Section 1: Necessity to Register – Any person who operates a vehicle on the campus or other land of the College must register that vehicle with the President of the College or his/her designee and display a current College parking registration insignia on the vehicle. (Student registration not required at Greenfield Community College.) Registration must be accomplished within forty-eight (48) hours after arrival or use of the vehicle on campus. Failure to register within this period shall constitute grounds for denial of the privilege to operate a vehicle on the campus or other land of the College. Registration of a
vehicle is not complete until the College parking registration insignia is permanently affixed to the vehicle. Any motor vehicle bearing a College parking registration insignia which has been mutilated or damaged so that the number thereof or the date of expiration is illegible shall be treated as not bearing the required College parking registration insignia. Any subsequent registration or duplicate decal required during a year shall be provided at such additional charge as may be established by the College.

Section 2: Eligibility – Permission to operate a vehicle on the campus or other land of the College is a discretionary privilege bestowed by the Board of Trustees of Greenfield Community College and such privilege may be denied, revoked, suspended or modified by action of the Board or by officers of the College herein authorized to take such actions.

Section 3: Liability Coverage – No vehicle shall be registered for operation on the campus or other land of the College unless the person requesting registration has met the motor vehicle liability policy or bond requirements for the operation and use of motor vehicles upon the ways of the Commonwealth.

Section 5: Non-resident Vehicles – Every non-resident enrolled as a student at a school or college in the Commonwealth who operates a motor vehicle registered in another state or country for more than thirty days in the aggregate within the Commonwealth during any period beginning on September 1st of any year and ending on August 31st of the following year shall, on or before the 30th day, file with the police department of the town in which such school or college is located. Excerpt from G.L. Chapter 90, Section 3, Paragraph 3. For further information, see the Director of Public Safety or the Secretary to the Dean of Students.

Section 2: For Non-Moving Violations – The penalty for non-moving violations shall be determined by the President or his/her designee and published at the College. The penalty for any one violation may not exceed ten dollars ($10.00), except for successive restitutionary recovery in the event of destruction of property as provided under Article III, Section 2 of these parking/traffic regulations. Fines shall be payable to Greenfield Community College Parking/Traffic Clerk.

Section 3: For Failure to Register – Failure to register a motor vehicle and display authorized registration insignia within the prescribed registration period shall subject the offender to the fine established by the President or his/her designee, not to exceed ten dollars ($10.00), and may subject him/her to having his eligibility to operate his/her motor vehicle at the College suspended or canceled.
Section 4: Disposition of Fines – As stated in Section 13, Chapter 15A of the General Laws of the Commonwealth.

Notwithstanding any other provision of law, all fines and penalties recovered for violations of rules and regulations made under authority of this section shall be accounted for by the respective institution at which the violation occurred. Each such institution shall deposit such fines or penalties in a special fund to be known as the Massachusetts Regents Scholarship Fund, in the name of the particular institution, which shall be established in accordance with regulations established by the Board of Regents; provided, however, that such fund shall be used for the purpose of granting scholarships to such worthy students as the Board of Trustees may determine.

In addition to the foregoing, fees collected by the College for parking/traffic registrations, duplicate parking/traffic registration decals or subsequent vehicle registrations during a year, and for failure to register a motor vehicle and display such authorized College parking/traffic registration insignia within the prescribed registration period, shall also be deposited in said trust fund established in accordance with Section 22, Chapter 15A of the General Laws at each College for this purpose. Payment in full to the parking/traffic clerk of the stipulated fine shall operate as a final disposition of each violation cited therefore.

Section 5: Disciplinary Action – In addition to fines and penalties imposed or other action taken by the College, repeated violations of the State or College motor vehicle laws or regulations shall subject the offender to the same disciplinary action, including suspension or expulsion from the College, as would be taken for a violation of other College regulations governing the general conduct of its students.

All appeals at the campus level must be submitted in writing on a form approved by the President of the College or his/her designees to the campus parking/traffic clerk within twenty-one (21) days from the date of receiving notice of the disciplinary action or other penalty. Such forms shall be made available to persons upon request through the office of the campus/traffic clerk. Any person making such appeal shall be informed at the time the appeal is filed with the campus parking/traffic clerk of the time, date and location of the appeal hearing; provided, however, that such hearing shall be conducted within thirty (30) days after receipt of the appeal. Said hearing shall be informal. The rules of evidence shall not apply. Appellants shall be permitted during such informal hearing to call and cross examine witnesses and to present evidence on their own behalf. The campus parking/traffic hearing officer shall have sole and exclusive jurisdiction to determine the conduct of the hearing, including determinations regarding the admission of evidence, the number of witnesses to be heard and other related matters of procedure. Appellants may be represented by counsel or other designated representatives.

Within thirty (30) days following the conduct of said hearing, the campus parking/traffic hearing officer shall issue a written decision which shall be final subject to further judicial review provided by Section 14 of Chapter 30A of the General Laws.

Section 7: Personnel – Wherever, in the foregoing parking/traffic rules and regulations, reference is made to the campus parking/traffic hearing officer, this shall refer to the Dean of Administrative
Services; wherever reference is made to the campus parking/traffic clerk, this shall refer to the Senior Bookkeeper in the Business Office.

Article IX – Amendments to these regulations

Should modifications or additions to these parking/traffic rules and regulations be deemed necessary by the President of the College, such modifications, as consistent with the General Laws of the Commonwealth, may be adopted upon the approval of the Board of Directors. Signatures are on file.
