter on the job. (Offered: Every Spring)
Prereq: None

SPA 143  Spanish for Educators 3 cr
Emphasizes the fundamentals of Spanish both for students seeking positions in education and those already working in the profession. The course focuses on “survival” Spanish language skills and cross-cultural training for professionals in education. The course develops the participants’ command of Spanish in specific job related areas. The course prepares participants for those aspects of Hispanic cultures that have impact on their work. Students spend much time working in pairs and small groups role-playing situations that participants encounter on the job. (Offered: Periodically)
Prereq: None

SPA 163  Spanish for Firefighters 3 cr
Emphasizes the fundamentals of Spanish both for students seeking positions in the fire services and those already working in the profession. The course focuses on “survival” Spanish language skills and cross-cultural training for firefighters, including those who are also paramedics or EMTs. Students develop their command of Spanish in specific job related areas. The course prepares participants for those aspects of Hispanic/Latino cultures that have an impact on their work. Students spend much of the class working in pairs and small groups role-playing situations that participants will encounter on the job. (Offered: Periodically)
Prereq: None

SPA 201  Intermediate Spanish I 4 cr
The intermediate study of Spanish. The course emphasizes continued acquisition of language functions, vocabulary, idioms, structures, and culture through contextualized presentations, interactive activities, video, and selected readings. The class is conducted in Spanish. (Offered: Every Fall, Every Spring)
Prereq: SPA 102 or equivalent.
### SPA 202 Intermediate Spanish II 4 cr
Conclusion of the basic intermediate sequence in Spanish. The course emphasizes continued acquisition of language functions, vocabulary, idioms, structures, and culture through contextualized presentations, interactive activities, video, and selected readings. The class is conducted in Spanish. (Offered: Every Fall, Every Spring)
Prereq: SPA 201 or equivalent

### SPA 255 Spanish Film and Language I 3 cr
The intermediate study of Spanish through Spanish language films. The course emphasizes the acquisition of language functions, vocabulary, idioms, and cultures through an introduction to cinema from the Spanish-speaking world. Students study representative Spanish language films, selected from films by Schroeder, Gutierrez Alea, Gonzalez Iriputu, Almodovar, Buel, and Fuenzio. These are the subject of class discussions, dramatizations and oral and written assignments. Students practice listening comprehension, study idiomatic speech, analyze cultural content and examine historical contexts. The instructor and the students conduct the class in Spanish. NOTE: This course and SPA 257 are not sequential; they may be taken in either order. (Offered: Periodically)
Prereq: SPA 202 or equivalent

### SPA 257 Spanish Film and Language II 3 cr
The intermediate study of Spanish through Spanish language films. The course emphasizes the acquisition of language functions, vocabulary, idioms, and cultures through an introduction to cinema from the Spanish-speaking world. Students study representative Spanish language films, selected from films by Cuerda, Bielinsky, Salles, Marston, Gutierrez Alea, and Sayles. These are the subject of class discussions, dramatizations and oral and written assignments. Students practice listening comprehension, study idiomatic speech, analyze cultural content and examine historical contexts. The instructor and the students conduct the class in Spanish. NOTE: This course and SPA 255 are not sequential; they may be taken in either order. (Offered: Periodically)
Prereq: SPA 202 or equivalent

### THEATER

#### THE 101 Introduction to Theater 3 cr
An introductory course for students who are interested in theatre and performance but may or may not have any direct experience. The course explores all the basic elements of Theatre Arts: its origins, history, cultural importance and relevance in modern society. It also focuses on each aspect of performance, acting, directing, dramaturgy and design. Students read and study major works and have the opportunity to see, discuss, and analyze live performance. The course provides a sampling of the many kinds of experiences that can be had in the Theatre as a practitioner and/or audience member. (Offered: Every Fall, Every Spring)
Prereq: ENG 090 and ENG 094 (COL 090), or satisfactory placement test scores

#### THE 105 Play Analysis 3 cr
Concentrates on the interpretation and analysis of various types of dramatic literature. Students learn to explore and respond to plays effectively in the context of dramaturgical elements such as plot, theme, character development, structure and other critical components specific to the genre. The course covers a variety of traditional and contemporary forms and texts. Students also explore the challenges and opportunities of translating these texts into live production and film. (Offered: Every Spring)
Prereq: ENG 090 and ENG 094 (COL 090), or satisfactory placement test scores

#### THE 106 Stage Craft 3 cr
The study of the processes of scenery, lighting, and sound design for production realization from the stage designer's point of view. The course emphasizes the creative process in developing the physical elements of a theatrical production. The student learns how to safely execute the skills of the scenic designer in a hands-on method and work environment. Students aid in the construction and technical work required for GCC's mainstage production, student-directed projects, or an off-campus, instructor-approved theater facility. (Offered: Periodically)
Prereq: ENG 090 and ENG 094 (COL 090), or satisfactory placement test scores

#### THE 108 Interactive Dramatics 3 cr
An introduction examining the use of creative drama in education and recreational settings. Study and practice of the medium to develop the acceptance of the responsibility of thinking, educated theater people for sharing the art of drama in young lives while developing all students in areas of sensory awareness, imagination, movement, role-playing and improvisation. (Offered: Periodically)
Prereq: ENG 090 and ENG 094 (COL 090), or satisfactory placement test scores

#### THE 113 Fundamentals of Acting 3 cr
An introduction to acting with emphasis on characterization, voice, and movement, as well as varieties of acting techniques, script analysis, improvisation, and theatre games. Students prepare monologues, scene work and short one-act plays. The course also emphasizes the uses of acting skills to improve self-confidence and self-expression. (Offered: Every Fall)
Prereq: None

#### THE 133 College Theater Workshop 1 cr
Practical experience in acting, house management, public relations, publicity, shop, and production crews for the current GCC production or instructor-approved, off-campus production. NOTE: Students may repeat this course three times for a maximum of 4 credits. No more than one credit may be earned in any given semester. (Offered: Every Fall, Every Spring)
Prereq: ENG 090 and ENG 094 (COL 090), or satisfactory placement test scores

#### THE 213 Advanced Acting 3 cr
Explores the actor’s use of improvisation, character development, motivation, and action through internal and external techniques. The course includes an in-depth concentration in training, theory, and practice in relation to character, scene and ensemble work. These studies are directly applied in workshops, rehearsal, and performance. (Offered: Every Spring)
Prereq: THE 113

#### THE 217 Experimental Performance 3 cr
Requires the student to use their own particular skills and interests to create an original performance work based on themes that emerge from the class itself. Participants use ensemble theatre and movement exercises to integrate the work of the project, which they have expressed in writing, movement, character improvisation, and visual arts, video, music, the sciences, and other areas of interest. Students produce a creative, innovative, and live performance. (Offered: Periodically)
Prereq: The course is restricted to students completing their final semester of the AA degree in the fields of Dance, Music, Art, or Theater. The course also requires approval of a performing arts faculty member and the class instructor.

#### THE 225 Directing-Theory and Practice 4 cr
An introduction to the skills of directing with an emphasis on the elements of play production. The student studies the concepts/requirements necessary to mount a full theatrical production. The student chooses, analyzes, casts, and directs for performance a one-act instructor approved play. This one-act play is a minimum of 45 minutes performance time and is presented for the GCC community in the Sloan Theater at semester’s end. NOTE: Students may receive credit for THE 224 or THE 225, but not for both. (Offered: Every Spring)
Prereq: ENG 112, 114, or 116, and either THE 101, 113, 105, or permission of the instructor
Anticipated Online Course Offerings
Fall 2013 – Spring 2017

The five sets of courses below fit the required General Education Categories.

Dovi Afesi
History
B.A., Clark University
M.A., Michigan State University

Gordon Anderson
Computer Information Systems
B.S., M.S., University of Massachusetts

Sharon Arslanian
Dance
B.A., M.A., Mills College
M.A. University of California, Riverside
Ed.D., Temple University

Wendy Barnes
English
B.A., Sarah Lawrence College
M.F.A., Mills College

Trisha Basford
Chemistry
A.S., Schenectady County Community College
B.S., SUNY-College of Environmental Science and Forestry
Ph.D., Western Michigan University

Lauren Bell
Nursing
B.A., Elmira College
M.S.N., University of New Hampshire

Theresa A. Boyce
Psychology
A.S., Herkimer County Community College (SUNY)
B.S., State University of New York, Brockport
M.S.W., University of Connecticut

Jennifer L. Burrill
Mathematics
B.A., Smith College
M.S., University of Massachusetts

Cristin L. Carpenter
English for Speakers of Other Languages
B.A., M.A., Ph.D., University of Michigan

Linda M. Cavanaugh
Mathematics
B.S., M.S., University of Massachusetts

Nancy Craig-Williams
Nursing
R.N. Diploma, Buffalo General Hospital School of Nursing
B.S.N., College of Our Lady of the Elms
M.S.N., University of Massachusetts

Mary E.F. Dent
Nursing
B.S., University of Michigan
M.S.N., Case Western University

Cheri Ducharme
Nursing
B.S., Fitchburg State University
M.S.N., University of Massachusetts

Stewart Eisenberg
Criminal Justice
B.A., University of Massachusetts
J.D., Western New England School of Law

Martha K. Field
Economics
A.S., B.S., M.S., University of Massachusetts
Ph.D., University of Connecticut

Catherine M. Finnegan
Education/Women's Studies
B.A., Lesley College
M.Ed., University of Massachusetts

Ann E. Forcier
Practical Nursing
A.S., Greenfield Community College
B.S.N., University of Massachusetts
M.Ed., University of New Hampshire

Thomas Fredrick
Accounting/Business
A.S., Kirkwood Community College
B.B.A., M.B.A., University of Massachusetts
Massachusetts Certified Public Accountant

Jeffrey A. Galbraith
Business/Management
A.A., St. John's College
B.A., Concordia Senior College
M.Div., Harvard University Divinity School
Th.M., Harvard University Divinity School
M.B.A., University of Massachusetts
Ph.D., Boston University

Anne Garvey
Psychology
B.A., Westfield State University
M.A., Wayne State University

Charlotte Gifford
World Languages
B.A., Tufts University
M.A., Middlebury College
D.A.L.F. Université Jean Monnet, Saint Etienne, France.

Sandra A. Gokey
Mathematics
B.S., Clarkson University
M.Ed., St. Lawrence University
M.S., University of Vermont
Ph.D., University of Massachusetts

Jay Gump
Anatomy and Physiology
B.A., University of North Carolina
M.S., Colorado State University
Ph.D., University of Vermont College of Medicine

Joanne McNeil Hayes
English
B.S., University of Wisconsin
M.A., Johns Hopkins University

Scott Herstad
English
B.A., The College of Saint Scholastica
M.A., Illinois State University

</tr>
</tbody>
</table>

Monday, December 23, 2013 is reserved for final exam make-up due to cancellation. The schedule will be determined as necessary.

Notes:

• Final Exams are held in the regular class meeting room. Instructors who teach a class that meets Mon / Wed, or Wed / Fri, or Mon / Fri and shares classrooms with other classes will notify students of the final exam room assignment several weeks prior to the end of the semester.
• Classes with a lab use the lecture period time to determine their final exam.
• Some courses in the Art and Nursing departments may not follow the schedule above. Instructors for these courses will notify students of the final exam day, time, and room assignment several weeks prior to the end of the semester. These instructors will also provide alternative arrangements for any conflicts with regularly scheduled exams.
• Instructors who choose a multiple section exam time for their final exam will notify students of the final exam date, time, and room assignment several weeks prior to the end of the semester.

Evening Division

Monday, December 16 – Thursday, December 19, 2013

Evening final exams are held at the same time, on the same evening, and in the same room as the normal evening class schedule with the exception of classes at Smith College, which may meet at a different location. If the evening class meets more than once per week, the final is held on the first evening available in the final exam period on an evening the class would normally meet.
Spring Semester 2014 Final Exam Schedule

Day Division
May 15, 16, 19, 20, 2014

If your class meets FOR LESS THAN ONE HOUR on Mon / Wed / Fri
and starts between: 8-8:50 am 9-9:50 am 10-10:50 am 11-11:50 am 1-1:50 pm 2-2:50 pm 3-3:50 pm
your exam will be held on:
Mon, May 19 at 8:00 am
Fri, May 16 at 8:00 am
Mon, May 19 at 10:30 am
Fri, May 16 at 10:30 am
Mon, May 19 at 1:00 pm
Fri, May 16 at 1:00 pm
Fri, May 16 at 3:30 pm

If your class meets FOR ONE HOUR OR MORE on Mon / Wed, or Wed / Fri
and starts between: 8-9:50 am 10-11:50 am 1-1:50 pm 2-2:50 pm
your exam will be held on:
Mon, May 19 at 8:00 am
Fri, May 16 at 8:00 am
Mon, May 19 at 10:30 am
Fri, May 16 at 10:30 am
Mon, May 19 at 1:00 pm
Fri, May 16 at 3:30 pm

If your class meets FOR ONE HOUR OR MORE on Mon / Fri
and starts between: 8-9:50 am 10-11:50 am 1-2:50 pm 3-4:50 pm
your exam will be held on:
Fri, May 16 at 8:00 am
Fri, May 16 at 10:30 am
Fri, May 16 at 1:00 pm
Fri, May 16 at 3:30 pm

If your class meets FOR ONE AND ONE-HALF HOURS OR MORE on Tue / Thu
and starts between: 8-9:50 am 10-11:50 am 1-2:50 pm 2-3:50 pm
your exam will be held on:

Directions to Greenfield Community College

Greenfield Community College is conveniently located near the intersection of Interstate 91 and Route 2.

**From the north, south, or east** *(from the east, take Route 2 to I-91 south first)*

Take exit 26 off I-91 and follow the traffic rotary to Route 2 west. Once on Route 2, take an immediate right at the traffic light onto Colrain Road. We are located on College Drive, six-tenths of a mile ahead on the left.

**From the west**

Turn left at the traffic light onto Colrain Road just before the I-91 rotary. We are located on College Drive, six-tenths of a mile ahead on the left.
2013–2014 Academic Calendar

* minus $20 registration fee

Students are responsible for knowing and following current requirements and procedures at the department and College level. Meetings with advisors are key to having current information.

The College reserves the right to make changes to courses, certificate and degree requirements, and academic policies as it determines to be necessary or advisable. The Greenfield Community College catalog does not constitute a contract or offer to contract between the College and its students either collectively or individually. The information in this catalog is effective as of September 2013 and is subject to change.
