Senior Tuition/Fee Waiver Certification
Fall 2022 Registration Only

Senior Tuition/Fee waivers are available on a space available basis for persons 60 years of age or older, and who have been a Massachusetts resident for at least one year prior to the start of the current semester. Registration starts two weeks before the first day of classes for each semester/session.

Types of Waivers:

**Senior waiver** – For students who do not have a Baccalaureate degree: Tuition & 50% of the College Service fee waived, all other fees paid by student

**Institutional Senior Fee waiver** – For students who have a Baccalaureate degree or higher: 50% of College Service fee will be waived; tuition and all other fees paid by student

To utilize the waiver, fill out and sign the form on the following page and submit by email as an attachment to registration@gcc.mass.edu. Registration processing starts two weeks before the start of the semester/session. Students may register early by opting out of using the waiver. If you opt out of the waiver, you will be registered for your class(es) at the full tuition and fee rates without waiting for the space available deadline. If you subsequently drop the class(es), you will not be able to then use the waiver to register for additional, different class(es) later.

If you are not matriculated in a degree or certificate program, you will need to use the Non-Matriculated Student registration form linked here. The form can also be found on the Admissions Office website by clicking ‘Take a Class!’ and scrolling down to “How to enroll as a non-matriculated student.” Completed registration forms should include proof of prerequisites if taken outside of GCC.

Degree and certificate seeking students need to work with their advisor, or the Advising Center (advising@gcc.mass.edu) to register for classes.

Students auditing classes must indicate this at the time of registration or contact the Enrollment Services Office (registration@gcc.mass.edu), no later than the deadline to add the class in question. That deadline is generally by the end of the first week of classes.

Questions about registration should be emailed to the Enrollment Services Office (registration@gcc.mass.edu) or the Advising Center (advising@gcc.mass.edu). Questions about the waiver, bill and payment should be emailed to the Bursar’s Office (teller@gcc.mass.edu).
